If the parties cannot mutually agree upon an arbitrator within forty-five (45) calendar days after the request to select an arbitrator has been served, the Union may request the State Conciliation and Mediation Service or the Federal

Mediation and Conciliation Service to submit to both parties a panel of nine (9) arbitrators. Within fifteen (15) calendar days after receipt of the panel of arbitrators from the State Conciliation and Mediation Service or the Federal Mediation and Conciliation Service, the Union shall contact the State in writing and request to strike names from the panel. The parties shall have ten (10) business days to meet and alternately strike names until only one name remains and this person shall be the arbitrator.

Once adopted by the CalHR, the hearing officer's decision with respect to back pay shall be final and is neither grievable nor arbitrable under any provision of this Contract, nor may it otherwise be appealed to a court of competent jurisdiction. This provision does not alter or affect the right to bring a legal challenge or appeal of the other aspects of the hearing officer's decision as provided in law. This does not otherwise limit or expand any other authority of the hearing officer under Government Code section 19996.2.

 - 4. The arbitrator shall make his/her decision solely on the written record in the grievance, the grievance response(s), and any oral or documentary presentation made at the arbitration proceeding. The presentations shall be time limited, consistent with the intent of this provision to hold multiple grievance reviews in a single day. There shall be a stenographic record or transcripts of the hearings.
 - 5. At the conclusion of the hearing, each party shall present an oral summation of its position. Post hearing briefs shall not be submitted.
 - 6. The arbitrator will issue a bench decision on each grievance. The decision of the arbitrator is final and binding, but shall have no precedential value whatsoever.

ARTICLE 8 – LEAVES

8.1 Vacation/Annual Leave

- A. Employees shall not be entitled to vacation leave credit for the first six (6) months of service. On the first day of the monthly pay period following completion of six (6) qualifying monthly pay periods of continuous service, all full-time employees covered by this section shall receive a one-time vacation bonus of forty-two (42) hours of vacation credit. Less than full-time employees shall be allowed, on a pro rata basis, the fractional part of the bonus vacation credit. Thereafter, for each additional qualifying monthly pay period, full-time employees shall be allowed credit for vacation with pay on the first day of the following month as follows:

7 months to 3 years	7 hours per month
37 months to 10 years	10 hours per month
121 months to 15 years	12 hours per month
181 months to 20 years	13 hours per month
241 months and over	14 hours per month

- B. Employees may elect to enroll in the Annual Leave Program to receive annual leave credit in lieu of vacation and sick leave credits. Enrollment into and out of the Annual Leave Program will occur annually during an open enrollment period during the month of April. All enrollments must be received by the employee's personnel office from April 1 to April 30. The effective date of the election shall be the first day of the June pay period.
- C. Each full-time employee shall receive credit for annual leave in lieu of the vacation and sick leave credits of this Agreement in accordance with the following schedule:

1 month to 3 years	11 hours per month
37 months to 10 years	14 hours per month
121 months to 15 years	16 hours per month
181 months to 20 years	17 hours per month
241 months and over	18 hours per month

- D. Employees who elect to move to the vacation and sick leave programs will have their accrued annual leave balances converted to vacation. Employees shall have the continued use of any sick leave accrued as of the effective date of this Agreement.
- E. A full-time employee who has eleven (11) or more working days of service in a monthly pay period shall earn Vacation/Annual Leave credits as set forth under subsection A above or C respectively. Absences from State service resulting from a temporary or permanent separation for more than eleven (11) consecutive working days which fall into two (2) consecutive qualifying pay periods shall disqualify the second pay period.
- F. Less than full-time and hourly employees shall accrue proportional Vacation/Annual Leave credits, in accordance with the chart shown in section 7.1(L) of this Contract.
- G. Vacation/Annual Leave accrual for employees in multiple positions will be computed by combining all positions, provided the result does not exceed the amount earnable in full-time employment, and the rate of accrual shall be determined by the schedule which applies to the position or collective bargaining status under which the election was made.
- H. Annual Leave that is used for purposes of sick leave is subject to the requirements set forth in section 8.2, Sick Leave, of this Contract.
- I. Work Week Group 2 employees may take Vacation/Annual Leave credits in fifteen (15) minute increments.
- J. Work Week Group 2 employees are authorized to use existing fractional Vacation/Annual Leave hours that may have been accumulated.
- K. Subject to operational needs, the time when Vacation/Annual Leave shall be taken by the employee shall not be unreasonably denied. Employee Vacation/Annual Leave requests shall be submitted and granted or denied in writing in a timely manner. Vacation/Annual Leave can only be cancelled when unanticipated operational needs require it.
- L. Vacation/Annual Leave requests must be submitted in accordance with departmental policies on this subject. However, when two (2) or more employees on the same shift (if applicable) in a work unit (as defined by each department

head or designee) request the same Vacation/Annual Leave time and approval cannot be given to all employees requesting it, employees shall be granted their preferred Vacation/Annual Leave period in order of seniority (defined as total months of State service in the same manner as Vacation/Annual Leave is accumulated). When two (2) or more employees have the same amount of State service, department seniority will be used to break the tie. Vacation/Annual Leave schedules, which have been established in a work unit, pursuant to the seniority provisions in this Article, shall not be affected by employee(s) entering the unit after the schedule has been established.

- M. If an employee does not use all of the Vacation/Annual Leave that the employee has accrued in a calendar year, the employee may carry over his/her accrued Vacation/Annual Leave credits to the following calendar year to a maximum of six hundred forty (640) hours. A department head or designee may permit an employee to carry over more than six hundred forty (640) hours of accrued Vacation/Annual Leave hours if an employee was unable to reduce his/her accrued hours because the employee: (1) was required to work as a result of fire, flood, or other extensive emergency; (2) was assigned work of a priority or critical nature over an extended period of time; (3) was absent on full salary for compensable injury; (4) was prevented by department regulations from taking Vacation/Annual Leave until December 31 because of sick leave; or (5) was on jury duty.
- N. By June 1 of each calendar year those employees whose Vacation/Annual Leave balance exceeds, or could exceed by December 31, the Vacation/Annual Leave cap of subsection M must submit to their supervisor for approval a plan to use Vacation/Annual Leave to bring their balance below the cap. If the employee fails to submit a plan, or adhere to an approved plan, the department head or designee has the right to order an employee to take sufficient Vacation/Annual Leave to reduce the employee's Vacation/Annual Leave balance or potential balance on December 31 below the cap specified in subsection M.
- O. Upon termination from State employment, the employee shall be paid for accrued Vacation/Annual Leave credits for all accrued Vacation/Annual Leave time.
- P. An employee who returns to State service after an absence of six (6) months or longer, caused by a permanent separation, shall receive a one-time vacation credit on the first monthly pay period following completion of six (6) qualifying pay periods of continuous service in accordance with the employee's total State service before and after the absence.
- Q. Employees may be permitted annually to cash out up to eighty (80) hours of accumulated Vacation/Annual Leave as follows:

On or before May 1 of each year, starting in the 2017 calendar year, each department head (Director, Executive Officer, etc.) or designee will advise department employees whether the department has funds available for the

purpose of cashing out accumulated Vacation/Annual Leave. In those departments that have funds available, employees will be advised of the number of hours that may be cashed out, not to exceed eighty (80) hours. Employees who wish to cash out Vacation/Annual Leave must submit a written request during the month of May to the individual designated by the Department Director. Departments will issue cash payments for cashed out Vacation/Annual Leave during the month of June.

 - 3. Dental, eye, and other physical or medical examination or treatment by a licensed practitioner;
 - 4. Absence from duty for attendance upon the employee’s ill or injured mother, father, husband, wife, domestic partner (as defined in accordance with Family Code section 297), son, daughter, brother, sister, or any person residing in the immediate household. Such absence shall be limited to six (6) workdays per occurrence or, in extraordinary situations, to the time necessary for care until physician or other care can be arranged.
- B. A full-time employee who has eleven (11) or more working days of service in a monthly pay period shall be eligible for up to eight (8) hours of sick leave credit. On the first day of the monthly pay period following completion of each qualifying pay period of service, each full-time employee shall earn eight (8) hours of credit for sick leave with pay.
- C. Credit for less than full-time employees shall be computed as follows:
 - 1. Part-time employees: On the first day of the monthly pay period following completion of each monthly pay period of continuous service, each part-time employee shall be allowed, on a pro rata basis, the fractional part of his/her appropriate accrual rate of credit for sick leave with pay in accordance with the schedule in Article 7.1(L).
 - 2. Multiple positions under this rule:
 - a. An employee holding a position in State service in addition to the primary full-time position with the State shall not receive credit for sick leave with pay for service in the additional position;

- b. Where an employee holds two (2) or more “less than full-time positions,” the time worked in each position shall be combined for purposes of computing credits for sick leave with pay, but such credits shall not exceed the amount earned for [eight (8) hours per pay period] full-time employment credit.
- D. An employee may be required to provide a physician’s or licensed practitioner’s verification of sick leave when:
 - 1. The employee has a demonstrable pattern of sick leave abuse; or
 - 2. The supervisor has good reason to believe the absence was for an unauthorized reason. A supervisor has good reason if a prudent person would also believe the absence was for an unauthorized reason.
 - 3. The State recognizes the confidential nature of the relationship between the health care provider and patient and if verification is required it shall be limited to the anticipated length of the absence, any restrictions upon return to work that prevent the employee from performing the full range of his/her normal work assignment and anticipated future absences. If the department head or designee does not consider the verification adequate, the request for sick leave may be disapproved. Upon request, a denial of sick leave shall be in writing stating the reason for denial.
- E. An employee will not be denied the right to use sick leave or be subject to any type of corrective or disciplinary action, or in any manner discriminated against for using or attempting to exercise his/her right to use sick leave based solely on the amount of use.
- F. Sick leave may be accumulated without limit.
- G. Sick leave may be requested and taken in fifteen (15) minute increments.
- H. A full-time employee whose continuity of employment is broken by a permanent separation of six (6) months or longer and is subsequently reemployed cannot be credited with any unused sick leave accumulated prior to the employee’s separation and the full-time employee must complete one month of continuous service before being granted one day of sick leave credit. In addition, when a full-time employee has a break in the continuity of employment because of a permanent separation of less than six (6) months or because of a temporary separation, the full-time employee’s prior unused sick leave balance is restored.
- I. When an employee’s sick leave balance is zero, other leave credits such as vacation, CTO, PLP, personal holiday, or holiday leave may be substituted with the supervisor’s approval, and shall not be unreasonably denied.
- J. Time during which an employee is excused from work because of sick leave shall not be considered as time worked for purposes of calculating overtime.

Such bereavement leave shall be authorized for up to three (3) eight-hour days (24 hours) per occurrence. The employee shall give notice to his/her immediate supervisor as soon as possible and shall, if requested by the employee's supervisor, provide substantiation to support the request upon the employee's return to work.
- B. A department head or designee shall authorize bereavement leave with pay for a permanent full-time or probationary full-time employee due to the death of his/her aunt, uncle, niece, nephew, or immediate family members of domestic partners as defined in paragraph A above. Such bereavement leave shall be authorized for up to three (3) eight-hour days (24 hours) in a fiscal year. The employee shall give notice to his/her immediate supervisor as soon as possible and shall, if requested by the employee's supervisor, provide substantiation to support the request.
- C. If the death of a person as described above requires the employee to travel over four hundred (400) miles one way from his/her home, additional time off with pay shall be granted for two (2) additional days which shall be deducted from accrued leave. Should additional leave be necessary, the department head or designee may authorize the use of other existing leave credits or authorized leave without pay. Any such request shall not be arbitrarily or unreasonably denied.
- D. Employees may utilize their annual leave, vacation, CTO, or any other earned leave credits for additional time required in excess of time allowed in A or B above. Sick leave may be utilized for Bereavement Leave in accordance with the sick leave provision of this Contract in section 8.2. Any such request shall not be arbitrarily or unreasonably denied.

Concurrence will not be unreasonably withheld.

8.15 Personal Leave Program (PLP) – Voluntary (Excludes 21)

The State shall continue a Voluntary Personal Leave Program (PLP) for bargaining unit employees. Employees may voluntarily participate in the personal leave program on a continuing basis.

- A. Each full-time employee subject to paragraph B shall be credited with eight (8) hours of voluntary personal leave on the first day of the following monthly pay period for each month in the Voluntary PLP.
- B. Each full-time employee participating in the Voluntary PLP shall continue to work his/her assigned work schedule and shall have a reduction in pay equal to five percent (5%). In exchange, eight (8) hours of leave will be credited to the employee's Voluntary PLP monthly balance.
- C. Personal leave shall be requested and used by the employee in the same manner as vacation/annual leave or personal necessity leave. Requests to use personal leave must be submitted in accordance with departmental policies on vacation/annual leave or personal necessity leave. Personal leave shall not be included in the calculation of vacation/annual leave balances pursuant to Article 8 (Leaves).
- D. An employee may accumulate no more than two hundred forty (240) hours of voluntary personal leave. When an employee reaches two hundred forty (240) hours of personal leave or would exceed two hundred forty (240) hours of personal leave with further accumulation, he/she shall be removed from the Voluntary PLP.
- E. When an employee is removed from the Voluntary PLP, he/she may not participate for a minimum of twelve (12) months and he/she is not eligible to re-enroll until his/her balance is reduced to a maximum of one hundred twenty (120) hours.
- F. At the discretion of the State, all or a portion of unused personal leave credits may be cashed out at the employee's salary rate at the time the personal leave payment is made. It is understood by both parties that the application of this cash out provision may differ from department to department and from employee to employee. Upon termination from State employment, the employee shall be paid for unused personal leave credits in the same manner as vacation or annual leave. Cash out or lump sum payment for any personal leave credits shall not be considered as "compensation" for purposes of retirement. If funds become available, as determined by the Department of Finance (DOF), for the PLP, departments will offer employees the opportunity to cash out accrued personal leave. Upon retirement/separation, the cash value of the employee's personal leave balance may be transferred into a State of California, CalHR Deferred Compensation Program as permitted by federal and state law.

- G. An employee may not use any kind of paid leave such as sick leave, vacation, or holiday time to avoid a reduction in pay resulting from the PLP.
- H. A State employee in the PLP shall be entitled to the same level of State employer contributions for health, vision, dental, flex-elect cash option, and enhanced survivor's benefits he or she would have received had the PLP not occurred.
- I. The PLP shall not cause a break in State service, a reduction in the employee's accumulation of service credit for the purposes of seniority and retirement, leave accumulation, or a merit salary adjustment.
- J. The PLP shall neither affect the employee's final compensation used in calculating State retirement benefits nor reduce the level of State death or disability benefits the employee would otherwise receive or be entitled to receive nor shall it affect the employee's ability to supplement those benefits with paid leave.
- K. Part-time employees shall be subject to the same conditions as stated above, on a prorated basis.
- L. The PLP for intermittent employees shall be prorated based upon the number of hours worked in the monthly pay period.
- M. The PLP shall be administered consistent with the existing payroll system and the policies and practices of the SCO.
- N. Employees on SDI, IDL, or workers' compensation for the entire monthly pay period shall be excluded from the PLP for that month.

8.15.21 Personal Leave – Voluntary (Unit 21)

- A. Each department may decide whether it intends to offer the Voluntary Personal Leave Program (VPLP). Participating departments will notify employees of any program conditions that they may establish (e.g., eligibility criteria, maximum carryover credits, operational limitations) and procedures for participation. Employee participation in the program shall be on a voluntary basis.
- B. Except for "K" below, only permanent full-time employees are eligible to participate in the VPLP. Interested employees may only request either one (1) day (8 hours) or two (2) days (16 hours) personal leave per month with an equal reduction in pay. Approval or denial of the request shall be at the general discretion of the department and may vary within the department. A department may only approve either one (1) day (8 hours) or two (2) days (16 hours) personal leave. Salary ranges and rates shall not be affected because of VPLP participation.

- C. Participating employees shall be credited with eight (8) or sixteen (16) hours of personal leave on the first day of the following monthly pay period the employee is in the VPLP.
- D. Once approved, employees must remain in the program for twelve (12) months unless a department established a lesser time period. Once approved for the VPLP, an employee agrees to remain in the program for that time period. In the case of a financial hardship, an employee's request to cancel participation may be approved by a department on a case by case basis. The State reserves the right to cancel the program on a departmental, subdivisional or individual basis at any time with thirty (30) days notice to the employee.
- E. Personal leave (including time accrued via the VPLP, personal leave program in effect from July 1, 1992 through December 30, 1993, and the personal leave program in effect from October 1, 2003 through September 30, 2004) shall be requested and used by the employee in the same manner as vacation or annual leave. Request to use personal leave must be submitted in accordance with departmental policies on vacation or annual leave. Employees may not be required to use personal leave credits.
- F. At the discretion of the State, if funds become available, as determined by the Department of Finance (DOF), all or a portion of unused personal leave credit (including time accrued via the VPLP, personal leave program in effect from July 1, 1992 through December 30, 1993, and the personal leave program in effect from October 1, 2003 through September 30, 2004) may be cashed out at the employee's salary rate at the time the personal leave payment is made. It is understood by both parties that the applicant of this cash out provision may differ from department to department and from employee to employee. Upon termination from State employment, the employee shall be paid for unused personal leave credits in the same manner as vacation or annual leave. Cash out or lump sum payment for any personal leave credits shall not be considered as "compensation" for purposes of retirement. Upon retirement/separation, the cash value of the employee's personal leave balance may be transferred into a State of California, CalHR, Deferred Compensation Program as permitted by federal and state law.
- G. Participating employees shall be entitled to the same level of State employer contribution for health, vision, dental, flex-elect cash option and enhanced survivor's benefits he or she would have received had they not participated in the VPLP.
- H. The VPLP shall not cause a break in State service, a reduction in the employee's accumulation of service credit for the purposes of seniority and retirement, leave accumulation or merit salary adjustment.
- I. The VPLP shall neither affect the employee's final compensation used in calculating State retirement benefits nor reduce the level of State death or

disability benefits the employee would otherwise receive or be entitled to receive nor shall it affect the employee's ability to supplement those benefits with paid leave.

- J. The VPLP shall be administered consistent with the existing payroll system and the policies and practices of the SCO.
- K. Employees on EIDL, SDI, IDL or worker's compensation for the entire monthly pay period shall be excluded from the VPLP.
- L. Continued participation in the program when an employee transfers to another department shall be at the discretion of the new department.
- M. If any dispute arises about this VPLP, an employee or Union may file a grievance and the decision reached at the third step shall be final and not subject to the grievance arbitration clause of the Agreement.

8.16 Family Medical Leave Act (FMLA)

- A. The State acknowledges its commitment to comply with the spirit and intent of the leave entitlement provided by the FMLA and the California Family Rights Act (CFRA) referred to collectively as "FMLA". The State and the Union recognize that on occasion it will be necessary for employees of the State to take job protected leave for reasons consistent with the FMLA. As defined by the FMLA, reasons for a FMLA leave may include an employee's serious health condition, for the care of a child, spouse, domestic partner (as defined in Family Code section 297), or parent who has a serious health condition, and/or for the birth or adoption of a child.
- B. For the purposes of providing the FMLA benefits the following definitions shall apply:
 - 1. An eligible employee means an employee who meets the eligibility criteria set forth in the FMLA;
 - 2. An employee's child means any child, regardless of age, who is affected by a serious health condition as defined by the FMLA and is incapable of self care. "Care" as provided in this section applies to the individual with the covered health condition;
 - 3. An employee's parent means a parent or an individual standing in loco parentis as set forth in the FMLA;
 - 4. Leave may include paid sick leave, vacation, annual leave, personal leave, catastrophic leave, holiday credit, excess hours, and unpaid leave. In accordance with the FMLA, an employee shall not be required to use CTO credits, unless otherwise specified by section 8.8 of this Contract.

- a. FMLA absences due to illness and/or injury of the employee or eligible family member may be covered with the employee's available sick leave credits and catastrophic leave donations. Catastrophic leave eligibility and sick leave credit usage for a FMLA leave will be administered in accordance with section 8.8 and 8.2 of this Contract.
 - b. Other leave may be substituted for the FMLA absence due to illness and/or injury, at the employee's discretion. An employee shall not be required to exhaust all paid leave, before choosing unpaid leave, unless otherwise required by section 8.8 of this Contract.
 - c. FMLA absences for reasons other than illness and/or injury (i.e., adoption or care of an eligible family member), may be covered with leave credits, other than sick leave, including unpaid leave, at the employee's discretion. Except in accordance with section 8.8 of this Contract, an employee shall not be required to exhaust all leave credits available before choosing unpaid leave to cover a FMLA absence.
- C. An eligible employee shall provide certification of the need for a FMLA leave. Additional certification may be requested if the department head or designee has reasonable cause to believe the employee's condition or eligibility for FMLA leave has changed. The reasons for the additional certification request shall be provided to the employee in writing.
- D. An eligible employee shall be entitled to a maximum of twelve (12) workweeks FMLA leave per calendar year and all other rights set forth in the FMLA. This entitlement shall be administered in concert with the other leave provisions in Article 8 of this Contract. Nothing in this Contract should be construed to allow the State to provide less than that provided by the FMLA.
- E. On January 1 of each year, FMLA leave shall be recorded in accordance with the calendar year. Each time an employee takes an FMLA leave, the remaining leave entitlement is any balance of the twelve (12) workweeks that has not been used during the current calendar year. Employees who have taken FMLA leave under the previous twelve (12) month rolling period, shall be entitled to additional leave up to a total of twelve (12) weeks for the current calendar year.
- F. An employee on FMLA leave has a right to be restored to his/her same or "equivalent" position (FMLA) or to a "comparable" position (CFRA) with equivalent pay, benefits, and other terms and conditions of employment.
- G. For the purposes of computing seniority, employees on paid FMLA leave will accrue seniority credit in accordance with CalHR rules 599.608 and 599.609.
- H. Any appeals regarding a FMLA decision should be directed to the department head or designee. FMLA is a Federal law and administered and enforced by the Department of Labor, Employment Standards Administration, Wage and Hour Division. The State's CFRA is a State law which is administered and enforced by

the DFEH. FMLA/CFRA does not supersede any Article of this Contract which provides greater family and medical leave rights. This section is not subject to grievance or arbitration.

- I. The Union will be noticed when a denial is issued for the lack of one thousand two hundred and fifty (1,250) hours of service. A copy of the written denial shall be sent attn: SEIU Local 1000 Headquarters within thirty (30) days. Should the request for FMLA be denied, the reason for denial will be provided in writing within thirty (30) days to the employee.

