To My Teenager
© Tricia Shanahan
Published: February 2006

It's hard sometimes, when people are changing their lives
To understand each other or even talk

You are struggling right now for independence
and to live your own way...
And sometimes we struggle for the strength to let you do it

I wish now and then for the days when a kiss and hug
could make your world bright again
but your world is more difficult now
and you want to make your own way in it
which is as it should be

I want you to know that when you get hurt
I will hurt with you
and that deep down, I will always have confidence
in your ability to find your place in your world

When you need a caring heart
or someone to listen to your deepest dreams or concerns
I will be there for you because I love and care for you

Above all else, know that I love and care for you

This text is for questions number 13 to 15.

Jimmy Carter was born in Georgia, USA, in 1924 in a small rural community. He was brought up in the Great Depression and joined the US navy. In 1953 after his father died he took control of the family business and proved a successful manager. He entered politics at a local state level, helping to reduce Georgia's traditions of racial segregation. Nevertheless when Jimmy Carter ran for the president in 1976 he was a big outsider to Washington, having only served as governor of Georgia. This meant he was distrusted by some Democrats, especially from the north.

Nevertheless he defeated the Republican candidate G. Ford in 1976 to become President of the US. President Carter made efforts to promote human rights both at home and abroad and also creating a new education department. On an international level he also made attempts to promote arms reductions treaty's such as SALT II.

However he was president during a difficult time. Having to deal with energy crisis, the war in Afghanistan and the hostage crisis. As a consequence he lost the 1980 election to R. Reagan. Since leaving the White House Jimmy Carter has maintained a high profile, often acting as a negotiator in difficult situations. He was awarded the Nobel Peace prize in 2002.

This text is for questions number 19 to 21.

Television becomes one of the most important devices which take place in almost houses. It can unite all members of the family as well as separate them. However, is it important to know what your kids are watching? The answer is, of course, absolutely “Yes” and that should be done by all parents. Television can expose things you have tried to protect the children from, especially violence, pornography, consumerism and so on.

Recently, a study demonstrated that spending too much time on watching TV during the day or at bedtime often cause bed-time disruption, stress, and short sleep duration. Another research found that there is a significant relationship between the amount of time spent for watching television during adolescence and early adulthood, and the possibility of being aggressive.

Meanwhile, many studies have identified a relationship between kids who watch TV a lot and being inactive and overweight.

Considering some facts mentioning above, protect your children with the following tips:

- Limit television viewing to one-two hours each day
- Do not allow your children to have a TV set in their own bedrooms
- Review the rating of TV shows which your children watch
- Watch television with your children and discuss what is happening in the show

19. Why is it important for parents to watch television with their children?

The following text is for questions 30 to 32

I am sure most of you have downloaded music a number of times. Downloading music is one of our favorite activities on the internet. Most of us love surfing web site that facilitate music downloads. Downloading music may make it conveniently available. But does it have a negative effect on the music industry?

Downloading music makes it readily available to the masses. Music reaches the masses in minute. When it can be downloaded, music lovers get what they need without struggling for long periods of time. When music becomes available within sometime after its release, it is a real musical treat for those waiting for the release.

When you download music, you save on the costs that would be incurred if you would have decided to buy it. The original copies of music need you shell out big bucks. If music downloadable, you are sure to save money and thanks to the facilities of free downloading.

Supporters of music downloading claim that making music readily available contributes to the increased popularity of the artists. The concept of making music available for free downloads has in fact contributed to the fame of the music industry. Being available for download, music reaches the crowd in a relatively lesser amount of time thus boosting its popularity.

On the other hand, though downloading music makes it readily available to the masses, it also makes it spreadable and wide overly. Something that is scarce is precious while something that is plentiful and easy to get tends to have lesser value.

The practice of downloading music leads to the diminishing sales of music cassettes, CDs and DVDs. It reduces the sale figures of music companies. It has an adverse effect on the music industry.

Downloading music gives rise to copyright and piracy issue. By downloading music you lose its originality. When you use the copied versions of music, you indirectly encourage piracy. As you download music, you do not go for purchase of the original copies of music, which may result in an indirect violation of copyright

30. What is the text about?
- Downloading music gives more advantages than disadvantages
 - Downloading music is one of our favorite activities on the internet.
 - Downloading music gives both positive and negative effects.
 - Downloading music gives rise to copyright and piracy issue.
 - Downloading music gives rise to copyright issue.
31. What is argument against downloading music?
- Music lovers get what they need without struggling for long periods of time
 - By downloading music, we can save on the costs
 - Making music readily available contributes to the increased popularity of the artists
 - The concept of downloading music has contributed to the fame of the music industry
 - Downloading music gives rise to copyright and privacy issues
32. “When you use the copied versions of music, you indirectly encourage piracy.” (Paragraph 7)
The underlined word is closest in meaning to
- promote
 - guide
 - influence
 - ignore
 - affect
33. The most appropriate conjunction to complete the dialog above is
- because
 - even though
 - therefore
 - however
 - but
34. Ratih : I can't believe how you could finish your project on time.
Diana : Even though I had a lot of problem, I continued to work on it.
From the dialog we can conclude that ...
- Diana failed in finishing the project.
 - Diana's problem disturbed her in finishing her project.
 - Diana stopped her project because of her problems
 - The problems motivated Diana to finish her project.
 - Diana could not be disturbed by her problems

The following text is for questions 35 to 37

Reading the three plots of Marry Higgins Clark in *All Through the Night* concern a stolen gold ornamental cup, a missing baby, and a will which seems to be deceitful. To solve the mystery, she revives her beloved characters; Alvirah, the former cleaning woman; and Willy Meeham, the plumber who won the lottery. They left their life in Jackson Heights, Queens, for an apartment on Central Park. The two have fun along the way solving the puzzle.

The pace is swift and the story is pure escape - totally fun Mary Higgins Clark. I admit, however, that I am still trying to know what melody of the song "*All Through the Night*" sounds like.

This holiday season, put aside your chores and curl up on couch with *All Through the Night*. When you close it you will be relaxed and more ready to enjoy the festivities. And then you might just want to tuck a copy into someone's stocking or gift bag, as well.