8.17 Mentoring Leave

- A. Eligible employees may receive up to forty (40) hours of mentoring leave per calendar year to participate in mentoring activities once they have used an equal amount of their personal time for these activities. Mentoring leave is paid leave time which may only be used by an employee to mentor. This leave does not count as time worked for purposes of overtime. Mentoring leave may not be used for travel to and from the mentoring location.
- B. An employee must use an equal number of hours of his or her personal time (approved annual leave, vacation, personal leave, personal holiday, or CTO during the workday and/or personal time during non-working hours) prior to requesting mentoring leave. For example, if an employee requests two (2) hours of mentoring leave, he or she must have used two (2) verified hours of his or her personal time prior to receiving approval for the mentoring leave. Mentoring leave does not have to be requested in the same week or month as the personal time was used. It does, however, have to be requested and used before the end of the calendar year.
- C. Prior to requesting mentoring leave and in accordance with departmental policy, an employee shall provide his or her supervisor with verification of personal time spent mentoring from the mentoring organization.
- D. Requests for approval of vacation, CTO, and/or annual leave for mentoring activities are subject to approval requirements in this Contract and in existing departmental policies. Requests for approval of mentoring leave are subject to operational needs of the State, budgetary limits, and any limitations imposed by law.
- E. In order to be eligible for mentoring leave, an employee must:
 1. Have a permanent appointment;
 2. Have successfully completed their initial probationary period; and
 3. Have committed to mentor a child or youth through a mentoring organization that meets the quality assurance standards in accordance with the Governor's Mentoring Partnership, for a minimum of one (1) school year. (Most programs

are aligned with the child's normal school year; however, there may be some that are less or more. Department management may make exceptions to the one (1) school year commitment based on the mentor program that is selected.)

F. An employee is not eligible to receive mentoring leave if:

1. He or she is assigned to a "post" position in the CDCR; or
2. He or she works in a level of care position in the DDS, DSH, CDE, CDCR or Veterans' Affairs (CDVA).

G. Permanent part-time and Permanent Intermittent (PI) employees may receive a prorated amount of mentoring leave based upon their time base. For example, a half time employee is eligible for twenty (20) hours of mentoring leave per calendar year, whereas an intermittent employee must work a qualifying monthly pay period (equivalent to one hundred sixty [160] hours) to earn 3.3 hours of mentoring leave.

H. Any appeals and/or disputes regarding this section shall be handled in accordance with the complaint procedure specified in Article 6 of this Contract.

8.17.21 INTENTIONALLY EXCLUDED

8.18 Work and Family Participation

A. Family Activity

Subject to operational needs and reasonable notice to the employer, employees shall be permitted to use accrued leave credits (vacation, annual leave, personal holiday, holiday credits, CTO) for the purpose of attending school or nonschool family-related activities such as sports events, recitals, 4-H, etc., in which the employee's child is participating. However, use of such leave shall not diminish an employee's entitlement under the Family School Partnership Act (Labor Code section 230.8) to, upon reasonable notice to the employer, use up to eight (8) hours per month but not to exceed forty (40) hours per calendar year of accrued leave credits (vacation, annual leave, personal holiday, holiday credits, CTO) for the purpose of attending school or pre-school related activities in which the employee's child is participating. Employee leave requests for family activities shall be in accordance with the appropriate departmental procedures.

B. Family Crisis

Subject to operational needs, and upon reasonable notice to the employee's immediate supervisor, employees shall be eligible to use accumulated leave credits for the purpose of dealing with family crisis situations (e.g., divorce

counseling, family or parenting conflict management, family care urgent matters and/or emergencies). If the employee has exhausted available leave credits, the employee may request unpaid leave. Family is defined as the parent, stepparent, spouse, domestic partner (as defined in accordance with Family Code section 297), child, grandchild, grandparent, brother, sister, stepchild, or any person residing in the immediate household. If eligible, any family crisis leave that meets the definition of serious health condition will run concurrently with section 8.16 of this Contract, Family Medical Leave Act. The State shall consider requests from employees to adjust work hours or schedules or consider other flexible arrangements consistent with a department's operational needs and the provisions of this Contract. Employee requests related to family crisis or domestic violence shall be in accordance with departmental procedures and, except in emergencies, shall be made with reasonable notice to the employee's immediate supervisor. The State shall maintain the confidentiality of any employee requesting accommodation under this section, but may require substantiation to support the employee's request.

8.19 Paid Time Off – Precinct Election Board

With prior approval of the employee's supervisor and under comparable conditions as provided for supervisors and managers in CalHR rule 599.930, an employee may be granted time off for public service as a member of a Precinct Election Board. The employee shall be eligible for both regular State compensation and any fee paid by the Registrar of Voters for such service. Verification of service may be required.

8.20 Blood Donation Programs

Bargaining unit employees who donate blood, plasma, platelets and other blood products to certified donation centers may be allowed reasonable release time without loss of compensation when donations are made either at or in close proximity to the work site. Donation verification shall be provided upon request.

These need not be consecutive pay periods. Such leaves shall be without pay for persons employed and paid under the provisions of CalHR regulation 599.666 and with deferred pay for persons employed and paid under the provisions of CalHR regulation 599.667.

- B. Leaves of absence granted under the provisions of these rules shall be counted as qualifying service for merit and special in-grade salary adjustments, for seniority and for computation of months of total State service to determine changes in the monthly credit for vacation/annual leave. For all other purposes, leaves of absence granted pursuant to this section shall not be counted as qualifying service.
- C. All Unit 3 employees, except civil service exempt teachers of the CDE, may request to utilize the 9-12, 10-12 or 11-12 plan.
- D. Affected departments will make every reasonable effort to grant 9-12, 10-12, 11-12 leave to qualified employees and 9-12, 10-12 or 11-12 leave plan requests shall not be unreasonably denied. Any denial will be accompanied by a reason in writing.
- E. An employee returning from 9-12, 10-12, or 11-12 leave shall have the right to return to his/her former position. Every reasonable effort will be made to return the employee to the same position.
- F. For CDCR, OCE & DJJ employees on a 220 or equivalent day academic year, the following restrictions apply:
 - 1. Employees on the 220 or equivalent day schedule may not utilize the 9-12 option.
 - 2. Prior to utilizing 10-12 or 11-12 leave the employee must apply and pay in advance so that each month of leave has been paid for by monthly pay reduction. Monthly pay will be reduced by 1/6 for a 10-12 and 1/12 for an 11-12 leave.
 - 3. 10-12 leaves may be for non-consecutive pay periods.
 - 4. Before approval for the 10-12 or 11-12 option, the employee will sign an agreement assenting to the 1/12 or 1/6 reduction in monthly pay and identifying the month or months to be taken off. The employee will also indicate understanding that a reconciliation will take place at the conclusion of the twelve (12) month period to account for actual days worked. This reconciliation could result in the employee owing money to the State or the State owing money to the employee because of the variation in number of work days in the months of the approved academic calendars in OCE and DJJ. Any debt owed by the employee will be repaid according to the applicable procedures.

8.21.21 10-12 Leave (Unit 21)

- A. A department head may, upon the request of an employee, grant a leave of absence not to exceed two (2) consecutive pay periods during the period

designated by the department head for release from performance of duties to full-time permanent or probationary employees.

- B. Leaves of absence granted under the provisions of these rules shall be counted as qualifying service for merit and special in-grade salary adjustments, for seniority, and for computation of months of total State service to determine a change in the monthly credit for vacation leave. For all other purposes, leaves of absence granted pursuant to this section shall not be counted as qualifying service.
- C. All Unit 21 employees may request to utilize the 10-12 plan.
- D. Any denial of the 10-12 plan shall be accompanied by a reason in writing.
- E. An employee returning from 10-12 leave shall have the right to return to his/her former position. The term "former position" is defined in Government Code section 18522.

8.22.14 Vacation Calendar (Unit 14)

- A. A vacation schedule shall be established for employees by shift at each work location on a semi-annual basis, and distributed to all employees prior to the start of the semi-annual period. During the first quarter of the sixty (60) calendar day period just prior to the semi-annual period, each employee shall designate the vacation time(s) he/she desires. The supervisor shall ensure that any conflicts are resolved during the second quarter of the sixty (60) calendar day period.
- B. Vacation requests made after the vacation schedule has been posted may be granted on a first-come, first-serve basis provided there is no interference with the scheduled vacations.
- C. Each department head or designee will make every effort to act on vacation requests in a timely manner.

8.22.20 DSH Licensed Vocational Nurse (LVN) Vacation Scheduling (Unit 20)

- A. On October 1 of each year, each program or other work location shall post a vacation calendar in a prominent place. The calendar shall indicate by program and shift the number of employees that may be on vacation on each day of the upcoming calendar year. The posted vacation time shall be sufficient to permit all employees on each shift to have an opportunity to take a vacation.
- B. Between October 15 and November 15, employees shall be called upon in order of seniority to bid subject to available posted vacation dates, one (1), two (2) or three (3) vacation period(s) for the upcoming calendar year as follows:

 2. For three (3) vacation periods, each vacation period shall be for consecutive days. The three (3) vacation periods combined shall not exceed thirty-two (32) days of vacation days scheduled off during the vacation year, and any one (1) vacation period shall not exceed twenty-four (24) vacation days scheduled off. Each vacation period shall be separated by at least twenty-two (22) days worked. As each employee chooses his/her vacation period, that vacation period shall be entered in ink on the appropriate vacation calendar.
 3. For the purpose of subsection B, an employee's chosen vacation period may not exceed the employee's accrued vacation, annual leave, Personal Leave Program (PLP), furlough or Personal Development Days (PDD) time balance(s) at the time the vacation is to be taken.
- C. Beginning December 1, employees may select time off on a first-come, first-serve basis from the remaining posted dates. If the selection is at least ten (10) calendar days prior to the first selected day off, the selection shall be granted. Requests for time off with less than ten (10) calendar days notice may be granted. For use of the personal holiday, selection from the remaining posted dates shall be granted if made at least five (5) days in advance. For the purpose of this subsection, an employee may use annual leave, vacation, CTO, holiday time, or personal holiday. Based on the operational needs of the State, additional dates may be added to, or vacant dates may be deleted from, the vacation calendar. For the purpose of this subsection, if two (2) or more employees simultaneously request the same time off and all requests cannot be granted, employees shall be granted their preferred time off by lot.
- D. Employees who successfully bid a vacation during the period mentioned in subsection B, October 15 through November 15, and are subsequently involuntarily transferred from the program or shift on which the vacation was bid shall retain that vacation period. If the employee is involuntarily transferred as a result of disciplinary action and there are no available posted dates which coincide with the employee's vacation period and the posted dates cannot be increased, the employee may choose one of the following:
1. Bid another available vacation period; or
 2. Bump previously approved Unit 20 employee(s) time off which was requested after December 1 and is conflicting with the transferring employee's vacation period; or
 3. Cancel the vacation.
 4. Vacations scheduled under this subsection shall be considered to be bid vacations.

- E. Time off under this section will be cancelled only in the event of emergency or unanticipated staffing shortage. In the event that cancellation becomes necessary, such cancellations shall be in accordance with and in the order of the following:
 - 1. Volunteers
 - 2. Time off requested after December 1, with the last request being the first cancelled.
 - 3. Bid vacations by inverse seniority.
- F. Nothing in the section shall prevent the granting of time off in excess of the posting time off.
- G. Vacation calendars shall remain posted for the entire vacation year.
- H. A vacation period or time off which is cancelled by an employee shall become available to other employees on a first-come, first-serve basis subject to subsection C.
- I. The parties agree to utilize the implementation of ASSIST to develop a process for a separate Licensed Vocational Nurse vacation calendar.

8.23.1 Employment Development Department (EDD) Vacation Leave Policy (Unit 1)

Subject to operational needs, the time when vacation shall be taken by the employee shall not be unreasonably denied. Vacations can only be canceled when unanticipated operational needs require it.

An employee shall be granted annual vacation leave request(s) up to their annual accrual rate. All vacation leave taken during the calendar year shall be counted towards the amount of leave described in the previous sentence. Employees must have sufficient leave earned and available to cover the time requested, prior to beginning their vacation.

A. Vacation Policy

- 1. When two (2) or more employees on the same shift (if applicable) in a work unit (as defined by EDD) request the same vacation time during a bidding round and approval cannot be given to all employees requesting it, employees shall be granted their preferred vacation period in order of seniority (defined as total months of State service in the same manner as vacation is accumulated). When two (2) or more employees have the same amount of State service, department seniority will be used to break the tie. After review of State service and departmental seniority a tie will be broken by lot. Vacation schedules, which have been established in a work unit, pursuant

to the seniority provisions, shall not be affected by employee(s) entering the unit after the schedule has been established.

2. Employees shall be allowed to bid on vacation leave periods up to their annual accrual rate. Any requests to use additional leave balances would be pursuant to the Vacation Bidding Procedure in paragraph B below and the Vacation Bidding Rounds in paragraph C below.
3. Employees shall use a statewide uniform vacation bid form which has been mutually agreed to by the Union and EDD management.

B. Vacation Bidding Procedure

1. Beginning on September 1, and ending no later than November 30, of each year, or the first work day(s) thereafter, each office manager or his or her designee shall conduct four (4) rounds of vacation bidding if necessary at their worksite.
2. At least two (2) weeks prior to September 1, each office manager or his or her designee shall make available to all employees a current worksite seniority list, a one year electronic calendar starting February 1 and ending on January 31 of the following year, indicating the number of employees that may be on vacation on each day, and copies of the mutually agreed to standard EDD vacation bid form.
3. For each of the four (4) rounds of vacation bidding, employees shall have ten (10) work days to turn in their completed bid form to the office manager or his or her designee.
4. For rounds one (1) and two (2) of bidding, the office manager or his or her designee shall approve vacation periods in the following manner. Each employee shall be granted their #1 priority choice unless it is taken by an employee(s) with more seniority as defined in paragraph A, section 1 above. The office manager or his or her designee shall then approve the employee's #2 choice unless it is taken by an employee(s) with more seniority. If necessary, the office manager or his or her designee shall go through all of an employee's subsequent bid choices in the same manner.
5. For any round of bidding, if an employee's bid list is exhausted, or if any part of an employee's consecutive day bid request cannot be granted, the office manager or his or her designee shall briefly confer with the employee, if the employee is available, for the purpose of obtaining another vacation bid before moving on to the next senior person in the office. If the employee is not available and has not left contact information with his/her manager then the manager shall move on to the next employee.

6. For round three (3), the office manager or his or her designee shall approve up to the employee's accrual rate before moving to the next senior employee's bid form.
7. For round four (4), the office manager or his or her designee shall approve up to the employee's balances before moving to the next senior employee's bid form.
8. As each employee's vacation is approved in each of the four (4) vacation bidding rounds listed below, the office manager or his or her designee shall on a daily basis update the calendar described in B(2).
9. On November 30, or the first work day thereafter, the office manager or his or her designee shall provide each employee at the worksite with their approved vacation choices.
10. On November 30, or the first work day thereafter, each office manager or his or her designee shall post all approved vacation choices. This electronic calendar shall be immediately updated if:
 - a. An employee cancels a vacation period.
 - b. Someone from the waiting list is approved.
 - c. A vacation period is approved during the open bidding period.
 - d. More vacation slots become available.
11. When an employee who was granted vacation leave cancels that leave, or will not have sufficient leave credits to cover the leave, the first person on the waiting list, if any, shall be awarded that vacation leave time.

C. Vacation Bidding Rounds

1. Starting on September 1, or the first work day thereafter, each office manager or his or her designee shall conduct a first round of vacation bidding in the following manner. Using the standard bid form, each employee shall submit a minimum of five (5) vacation choices in priority order to the office manager or his or her designee. Each bid choice shall consist of one (1) through twenty-two (22) consecutive work days. Each bid choice shall be no more than the employee's annual accrual rate. The office manager or his or her designee shall then follow the Vacation Bidding Procedure in paragraph B, sections 4 and 5 above.
2. Immediately after completing the first round of vacation bidding, the office manager or his or her designee shall conduct a second round. Using the standard bid form, each employee may submit vacation choices in priority order and shall consist of one (1) through twenty-two (22) consecutive work

days and each bid choice shall be no greater than the employee's remaining annual accrual rate. The office manager or his or her designee shall then follow the Vacation Bidding Procedure in paragraph B, sections 4 and 5 above.

3. The combined total of rounds one (1) and two (2) cannot exceed the annual accrual rate of the employee.
4. Immediately after completing the second round of vacation bidding, the office manager or his or her designee shall conduct a third round of bidding. - A. Upon written request, the State may grant up to a one (1) year non-paid educational leave to a permanent full-time Unit 17 employee. Educational or research leave shall be for the purpose of attending school or college or to enter training to meet continuing education requirements for meeting licensure, obtain a certificate in a specialized area of nursing, improve the quality of the employee's nursing skills, or to conduct or participate in a research project.
- B. An education or research leave shall be terminated by the department head or designee: (1) at the expiration of the leave; or (2) prior to the expiration date with written notice at least fifteen (15) work days prior to the effective date of the revocation. An education or research leave may be terminated by the employee with the approval of the department head or designee.

8.29.20 INTENTIONALLY EXCLUDED

8.30.20 Family Crisis Leave Bank, State Special Schools (Unit 20)

Effective July 1, 2002 and each fiscal year thereafter, the Department of Education (CDE) shall establish a Family Illness Leave Bank consisting of two hundred ten (210) hours of leave for use by employees in Bargaining Unit 20. Unused Family Illness Leave Bank hours shall return to the department on the last day of the fiscal year.

Use of Family Illness Leave shall be with the approval of the appointing authority and in accordance with the departmental policies (i.e. Catastrophic Leave). Requests for Family Illness Leave shall be limited to twenty-four (24) hours per application. Family Illness Leave shall be available only after the employee's leave credits have been exhausted.

The provisions of this section shall not be subject to the grievance procedure of this Memorandum of Understanding.

8.31.21 Personal Leave Program: 1992 and 2003 (Unit 21)

- A. Personal leave shall be requested and used by the employee in the same manner as vacation or annual leave. Requests to use personal leave must be submitted in accordance with departmental policies on vacation or annual leave. Employees shall not be required to use personal leave credits.
- B. At the discretion of the State, all or a portion of unused personal leave credits may be cashed out at the employee's salary rate at the time the personal leave payment is made. It is understood by both parties that the application of this cash-out provision may differ from department to department and from employee to employee. Departments shall consider an employee's request to retain leave credits for future use rather than have the leave cashed out. Upon termination from State employment, the employee shall be paid for unused personal leave

credits in the same manner as vacation or annual leave. Cash-out or lump-sum payment for any personal leave credits shall not be considered as “compensation” for purposes of retirement. If funds become available, as determined by the DOF, for the Personal Leave Program, departments will offer employees the opportunity to cash out accrued personal leave. Upon retirement/separation, the cash value of the employee’s personal leave balance may be transferred into a State of California, CalHR Deferred Compensation Program as permitted by federal and state law.

- C. If any dispute arises about this personal leave section, an employee may file a grievance and the decision reached at Step 3 (CalHR) of the grievance procedure shall be final and not subject to the arbitration clause of this Contract.
- D. An employee may request, due to personal hardship, all or a portion of unused personal leave credits to be cashed out at the employee’s salary rate at the time the personal leave payment is made. Upon termination from State employment, the employee shall be paid for unused personal leave credits in the same manner as vacation leave. Cash-out or lump-sum payment for any personal leave credits shall not be considered as “compensation” for purposes of retirement.

8.32 Personal Leave Program (PLP) 2010 and 2012

- A. PLP 2010 and PLP 2012 shall be requested and used by the employee in the same manner as vacation/annual leave and personal necessity leave. Requests to use PLP 2010 and PLP 2012 leave must be submitted in accordance with departmental policies on vacation/annual leave and personal necessity leave. PLP 2010 and PLP 2012 shall not be included in the calculation of vacation/annual leave balances pursuant to Article 8.1.
- B. PLP 2010 and PLP 2012 must be used before any other leave with the exception of sick leave.

8.33 Time Off for Victims of Domestic Violence (Notice of Rights Under Labor Code 230.1)

Section 230.1 of the Labor Code specifies that employers with twenty-five (25) or more employees may not discharge or in any manner discriminate or retaliate against an employee who is a victim of domestic violence, as defined in section 6211 of the Family Code, for taking time off to seek medical attention for injuries caused by domestic violence, obtain psychological counseling related to an experience of domestic violence, obtain services from a domestic violence shelter, program, or rape crisis center, or to participate in safety planning to increase safety from future domestic violence. The provisions of this law apply to the State as an employer and to State employees.

As a condition for taking time off, the employee shall give the employer reasonable advance notice of the employee's intention to take time off for any of the purposes

summarized above, unless advance notice is not feasible. When an unscheduled absence occurs, the employer may require the employee to certify that the absence is a result of domestic violence in the form of a police report, a court order, or medical documentation. An employer would be required to maintain the confidentiality of any employee's request for time off pursuant to a provision of this law.

The law does not require an employer to compensate an employee for the time taken off under these circumstances, but the employee may use vacation, personal leave, or other compensating time off that is otherwise available to the employee.

An employee whose rights are violated under this section may be entitled to lost wages and reinstatement. An employer who willfully refuses to reinstate an employee under this section may be guilty of a misdemeanor. This law also allows an employee to file a complaint with the Division of Labor Standards Enforcement of the Department of Industrial Relations.

This section does not create a right for an employee to take unpaid leave that exceeds the unpaid leave time allowed under, or in addition to the unpaid leave time permitted by, the Federal Family and Medical Leave Act.

8.34 Organ Donation

Effective January 1, 2003, AB 1825 provides that employees who donate organs or bone marrow are eligible for paid leave. The following leave is extended to those employees who become an organ or bone marrow donor:

1. Employees who donate an organ(s) to another person shall be eligible for up to thirty (30) workdays of paid leave (Donor Leave) in any one (1) year period. Employees who donate bone marrow to another person shall be eligible for up to five (5) work days of paid leave (Donor Leave) in any one (1) year period.
2. The one (1) year period is the twelve (12) month period measured forward from the date an employee's first leave begins.
3. The one (1) year period for an organ donor is separate from the one (1) year period for bone marrow donation.
4. An employee must first exhaust all sick leave balance to qualify for Donor Leave.
5. Employees without a sick leave balance, including employees in the annual leave program, are immediately eligible for paid leave (Donor Leave).
6. Employees must provide written verification to the appointing power that a medical necessity exists for the donation.
7. Donor Leave taken for donations is not a break in continuous service, relative to salary adjustments, leave accrual, or seniority normally accrued on paid leave.

8. Employees wishing to become a donor may be required to undergo medical, psychological or other tests. Absences for such purposes must be requested in advance in the same manner as required to use sick or annual leave. The time an employee is approved to be absent for such purposes shall be deducted from the employee's accrued leave balance.
9. If the donor employee is temporarily unable to return to work after exhausting Donor Leave, the employee may, subject to medical verification, use any paid or unpaid leave available to the employee until able to return to work. Such leave may include, but is not limited to, sick, vacation, annual, personal, CTO, Family Medical, catastrophic, SDI, and medical leave.
10. If the donor employee is permanently unable to return to work following the donation, the employee will be separated and paid for any leave balances including but not limited to vacation, annual leave and/or CTO current balances. The payment for such balances shall be computed by projecting the accumulated time on a calendar basis as though the employee were taking time off. If during the period of projection, the employee is able to return to work, the employee will have a mandatory right to be reinstated to his/her former position.

1. Employees eligible for SDI benefits are those who are defined by section 2601, et seq. of the California Unemployment Insurance Code. SDI provides benefits for an employee disabled due to a non-work related illness or injury. SDI benefits include Paid Family Leave (PFL) which provides benefits to an employee who takes time off to care for a seriously ill family member as defined by section 3301 et seq. of the California Unemployment Insurance Code, or to bond with a minor child within one year after the child's birth or placement of the child in connection with foster care or adoption. Eligible employees covered under the SDI program shall receive benefits pursuant to California Unemployment Insurance Code section 2655.
 2. The State will pay the full premiums for an employee and any applicable dependent coverage for health, dental and vision benefits for the length of the employee's disability up to a maximum of twenty-six (26) weeks and for PFL up to a maximum of six (6) weeks. The State shall recover the employee's portion of the premium paid through an accounts receivable consistent with Government Code section 19838(a)(2). If an employee's SDI leave extends past twenty-six (26) weeks, the employee shall remit the full health, dental and vision premiums directly to the healthcare providers.
 3. Employees participating in the Out-of-State Supplemental Health Care Program (Article 9.4) shall continue eligibility as long as they are not remitting their health, dental and vision premiums directly to the healthcare providers.

 5. SDI does not cover the first seven (7) days of any disability; therefore, sick leave, vacation, CTO, holiday, PLP, PNL (BU 3), or annual leave may be used to cover this period in its entirety.
 6. A seven (7) day waiting period is required for PFL through December 31, 2017, therefore, sick leave, vacation, CTO, holiday, PLP, PNL (BU 3), or annual leave may be used to cover this period in its entirety. Beginning on January 1, 2018, an employee taking PFL as described in section A(1) to care for a family member will be eligible for benefits without the seven (7) day waiting period if the employee meets the requirements of section 3303 of the California Unemployment Insurance Code.
 7. An employee may elect to supplement their SDI benefit with leave integration up to forty (40) hours per month of their accrued vacation, annual leave, CTO, holiday credit, personal leave (PLP), PNL (BU 3), or sick leave balances. If an employee elects to use annual leave or sick leave to supplement, it may affect the SDI benefits. An employee's combined SDI benefit and use of leave credits cannot exceed their regular monthly gross (less mandatory reductions) pay. Within one week of being disabled from work, the employee or his/her representative must contact their departmental personnel office to provide information on the following:
 - a. The date the disability/illness commenced;
 - b. The estimated duration of the disability;
 - c. A phone number where the employee can be reached;

 - g. The election to supplement leave credits with SDI benefits;
 - h. Once the SDI benefit amount has been determined, the employee must provide a copy of the SDI award letter and the SDI check stubs to the employee's personnel office in order to ensure proper supplementation of benefits and payment.
- B. All appeals of a denial of an employee's SDI benefits shall only follow the procedures in the California Unemployment Insurance Code and Title 22 of the

California Code of Regulations. All disputes relating to an employee's denial of benefits are not grievable or arbitrable. This limitation does not change either party's contractual rights which are not related to the denial of an individual employee's benefits.

- C. Current State employees who transfer into this bargaining unit who are eligible for ENDI and NDI benefits prior to transfer shall be entitled to retain their ENDI and NDI eligibility for six (6) months.

11.9.17 Bilingual Differential Pay (Unit 17)

Bilingual Differential Pay applies to those positions designated by CalHR as eligible to receive bilingual pay according to the following standards:

- A. Definition of Bilingual Positions for Bilingual Differential Pay

1. A bilingual position salary differential purpose requires the use of a bilingual skill on a continuing basis averaging ten percent (10%) of the time. Anyone using their bilingual skills ten percent (10%) or more of the time will be eligible whether they are using them in a conversational, interpretation, or translation setting. In order to receive bilingual differential pay, the position/employee must be certified by the using department and approved by CalHR (Time should be an average of the time spent on bilingual activities during a given fiscal year.)
2. The position must be in a work setting that requires the use of bilingual skills to meet the needs of the public in either:
 - a. A direct public contact position;
 - b. A hospital or institutional setting dealing with patient, client, student or inmate needs;
 - c. A position utilized to perform interpretation, translation, or specialized bilingual activities for the department and its clients.
3. Position(s) must be in a setting where there is a demonstrated client or correspondence flow where bilingual skills are clearly needed.
4. Where organizationally feasible, departments should ensure that positions clearly meet the standards by centralizing the bilingual responsibility in as few positions as possible.
5. Actual time spent conversing or interpreting in a second language and closely related activities performed directly in conjunction with the specific bilingual transaction will count toward the ten percent (10%) standard.

B. Rate

1. An employee meeting the bilingual differential pay criteria during the entire monthly pay period would receive a maximum one hundred dollars (\$100) per monthly pay period, including holidays.
2. A monthly employee meeting the bilingual differential pay criteria less than the entire pay period would receive the differential on a pro rata basis.
3. A fractional month employee meeting the bilingual differential pay criteria would receive the differential on a pro rata basis.
4. An employee paid by the hour meeting the bilingual differential pay criteria would receive a differential of fifty-eight cents (\$.58) per hour.
5. An employee paid by the day meeting the bilingual differential pay criteria would receive a differential of four dollars and sixty-one cents (\$4.61) per day.

- C. Employees, regardless of the time base or tenure, who use their bilingual skills more than ten percent (10%) of the time on a continuing basis and are approved by CalHR will receive the bilingual differential pay on a regular basis.
- D. Bilingual differential payments will become earnings and subject to contributions to the CalPERS, CalSTRS, OASDI, levies, garnishments, Federal and State taxes.
- E. Employees working in positions which qualify for regular bilingual differential pay as authorized by CalHR may receive the appropriate pay during periods of paid time off and absences (e.g., sick leave, vacation, holidays, etc.).
- F. Employees will be eligible to receive the bilingual differential payments on the date CalHR approves the departmental pay request. The effective date shall be retroactive to the date of appointment, not to exceed one (1) year, and may be retroactive up to two (2) years, to a position requiring bilingual skills when the appointment documentation has been delayed. The effective date for bilingual pay differential shall coincide with the date qualified employees begin using their bilingual skills on a continuing basis averaging ten percent (10%) of the time, consistent with the other provisions of this section.
- G. Bilingual salary payments will be included in the calculation of lump sum vacation, sick leave and extra hour payments to employees terminating their State service appointment while on bilingual status.
- H. Employees will receive bilingual salary compensation for overtime hours worked, except upon separation from State service, regardless of total hours during the pay period. Agencies may not include bilingual salary compensation when computing overtime rate.
- I. Employees receiving regular bilingual differential pay will have their transfer rights determined from the maximum step of the salary range for their class. Incumbents receiving bilingual pay will have the same transfer opportunities that other class incumbents are provided.
- J. The bilingual differential pay shall be included in the rate used to calculate Temporary Disability; Industrial Disability and State Industrial Disability leave benefits.
- K. Employees who do not receive a bilingual differential shall not be required to use bilingual skills.
- L. The Union and the State will conduct a joint study to examine the delivery of bilingual services. The study will be completed by January 2018. Upon completion, participants will schedule and meet with the Director of CalHR to advise him/her of the findings of the study.

The study will include but not be limited to, the following:

1. Information about the State Bilingual Certification Program and its effectiveness;
2. Workload associated with verbal vs. written translations;
3. Impact upon employees who perform bilingual services vs. those who do not;
4. Use of tactile interpretation and the impact to employees.

Topics to be explored include, but are not limited to, accuracy and timeliness of the issuance of overtime warrants, changes in earnings statements, direct deposit of employee pay, and design of and transition to a biweekly pay system. The committee shall be comprised of an equal number of management representatives and Union representatives. In addition, CalHR shall designate a chairperson of the committee. The Union may have one (1) representative from each bargaining unit who shall serve without loss of compensation.

11.13 Tax Deferral of Lump Sum Leave Cash-Out Upon Separation

- A. To the extent permitted by federal and state law, employees who separate from State service who are otherwise eligible to cash out their vacation and/or annual leave balance, may ask the State to tax defer and transfer a designated monthly amount from their cash payment into their existing 457 and/or 401(k) plan offered through the Savings Plus Program (SPP).
- B. If an employee does not have an existing 457 and/or 401(k) plan account, he/she must enroll in the SPP and become a participant in one (1) or both plans no less than sixty (60) days prior to his/her date of separation.
- C. Such transfers are subject to and contingent upon all statutes, laws, rules and regulations authorizing such transfers including those governing the timing and amount of annual deferrals.
- D. Employees electing to make such a transfer shall bear full tax liability, if any, for the leave transferred (e.g., “overdefers” exceeding the limitation on annual deferrals).
- E. Implementation, continuation and administration of this section is expressly subject to and contingent upon compliance with the SPP’s governing plan document (which may at the State’s discretion be amended from time to time), and applicable federal and state laws, rules and regulations.
- F. Disputes arising under this section of the Contract shall not be subject to the grievance and arbitration provisions of this Contract.

If the Union believes that a pattern has developed in the processing of tax shelter deposits and adjustments beyond fifteen (15) working days, they may request to meet and confer over the impact of this matter with a department head or designee.

11.15 State Special Schools Ten-Month Compensation Agreement (Units 4, 15, 17 and 20)

The Special Schools in the California Department of Education (CDE) shall use the following work schedule policy for permanent, full-time Bargaining Unit 4, 15, 17 and 20 employees that are scheduled to work a ten (10) month school year.

- A. The Special Schools shall guarantee the opportunity for ten (10) months of compensation (as defined by State Personnel Board (SPB) Rule 9) to

permanent, full-time Special Schools' employees except when budgetary or program considerations preclude it. Budgetary or program considerations are those which are mandated by the Legislature and/or Governor. This means that these employees shall be scheduled for work (i.e., regular work, overtime work, additional work as school activities necessitate, or work/training during recess periods), or paid State holidays or paid or unpaid leave that the employees use; so, that when all of these are considered in total for the year each employee at the California Schools for the Deaf and California School for the Blind receive a minimum annual compensation equivalent to approximately one thousand seven hundred thirty-four (1,734) hours of the employee's regular (straight-time) rate of pay. Employees at the Diagnostic Centers will receive a minimum annual compensation to approximately one thousand nine hundred thirty-four (1,934) hours of the employees' regular (straight time) rate of pay based upon their twenty-five (25) day extended work year. The Special Schools may provide an annual compensation greater than one thousand seven hundred thirty-four (1,734) hours, (one thousand nine hundred thirty-four [1,934] hours for Diagnostic Center's employees) subject to budgetary and program considerations. If an employee chooses not to work, the School's obligation to provide a minimum opportunity for ten (10) months compensation shall be reduced accordingly.

During recess periods, the Special Schools may schedule any combination of work or training. The employee may request to use vacation, other leave credits or dock during this time. The request shall not be unreasonably denied. It is understood by both parties that regular work, work not associated with their normal duties, and training may not be available. Employees may request training that enhances the Special School program.

B. Employees covered by this Agreement:

1. May use vacation leave during their initial six (6) months of employment. This is an exception to the Bargaining Unit 4, 15, 17 and 20 Contract vacation leave provisions.
2. Shall receive seventy (70) hours of vacation leave credit which will be credited to their vacation leave credit account upon commencement of the school year. This vacation leave credit shall be used to offset noncompensable absences during school recess periods. In addition, the Special Schools may allow employees to utilize these vacation leave credits during scheduled work periods. The seventy (70) hours shall be considered as paid leave and included in the one thousand seven hundred thirty-four (1,734) hours of compensation.
3. Sections B (1) and B (2) shall apply to permanent, part-time employees on a pro rata basis.

4. The seventy (70) hours of vacation leave credit (and pro rated amount for permanent, part-time employees) is contingent upon an employee's continued employment for a minimum ten (10) qualifying pay periods beginning with the employee's first qualifying pay period of the school year. If an employee terminates employment prior to this ten (10) qualifying pay period duration and the Special School is unable to adjust the employee's vacation and/or CTO credit balances in order to reflect the proper vacation leave credit balance, the employee shall reimburse the Special School for the amount that is outstanding.
- C. Work scheduled during school recesses may include training and other work assignments which may involve duties not normally associated with their normal and regular duties. These assignments which involve duties not normally associated with their classification shall only occur during recesses. For the purpose of these sections this is not considered out-of-class work.
 - D. The Special Schools have total discretion to determine the school year including recesses as long as the provisions of this Contract are met.
 - E. Employees who have taken a leave of absence without pay, who have been charged with an AWOL, or who have been "docked" will not be extended compensation opportunities to the extent that they would benefit over other employees from such docks.
 - F. The Special Schools shall provide eligibility for medical and dental benefits during the months of June and July or July and August by scheduling a minimum two (2) days work or training, if available, or vacation or CTO in June and July or July and August.
 - G. At the beginning of each academic school year, employees covered by this Article shall be given the irrevocable option to receive either cash or CTO when they work overtime during the academic calendar.

CTO can be used by the employee during the academic year. CTO balances that remain at the end of the fiscal year shall be cashed out.

Nothing in this subsection shall interfere with any other provision of this Article.

11.16.15 Cooks Classification (Unit 15)

Effective July 1, 2016, the following classifications shall be removed from Pay Differential 67 and three hundred dollars (\$300) will included in the pay of the following classifications. The red circle rate will equal the difference between the two described pay levels. The red circle rate concept shall continue until such time as the employee's adjusted base salary plus the IWSP equals or exceeds the employee's salary with AR40.

11.26.1 Arduous Duty Differential for FLSA Exempt Employees (Unit 1)

The State shall establish an "arduous pay" program to provide additional compensation to FLSA exempt employees assigned to WWGs E and SE when there is no other way to recognize the performance of additional duties and responsibilities which clearly exceed the normal demands of an employee's classification/position. Employees shall be eligible for this pay differential for up to four months per fiscal year (or per event for emergencies involving loss of life or property).

Requests for arduous pay shall be made to CalHR on a case-by-case basis by the employing department. CalHR shall evaluate said requests based on whether it satisfies all of the following:

A. Nonnegotiable Deadline or Extreme Urgency

The work must have a deadline or completion date that cannot be controlled by the employee or his/her supervisor, or must constitute an extreme urgency. The deadline or extreme urgency must impose upon the employee an immediate and urgent demand for his/her work that cannot be avoided or mitigated by planning, rescheduling, postponement or rearrangement of work, or modification of the deadline.

B. Work Exceeds Normal Work Hours and Normal Productivity

The work must be extraordinarily demanding and time consuming, and of a nature that it significantly exceeds the normal workweek and work productivity expectations of the employee's work assignment.

Employees who are excluded from FLSA are expected to work variable work schedules as necessary to meet the demands of the job. This pay differential is not intended for employees who regularly or occasionally work in excess of the normal workweek to meet normal workload demands. It is intended where in addition to working a significant number of hours in excess of the normal workweek, there is a demand for and achievement of greater productivity or result.

C. Work is Unavoidable

The work must be of a nature that it cannot be postponed, redistributed, modified, reassigned or otherwise changed in any way to provide relief.

D. Work Involves Extremely Heavy Workload

The work is of a nature that it cannot be organized or planned to enable time off in exchange for the extra hours worked. The absence from work would cause difficulty or hardship on others and would result in other critical work not being completed. Occasional heavy workload of less than twelve (12) to fourteen (14) days in duration would not normally satisfy this requirement because time off can be arranged as compensation for this demand.

E. No Other Compensation

The employee who is receiving this pay differential is not eligible for any other additional compensation for the type and nature of the above described work.

CalHR decisions to deny arduous pay shall not be subject to the grievance or arbitration provisions of this Contract.

11.27.1 California State Lottery (CSL) Sales Incentive Bonus (Unit 1)

The CSL reserves the right to manage the variety and quantity of Scratcher products offered for sale in order to stay within its budgetary and legal mandates.

Additionally, the CSL reserves the right to evaluate the efficiency and effectiveness of new gaming methods, techniques, equipment and software, as well as new gaming products and sales aids, through tests or pilot programs. The time duration for the tests and/or pilot programs may vary. Pilot/tests shall be implemented at the beginning of a quarter unless a budgetary or legal reason exists in which case the pilot/test may be implemented mid-quarter. The CSL will meet and discuss the impact of a test prior to implementation, upon Union request.

Employees appointed to the CSL classifications of District Sales Representative (DSR), and Key Accounts Specialist (KAS) are eligible to receive a sales bonus based on achievement of sales in the following three (3) product lines: Scratcher products; On-Line products; and a Target Game which shall be designated by the Director or designee.

The following provisions shall govern the program:

- A. Prior to the beginning of each new quarter, the CSL Director or designee shall announce a statewide sales goal for each of the three (3) product lines identified above. Individual achievement of quarterly sales goals for each territory or account list is measured against the established quarterly CSL statewide sales goal for each of the three (3) product lines. The sales bonus for eligible employees is based on sales achievement in each of the three (3) product lines. Scratcher product sales are defined as only those ticket packs that have been financially settled by retailers.
- B. The CSL Sales Division shall issue a quarterly report showing the percentage contribution (market share) of the employee's sales area to actual statewide sales.

The "market share" of each sales area is the percentage contribution of the territory or account list to actual statewide sales during quarter ending one quarter prior to the goal quarter, also identified as the "quarter before last".

Example: The goal for quarter 1 of FY 1999/00 is based on the market share from quarter 3 of FY 1998/99.

- C. Each product line is allocated a percentage of the total award dollar with each level as follows: Scratcher product seventy percent (70%); Target Game product

twenty percent (20%); and On-Line product ten percent (10%). Upon completion of each quarter and a qualifying period, if a territory or account list achieves at least a Level 1 sales goal in any product line, the employee receives the appropriate percentage of the total award attributable to that product for the level achieved. With a qualifying period, the employee is eligible to attain an award for each of the three product lines.

- D. "Target Game" is that game identified and designated by the Director (CSL) or designee to receive a special promotional emphasis. Target Game sales shall be excluded from the goal and achievement of other product lines. If a Target Game is not designated, the Director or designee shall redirect the Target Game percentage to the other remaining product lines.
- E. If the CSL deems it necessary to adjust one or more of the bonus level percentages; it shall notify the Union and meet and confer, upon request, concerning the impact of the proposed adjustment.
- F. Bonus levels and corresponding dollar awards attributable to each level are listed below:

Bonus Level	Level 1	Level 2	Level 3	Level 4
% of Sales Goal Achieved	102%	105%	108%	112%
District Sales Representative (DSR)				
(DSR) Maximum Bonus Award	\$1,100	\$1,600	\$2,100	\$3,200
(70%) Scratcher Product	\$770	\$1,120	\$1,470	\$2,240
(20%) Target Game	\$220	\$320	\$420	\$640
(10%) On-Line Product	\$110	\$160	\$210	\$320
Key Account Specialist (KAS)				
Maximum Bonus Award	\$1,600	\$2,100	\$2,850	\$3,950
(70%) Scratcher Product	\$1,120	\$1,470	\$1,995	\$2,765
(20%) Target Game	\$320	\$420	\$570	\$790
(10%) On-Line Product	\$160	\$210	\$285	\$395

- G. Each eligible employee described in subsections G (2) through G (8) shall be required to work a qualifying period to be eligible for a bonus.

1. A qualifying period is defined as actually working in a territory or actually working an assigned account list a minimum of sixty-five percent (65%) of actual available work days in a thirteen (13) week quarter excluding holidays and weekends.
 2. Formula: Thirteen (13) weeks (91 days) less weekends (26 days) times eight (8) hours a day less holiday hours times sixty-five percent (65%) equals a qualifying period.
 3. Example: A qualifying period in a quarter with no holidays equals sixty-five (65) days; a qualifying period in a quarter with one holiday equals sixty-four (64) days.
 4. A full-time employee who works a qualifying period and who works in an assigned territory or an assigned account list during the quarter is eligible for the appropriate level bonus achieved by that territory/account list during that quarter.
 5. An intermittent employee who works a qualifying period and who works in a single territory during the quarter is eligible for the appropriate level bonus achieved by that district during that quarter.
 6. An intermittent employee who works a qualifying period and who works in more than one territory in a single district during the quarter is eligible for the appropriate level bonus achieved by that district during that quarter.
 7. An intermittent employee who works a qualifying period and who works in more than one territory and in more than one district in either the North or South Regions during the quarter is eligible for the appropriate level bonus achieved by that region during that quarter.
 8. An intermittent employee who works a qualifying period and who works in more than one territory in both the North and South Regions during the quarter is eligible for the appropriate level bonus achieved by the State during that quarter.
 9. A permanent part-time employee who works a qualifying period and achieves a sales bonus level in a product line during the quarter is eligible to receive a percentage of the bonus dollar amount for that level consistent with the time base. The qualifying period as defined in subsection H(1) is prorated to the time base.
 10. An employee appointed to a limited-term or retired annuitant position of DSR or KAS shall be eligible to participate in this program consistent with the criteria established for full-time or intermittent employees.
- H. Bonus payments shall be made within sixty (60) days after the quarter ends.

- I. Bonus awards paid pursuant to this section are excluded from compensation for retirement purposes.
- J. Bonus awards paid pursuant to this section are considered compensation for taxation purposes.
- K. This section shall be grievable only to Step 2 of the grievance procedure (Director, CSL).
- L. When the CSL makes a change to the sales incentive bonus they will notify the Union pursuant to Article 24.1.

11.27.4 California State Lottery (CSL) Scratcher Sales Bonus (Unit 4)

CSL reserves the right to manage the variety and quantity of Scratcher products offered for sale in order to stay within its budgetary and legal mandates.

The classifications of Lottery Ticket Sales Specialist (LTSS) and Lottery Ticket Sales Senior Specialist (LTSSS) shall be eligible to receive sales bonuses as governed by the following provisions:

- A. The sales bonus shall be based solely on sales of Scratcher products. Scratcher product sales are defined as only those packs that have been financially settled by retailers. Prior to the beginning of each new quarter of the fiscal year, the CSL Director or designee shall set a statewide sales goal for Scratcher products. The statewide sales goal is then broken down into "market shares" for each individual "retailer assignment." Individual achievement for bonus eligibility is measured against the "marked share" established for the individual retailer assignment.
- B. CSL Sales Department shall issue a quarterly report showing the percentage of statewide sales (commonly referred to as "market share") for Scratcher products for each retailer assignment. The market share of each sales area is defined as the percentage contribution of the employee's retailer assignment to actual statewide sales during the quarter ending one quarter prior to the "goal quarter," also identified as the "quarter before last."

Example: The goal of Quarter 1 of FY 99-00 is based upon market share from Quarter 3 of 98/99.

- C. Upon completion of each quarter and a qualifying period as defined in subsection G, if the retailer assignment achieves at least the first level sales goal in Scratcher products, the eligible employee receives the appropriate bonus award for that level. Subsequent awards are based upon achieving greater sales levels for the Scratcher-only products.

Example: If a retailer assignment achieves Level 1 goal in Scratcher sales, the participant receives Level 1 bonus.

D. Bonus levels and corresponding dollar awards attributable to each level are listed below:

BONUS LEVEL	LEVEL 1	LEVEL 2	LEVEL 3	LEVEL 4
% OF SALES GOAL ACHIEVEMENT	102%	105%	108%	112%
Lottery Ticket Sales Specialist	\$300	\$600	\$900	\$1,200
Lottery Ticket Sr. Sales Spec.	\$300	\$600	\$900	\$1,200

E. Each eligible employee described below shall be required to work a qualifying period as defined in subsection (F) to be eligible for a bonus.

1. A full-time employee who works a qualifying period and who works a single regular retailer assignment during the quarter shall be eligible for the appropriate level bonus achieved by that retailer assignment during that quarter.
2. An intermittent employee who works a qualifying period and who works a single regular retailer assignment during the quarter shall be eligible for the appropriate level bonus achieved by that retailer assignment during that quarter.
3. An intermittent employee who works a qualifying period and who works more than one retailer assignment in either the North or the South region during the quarter shall be eligible for the appropriate level bonus achieved by the region.
4. An intermittent employee who works a qualifying period and who works more than one retailer assignment in both the North and South regions during the quarter shall be eligible for the appropriate level bonus achieved by the State.
5. A part-time employee who works a qualifying period shall be eligible for a percentage of the bonus dollar amount consistent with the employee's time base. The qualifying period as defined in subsection F shall be prorated to the time base.

Example: A three quarter (3/4) time employee who works a qualifying period and who achieves Level 1 sales shall be eligible to receive three quarter (3/4) of the dollar amount for that level. The qualifying period for eligibility is proportionately reduced by twenty-five percent (25%).

F. For purposes of this bonus provision, the following definitions shall apply:

1. "Qualifying period" is defined as actually working a regular retailer assignment no less than sixty-five percent (65%) of actual available work hours in a quarter, excluding holidays and weekends.

Formula: Thirteen (13) weeks (91) days less weekends (26 days) multiplied by eight (8) hours a day less holiday hours multiplied by sixty-five percent (65%) equals a qualifying period.

Example: A qualifying period in a thirteen (13) week quarter with no holidays would require the participant to work a regular retailer assignment three hundred thirty-eight (338) hours. A qualifying period in a quarter that has one holiday would require the participant to work a regular retailer assignment of three hundred thirty-three (333) hours.

2. "Retailer assignment" is defined as a preassigned group of retailers for which the employee has Scratcher inventory management responsibilities either through the use of a Scratcher inventory management system or through regular retailer telephone activity. Retailer assignment does not include activity with retailers which are redirected to an employee because of coworker absences.
- G. Bonus payments shall be made quarterly within sixty (60) days after the end of the quarter.
- H. Bonuses paid pursuant to this section are excluded from compensation for retirement purposes.
- I. Bonuses paid pursuant to this section are considered compensation for taxation purposes.
- J. When the CSL makes a change to the Scratcher Sales Bonus they will notify the Union pursuant to Article 24.1.

11.28.1 California State Lottery (CSL) Business Building Incentive (BBI) Program (Unit 1)

This provision is effective following ratification by both parties.

- A. The objective of the BBI program shall be to add new and viable Lottery retailer locations. A new retailer location is one that has never sold Lottery products or has contracted to sell "Scratcher-Only" products.
- B. The Lottery Director or designee shall identify a "product game" that shall be the focus of the BBI. The Lottery Director or designee shall also determine the specific criteria for the product game.
- C. The classifications of District Sales Representative (DSR) and Key Account Specialist (KAS) shall be eligible for the incentive award.
- D. For each new qualifying retailer location, the employee shall receive an incentive award of two hundred fifty dollars (\$250).

- E. The CSL will provide weekly BBI product sales advisory information on a bi-weekly basis to allow tracking of retailer activation and sales activity. An official BBI product sales report will be issued by the CSL following the end of each retailer's qualifying period.
- F. The employee shall submit a claim for the recruitment incentive award within thirty (30) days following the issue date of the sales report referenced in subsection E. Awards shall be paid, upon verification by the CSL, no later than sixty (60) calendar days after the completed claim is submitted by the employee.
- G. Program criteria: In addition to specific criteria for the BBI product game determined by the CSL Director or designee the following program criteria shall be met:
 - 1. A new retailer shall be one that has never sold Lottery products or has contracted to sell "Scratcher-Only" products.
 - 2. A qualifying retailer shall be located within the employee's regularly assigned territory or on the employee's regularly assigned account list at the date of activation.
 - 3. In the event that more than one employee, DSR/KAS, has direct participation in the recruitment of a qualifying retailer, the incentive award shall be divided equally between the recruiters. Direct participation shall be substantiated by the Lottery Sales Manager or Key Accounts Chief, as appropriate. The Key Accounts Chief shall determine, if necessary, the beginning and ending periods for targeted account recruiting.
 - 4. If the retailer location is re-assigned during a qualifying period from one DSR's regularly assigned territory to another DSR's regularly assigned territory or from one KAS's regularly assigned account list to another KAS's regularly assigned account list, or if the employee does not have a regularly assigned territory/account list, the award will be made in favor of the recruiting employee (DSR/KAS).
 - 5. Upon written request from an employee, an exception to specific product game criteria may be granted by the CSL Director or designee prior to retailer activation.
- H. Terminal Malfunction: Upon notification from the employee and verification by management that the on-line terminal of the qualifying retailer became inactive due to technical malfunction of the phone line or "the G-Tech" line after the initial activation date and during the qualifying period, said qualifying period will be extended by the number of inactive days. Extensions shall be approved by the CSL Director or designee.
- I. Game Termination: A BBI product game may be modified or discontinued by the CSL Director or designee due to technical, financial, or legal reasons. If the BBI

product game is discontinued, the CSL is not obligated to provide a replacement game. If a retail location meets the criteria established for the game prior to its discontinuance, the recruiting employee shall have qualified for the incentive award. If an employee recruits a new retailer and the CSL subsequently discontinues the BBI product game due to financial, technical, or legal reasons before the new retailer has on-line Status Code 1 or 2, and the CSL introduces a replacement target game within one hundred twenty (120) days after the discontinued game, the tracking period shall begin with the effective date of the replacement game. The Union shall be given notice and an opportunity, upon request, to meet and discuss the impact of this action.

- J. The employee shall submit a discrepancy correction for a bona fide retailer within ninety (90) days of the retailer activation. Discrepancies not submitted within the stated period will not be eligible for bonus payment.
- K. Incentive awards paid pursuant to this agreement shall be considered compensation for taxation purposes.
- L. Incentive awards paid pursuant to this agreement shall be excluded from compensation for retirement purposes.
- M. The provisions of this agreement shall be grievable only through the department level of the grievance procedure (Director, CSL).

4. Work involves Extremely Heavy Workload

The work is of a nature that it cannot be organized or planned to enable time off in exchange for the extra hours worked. The absence from work would not normally satisfy this requirement because time off can be arranged as compensation for this demand.

5. No Other Compensation

The employee who is receiving this pay differential is not eligible for any other additional compensation for the type and nature of the above described work. Department decisions not to submit arduous pay requests to CalHR, and CalHR decisions to deny arduous pay, shall not be subject to the grievance or arbitration provisions of this Agreement.

Less than full-time employees assigned to the above duties shall receive the differential on a pro rata basis, according to their reduced time base.

ARTICLE 12 – ALLOWANCES AND REIMBURSEMENTS

reimbursement. Employees who are unable to consume meal(s) provided by the State or included in hotel expenses or conference/registration fees because of time constraints or other considerations may be reimbursed provided an alternate meal was purchased, in accordance with the rates established in section (A)(1) of this Article. Each item of expenses of \$25 or more requires a receipt; receipts may be required for items of expense that are less than \$25. When receipts are not required to be submitted with the claim, it is the employee's responsibility to maintain receipts and records of their actual expenses and make them available for audit upon request by their department, state control agencies and/or the Internal Revenue Service. Each State agency shall determine the necessity for travel and the mode of travel to be reimbursed.

A. Meals/Incidentals: Meal expenses for breakfast, lunch, and dinner will be reimbursed in the amount of actual expenses up to the agreed upon maximums. Receipts for meals must be maintained by the employee as substantiation that the amount claimed was not in excess of the amount of the actual expense. CalHR must comply with current IRS definition of "incidentals". The IRS definition of "incidentals" includes fees and tips for porters, baggage carriers, and hotel staff. It does not include expenses for laundry, cleaning and pressing of clothing, taxicab fares, lodging taxes or the cost of telegrams or telephone calls.

1. Rates – Actual meal/incidental expenses incurred will be reimbursed in accordance with the maximum rates and time frame requirements outlined below:

Time Frames - For continuous short-term travel of more than twenty-four (24) hours but less than thirty-one (31) days, the employee will be reimbursed for actual costs up to the maximum for each meal, incidental, and lodging expense for each complete twenty-four (24) hours of travel, beginning with the traveler's time of departure and return as follows:

- a. On the first day of travel on a trip of more than twenty-four (24) hours:

If the trip extends overnight, receipted lodging may be claimed. No lunch or incidentals may be claimed on a trip of less than twenty-four (24) hours.

B. Lodging: All lodging reimbursement requires a receipt from a commercial lodging establishment such as a hotel, motel, bed and breakfast inn, or public campground that caters to the general public. No lodging will be reimbursed without a valid receipt.

1. Statewide, in all locations not listed in c. below, for receipted lodging while on travel status to conduct State business: With a lodging receipt: Actual lodging up to \$90 plus applicable taxes and mandatory fees.
2. When employees are required to conduct State business and obtain lodging in the counties identified below, reimbursement will be for actual receipted lodging up to the below identified maximums, plus applicable taxes and mandatory fees.

County	Lodging Rate
All counties except those listed below	\$90
Sacramento, Napa, Riverside	\$95
Marin	\$110

County	Lodging Rate
Los Angeles, Orange, Ventura & Edwards AFB, excluding the city of Santa Monica	\$120
San Diego, Monterey County	\$125
Alameda, San Mateo, Santa Clara	\$140
City of Santa Monica	\$150
San Francisco	\$250

Reimbursement of lodging expenses in excess of specified amounts, excluding taxes requires advance written approval from CalHR. CalHR may delegate approval authority to departmental appointing powers or increase the lodging maximum rate for the geographical area and period of time deemed necessary to meet the needs of the State. An employee may not claim lodging, meal, or incidental expenses within fifty (50) miles of his/her home or headquarters.

C. Long-term Travel: Actual expenses for long-term meals and receipted lodging will be reimbursed when the employee incurs expenses in one location comparable to those arising from the use of establishments catering to the long-term visitor. The supervisor must determine prior to the beginning of the assignment if the time away from the home or headquarters area will be more than thirty (30) days, but less than one year, Long Term Assignments lasting longer than one year may require the long-term reimbursements to be reported as a fringe benefit.

1. Full Long-term Travel - In order to qualify for full long-term travel reimbursement, the employee on long-term field assignment must meet the following criteria:

- The employee continues to maintain a permanent residence at the primary headquarters, and
- The permanent residence is occupied by the employee's dependents, or
- The permanent residence is maintained at a net expense to the employee exceeding \$200 per month.

The employee on full long-term travel who is living at the long-term location may claim either:

- Reimbursement for actual individual expense, substantiated by receipts, for lodging, water, sewer, gas and electricity, up to a maximum of \$1,130 per calendar month while on the long-term

assignment, and actual expenses up to \$10 for meals and incidentals, for each period of twelve (12) to twenty-four (24) hours and up to \$5 for actual meals and incidentals for each period of less than twelve (12) hours at the long-term location, or

- Long-term subsistence rates of \$24 for actual meals and incidentals and \$24 for receipted lodging for travel of twelve (12) hours up to twenty-four (24) hours; either \$24 for actual meals or \$24 for receipted lodging for travel less than twelve (12) hours when the employee incurs expenses in one location comparable to those arising from the use of establishments catering to the long-term visitor.
2. An employee on long-term field assignment who does not maintain a separate residence in the headquarters area may claim long-term subsistence rates of up to \$12 for actual meals and incidentals and \$12 for receipted lodging for travel of twelve (12) hours up to twenty-four (24) hours at the long-term location; either \$12 for actual meals or \$12 for receipted lodging for travel less than twelve (12) hours at the long-term location.
 3. Employees, with supervisor's approval, after completing the work shift remain at the job or LTA location past the Friday twelve (12)-hour clock will receive full per diem for Friday. Those staying overnight shall not receive any additional per diem regardless of the Saturday departure time. An employee returning to the temporary residence on Sunday will receive full per diem. This does not change CalHR policy regarding the per diem clock which starts at the beginning of the work shift on Monday. If the normal workweek is other than as stated above, the same principle applies.

The following clarifies CalHR policy regarding an employee leaving the LTA location on personal business:

The reference to leaving the LTA location for personal business and not claiming per diem or transportation expenses assumes that the employee stays overnight at a location other than the long-term accommodations.

- D. Out-of-State Travel: For short-term out-of-state travel, state employees will be reimbursed actual lodging, supported by a receipt, and will be reimbursed for actual meal and incidental expenses in accordance with above. Failure to furnish lodging receipts will limit reimbursement to the meal/incidental rate above. Long-term out-of-state travel will be reimbursed in accordance with the provisions of long-term travel above.
- E. Out of Country Travel: For short-term out of country travel, State employees will be reimbursed actual lodging, substantiated by a receipt, and will be reimbursed actual meals and incidentals up to the maximums published in column (B) of the Maximum Travel per Diem Allowances for Foreign Areas, section 925, U.S. Department of State Standardized Regulations and the meal/incidental

breakdown in Federal Travel Regulation Chapter 301, Travel Allowances, Appendix B. Long-term out of country travel will be reimbursed in accordance with the provisions of long-term travel above, or as determined by CalHR.

Subsistence shall be paid in accordance with procedures prescribed by CalHR. It is the responsibility of the individual employee to maintain receipts for their actual meal expenses.

- F. Transportation: Transportation expenses include, but are not limited to, airplane, train, bus, taxi fares, rental cars, parking, mileage reimbursement, and tolls that are reasonably and necessarily incurred as a result of conducting state business. Each state agency shall determine the necessity for travel, and the mode of travel to be reimbursed. Transportation will be accomplished and reimbursed considering both direct expense as well as the employee's time. Provided the mode of transportation selected does not conflict with the needs of the agency, the officer or employee may use a more expensive form of transportation and be reimbursed at the amount required for a less expensive mode of travel. Both modes of transportation will be shown on the travel claim.

1. Mileage Reimbursement

- a. When an employee is authorized by his/her appointing authority or designee to operate a privately owned vehicle on state business the employee will be allowed to claim and be reimbursed at the Federal Standard Mileage Rate (FSMR). Mileage reimbursement includes all expenses related to the use, and maintenance of the vehicle, including but not limited to gasoline, up-keep, wear and tear, tires, and all insurance including liability, collision and comprehensive coverage; breakdowns, towing and any repairs, and any additional personal expenses that may be incurred by an individual as a result of mechanical breakdown or collision.
 - b. When an employee is required to report to an alternative work location, the employee may be reimbursed for the number of miles driven in excess of his/her normal commute.
2. Private Aircraft Mileage – When an employee is authorized by his/her department, reimbursement for the use of the employee's privately owned aircraft on state business shall be at the current FSMR rate per statute mile. Pilot qualifications and insurance requirements will be maintained in accordance with CalHR rule 599.628 and the State Office of Risk and Insurance Management.
3. Mileage to/from a Common Carrier – When the employee's use of a privately owned vehicle is authorized for travel to or from a common carrier terminal, and the employee's vehicle is not parked at the terminal during the period of absence; the employee may claim double the number of miles between the terminal and the employee's headquarters or residence, whichever is less,

while the employee occupies the vehicle. Exception to “whichever is less.” If the employee begins travel one hour or more before he/she normally leaves his/her home, or on a regularly scheduled day off, mileage may be computed from his/her residence.

G. Receipts: Receipts shall be submitted for every item of expense of \$25 or more. In addition, receipts are required for every item of transportation and business expense incurred as a result of conducting state business except for actual expenses as follows:

1. Railroad and bus fares of less than \$25 when travel is wholly within the State of California.
2. Street car, ferry fares, bridge and road tolls, local rapid transit system, taxi, shuttle or hotel bus fares, and parking fees of \$10 or less for each continuous period of parking or each separate transportation expense noted in this item.
3. Telephone, fax, or other business charges necessary to state business of \$5 or less.
4. In the absence of a receipt, reimbursement will be limited to the non-receipted amount above.
5. Reimbursement will be claimed only for the actual and necessary expenses noted above. Regardless of the above exceptions, the approving officer may require additional certification and/or explanation in order to determine that an expense was actually and reasonably incurred. In the absence of a satisfactory explanation, the expense shall not be allowed.

12.2 Moving and Relocation Expenses

Whenever an employee is reasonably required by the State to change his/her place of residence, the State shall reimburse the employee for approved items in accordance with the lodging, meal, and incidental rates and time frames established in section 12.1, and in accordance with existing requirements, time frames and administrative rules and regulations for reimbursement of relocation expenses that apply to excluded employees.

- A. For the term of this Contract, the parties agree that the State may increase parking rates in existing owned, wholly leased or administered lots, in urban congested areas, no more than twenty dollars (\$20) per month above the current rate, charged to employees in specific locations where they park. Congested urban areas are areas such as Sacramento, San Francisco Bay, Fresno, Los Angeles, San Bernardino, Riverside, and San Diego areas. Every effort shall be made to provide employees sixty (60) days but no less than thirty (30) days notice of a parking rate increase. The State shall not increase rates for existing owned or administered parking lots where employees do not currently pay

parking fees. Rates at new lots owned, wholly leased or administered by the State will be set at a level comparable to rates charged for similar lots in the area of the new lot, e.g., rates for open lots shall be compared to rates for open lots, rates for covered parking shall be compared to rates for covered parking. This Article does not apply to parking spaces leased in parking lots owned or administered by private vendors.

- B. The State shall continue a system for employees where parking fees may be paid with pre-tax dollars.

12.4 Commute Program

- A. - B. Employees riding in vanpools shall be eligible for a seventy-five percent (75%) reimbursement of the monthly fee up to a maximum of sixty-five dollars (\$65) per month. In lieu of the vanpool rider reimbursement, the State shall provide one hundred dollars (\$100) per month to each State employee who is the primary vanpool driver, meets the eligibility criteria, and complies with program procedures as developed by the State for primary vanpool drivers. This shall not be considered compensation for purposes of retirement. A vanpool is defined as a group of seven (7) or more people who commute together in a vehicle (State or non-State) specifically designed to carry an appropriate number of passengers. The State may establish and implement procedures and eligibility criteria for the administration of this benefit.
- C. Employees headquartered out of State shall receive reimbursement for qualified public transportation and vanpool expenses for seventy-five percent (75%) of the cost up to a maximum of sixty-five dollars (\$65) per month or in the case of the primary vanpool driver, the one hundred dollars (\$100) per month rate. The appointing power may establish and implement procedures regarding the certification of expenses.

12.5 Transportation Incentives

- A. The State and Union agree that the State shall encourage employees to use alternate means of transportation to commute to and from work in order to reduce traffic congestion and improve air quality.

- B. Notwithstanding any other provision of this Contract, the Union agrees that the State may implement new policies or change existing ones in areas such as transit subsidies, vanpool/carpool incentives, walking/biking incentives, parking, parking fees, hours of work, and other actions to meet the goals of transportation incentives. The State agrees to notice and meet and confer regarding the impact of such new or changed policies.

The State will adopt the standards for habitability consistent with California Civil Code sections 1941 and 1941.1 and the Department of Consumer Affairs' *Outline: Landlords' and Tenants' Responsibilities for Habitability and Repairs (Legal Guide LT-8)*. The appointing authority agrees to inspect the premises prior to employees moving into the premises. For employees currently in residence in State owned housing, the appointing authority will take steps to make necessary repairs and improvements within a reasonable time. The appointing authority reserves the discretion to prioritize the order of repair to its housing.

A. Housing

Annually, current rental rates for all types of State owned employee housing, including trailers and/or trailer pads, may be increased by the State as follows:

1. Where employees are currently paying rent, the State may raise such rates up to twenty-five percent (25%) each year.

2. During the term of this Contract, where no rent is being charged, the State may raise rents up to seventy-five dollars (\$75) per month, or when an employee vacates State owned housing, including trailers and/or trailer pads, the State may raise rents for such housing up to the fair market value.
3. Employee rental of State owned housing shall not ordinarily be a condition of employment. In any instance after July 1, 1989 and annually thereafter, where rental of State housing is made a condition of employment, the State may charge the employee ten percent (10%) less than the regular rate of rent.
4. Employees renting State owned housing occupy them at the discretion of the State employer. If the State decides to vacate a State owned housing unit currently occupied by a State employee, it shall give the employee a minimum of thirty (30) days advance notice.

B. Utilities

Annually, current utility charges for all types of State owned employee housing, including trailers and/or trailer pads, may be increased by the State as follows:

2. Where no utilities are being charged, the State may impose such charges consistent with its costs.
3. Where utilities are individually metered to State owned housing units, the employee shall assume all responsibility for payment of such utility rates, and any increases imposed by the utility company.

C. Notwithstanding any of the above, the Department of Fish and Wildlife (DFW) will meet and confer with Union representatives prior to the implementation of rental increases. The Department will meet and confer over any amount of necessary increases, the implementation dates, and the necessity for the increase.

D. The DFW is committed to improving the quality of State owned housing under its jurisdiction. To that end, the Department will seek funding authority for maintenance and improvement of Department-owned housing.

This subsection is not subject to the provisions of Article 6 of this Contract.

E. Possessory Interest Taxes – Department of Fish and Wildlife (Unit 11)

1. Reimbursement for Possessory Interest Taxes

The DFW will directly pay the possessory interest taxes for Unit 11 employees who occupy Department-owned housing for their payment of possessory interest taxes, where assessed. The employee shall follow

Department procedures and submit any possessory interest tax bills to the Department as soon as they are received by the employee.

2. Working Condition Fringe Benefit Exception

 - b) Possessory interest reimbursement provided by the DFW shall not be reported to the SCO as income subject to taxation and other withholdings when an employee completes required forms and submits them to the DFW by the date management specifies. The DFW shall not be responsible for erroneous reporting of reimbursements as income if the employee fails to utilize the required form and/or procedures developed by the Department for this purpose.
 - c) The decision about which employees qualify for the working condition fringe benefit exception shall not be subject to the grievance and arbitration provisions of this Contract.
- F. Where employees are currently residing in State owned housing as a condition of employment, rental rates will not be raised by the appointing authority until it has demonstrated to CalHR that necessary repairs and improvements have been made to satisfy the standards for habitability that are consistent with Civil Code section 1941 and 1941.1. On a case-by-case basis, the appointing authority shall determine the new Fair Market Value following the completion of repairs and improvements of each State owned housing property. With CalHR's approval, the appointing authority may raise employee rents up to twenty-five percent (25%) each year for such housing until the Fair Market Value has been realized.

If used to purchase a meal, the meal will constitute full and complete reimbursement. The employee may use the meal ticket as provided in 1 and 2 below:
 - 1. If the employee chooses to use the assigned meal ticket at the employees' snack bar or dining room, the employee must use it within a ninety (90) day period of the time recorded on the meal ticket. An employee's evaluation shall be sufficiently specific to inform and guide the employee in the performance of his/her duties. If an employee is not given an opportunity to perform on a particular element, the supervisor will note on the performance evaluation that the factor was not applicable, and the employee's evaluation shall not be negatively impacted. Employees shall not have their evaluation negatively impacted by their use of any leaves permitted under the terms of this Contract.

1. Performance evaluations are not considered as an independent step in the disciplinary process.
2. If there is no evaluation of record within one year prior to a scheduled wage increase, the employee's overall evaluation shall be: "meets expectations".

A. PROBATIONARY REPORTS

Probationary performance reports shall be completed at sufficiently frequent intervals to keep the employee adequately informed of progress on the job. The final report may summarize the previously issued probationary performance reports.

B. ANNUAL PERFORMANCE APPRAISAL

Annual performance reports shall generally include information from the immediate twelve (12) months prior to the due date of the report, exclusive of the probationary rating period.

The performance appraisal system of each department may include annual written performance appraisals for permanent employees. Such performance appraisals may be completed at least once each twelve (12) calendar months after an employee completes the probationary period for the class in which he/she is serving.

In the absence of any current annual performance appraisal, or performance evaluation material to the contrary, the employee's performance shall be deemed satisfactory.

While in the process of completing the probationary report or annual performance appraisal, the supervisor shall personally meet with the employee to review the appraisal or report, any notes, documents, or audits utilized in preparing the report.

At the time an employee signs his/her annual appraisal, a copy will be provided to the employee. These reports, as a general rule, will be issued to the employee no later than thirty (30) days after the due date of the report.

Any performance evaluation conducted of an employee who is a participant in Union/State collective bargaining negotiations shall recognize the employee's frequent absence from his/her State job and the impact of such absences on the employee's performance. Such absences shall not be included as excessive absences. This is not intended to abrogate the right of the State to take disciplinary action against any employee who happens to be involved in such collective bargaining.

Any Unit 17 employee may grieve the content of his/her annual performance appraisal through the third (CalHR) step: (1) when he/she receives a substandard rating of the performance factors, or (2) when negative comments are inconsistent with the actual

ratings received, or (3) when rating factors are not used and the narrative evaluation includes negative comments. CalHR shall sustain the evaluation except where supported by substantial evidence to the contrary. These types of "minor" corrective memos are to be placed in the employee's supervisory file, but not in the OPF.

Duties that are appropriately assigned to incumbents in the employee's current classification are not out of class.

Duties appropriately assigned are based on the definition and typical tasks enumerated in the California SPB specification.

Training and Development assignments are not out-of-class work.

2. For purposes of this section, a classification is at a "higher level" if the maximum salary of the highest salary range (excluding alternate range criteria other than deep class criteria) is any amount more than the maximum salary of the highest range of the class in which the employee holds an appointment.

B. Policy Regarding Personal Services Contracts and Cost Savings

D. Review of Personal Services Contracts In Existence

1. Upon request of the Union each department shall submit copies of any or all personal services contracts that call for services found in bargaining unit class specifications. For each contract, departments shall provide additional documents establishing the number, scope, duration, justification, total costs of all such contracts, and payment of all overhead and administrative costs paid through each contract, provided it does not disclose confidential or proprietary information, in which case it shall be redacted as discussed below. The requested contract and related information shall be provided as soon as reasonably possible. The parties expect that this shall be provided no more than twenty-one (21) calendar days following the request by the Union, or longer if approved by the Union and the department. This shall include contracts that may otherwise be protected from public disclosure, if they provide for services found in bargaining unit class specifications. However, the State may redact those portions of protected contract(s) that are proprietary, necessary to protect the competitive nature of the bid process, and that which does not pertain to the costing of personnel services found in bargaining unit classifications. The goal shall be to protect against disclosure of information which should remain confidential, while at the same time providing the Union with sufficient information to determine whether unnecessary, additional costs are being incurred by contracting out work found in bargaining unit class specifications. Costing information provided to the Union for protected contracts shall include total personnel costs for personnel services found in bargaining unit classifications plus any overhead charges paid to the contractor for these services, provided such disclosure does not breach confidentiality requirements or include proprietary information.
2. Within ten (10) workdays after receipt of the personal services contracts and associated documents as provided for in paragraph D(1) above, the Union and the department shall begin reviewing the contracts. The Union and the department shall examine the contracts based on the purpose of this section, the terms of the contracts, all applicable laws, Federal mandates and court decisions/orders. In this regard, the Union and the department will consider which contracts should and can be terminated immediately, which contracts will take additional time to terminate, which contracts may continue (for how long and under what conditions) and how (if necessary and cost effective) to transition contract employees or positions into civil service. All determinations shall be through express mutual agreement of the Union and department.
3. The Union and the department will continue to meet as necessary to examine personal services contracts which have been let.
4. If savings are generated by the termination of personal services contracts under this provision, it is the intent of the State to implement agreements of

the Union and the department for utilization of said savings. Such agreements may include:

- a. Contributing toward position reductions which would otherwise be accomplished by the layoff, salary reduction or displacement of bargaining unit employees;
- b. Enabling the employment of bargaining unit employees for services currently performed by contractors;
- c. Enabling of the conversion to bargaining unit civil service employment of qualified contract employees who wish to become State employees, as otherwise permitted by law, regulations, provisions of the contracts and resolutions by the SPB;
- d. Providing timely, adequate and necessary recruitment efforts. These efforts may include focused recruitment, publicizing in professional journals, use of the media, job fairs, expedited hiring, expedited background checks, spot testing authorized by the SPB, State employee registries, and recruitment and retention incentives;
- e. Such other purposes as may be mutually agreed upon.

E. Displacement Avoidance

1. The objective of this subsection is to ensure that bargaining unit employees have preference over contract employees consistent with, but not limited to the following principles:
 - a. The duties at issue are consistent with the bargaining unit employee's classification;
 - b. The bargaining unit employee is qualified to perform the job; and,
 - c. There is no disruption in services.
2. To avoid or mitigate bargaining unit employee displacement for lack of work, the appointing power shall review all existing personal services contracts to determine if work consistent with the affected employee's classification is being performed by a contractor. Displacement includes layoff, involuntary demotion, involuntary transfer to a new class, involuntary transfer to a new location requiring a change of residence, and time base reductions. If the Union and the department that review personal services contracts determine that the terms and purpose of the contract permit the State to assign the work to a bargaining unit employee who would otherwise be displaced, this shall be implemented consistent with the other terms of this section. The State and the Union shall meet and confer for purposes of entering into an agreement about the means by which qualified employees are notified and provided with such

assignments. This shall include developing a process that ensures that savings realized by terminating the contract and reassigning the work to a bargaining unit employee to avoid displacement, are utilized to offset that employee's moving and relocation costs, the amount of which shall be consistent with the Moving/Relocation section of the parties' collective bargaining agreement.

F. Nothing in this section shall be interpreted or applied in such a manner as to interfere with the State or Federal court orders, the authority of the State or Federal courts or the authority of the special masters or receiver.

G. Relationship Between This Section And Related Statutes

The State is mindful of the constitutional and statutory obligations (e.g., Govt. Code § 19130) as it pertains to restriction on contracting out. Thus, nothing in this section is intended to interfere with pursuit of remedies for violation of these obligations as provided by law (e.g., Public Contract Code § 10337).

- D. Overtime must be authorized in advance, except in an emergency, by the State or its designated representative. This authorization must also be confirmed in writing not later than ten (10) days after the end of the pay period during which the overtime was worked. Each State agency shall maintain complete and accurate records of all compensable overtime worked by its employees.
- E. Before an employee is required to work mandatory overtime, management will make every effort to schedule appropriate available employees prior to mandating overtime. This shall include, but not be limited to: Permanent Intermittent employees, Retired Annuitants and volunteers. In addition management will make every effort to schedule overtime first for those employees who have not taken leave during the week and such employees may be mandated overtime only as a last resort.

As a last resort and in order to meet required staffing needs, if an employee in Bargaining Units 4, 11, 14, 15 or 20 is mandated to work overtime in the same week in which they use approved leave then that approved leave will be

considered hours worked for purposes of calculating overtime. Sick leave is excluded from this provision.

- F. The time when CTO may be taken shall be at the discretion of the State. When CTO is ordered, reasonable advance notice (at least 24 hours) should be provided the employee. CTO may be taken only in units of time of fifteen (15) minutes or multiples thereof.
- G. CTO for employees shall be earned on a time one and one-half (1½) basis and may be authorized in lieu of cash compensation. If an employee is not allowed CTO within twelve (12) pay periods following the pay period in which the overtime was worked, payment shall be made for such overtime on the next payroll.
- H. Employees may accrue up to two hundred forty (240) hours of CTO. All hours in excess of two hundred forty (240) CTO hours shall be compensated in cash.
- I. Normally, an employee who has an accumulation of two hundred forty (240) hours or thirty (30) days of authorized overtime shall not be required to work additional overtime.
- J. Notwithstanding any other contract provision, departmental policy, or practice, the travel time of employees who are covered by FLSA shall only be considered as time worked if it meets the definitions and requirements of travel time in sections 785.34 through 785.41 of Title 29 of the Code of Federal Regulations, except as provided in 1, 2 and 3 below.
 - 1. Effective January 31, 2002, all time spent on required travel to an alternate worksite shall be compensated consistent with the requirements of the FLSA. For FLSA covered employees, the State shall endeavor to accommodate travel to an alternate worksite to occur during an employee's normal work hours. However, the State will also consider the business needs of the department including the costs of travel arrangements.
 - 2. Notwithstanding the above, FLSA covered employees traveling on state business, outside of their normal work hours (as defined in FLSA) will be granted a special allowance for actual time spent traveling. Employees shall receive this special allowance equivalent to the employee's regular hourly rate on a straight time, hour for hour basis, in cash or CTO, at the discretion of the department head or designee. This is not overtime compensation and shall not be considered as time worked for calculation of overtime. This paragraph also applies to passengers in carpools, vans or other vehicles, traveling on state business. This paragraph does not apply to employees who voluntarily choose to travel outside their normal work hours.
 - 3. FLSA covered drivers of a carpool, a vanpool, or other vehicle traveling on state business will be compensated consistent with FLSA for purposes of overtime and shall not receive the special allowance described in J(2) above.

Time spent on jury leave, military leave, subpoenaed witness leave, or under the provisions listed in paragraph J below shall be included for the purpose of computing cash or compensating time off for overtime.
- C. Payment for authorized overtime may be by cash payment or compensating time off (CTO), at the discretion of the State.
- D. Rate of payment for authorized overtime, whether cash or CTO, shall be at one and one-half (1-1/2) times the regular rate of pay for each hour of overtime worked, or fraction thereof rounded in accordance with the workweek group.
- E. If the State does not schedule CTO within one year from the date the overtime was earned, the State must provide cash payment for the overtime or may, at the request of the employee, extend the time the employee can take CTO. For the purposes of this contract section, authorized overtime is defined as overtime pre-approved by a designated supervisor. When an employee attempts to reach the designated supervisor for approval no later than thirty (30) minutes before the end of his/her shift, in order to request approval for overtime to complete mandated duties, failure of the supervisor to respond to the request or contact within thirty (30) minutes shall be construed as approved overtime authorization. Attempts for authorization must be supported by documentation as determined by departmental policy.
- F. A Unit 17 employee may initiate a request for scheduling CTO which will not be denied without a work-related reason.
- G. Both parties agree and understand that a different type of overtime payment (cash or CTO) may be provided to employees at different times and may even be different from employees in the same or similar situations.
- H. Employees in classes assigned to WWG 2 shall be compensated for ordered overtime of at least fifteen (15) minutes at any one time. overtime, the employee or the employer shall be notified if the overtime is to be paid in CTO. Employees may accrue up to one hundred (100) hours of compensating time off. All hours in excess of the one hundred (100) hour CTO maximum shall be compensated in cash. If cash compensation is paid to an employee for accrued CTO, such compensation shall be paid at the regular rate earned by the employee at the time the employee receives such payment. Employees shall have the right to hold up to forty (40) hours of accrued CTO exempt from mandatory buyout.

- J. Effective the pay period following ratification before an employee is required to work mandatory overtime, management will make every effort to schedule appropriate available employees prior to mandating overtime. This shall include, but not be limited to: Permanent Intermittent employees, Retired Annuitants and volunteers. As a last resort, to meet required staffing needs, when an employee is mandated to work overtime during a week with approved leave, other than sick leave, they will earn premium (1 ½ time) overtime compensation for hours worked over forty (40) combined leave use, other than sick leave, and hours worked in that week.

- A. An employee who has completed a normal work shift, when ordered back to work, shall be credited with a minimum of four (4) hours work time provided the call back to work is without having been notified prior to completion of the work shift, or the notification is prior to completion of the work shift and the work begins more than three (3) hours after the completion of that work shift.
- B. When such an employee is called back under these conditions within four (4) hours of the beginning of a previous call or an additional call is received while still working on an earlier call back, the employee shall not receive an additional four (4) hours credit for the new call back.
- C. When such an employee is called back within four (4) hours of the beginning of the employee's next shift, call back credit shall be received only for the hours remaining before the beginning of the employee's next shift.
- D. When staff meetings, training sessions, or work assignments are scheduled on an employee's authorized day off, the employee shall be credited with a minimum of four (4) hours of work time. When staff meetings and training

sessions are scheduled on an employee's normal workday and outside the employee's normal work shift, overtime compensation shall be received in accordance with the rules governing overtime.

- E. For reporting purposes, compensable time begins when the employee reports to the job site or begins work from a different site, which may include the employee's home, approved by the department head or designee.

19.12 Standby Time

- A. "Standby" is defined as the express and absolute requirement that an employee be available during specified off-duty hours to receive communication regarding a requirement to return to work and be fit and able to return to work, if required. It shall not be considered standby when employees are contacted or required to return to work but have not been required to be available for receipt of such contact.
- B. Each department or designee may establish procedures with regard to how contact is to be made (e.g., electronic paging device, phone) and with regard to response time while on standby.
- C. An employee who is required to be on standby status will be compensated in the following manner: for every eight (8) hours on standby, an employee shall receive two (2) hours of CTO, which may be prorated on the basis of fifteen (15) minutes CTO for each one hour of standby. Standby may not be scheduled in less than one hour increments.
- D. No standby credit will be earned if the employee is called back to work and receives call back credit.
- E. Standby and CTO credited as a result of standby shall not be considered time worked for purposes of qualifying for overtime.

19.13.1 Overtime Assignments for Work Week Group 2 (WWG 2) Employees (Unit 1)

- A. Where the use of overtime is prevalent and there are more than three (3) equally qualified employees within a work unit, the department shall establish a seniority system to request and utilize volunteers to perform overtime work from within the appropriate work area(s) and classification(s). Through the establishment of a seniority volunteer overtime system, departments will endeavor to reduce the amount of mandatory overtime, distribute overtime fairly among volunteers insofar as circumstances, security, or health and safety permit and provide employees with prior notice of possible or actual overtime assignments. However, the Union recognizes a department's right to require overtime or the completion of work in progress by the employee performing the work at the time the determination was made that overtime was necessary.

- B. When assigning mandatory overtime inverse seniority shall be used insofar as circumstances, security, or health and safety permit. The special needs of employees who have documented medical problems, childcare problems, or other significant reasons which would impact on the employee's ability to work the overtime assignment(s) shall be considered.
- C. For the purpose of this section, seniority shall be defined as the same seniority as used to determine vacation accrual. Any ties shall be broken by lot.

19.13.4 Overtime Assignments for Work Week Group 2 (WWG 2) Employees (Unit 4)

- A. Where the use of overtime is prevalent and there are more than three (3) equally qualified employees within a work unit, the department shall establish a seniority system to request and utilize volunteers to perform overtime work from within the appropriate work area(s) and classification(s). Through the establishment of a seniority volunteer overtime system, departments will endeavor to reduce the amount of mandatory overtime, distribute overtime fairly among volunteers insofar as circumstances, security, or health and safety permit and provide employees with prior notice of possible or actual overtime assignments. However, the Union recognizes a department's right to require overtime or the completion of work in progress by the employee performing the work at the time the determination was made that overtime was necessary.
- B. When assigning mandatory overtime inverse seniority shall be used insofar as circumstances, security, or health and safety permit. The special needs of employees who have documented medical problems, childcare problems, or other significant reasons which would impact on the employee's ability to work the overtime assignment(s) shall be considered.
- C. For the purpose of this section, seniority shall be defined as the same seniority as used to determine vacation accrual. Any ties shall be broken by lot.

19.13.11 Overtime Assignments for Work Week Group 2 (WWG 2) Employees (Unit 11)

- A. Where the use of overtime is prevalent and there are more than three (3) equally qualified employees within a work unit, the department shall establish a seniority system to request and utilize volunteers to perform overtime work from within the appropriate work area(s) and classification(s). Through the establishment of a seniority volunteer overtime system, departments will endeavor to reduce the amount of mandatory overtime, distribute overtime fairly among volunteers insofar as circumstances, security, or health and safety permit and provide employees with prior notice of possible or actual overtime assignments. However, the Union recognizes a department's right to require overtime or the completion of work in progress by the employee performing the work at the time the determination was made that overtime was necessary.

- B. When assigning mandatory overtime inverse seniority shall be used insofar as circumstances, security, or health and safety permit. The special needs of employees who have documented medical problems, childcare problems, or other significant reasons which would impact on the employee's ability to work the overtime assignment(s) shall be considered.
- C. For the purpose of this section, seniority shall be defined as the same seniority as used to determine vacation accrual. Any ties shall be broken by lot.

19.13.14 Overtime Assignments for Work Week Group 2 (WWG 2) Employees (Unit 14)

- A. Overtime will be distributed in class by seniority. When work in progress requires overtime on a given shift, preference shall be given to the employee or crew doing the work. If the employee or crew performing the work declines the overtime, the State shall request volunteers in class by seniority on that given shift prior to assigning overtime. If no volunteers come forward overtime will be assigned to the least senior employee(s) in that classification on that shift. Seniority for the purposes of this section is defined as total State service as used to calculate vacation accrual rates.
- B. The first forty (40) hours of ordered overtime during a fiscal year shall be compensated with either CTO or cash, at the employee's discretion. Thereafter, compensation (CTO or cash) shall be determined by the employer.

19.13.15 Overtime Distribution for Employees (Excluding CDCR- Adult Programs) (Unit 15)

- A. Where the use of overtime is prevalent, the department shall establish a seniority system to request and utilize volunteers to perform overtime work from within the appropriate work area(s) and classification(s). Through the establishment of a volunteer overtime seniority system, departments will endeavor to reduce the amount of mandatory overtime by distributing overtime fairly among volunteers as permitted by operational needs, security, health, safety, and emergencies. Whenever possible, the department will provide employees with prior notice of possible or actual overtime assignments. However, the Union recognizes a department's right, within budgetary constraints, to require overtime, or the completion of work in progress by the employee performing the work at the time the determination was made that overtime was necessary or to assign the work to another appropriately classified employee from the volunteer list.
- B. When assigning mandatory overtime by inverse seniority, i.e. the least senior employee first, the special needs of employees who have documented medical problems, substantiated childcare problems, or other significant reasons which would impact on the employee's ability to work the overtime assignment(s) will be considered.

- C. The department shall endeavor to refrain from assigning employees mandatory overtime on their regular day off (RDO). For the purposes of this section, an employee's RDO begins immediately after the completion of their normal shift before the RDO.
- D. No food service employee will be required to work in excess of sixteen (16) hours continuously in a twenty-four (24) hour period, nor shall a food service employee be required to work more than two (2) double shifts within his/her scheduled workweek, unless mutually agreed to.
- E. Exceptions to seniority for overtime may be made due to employee attendance restrictions and adverse actions or ward or client safety and/or staff familiarity or training, if such reasons are directly related to the performance of the overtime work. Requests for overtime shall not be unreasonably denied and upon request, a denial shall be made in writing.
- F. For purposes of this section, departments shall establish a seniority system based on an employee's total seniority in the classification. Ties shall be broken first by total State service and then by lot.
- G. Upon request of the Union, the parties shall meet at the local level to resolve any concerns regarding the overtime seniority system for Unit 15 employees at the specific facility, institution, or hospital.

19.13.20 Overtime Scheduling – Excluding CDCR LVNs and CNAs (Unit 20)

- A. The Departments recognize and understand the importance of reducing mandatory overtime to Unit 20 Employees. To this end, the Department will make every effort to schedule staff in a manner that will reduce the need for mandatory overtime. Both parties agree that mandatory overtime is an undesirable method of providing staff coverage.
- B. There shall be no mandatory overtime on an employee's Regular Day Off_(RDO) or pre-approved day off (an employee's RDO begins immediately after completion of their normal shift before their RDO), except:
 - 1. In an emergency situation such as a natural disaster; or
 - 2. During a state of emergency declared by the State or Federal authorities; or
 - 3. During an emergency situation declared by a Warden, Superintendent, Executive Director or designee; or
 - 4. During a severe internal emergency (e.g., an incident which necessitates assistance from an outside agency or a health care crisis); or

5. When the employees shift relief does not report for work or gave less than two (2) hours notice of intent not to report for work, an employee may be mandated if no volunteer is available; or
 6. When all other options have been exhausted.
- C. Except in cases of emergency, or planned program activity, employees shall not be required to:
1. Work more than five (5) mandatory overtime shifts of at least two (2) hours of duration in a month, effective August 1, 2016, and implement reductions in accordance with the Joint Labor Management Task Force; or
 2. Work in excess of sixteen (16) continuously in a forty-eight (48) hour period; or
 3. Work in excess of two (2) mandatory overtime shifts per work week.
- D. It is not the intent to mandate employees to work overtime in classifications other than their own. Consistent with the expressed intent, an employee may only be mandated to work in another classification when all other appropriate and possible staffing efforts have been exhausted and it is operationally necessary. This expressed intent, however, does not preclude employees from volunteering to work overtime in classifications other than their own.
- E. Upon request, and where practical, the State shall, upon consultation with the Union, establish a system to request and utilize qualified volunteers to perform overtime work from within the appropriate work area(s). Through the establishment of such a system, the State will endeavor to reduce the amount of mandatory overtime and number of mandatory holdovers, distribute overtime fairly insofar as circumstances of health and safety permit, and provide employees notice of possible or actual overtime assignments.
- F. Before an employee is required to work mandatory overtime, a reasonable effort will be made to find an acceptable volunteer within the program where the employee works. Overtime shall first be offered to level-of-care employees for level-of-care overtime assignments before allowing other BU 20 classifications to work overtime.
- G. Upon request of an employee who has been on duty continuously for sixteen (16) hours, the employer shall have the option to:
1. Allow the employee to take the next shift off on vacation, CTO, or Holiday credit if staffing permits.
 2. Adjust the employee's shift starting time to provide a ten (10) hour break between shifts.

3. Allow the employee to take two (2) hours off without pay at the start of the next shift to provide a ten (10) hour break. Management will take into account the employee's preference.

H. The Department of Developmental Services:

1. Facilities that utilize the red dot-blue dot system for assigning overtime will count time worked, as a result of either a "red dot-blue dot" assignment, toward the mandatory overtime limitations.
 2. At management's discretion all Unit 20 employees at a facility may be included in the mandatory overtime distribution process.
- I. In accordance with Article 5.10 (Labor/Management Committees), each Department's Labor Management Committee will address overtime issues within this Article.

**19.14.15 Overtime Distribution for Employees (CDCR - Adult Programs)
(Unit 15)**

- A. In order to reduce the amount of mandatory overtime, the department shall establish a seniority system to request and utilize volunteers to perform overtime work from within the appropriate work area(s) and classification(s). Through the establishment of a volunteer overtime seniority system, departments will endeavor to reduce the amount of mandatory overtime by distributing overtime among volunteers as permitted by operational needs, security, health, safety, and emergencies. Whenever possible, the department will provide employees with prior notice of possible or actual overtime assignments. However, the Union recognizes a department's right, within budgetary constraints, to require overtime, or the completion of work in progress by the employee performing the work at the time the determination was made that overtime was necessary or to assign the work to another appropriately classified employee from the volunteer list.
- B. When assigning mandatory overtime by inverse seniority, i.e. the least senior employee first, the special needs of employees who have documented medical problems, substantiated childcare problems, or other significant reasons which would impact on the employee's ability to work the overtime assignment(s) will be considered.
- C. The department shall endeavor to refrain from assigning employees mandatory overtime on their regular day off (RDO) or pre-approved time off. For the purposes of this section, an employee's RDO begins immediately after the completion of their normal shift before the RDO.
- D. No food service employee will be required to work in excess of sixteen (16) hours continuously in a twenty-four (24) hour period, nor shall a food service employee

be required to work more than two (2) double shifts within his/her scheduled workweek, unless mutually agreed to.

- E. Exceptions to seniority for overtime may be made due to employee attendance restrictions and adverse actions or inmate safety, and/or staff familiarity or training, if such reasons are directly related to the performance of the overtime work. Requests for overtime shall not be unreasonably denied and upon request, a denial shall be made in writing.
- F. For purposes of this section, departments shall establish a seniority system based on an employee's total seniority in the classification. Ties shall be broken first by total state service and then by lot.
- G. Upon request of the Union, the parties shall meet at the local level to resolve any concerns, regarding the overtime seniority system for Unit 15 employees at the specific facility, institution, or hospital.
- H. The distribution of overtime for Correctional Supervising Cooks in CDCR, adult facilities shall be completed using a voluntary/involuntary system. When management determines that overtime is necessary, it shall be offered based on the seniority of the employees available to work (for ties, see section F. of this Article). Seniority is defined in Section F. of this Article. Management shall utilize the voluntary system before resorting to the involuntary system. In accordance with Section A. of this Article, it may not always be practical, in every instance, to offer overtime to the most senior employee (e.g., operational needs, security, health, safety, and emergencies). However, except for the permissions expressed in Section A. of this Article, institutions will endeavor to afford overtime as outlined below in Sections I and J of this Article.

I. VOLUNTARY SYSTEM

Management will offer overtime shifts on a rotational basis to the senior employee first, then in seniority order until an employee volunteers to cover the vacant shifts. Employees shall be eligible to select one (1) shift per rotation, and the rotation will continue until all shifts are covered or there are no employees who elect to take remaining shift(s). Overtime opportunities shall be posted as soon as possible after it becomes known that overtime is available. This may be accomplished via an overtime signup sheet. The voluntary overtime distribution system should include a log, or other verifying methods, that notes overtime was offered in order of seniority. The log/verifying method should also include: the scheduled shift; date and time; the name of the employee that was contacted; who made the contact; and the outcome of the contact (example: answering machine, no answer, employee declined, employee accepted). A copy of the log shall be made available at the request of an employee. When it is alleged that a violation of this section has occurred, the Union may file a grievance directly to Step 2 of the grievance procedure outlined in Article 6 of this Contract.

J. INVOLUNTARY SYSTEM

When assigning involuntary or mandatory overtime, management will utilize an inverse seniority system, where the least senior employee will be assigned the overtime, unless the employee is protected by the provisions of Section C. of this Article. The assignment of involuntary overtime will be documented to track the employees that have been assigned overtime shifts. Institutions will endeavor to provide advance notice to employees when the use of the involuntary overtime system is required.

19.14.17 Overtime Scheduling – California Department of Corrections and Rehabilitation and California Correctional Health Care Services (Unit 17)

The CDCR/CCHCS shall make every effort to reduce the amount of mandatory overtime and mandatory holdovers, distribute overtime fairly amongst employees of the same classification(s) and provide employees notice of possible or actual unanticipated overtime assignments at least ninety (90) minutes in advance. CDCR Fire Camps shall be excluded from this section.

When an overtime assignment becomes available, either expected or unexpected, the CDCR/CCHCS shall make every effort to fill the assignment by the use of the Voluntary Overtime Roster (VOR). The VOR shall consist of Bargaining Unit 17 (BU 17) nursing staff (by classification) who desire to work overtime. The VOR shall be supplied, at a minimum, once a month, listing all the known and anticipated overtime assignments. When the need arises to fill an overtime assignment and there are no names listed on the VOR, the supervisor shall attempt to fill through Permanent Intermittent Employees (PIEs), Retired Annuitants, on duty full and part-time BU 17 employees, and contract nursing registry, in this order. After these avenues have been exhausted, a BU 17 classification employee may be mandated to work overtime as outlined below.

Voluntary Overtime

- A. BU 17 classification employees shall be assigned voluntary overtime by departmental seniority, on a rotational basis by classification. Seniority scores will be determined by counting one point for each month of full-time qualifying service, i.e., from full-time hire date, less any time off for unpaid leave, suspensions, etc. In the event of ties, total state service will be used to determine seniority scores.
- B. The CDCR/CCHCS shall establish lists of BU 17 employees by classification in seniority score order. BU 17 employees may sign up for voluntary overtime by adding their name to the VOR. To ensure equitable volunteer overtime opportunity, BU 17 employees shall be provided an opportunity to choose a voluntary overtime slot once. Thereafter, all other BU 17 employees will be provided the same volunteer overtime opportunity once, assuring each BU 17 employee is provided an opportunity for one sign up before returning to the most

senior employee and beginning the process again (i.e., the rotation will again start at the top of the seniority list and work its way down).

- C. If a specific position was indicated for the voluntary request, and was changed or no longer needed, the nursing supervisor will make all reasonable attempts to notify the affected BU 17 employee. If the BU 17 employee arrives to find the position changed or no longer needed, the BU 17 employee shall not be required to work that position, but may be offered an alternate assignment. If no alternate assignment is available, the BU 17 employee may choose to leave.
- D. Once a BU 17 employee has signed up for voluntary overtime, it is their responsibility to work that position, unless they have given the nursing supervisor, or their designee, seventy-two (72) hours notice to enable the timely scheduling of a replacement.
- E. A BU 17 RN may “bump” a scheduled registry nurse at any time during the month, provided they give the nursing supervisor, or their designee, seventy-two (72) hours notice to enable them to notify the Registry that they will not be needed for the affected position.

Involuntary Overtime

- A. BU 17 employees (by classification) shall be assigned involuntary overtime on a rotating basis by inverse seniority.
- B. Each facility shall establish and maintain an up-to-date list, by inverse seniority of all full-time and part-time BU 17 employees (by classification). Staff shall only be assigned an involuntary slot once, until the entire list has been depleted.
- C. The State shall refrain from assigning mandatory overtime on a BU 17 employee’s RDO. For the purpose of this section, an employee’s RDO begins immediately after completion of their normal shift before the RDO.
- D. It is not the State’s intent to mandate BU 17 employees to work involuntary overtime in classifications other than their own. Consistent with that expressed intent, a BU 17 employee may only be mandated to work in another classification when all other appropriate and possible staffing efforts have been exhausted and it is operationally necessary. (This expressed intent, however, does not preclude BU 17 employees from volunteering to work overtime in classifications other than their own, when it is appropriate.)
- E. Management shall make every attempt not to schedule BU 17 employees:
 - 1. More than four (4) involuntary overtime shifts per month, effective August 1, 2016, and implement reductions in accordance with the Joint Labor Management Task Force; or
 - 2. In excess of sixteen (16) hours continuously; or

3. In excess of two (2) overtime shifts within an employee's scheduled work week; or
 4. More than two (2) consecutive calendar days.
- F. Upon request of an employee who has been on duty continuously for fifteen (15) or more hours, the employer shall have the option to allow the employee to:
1. Take the next shift off on vacation, CTO, or holiday credit as staffing permits.
 2. Adjust his/her shift starting time to provide a ten (10) hour break between shifts.
 3. Take two (2) hours off without pay at the start of the next shift to provide a ten (10) hour break.
- G. A mandated holdover of two (2) hours or more is considered a mandated overtime.
- H. While on vacation, pre-approved absence, or on full workday absence due to sick leave*, Union leave or State release time, or any other authorized absence from the facility, BU 17 employees will not be considered for mandatory overtime. Upon return to work, the BU 17 employee will return to the involuntary rotation in seniority order.
- *This includes instances where an employee was unable to complete their regular shift due to illness and had to be released from duty to go home.
- I. In accordance with section 5.10 (Labor/Management Committee), CDCR/CCHCS's Labor Management Committee will address overtime issues within this section.

19.14.20 Overtime Scheduling – California Department of Corrections and Rehabilitation and California Correctional Health Care Services LVNs (Unit 20)

The CDCR/CCHCS shall make every effort to reduce the amount of mandatory overtime and mandatory holdovers, distribute overtime fairly amongst employees of the same classification(s) and provide employees notice of possible or actual unanticipated overtime assignments at least ninety (90) minutes in advance. CDCR Fire Camps shall be excluded from this section.

When an overtime assignment becomes available, either expected or unexpected, the CDCR/CCHCS shall make every effort to fill the assignment by the use of the Voluntary Overtime Roster (VOR). The VOR shall consist of Bargaining Unit 20 (BU 20) nursing staff who desire to work overtime. The VOR shall be supplied, at a minimum, once a month, listing all the known and anticipated overtime assignments. When the need arises to fill an overtime assignment and there are no names listed on the VOR, the

supervisor shall attempt to fill through Permanent Intermittent Employees (PIEs), Retired Annuitants, on duty full and part-time BU 20 LVNs. After these avenues have been exhausted, a BU 20 LVN may be mandated to work overtime as outlined below.

Nothing in this provision would preclude the scheduling of a PIE in lieu of overtime.

Voluntary Overtime

- A. BU 20 LVNs shall be assigned voluntary overtime by BU 20 departmental seniority, on a rotational basis. Seniority scores will be determined by counting one point for each month of full-time BU 20 qualifying service, i.e., from full-time hire date, less any time off for unpaid leave, suspensions, etc. In the event of ties, total state service will be used to determine seniority scores.
- B. The CDCR/CCHCS shall establish lists of BU 20 LVNs in seniority score order. BU 20 LVNs may sign up for voluntary overtime by adding their name to the VOR. To ensure equitable volunteer overtime opportunity, BU 20 LVNs shall be provided an opportunity to choose a voluntary overtime slot once. Thereafter, all other BU 20 LVNs will be provided the same volunteer overtime opportunity once, assuring each employee is provided an opportunity for one sign up before returning to the most senior employee and beginning the process again. (i.e., the rotation will again start at the top of the seniority list and work its way down).
- C. If a specific position was indicated for the voluntary request, and was changed or no longer needed, the nursing supervisor will make all reasonable attempts to notify the affected BU 20 LVN. If the employee arrives to find the position changed or no longer needed, the employee shall not be required to work that position, but may be offered an alternate assignment. If no alternate assignment is available, the BU 20 LVN may choose to leave.
- D. Once a BU 20 LVN has signed up for a voluntary overtime, it is their responsibility to work that position, unless they have given the nursing supervisor, or their designee, seventy-two (72) hours notice to enable the timely scheduling of a replacement.
- E. A BU 20 LVN may “bump” a scheduled registry LVN at any time during the month, provided they give the nursing supervisor, or their designee, seventy-two (72) hours notice to enable them to notify the Registry that they will not be needed for the affected position.

Involuntary Overtime

- A. BU 20 LVNs shall be assigned involuntary overtime on a rotating basis by inverse seniority.
- B. Each facility shall establish and maintain an up-to-date list, by inverse seniority of all full-time and part-time BU 20 LVNs. Staff shall only be assigned an involuntary slot once, until the entire list has been depleted.

- C. There shall be no mandatory overtime on a BU 20 LVN's RDO or pre-approved day off, (for the purposes of this section, an employee's RDO begins immediately after completion of their normal shift before the RDO) except:
1. In an emergency situation such as a natural disaster; or
 2. During a state of emergency declared by the State or Federal Authorities; or
 3. During an emergency situation declared by a Warden, Superintendent, Executive Director or designee; or
 4. During a severe internal emergency (e.g., an incident which necessitates assistance from an outside agency or a health care crisis); or
 5. When the employee's shift relief does not report for work or gave less than two (2) hours notice of intent not to report for work, an employee may be mandated if no volunteer is available; or
 6. When all other options have been exhausted.
- D. Management shall make every attempt not to schedule BU 20 LVNs:
1. More than five (5) involuntary overtime shifts per month, effective August 1, 2016, and implement reductions in accordance with the Joint Labor Management Task Force; or
 2. In excess of sixteen (16) hours continuously; or
 3. In excess of two (2) overtime shifts within an employee's scheduled work week; or
 4. More than two consecutive calendar days.
- E. It is not the intent to mandate employees to work overtime in classifications other than their own. Consistent with the expressed intent, an employee may only be mandated to work in another classification when all other appropriate and possible staffing efforts have been exhausted and it is operationally necessary. This expressed intent, however, does not preclude employees from volunteering to work overtime in classifications other than their own.
- F. Upon request of an employee who has been on duty continuously for fifteen (15) or more hours, the employee shall have the option to:
1. Take the next shift off on vacation, CTO, or Holiday credit as staffing permits.
 2. Adjust his/her shift starting time to provide a ten (10) hour break between shifts.

3. Take two (2) hours off without pay at the start of the next shift to provide a ten (10) hour break.
- G. A mandated holdover of two (2) hours or more is considered a mandated overtime.
- H. While on vacation, pre-approved absence, or on full work day absence due to sick leave*, Union leave or State release time, or any other authorized absence from the facility, BU 20 LVNs will not be considered for mandatory overtime. Upon return to work, the BU 20 LVN will return to the involuntary rotation in seniority order.
- *This includes instances where an employee was unable to complete their regular shift due to illness and has been approved to be released from duty to go home.
- I. In accordance with section 5.10 (Labor/Management Committee), CDCR/CCHCS's Labor Management Committee will address overtime issues within this section.

19.15.17 Overtime Scheduling (Excluding CDCR) (Unit 17)

- A. The Departments recognize and understand the importance of reducing overtime to Unit 17 employees. To this end, the Departments will make every effort to schedule staff in a manner that will reduce the need for mandatory overtime. Both parties agree that mandatory overtime is an undesirable method of providing staff coverage.
- B. There shall be no mandatory overtime on an employee's RDO (an employee's RDO begins at the end of the employee's last scheduled shift in the workweek) or pre-approved day off, except:
1. In an emergency situation such as a natural disaster; or
 2. During a state of emergency declared by the State or Federal authorities; or
 3. During an emergency situation declared by a Superintendent, Executive Director or designee; or
 4. During a severe internal emergency (e.g., an incident which necessitates assistance from an outside agency or a health care crisis); or
 5. When the employee's shift relief does not report for work or gave less than two (2) hours notice of intent not to report for work, an employee may be mandated if no volunteer is available;
 6. When all other options have been exhausted.

- C. Except in cases of emergency or planned program activity employees shall not be required to work:
1. More than four (4) mandatory overtime shifts per month of at least two (2) hours of duration, effective August 1, 2016, and implement reductions in accordance with the Joint Labor Management Task Force; or
 2. In excess of sixteen (16) hours continuously in a forty-eight (48) hour period; or
 3. In excess of two (2) mandatory overtime shifts in an employee's scheduled work week; or
 4. When an employee is required to work twelve (12) to sixteen (16) hours that employee shall not be mandated to work overtime the next calendar day.
- D. It is not the intent to mandate employees to work overtime in classifications other than their own. Consistent with the expressed intent, an employee may only be mandated to work in another classification when all other appropriate and possible staffing efforts have been exhausted and it is operationally necessary. This expressed intent, however, does not preclude employees from volunteering to work overtime in classifications other than their own.
- E. Upon request, and where practical, the State shall, upon consultation with the Union, establish a system to request and utilize qualified volunteers to perform overtime work from within the appropriate work area(s). Through the establishment of such a system, the State will endeavor to reduce the amount of mandatory overtime and number of mandatory holdovers, distribute overtime fairly insofar as circumstances of health and safety permit, and provide employees notice of possible or actual overtime assignments. The State shall also consider the use of intermittents, in-house registries, or float pools.
- F. Before an employee is required to work mandatory overtime, every reasonable effort will be made to find an acceptable volunteer within the program where the employee works. Overtime shall first be offered to level-of-care employees for level-of-care overtime assignments before allowing other BU 17 classifications to work overtime.
- G. Upon request of an employee who has been on duty continuously for fifteen (15) or more hours, the employer shall have the option to:
1. Allow the employee to take the next shift off on vacation, CTO, or Holiday credit as staffing permits.
 2. Adjust the employee's shift starting time to provide a ten (10) hour break between shifts.

3. Allow the employee to take two (2) hours off without pay at the start of the next shift to provide a ten (10) hour break. Management will take into account the employee's preference.

H. The Department of Developmental Services:

1. Facilities that utilize the "red dot-blue dot" system for assigning overtime will count time worked, as a result of either a red dot or blue dot assignment, toward the mandatory overtime limitations.
 2. At management's discretion all RN's at a facility may be included in the mandatory overtime distribution process.
- I. In accordance with section 5.10 (Labor/Management Committee), each Department's Labor Management Committee will address overtime issues within this section.

19.15.20 Overtime Scheduling – California Department of Corrections and Rehabilitation and California Correctional Health Care Services CNAs (Unit 20)

The CDCR/CCHCS shall make every effort to reduce the amount of mandatory overtime and mandatory holdovers, distribute overtime fairly amongst employees of the same classification(s) and provide employees notice of possible or actual unanticipated overtime assignments at least ninety (90) minutes in advance. CDCR Fire Camps shall be excluded from this section.

When an overtime assignment becomes available, either expected or unexpected, the CDCR/CCHCS shall make every effort to fill the assignment by the use of the Voluntary Overtime Roster (VOR). The VOR shall consist of Bargaining Unit 20 (BU 20) nursing staff who desire to work overtime. The VOR shall be supplied, at a minimum, once a month, listing all the known and anticipated overtime assignments. When the need arises to fill an overtime assignment and there are no names listed on the VOR, the supervisor shall attempt to fill through Permanent Intermittent Employees (PIEs), Retired Annuitants, and on duty full and part-time BU 20 CNAs. After these avenues have been exhausted, a BU 20 CNA may be mandated to work overtime as outlined below.

Nothing in this provision would preclude the scheduling of a PIE in lieu of overtime.

Voluntary Overtime

- A. BU 20 CNAs shall be assigned voluntary overtime by BU 20 departmental seniority, on a rotational basis. Seniority scores will be determined by counting one point for each month of full-time BU 20 qualifying service, i.e., from full-time hire date, less any time off for unpaid leave, suspensions, etc. In the event of ties, total State service will be used to determine seniority scores.

- B. The CDCR/CCHCS shall establish lists of BU 20 CNAs in seniority score order. BU 20 CNAs may sign up for voluntary overtime by adding their names to the VOR. To ensure equitable volunteer overtime opportunity, BU 20 CNAs shall be provided an opportunity to choose a voluntary overtime slot once. Thereafter, all other BU 20 CNAs will be provided the same volunteer overtime opportunity once, assuring each employee is provided an opportunity for one sign up before returning to the most senior employee and beginning the process again (i.e., the rotation will again start at the top of the seniority list and work its' way down).
- C. If a specific position was indicated for the voluntary request, and was changed or no longer needed, the nursing supervisor will make all reasonable attempts to notify the affected BU 20 CNA. If the employee arrives to find the position changed or no longer needed, the employee shall not be required to work that position, but may be offered an alternate assignment. If no alternate assignment is available, the BU 20 CNA may choose to leave.
- D. Once a BU 20 CNA has signed up for a voluntary overtime, it is their responsibility to work that position, unless they have given the nursing supervisor, or their designee, seventy-two (72) hours notice to enable the timely scheduling of a replacement.
- E. A BU 20 CNA may "bump" a scheduled registry CNA at any time during the month, provided they give the nursing supervisor, or their designee, seventy-two (72) hours notice to enable them to notify the Registry that they will not be needed for the affected position.

Involuntary Overtime

- A. BU 20 CNAs shall be assigned involuntary overtime on a rotating basis by inverse seniority.
- B. Each facility shall establish and maintain an up-to-date list, by inverse seniority, of all full-time and part-time BU 20 CNAs. Staff shall only be assigned an involuntary slot once, until the entire list has been depleted.
- C. There shall be no mandatory overtime on a BU 20 CNA's RDO or pre-approved day off, (for the purposes of this section, an employee's RDO begins immediately after completion of their normal shift before the RDO) except:
 - 1. In an emergency situation such as a natural disaster; or
 - 2. During a state of emergency declared by the State or Federal Authorities; or
 - 3. During an emergency situation declared by a Warden, Superintendent, Executive Director or designee; or
 - 4. During a severe internal emergency (e.g., an incident which necessitates assistance from an outside agency or a health care crisis); or

5. When the employees shift relief does not report for work or gave less than two (2) hours notice of intent not to report for work, an employee may be mandated if no volunteer is available; or
 6. When all other options have been exhausted.
- D. Management shall make every attempt not to schedule BU 20 CNAs:
1. More than five (5) involuntary overtime shifts per month, effective August 1, 2016, and implement reductions in accordance with the Joint Labor Management Task Force; or
 2. In excess of sixteen (16) hours continuously; or
 3. In excess of two (2) overtime shifts within an employee's scheduled work week; or
 4. More than two (2) consecutive calendar days.
- E. It is not the intent to mandate employees to work overtime in classifications other than their own. Consistent with the expressed intent, an employee may only be mandated to work in another classification when all other appropriate and possible staffing efforts have been exhausted and it is operationally necessary. This expressed intent, however, does not preclude employees from volunteering to work overtime in classifications other than their own.
- F. Upon request of an employee who has been on duty continuously for fifteen (15) or more hours, the employee shall have the option to:
1. Take the next shift off on vacation, CTO, or holiday credit as staffing permits.
 2. Adjust his/her shift starting time to provide a ten (10) hour break between shifts.
 3. Take two (2) hours off without pay at the start of the next shift to provide a ten (10) hour break.
- G. A mandated holdover of two (2) hours or more is considered a mandated overtime.
- H. While on vacation, pre-approved absence, on a full workday absence due to sick leave*, Union leave, State release time, or any other authorized absence from the facility, BU 20 CNAs will not be considered for mandatory overtime. Upon return to work, the BU 20 CNA will return to the involuntary rotation in seniority order.

*This includes instances where an employee was unable to complete their regular shift due to illness and has been approved to be released from duty to go home.

- I. In accordance with section 5.10 (Labor/Management Committee), CDCR/CCHCS's Labor Management Committee will address overtime issues within this section.

19.16.14 Shift Changes (Unit 14)

- A. The State shall endeavor to provide employees with thirty (30) calendar days advance notice, but not less than fifteen (15) working days, of permanent changes in shift assignments, except in emergencies. Permanent shift assignment is defined as an assignment of thirty (30) calendar days or more.
- B. The parties agree that voluntary movement between shifts is always desirable, and to the extent practicable, the filling of vacancies shall be preceded by an announcement, posted for ten (10) working days, opening the available shift for voluntary movement, before filling the position as a "new hire".
- C. Shift changes will be assigned based on operational needs, and selection of personnel shall be based on skills and knowledge. Total in-class seniority may be used to break ties between equally qualified individuals.
- D. Shift changes required by emergency situations shall last no longer than the emergency that occasioned the change.

19.16.17 Change in Shift Assignment (Unit 17)

- A. The State will attempt to provide Unit 17 employees with thirty (30) calendar days, but no less than fifteen (15) calendar days advance written notice of permanent shift changes including the reporting date of the change, shift start/stop times and regular days off (RDOs) when the change is made at other than the employee's request. Upon written request by the employee, the department or its designee will provide the employee with a reason for the shift change in writing.
 1. If an employee receives fifteen (15) calendar day notice, he/she may request to meet with management to discuss an extension for an additional fifteen (15) calendar days and requests shall not be unreasonably denied. This request shall not exceed a total of thirty (30) calendar days.
- B. Unit 17 employees wishing to change shifts within a facility or program, if employed in twenty-four (24) hour facility, shall submit a written request to the facility/program management or designee. When management determines that a vacancy on the requested shift is available to a Unit 17 employee, the supervisor shall consider employees with shift change requests based on the needs of the

clients/patients/wards/students/inmates, seniority, employee skills and abilities, performance and attendance, staffing requirements, and needs of the facility.

- C. Unit 17 employees wishing to change shifts within the same ward or unit, if employed in a twenty-four (24) hour facility, shall submit a written request to the facility/program management or designee. When management determines that a vacancy on the requested shift is available to a Unit 17 employee, the supervisor shall consider employees with shift change requests based on the needs of the clients/patients/wards/students/inmates, seniority, performance and attendance, staffing requirements, and needs of the facility.
- D. It is the intent of the State not to arbitrarily make temporary shift changes for punitive reasons or to avoid the payment of overtime.

19.16.21 Shift Change (Unit 21)

- A. Except in emergencies, the State shall provide fourteen (14) calendar days advance notice of permanent shift changes so that the employee has an opportunity to reschedule his/her obligations.
- B. When a department has approved an educational program for an employee and subsequently requires the employee to change his/her shift, as defined above, the department will support the employee's claim for reimbursement of the nonrecoverable cost of tuition for the educational program, if the shift change requires the employee to discontinue the educational program.

19.17.17 Mixed Shift Work Weeks (Unit 17)

- A. A mixed shift work week is one in which an employee is regularly scheduled to work more than one shift or watch in fulfilling his/her normal forty (40) hour work week schedule.
- B. Within thirty (30) days of receiving a written request from SEIU Local 1000, the State agrees to meet at the local worksite to discuss issues relating to the scheduling of mixed shift work weeks. At these local meetings, the parties shall seriously consider alternative scheduling methods for mixed shift work weeks as well as the following alternatives in lieu of full-time mixed shift work week assignments: using in-house registries, outside registries and intermittent work. Up to three (3) representatives of the Union shall be released without loss of compensation for these meetings.
- C. It is the intent of the State not to arbitrarily make mixed shift work weeks for punitive reasons.

19.18.17 Rescinding Approved Time Off (Unit 17)

- A. Approval for the use of accrued compensating time off (CTO), holiday credit, personal holiday, or vacation/annual leave credits shall not be rescinded unless

the State determines the employee's presence is necessary for coverage, workload, or the continuation of services. The State shall provide advance notice of such cancellation, whenever possible.

- B. When scheduled CTO, holiday time off or vacation/annual leave is rescinded the State shall give priority consideration to the employee's request to reschedule the rescinded time off.
- C. If the employee suffers a financial loss from the cancellation of vacation/annual leave, holiday time off or CTO time approved in writing, the employee may submit a Victims Compensation and Government Claims Board claim for nonrefundable expenditures which can be verified. The department shall support the claim, whenever possible.

19.18.20 Rescinding Approved Time Off (Unit 20)

- A. Approval for the use of accrued compensating time off (CTO), vacation, or annual leave credits will not be rescinded unless the State determines the employee's presence is necessary for coverage, workload, or the continuation of services.
- B. When scheduled CTO, vacation, or annual leave is rescinded, the State shall give priority consideration to the employee's request to reschedule the rescinded time off.
- C. If the employee suffers a financial loss from the cancellation of CTO, vacation or annual leave that has been approved in writing, the employee may submit a Victim Compensation and Government Claims Board claim for nonrefundable expenditure which can be verified. The employer will support the claim.

19.19.3 Work Week Group E or SE (Unit 3)

The State of California (CalHR), employer, and Service Employees International Union, Local 1000, as the exclusive representative for Bargaining Unit 3 (Professional Educators and Librarians), agree that:

- A. In the agreement between the parties (7/1/99 to 7/2/01), the parties agreed to place all Bargaining Unit 3 employees in Work Week Group 4C.
- B. In February 2000, in order to be consistent with the structure of the Fair Labor Standards Act (FLSA), the employer changed the name of Work Week Group 4C to either E or SE.
- C. In Unit 3, all employees designated E or SE remain covered by section 19.1.3, paragraph F, regardless of E or SE designation.
- D. Section 19.1, paragraphs A through D, generally describe hours of work for State employees. However, section 19.1.3, paragraph F, Work Week Group Policy for

FLSA – Exempt/Excluded Employees specifically describes the provisions of the workweek group designations for BU3 specified above.

19.19.17 Work Week Group (WWG) Definitions (Unit 17)

- A. WWG “2” applies to those classifications in State service subject to the provisions of the Fair Labor Standards Act (FLSA). Overtime for employees subject to the provisions of the FLSA is defined as: “all hours worked in excess of forty (40) hours in a period of one hundred sixty-eight (168) hours or seven (7) consecutive twenty-four (24) hour periods.”
- B. WWG “E” includes classes that are exempted from coverage under the FLSA because of the “white-collar” (administrative, executive, professional) exemptions. To be eligible for this exemption a position must meet both the “salary basis” and the “duties” test. Consequently, WWG “E” applies to classes and positions with no minimum or maximum number of hours in an average workweek. Exempt employees are paid on a “salaried” basis, and the regular rate of pay is full compensation for all hours worked to perform assigned duties. However, these employees shall receive up to eight (8) hours holiday credit when ordered to work on a holiday. A “salaried” employee may not receive any form of overtime compensation, whether formal or informal.
- C. WWG “SE” applies to those positions that under the FLSA are statutorily exempted, (physicians, attorneys, and teachers) from coverage.

19.19.21 Work Week Group E - Policy (FLSA-Exempt) (Unit 21)

State employees who are exempt from the FLSA are not hourly workers. The compensation they receive from the State is based on the premise that they are expected to work as many hours as is necessary to provide the public services for which they were hired. Consistent with the professional status of these employees, they are accountable for their work product, and for meeting the objectives of the agency for which they work.

Following is the State’s policy for all employees exempt from the FLSA:

1. Management determines, consistent with the current MOU’s, the products, services, and standards which must be met by FLSA-exempt employees.
2. The salary paid to FLSA-exempt employees is full compensation for all hours worked in providing the product or service.
3. FLSA-exempt employees are not authorized to receive any form of overtime compensation, whether formal or informal.
4. FLSA-exempt employees are expected to work within reason as many hours as necessary to accomplish their assignments or fulfill their responsibilities.

5. Consistent with the services which management has determined must be provided, FLSA-exempt employees are to be given discretion in establishing their work hours. Employees are responsible for keeping management apprised of their schedule and whereabouts, must receive approval from management for the use of formal leave (e.g., vacation, sick leave, personal leave) and for absences of one day or more, and must respond to directions from management to complete work assignments by specific deadlines.
6. Consistent with the salaried nature of FLSA-exempt employees, these employees:
 1. Shall not be charged any paid leave for absences in less than whole day increments.
 2. Shall not be docked for absences of less than a day.
 3. Shall not be suspended for five (5) days or less when facing discipline.
 4. Shall not have absences of less than a day recorded for attendance, record keeping, or compensation purposes.
 5. May be allowed, with approval of appointing power, absences with pay for one or more whole days due to excessive work load or other special circumstances not defined in their duty statement.

19.19.21(a) Guidelines for Applying Work Week Group E Policy (Unit 21)

The purpose of this document is to provide additional guidelines for both supervisor and the employee to assist them in applying the WWG E work week group policy as implemented on January 24, 1994.

Not discussed fully in the WWG E policy is the essential need for ongoing communication between supervisor and employee. This is, of course, two way communication not merely one way. While no one can lay down absolute rules for how often supervisors and employees need to have dialogue, they must do so frequently enough so that both are provided with information they need for each to fulfill their roles in completing work and achieving the mission and goals of the organization.

WWG E employees are not paid for time spent per se, but for work performed. It is therefore appropriate that the focus of the dialogue between supervisors and employees be primarily on what work is to be done, when it is to be completed, and perhaps, how it is to be completed. This includes, not only, specific work and products that have definite deadlines, but also ongoing functions such as interaction with or providing consultation to other employees. Generally, prescribing specific hours should not be necessary. The needs of those receiving consultation or advice and their availability, coupled with the other work requirements an employee has, should indicate how these important needs can be met. This may be by a variety of methods and it may employ time frames that

change from week to week, in some cases, while in others the time spent in providing consultation to colleagues, etc, may be fairly fixed and consistent.

As much as possible, the employee should be given flexibility in determining how and when this is done, provided that this function is being adequately taken care of. If an employee fails to fulfill this function, it may indicate the need for a more fixed schedule in terms of being available. It is important, also, that if work requirements and/or deadlines or other situations change, that the supervisor continue to inform the employee on a timely basis of such factors so that the employee is able to make whatever adjustments are necessary in terms of effort, time, and/or changing priorities to meet the changing expectations of the supervisor.

From the supervisor's point of view, it is important that the employee not only be diligent in working towards completion of various assignments, but also be diligent concerning providing the ongoing assistance and/or performance of his/her duties that may be necessary for the effective operation of the particular work unit. This means that as situations change or as work progresses, the supervisor needs to receive feedback from the employee on a fairly frequent basis, especially when any problem or change takes place that might require some adjustment in work, product, methodology, etc. It is also important in case changes occur that a supervisor must be able to communicate with an employee if needed. This makes it essential that employees are diligent in keeping their office informed of their whereabouts and their schedules. While it is not always possible, it should be done probably at least on a weekly basis. Where changes occur, these should be reported and the schedule adjusted accordingly. This does not necessarily mean the filling out of long detailed written schedules, in practically all cases, these are unnecessary. What is necessary is whatever it takes so that if a supervisor on Tuesday morning at 10 a.m. finds it essential to discuss an issue with an employee, that the employee's secretary or colleagues know the employee's schedule and how, if possible, he/she may be reached.

In the case of an employee's being at a doctor's appointment or in court or in a variety of other situations, the employee may not be reachable at a given time, but information should have been provided so that the supervisor knows when the employee will next either call in or be available for discussion. In some cases, arrangements which for example provide that the employee will be available during specific hours a given day may be useful in providing opportunities for either discussions with the supervisor and/or colleagues needing or providing assistance. These matters, of course, should all be discussed thoroughly by both supervisor and employee so there is a clear understanding of the expectations both have with regard to availability, completion of work assignments, etc.

You will note that in the paragraphs above, while times for consultation, etc. were discussed, there was little mention made of any sort of fixed hours or work schedule, except in the one hypothetical example in the last paragraph. This approach is in keeping with the WWG E concept since it avoids the notion that the employee is required to work a fixed work schedule. This is, in fact, the basic concept of the WWG E work week group policy and is what distinguishes it from WWG 2. Fixed work schedules

that are not based on actual operational needs are not appropriate to the WWG E policy. While it is true that the typical business hours of most State agencies and offices is from 8:00 a.m. to 5:00 p.m., Monday through Friday, this does not translate into requiring an 8:00 a.m. to 5:00 p.m. or other fixed schedule for all employees. While it may, in fact, be necessary for a particular WWG E employee to generally work a schedule that appears to follow the 8:00 a.m. to 5:00 p.m. regime, this should only occur because the work being performed dictates such a schedule. If in fact the work need not be performed during those specific hours, there is no operational need to require those specific hours, or any other specific hours for that matter. Counting hours is antithetical to the WWG E concept. Supervisors should be aware that it is not the time spent in the office, or even the time spent in the actual performance of duties that should be the subject of evaluation of an employee. Rather, the quality of work performed, the work product itself and the fulfillment of professional duties should be the focus of evaluation. If there are deficiencies in these areas, the corrective action/adverse action procedures should be followed.

If an employee is not available for consultation with other employees and is therefore not fulfilling that responsibility, that must be the focus of attention, not whether the employee is available during specific hours in the office. Employees need to be aware, however, that if they are not fulfilling their obligations in terms of consultation with other employees, etc. management does have the right to temporarily impose a more fixed work schedule in order to insure that these duties are being performed. If this becomes a matter of dispute, then outside help should be sought so that the difference of opinion can be resolved. Where this does not occur, the expedited dispute procedure which has been negotiated should be followed.

19.20.11 Double Backs – Department of Food and Agriculture (Unit 11)

- A. Employees shall be given a minimum of twelve (12) hours off between scheduled shifts, unless it becomes necessary for them to return earlier because of unforeseen operational need or emergency.
- B. Nothing in this section precludes employees from requesting, and management from granting, double-back shifts.

19.21.11 Standby Duty – Department of Fish and Wildlife (DFW) (Unit 11)

- A. Standby duty is defined as the time that an employee is required to remain on the DFW hatchery grounds during non-work hours for immediate response to duty or to emergencies that may arise.
- B. Affected employees are those who are assigned to WWG 2 who reside in State-owned housing at DFW hatcheries, and are required to perform standby duty at the fish hatcheries.
 - 1. While on standby duty, employees shall receive standby compensation at the rate of two (2) hours of compensating time off for fifteen (15) hours of standby

duty. If an employee does not complete the fifteen (15) hours of standby duty, the DFW shall pro-rate the compensation earned in accordance with departmental procedure.

2. Where compensating time off is not practical, the appointing authority may authorize cash compensation. Required work in excess of the minimum work week is compensable as overtime in accordance with the basic workweek group that the particular class and position is allocated to, except for the time on standby duty.
3. When an employee is called back while on standby duty, the employee shall not lose standby duty pay as a result of earning call back credit pursuant to Article 19.11 (Call Back Time).
4. Employees on any approved leave shall not be required to work standby duty.

19.23.15 Sliding Six, Six/Two (6/2) Schedules or Variations Thereof (Unit 15)

Upon written request from the Union, the State will meet and confer with the Union to abolish the "Sliding Six or Six/Two (6/2)" rotation cycle and establish a fixed day off schedule. The Union's request to meet and confer must be specific to the individual institution.

19.24.17 Floating (Unit 17)

Floating of Unit 17 staff may be utilized to avoid and/or minimize mandatory overtime assignments. Those programs where it is determined that special client/patient care is required (e.g., SNF, ICU), Unit 17 employees will be provided appropriate orientation prior to the start of the assignment. Where necessary and practical, a mentoring assignment will be made. The facility will attempt to float between program/unit with similar client/patient needs. Registered Nurses shall not be floated to replace a non-licensed function.

Registered Nurses shall not be floated to replace a non-RN position or function unless all other staffing efforts have been exhausted.

19.25.17 Travel Time (Unit 17)

- A. Notwithstanding any other contract provision, departmental policy or practice, the travel time of employees who are covered by WWG 2 shall only be considered as time worked if it meets the definitions and requirements of travel time in sections 785.34 through 785.41 of Title 29 of the Code of Federal Regulations.
- B. Nurse Practitioners called back to work under 19.11 (Call Back Time) shall be provided one (1) hour compensating time off (CTO) for travel time.

19.26.17 Workweek Correctional Institutions (Unit 17)

- A. Notwithstanding any other provisions of this Article, any Unit 17 employee desiring to work an alternate number of hours during the workweek (i.e., twelve [12] hour shifts) will do so with the understanding that overtime shall be computed on a forty (40) hour work week. Hours worked in excess of the pay period due to an employee's normal work schedule will be treated as excess hours.
- B. Vacation and sick leave (or annual leave) hours will continue to be accumulated in accordance with Article 8 (Leaves). Vacation and sick leave (or annual leave) hours used will be charged based on an employee's scheduled work shift.
- C. A maximum of eight (8) hours shall be credited for each holiday and personal holiday earned.

19.27 Special Schools Calendar (Units 3, 4, 15, 17 and 20)

- A. The Superintendent of a State Special School shall obtain input from employees during the development of the proposed academic calendar. Special School employees shall receive a copy of the proposed calendar prior to the adoption of the calendar. In addition, if a Special School proposes to change the number of in-service training days from the prior academic year, the Special School shall notify the teachers and obtain input.
- B. During the term of this Contract, the Director of State Special Schools hereby agrees that he/she will provide the Union with copies of proposed academic calendars for each of the Special Schools for the following academic year by April 15. If the Union wishes to meet and confer relative to these calendars, it must request to do so. If a request to meet and confer is made and agreement on the calendar is not reached within thirty (30) days from the date of notice to the Union, the Director shall be free to implement the calendar or calendars unilaterally. In the event of an emergency or of events beyond the control of the Director, the State Special School shall be free to make such change in any or all of the academic calendars for the Special Schools as are required by operational necessity.
- C. Within thirty (30) calendar days of the adoption of an academic calendar, the State Special School shall provide a copy of the academic calendar to Special School employees.
- D. Time limits established in subsection B and C above can be extended by mutual agreement of both parties.

19.28.21 Reduced Work Time (Unit 21)

Employees who voluntarily reduce their work time pursuant to the Reduced Work Time Act shall have right of return to full-time employment pursuant to Government Code section 19996.24 and DPA rule 599.836

19.29.21 Release Time for Commercial Driver's License Examination (Unit 21)

A. Upon ten (10) work days advance notice to the department head or designee, the department shall provide reasonable time off without loss of compensation for an incumbent permanent employee to take the Class A and/or Class B commercial driver's license examination, provided:

1. The employee is required to have the designated commercial driver's license and endorsement(s);
2. The examination is scheduled during the employee's scheduled work hours;
3. The examination does not interfere with operational needs of the department; and
4. The employee has a valid current medical certification, acceptable to DMV.

If medical certification provided by a department designated contractor physician or clinic is rejected by DMV on the date scheduled for examination that requires an employee to schedule an additional medical examination date, the employee shall be granted reasonable release time for the subsequent date, in accordance with the requirements specified above.

B. Upon ten (10) work days notice, the department will allow the employee to use a State vehicle or equipment appropriate for the license examination. It is understood by the parties, that use of the equipment or vehicle may be delayed for operational reasons.

C. Each department, at the request of an employee required to upgrade their current driver's license to a Class A or Class B commercial driver's license and appropriate endorsements will make available to the employee any information prepared by the DMV covering the commercial driver's license examination and any video training programs, relating to the obtaining of a commercial driver's license, which become available to the State.

19.30.21 Community Colleges Program Assistant I (CCPA I) – FLSA Exempt (Unit 21)

The Community Colleges Program Assistant I (CCPA I) is the only education assistant classification in the Unit 21 series that is Work Week Group 2 and not Federal Fair Labor Standards Act (FLSA) exempt. To be consistent with the other education

assistant classifications in the Unit 21 series, it is agreed upon between the State and the Union to make the CCPA I employees at the California Community Colleges exempt from the overtime requirements of State and Federal applicable wage and hour laws. There will be no overtime given to such employees for hours worked in addition to eight (8) hours per day or forty (40) hours per week. Such employees shall be treated as salaried/professional employees for all purposes including but not limited to leave time and work hours.

19.31.20 Split Shifts (Unit 20)

The State shall make every effort to avoid split shifts, and shall consider alternative scheduling methods prior to implementing a split shift. When there is no alternative scheduling method and a split shift is scheduled, the gap between the two parts of the shift shall not exceed two and one-half (2.5) hours.

Disputes concerning this section shall be grievable up to CalHR level for review and shall not be arbitrable.

19.32.20 Overtime Distribution at the California School for the Deaf, Riverside (Unit 20)

The purpose of this agreement is to distribute overtime among Bargaining Unit 20 employees at California School for the Deaf, Riverside, in an equitable manner.

- A. Five (5) overtime lists will be created for Counselors. The lists will be titled, "Master Overtime List", "Elementary Area Overtime List", "Middle School Area Overtime List", "High School Area Overtime List" and "Special Needs Area Overtime List". These lists will be created within five (5) working days from the date of this Agreement.
 1. One overtime list will be created for Night Attendants. The list will be titled, "Night Attendant Overtime List."
 2. The Master Overtime List will include the names of every Counselor, regardless of their area assignment. The Counselors will be ranked on the list by the amount of overtime hours they have been offered since the beginning of the academic school year. The Counselor at the top of the list will be the Counselor who has been offered the least amount of overtime hours since the beginning of the academic school year; the list will progress down to the Counselor at the bottom of the list who has been offered the most amount of overtime hours since the beginning of the academic school year.
 3. The Elementary Area Overtime List will include only those Counselors who are assigned to the Elementary Area. The Counselors will be ranked on the list by the amount of overtime hours they have been offered since the beginning of the academic school year. The list will be a progression as described in the above paragraph.

4. The Middle School Area Overtime List will include only those Counselors who are assigned to the Middle School Area. The Counselors will be ranked on the list by the amount of overtime hours they have been offered since the beginning of the academic school year.
 5. The High School Area Overtime List will include only those Counselors who are assigned to the High School Area. The Counselors will be ranked on the list by the amount of overtime hours they have been offered since the beginning of the academic school year. The list will be a progression as described above.
 6. The Special Needs Area Overtime List will include only those Counselors who are assigned to the Special Needs Area. The Counselors will be ranked on the list by the amount of overtime hours they have been offered since the beginning of the academic school year. The list will be a progression as described above.
- B. If an overtime opportunity arises for an Area, Counselors on the applicable list will be offered the opportunity first. The Counselor on the applicable Area overtime list who is at the top of the list (i.e., has been offered the least amount of overtime hours) will be offered the opportunity first; if that Counselor declines the opportunity, the Counselor next on the applicable Area overtime list will be offered the opportunity, and so on until the applicable Area overtime list is exhausted.
- If an overtime opportunity arises that does not have an Area need (for example, bus duty or homecoming), the opportunity will be offered using the Master Overtime List. The Counselor who is at the top of this list (i.e., has been offered the least amount of overtime hours) will be offered the opportunity first; if that Counselor declines the opportunity, the Counselor next on the list will be offered the opportunity, and so on until the list is exhausted.
- C. Management will record the number of hours of overtime each employee is offered.
- D. On the 15th of every month, new lists will be created by management to adjust the ranking of the employees on the lists by number of hours of opportunity they were offered. The list will be posted at the DOR office upon it being updated on the 15th of each month and e-mailed to all Counselors and Night Attendants.
- E. An Overtime Preference Survey form shall be circulated to all affected staff. If an employee has indicated on a signed survey form that he/she is unavailable and does not choose to work overtime on certain days and/or times, he/she will not be offered overtime for those days and/or times. (This section shall not change/amend any provision in the current Contracts regarding State's Rights on mandatory overtime.)

- F. The overtime lists will be followed except where precluded by emergency. Emergency is defined as a sudden happening or unforeseen situation that needs immediate action or attention.
- G. If overtime becomes available two (2) hours or less prior to the start time of the overtime assignment, the assignment will be offered to the employee at the top of the applicable list, who is currently on duty, and who is available to work the overtime.
- H. Night Attendants will not be offered Counselor overtime unless the Counselor overtime list has been exhausted. Counselors will not be offered Night Attendant overtime unless the Night Attendant list has been exhausted.
- I. Employees may submit an Overtime Preference Survey form five times per school year (September 15, November 15, January 15, March 15, and May 15). Management will use the most recent Overtime Preference Survey form on file for each employee.
- J. If an employee is called at home, and management reaches an answering machine/service, management will leave a message advising the employee of the overtime opportunity. Management will then continue through the overtime list(s). If the employee calls back before another employee accepts the overtime, that employee will be allowed to accept the overtime. If the employee calls back after another employee accepts the overtime, that employee will not be allowed to accept the overtime.
- K. Disputes involving this provision may be addressed at a Labor/Management Committee (Riverside).

19.33.15 Call in Procedures (Unit 15)

Employees will call in to their immediate supervisor, or if unreachable, the designee of the immediate supervisor. Department call-in procedures shall be submitted, in writing, to all employees. Written procedures must include the phone number of the designee for any time of the day.

ARTICLE 20 – POST AND BID

20.1.1 Employment Development Department (EDD) Post and Bid Agreement (Unit 1)

Hiring for Employment Program Representative (EPR) and Disability Insurance Program Representative (DIPR) permanent full-time positions in the EDD will be based on the following:

A. General Provisions

1. When EDD decides to fill vacant EPR or DIPR positions, vacancies will be announced on the EDDNet using a ratio of fifty percent (50%) by post and bid and fifty percent (50%) by other hiring methods. Human Resource Services Division (HRSD) will be the single point of contact in receiving all “Request for Position Action” documents. The HRSD will ensure fair application of the 50-50 ratio.
2. The EDD reserves the right to exempt placements from this section where there are clearly articulated operational needs. Positions subject to SROA or layoff lists, and safety transfers, Americans with Disabilities Act (ADA) reasonable accommodation requests, etc. shall come out of the department’s fifty percent (50%) and thus are not available for this post and bid process. The EDD will provide a report monthly to the Union, indicating the number of exempt placements by category. Individual employee hardship transfer requests will be determined by management based on the compelling nature of the request. As used in this section, compelling is defined as: Requests to

maintain the unity and continuity of the employee's immediate family unit. Examples include but are not limited to:

- a. Marriage;
 - b. Move to a new area to accompany a spouse or domestic partner who has changed the location of his or her employment;
 - c. Documented need to provide care for a family member where a change of employee's residence is required;
 - d. Documented circumstances which require the employee to leave the area to avoid physical harm or injury at the hands of an abusive spouse, family member or other individual; or
 - e. Employee's legal obligation requiring that he/she relocate to another area.
3. Each employee is responsible for checking the posting of positions on the EDDNet.
 4. Employees being reassigned under this section waive any rights to claim moving and relocation expenses. This does not preclude payment of such expenses, at management's discretion.

B. Eligibility to Participate in Post and Bid

1. Employees must be currently employed by EDD, either in the EPR or DIPR classification and have permanent civil service status in the class.
2. The PI employees must either meet the requirements of Rule 277, or have reinstatement rights to a permanent position, to be eligible to participate in the post and bid process.
3. Bidders must meet all requirements of the posted position, including any special requirements (e.g., language skills, Veterans status, etc.).
4. Employees must have overall satisfactory performance in their current job. In the absence of any current annual performance appraisal, or performance evaluation material to the contrary, the employee's performance shall be deemed satisfactory.
5. An employee who has an adverse personnel action with an effective date within twelve (12) calendar months which relates to the employee's job performance will be precluded from participation in the bid process.

C. Seniority Provisions

1. For the post and bid process, seniority is defined as total months of State service. When two (2) or more employees apply for a specific position and have equal State seniority, the tie shall be broken in the following order: total months of service with EDD, then total in-class seniority, then by lot.
2. The EDD shall prepare seniority lists of EPRs and DIPRs every February 15th, (reflecting seniority information current as of January 1) and every August 15th (reflecting seniority information current as of July 1st). This information will be provided electronically to SEIU Local 1000. An updated paper copy shall be made available at all EDD worksites every six (6) months.
3. EDD will distribute the seniority list defined above at each worksite employing EPRs and DIPRs.
4. The lists above as modified by any successful protest(s) shall be the sole determinants of seniority for post and bid selections during the respective bidding periods.

D. Posting Process

1. The EDD shall post vacancies on the EDDNet, consistent with current practice, for ten (10) calendar days. This posting shall state the following:
 - The opening date and closing date and time to apply for the vacancy;
 - The location of the vacancy;
 - Description of the vacant position including the duties, responsibilities and requirements of the position;
 - The Single Point of Contact (HRSD) to whom the bid is to be sent.
2. The EDD shall provide SEIU Local 1000 with a copy of the EDDNet posting at the same time they are distributed.

E. Bidding Process

1. For post and bid positions, the employee must submit his/her bid for a vacant position on a form provided by EDD.
2. Employees who have been selected through the post and bid process are precluded from bidding on any position for a period of one (1) year from the date they were finally "awarded" a position.

F. Post and Bid Selection Process

1. The most senior eligible employee meeting the requirements as described in the Eligibility To Participate in Post and Bid section, supra, will be selected for a position.
2. The tentative “awarding” of the position will be announced on the EDDNet within five (5) working days after the bidding process is closed. The notice will include the employee’s name and seniority score.
3. The protest period will be three (3) working days from the date the tentative “award” is posted on the EDDNet. Employees selected under the terms of this section shall have eight (8) working days after the bidding process is closed in which to accept or reject a job offer unless otherwise agreed by the hiring supervisor.
4. The final award will be announced on the EDDNet within five (5) working days from the end of the protest period.
5. The employee will be expected to report to his/her new position on a date selected by EDD. Consideration will be given to employee and management needs in selecting the reporting date. The reassignment must be completed within thirty (30) calendar days of the date the employee accepted the award.
6. Employees who bid on the position shall not be required to interview for the position.

G. Miscellaneous Provisions

1. The EDD will provide training deemed necessary by EDD for the employee to be successful in the new job.
2. Whenever no bids are submitted for a position opening or whenever no employee submitting a bid is eligible for appointment to the position, EDD shall select an employee to fill the position through other hiring methods.
3. The EDD shall retain the bids for a period of twelve (12) months. During this period, the bids shall be available for inspection by the Union representatives, who may request a copy.
4. All awardees are entitled to a thirty (30) calendar day trial period, during which time employees can opt to return to their former position as defined in Government Code section 18522.

20.3.11 Post and Bid Program (Unit 11)

A. When Post and Bid Applies

1. This section shall apply to employees in the following classifications:
 - a. Disaster Assistance Program Specialists
 - b. Fish & Wildlife Technician
 - c. Water Resources Engineering Associate
 - d. Water Resources Technicians
 - e. Sanitary Engineering Associate
 - f. Sanitary Engineering Technician
 - g. All Unit 11 classifications used by the Caltrans.
2. The parties recognize the value of allowing permanent employees to voluntarily transfer between positions. The parties also recognize that when vacancies occur in the Unit 11 classifications listed in A (1) above, and the State elects to fill the position, the needs of the State must also be considered. The parties therefore agree that the State may elect to fill vacancies using methods that include but are not limited to mandatory reinstatements; placement in lieu of layoff/demotion, appointment from a State Restriction of Appointment/Surplus list, reemployment list, limited duty (vacancy to be available at the end of temporary appointment); appointments pursuant to court orders, settlement agreements, SPB decisions, or the like; hardship transfers; reassignments (rotations, position "trades," etc.); involuntary transfers in lieu of geographic relocation; promotions in place*; or an eligible employee who must be provided a reasonable accommodation.

*Promotion in place: Management shall have the option to promote employees in place without using Post and Bid provisions. For the purposes of this section, promotion in place is defined as 1) there is no true vacancy; and 2) there is no change of position, assignment, or supervisory/subordinate relationship of the employee; 3) the promotion is clearly identified as typical in cases where the employee is to move to the next higher series.

The parties also agree that when a vacancy occurs, the following provisions apply.

B. Bid Notice Posting:

Appointing authorities shall post a notice inviting bids (unless there are no incumbents in the classification that will be used to fill the vacancy).

1. Bid notices will be posted in the department where the vacancy exists.
2. Bid notices shall be posted in the same place where job announcements are customarily posted.
3. Bid notices shall be posted for a period of no less than ten (10) working days before the final date bids must be postmarked or fax stamped.
4. Bid notices shall at a minimum include:
 - a. The classification of the vacancy;
 - b. Department, section and geographic location of the vacancy;
 - c. Present working hours associated with the vacancy;
 - d. A complete description of the duties and any personal attributes including objective qualifications that may enable the bidder to be successful in the position (e.g., any special education, training, work experience, and/or experience using particular types of equipment). The duty statement for the position shall be provided to the bidder upon request;
 - e. Any required license or certificate, such as a Class A/B CDL;
 - f. The final date by which bids must be postmarked and/or fax stamped;
 - g. The place to submit bids, and fax number, if applicable;
 - h. Where bid forms may be acquired (if the appointing power requires that bids be submitted on a specific form);
 - i. The name and telephone number of the supervisor or another person to contact for additional information;
 - j. How soon the employee accepting the position will be expected to report to his/her new position.

C. Eligibility to Bid:

Employee eligibility to bid shall be subject to the following criteria:

1. Status in Class:
 - a. The employee must already be employed by the department with the posted position and:
 - b. Currently have permanent full-time civil service status in the same civil service classification as the posted position; or

- c. Currently have permanent intermittent civil service status in the same civil service classification as the posted position and meet the necessary criteria under SPB rule 277 for such a time-base change.
2. **Acceptable Level of Performance:** Unless expressly waived by management in conjunction with a particular position and employee, employees must have satisfactorily performed the duties of their position during the twelve (12) month period before bids are due. Employees shall be deemed to have performed satisfactorily if they received an overall rating of “satisfactory” on an annual performance evaluation or probationary report during the same twelve (12) month period and they received no intervening counseling and/or corrective memos. If an employee did not receive a written performance evaluation during the twelve (12) month period before bids are due (e.g., annual evaluation), the employee shall be deemed to have performed satisfactorily unless s/he received a counseling and/or corrective memo during the same twelve (12) month period.
3. **Disciplinary Action:** Employee must not have received a formal disciplinary action as specified in Government Code section 19572 within the twelve (12) months of when bids are due.
4. **Other Restrictions:** An employee may be denied the right to bid for specific positions under this program for reasons related to safety, security or for other job related reasons (e.g., to avoid violating nepotism policies or where the appointment would pose a demonstrable threat to the health and safety of any employee).

D. Additional Bids

1. An employee who successfully bids pursuant to this section shall not be eligible to bid for another position for twelve (12) months following the employee’s bid appointment effective date.
2. When an employee has two (2) or more bids pending and s/he accepts an offer as the result of one of the bids, the employee shall immediately withdraw all outstanding bids.

E. Bid Submittal

1. Eligible employees may bid for posted positions by submitting a form specified on the notice inviting bids as specified by the hiring department (appointing authority). Bid forms shall be postmarked or fax stamped on or before the date specified in the posted bid notice.
2. It is the responsibility of the employee to provide the employer with an alternate means of notification if the employee is unavailable (i.e., vacation) anytime during a thirty (30) day period following the close of the bidding period.

F. Seniority

For purposes of this section “seniority” is defined as one (1) point for each qualifying month of State service as used for purposes of determining leave (e.g., vacation) accrual. If an employee believes there is an error in the computation of the employee’s seniority points, s/he shall provide documentation and request correction through the department personnel office. If two (2) or more employees are tied for most senior then the following shall be used in the order shown until the tie is broken:

1. Most qualifying pay periods in the department with the vacancy;
2. Most qualifying pay periods in the classification of the vacancy;
3. Coin flip.

G. Selection

When management decides to fill a vacancy:

1. The most senior timely bidder who satisfies the eligibility criteria shall be offered the position. Management may contact, meet with and/or make inquiries to ensure that bidders satisfy the eligibility criteria and understand the objective qualifications. If the most senior bidder is ineligible or disqualified for any reason listed in subsection C above, that bidder will be notified of the ineligibility or disqualification at the time the selection is announced.
2. If the most senior employee offered the position declines the offer and there are remaining bidders who qualify, then the second most senior employee shall be offered the position until there are no remaining bidders who qualify.
3. Employees offered positions pursuant to this subsection shall have a maximum of three (3) working days to accept or reject the offer unless the appointing power agrees to more time. Failing to respond within three (3) working days after being contacted (or longer as agreed to by the appointing power) may be deemed a rejection of the offer by management.
4. The winning bidder shall report for work on the start date listed in the bid notice. The start date may be altered by mutual agreement.
5. Once a position is awarded, management shall notify all bidders in writing that the position has been awarded, identifying the successful bidder and how many qualifying months of state service the successful bidder possesses.
6. Within thirty (30) days of appointment under this procedure, all employees have the right to return to their former position (as defined in Government Code).

H. Other Related Matters

1. Bidding employees who accept appointments waive any and all right to claim moving, relocation and associated travel and per diem expenses. This does not, however, preclude payment of such expenses at management's discretion.
2. Nothing in this provision will prevent management from posting positions, and simultaneously beginning other methods to solicit applicants (e.g., sending contact letters out to employees on promotional lists), so no time is lost in filling the positions should, for example, there be no bidders. Such solicitation shall include the notice that the position is subject to post and bid process.

20.4.15 Post and Bid Procedure for Vacant Positions (Unit 15)

A. Introduction

The post and bid process is designed as a method to allow employees in the same classification to secure a post assignment/position based on seniority. The post and bid process shall be implemented where a variety of work schedules, Regular Days Off (RDOs), shifts, and assignments exist for eligible Unit 15 employees. There are two (2) types of post and bid: the continuous post and bid and the annual post and bid.

The continuous post and bid process allows eligible Unit 15 employees to bid on vacant post assignments/positions on a continual year round basis. The following departments shall implement the continuous post and bid process for all eligible Unit 15 employees: Department of Corrections and Rehabilitation (Adult Programs) (CDCR); California Department of Corrections and Rehabilitation - Juvenile Justice (CDCR-DJJ); California Correctional Health Care Services (CCHCS); California Science Center (CSC); Department of Developmental Services (DDS); Department of General Services (DGS); Department of State Hospitals (DSH); and the Department of Veteran's Affairs (DVA).

The annual post and bid process allows eligible Unit 15 employees to bid on vacant post assignments/positions once per year. The awarded bids are for a twelve (12) month appointment. The following departments shall implement the annual post and bid: CDCR; CDCR-DJJ; and CCHCS.

The annual post and bid process complements and works along with the continuous post and bid process in the manner described in this Article.

B. Key Definitions and Terms (Excludes DGS):

1. **Vacancy:** A vacancy exists when a budgeted permanent position is unoccupied as a result of retirement, transfer, termination, resignation, reassignment, new position, promotion, change in tenure to permanent, or new funding. As posts/positions in designated Unit 15 classifications become

available or vacant, they shall first be reviewed by the State to determine whether they shall be posted or filled without posting, in order to maintain the ratio of eligible to non-eligible posts in each department.

2. **Seniority:** One (1) point for each qualifying month of full-time State service in their classification.
3. **Posting of Seniority Scores:**
 - a. Departments (excluding CDCR, CDCR-DJJ, and CCHCS) shall publish an updated seniority list the first week in January and the first week in July of each year. The list shall be published in an accessible location in the facility or worksite.
 - b. For CDCR, CDCR-DJJ, and CCHCS, departments that implement an annual post and bid, the seniority list shall be published according to the annual post and bid process described below.
4. **Contested Seniority Scores:** An employee who participates in the continuous post and bid process who believes that their seniority score is computed in error shall submit his/her complaint to the appropriate Local Labor Relations Office within ten (10) calendar days of the seniority scores being published. The department shall publish a corrected seniority list within five (5) business days when errors in seniority scores are identified and confirmed.

An employee who participates in the annual post and bid process who believes that their seniority score is computed in error shall submit his/her complaint to the local Post and Bid Joint Labor Management Committee (JLMC) by the last Friday in August. The local Post and Bid JLMC, which is created annually for this process, shall be the final level of review. The department shall publish a corrected seniority list within ten (10) days when errors in seniority scores are identified and confirmed.

Unless otherwise contested, an employee's seniority score, as initially published shall determine the employee's placement in the post and bid process.

Employees who have been removed from a bidded post as a result of a correction to a seniority score or due to management error will be eligible for the continuous post and bid process.

Placement of an employee in an eligible post assignment/position due to the discovery and correction of a seniority date computed in error shall not be grievable by the employee being replaced.

5. **Ties in Seniority:** If two (2) or more employees with the same amount of classification seniority bid on the same position, ties shall be broken as follows:

- 1) Total departmental seniority
- 2) Total State service
- 3) Draw lots

C. Employee Eligibility for Post and Bid (CSC; DDS; DSH; and DVA):

A permanent full-time employee who has successfully passed probation in his/her current classification. Upon mutual agreement between the Union and the department, employees other than those with a full-time time base may be permitted to post and bid.

An eligible employee absent from the worksite for such reasons as Enhanced Industrial Disability Leave (EIDL), Industrial Disability Leave (IDL), State Disability Insurance (SDI), Workers' Compensation, leave of absences, military leave, etc., may participate in the post and bid process. However, if the employee does not physically report to the awarded post within sixty (60) days of the initial award, the post will temporarily revert to management until the next continuous post and bid process.

Probationary employees are not eligible for the post and bid process and will be assigned by management to any vacant post after all bid post assignments have been filled.

Employees who receive a post through the post and bid process must possess the required knowledge, skills, aptitude, and abilities of the post to perform at an acceptable level. If an employee lacks the post's required knowledge and skills, the supervisor will notify the employee. Training may be made available if an employee requests to be trained to do those work functions within their assigned facility. Such requests shall not be unreasonably denied.

D. Employee Eligibility for Post and Bid (CDCR; and CCHCS):

A permanent full-time Correctional Supervising Cook (CSC) who is permanently assigned to work at that institution and who has successfully passed probation in his/her current classification. There shall be no inter-institutional bidding on post assignments.

An eligible employee absent from the worksite for such reasons as Enhanced Industrial Disability Leave (EIDL), Industrial Disability Leave (IDL), State Disability Insurance (SDI), Workers' Compensation, leave of absences, military leave, etc., may participate in the post and bid process. However, if the employee does not physically report to the awarded post within sixty (60) days of the initial

award, the post will temporarily revert to management until the next continuous post and bid process.

Probationary employees are not eligible for post and bid and will be assigned to any vacant post after all post assignments have been filled.

Employees who receive a post through the post and bid process must possess the required knowledge, skills, aptitude, and abilities of the post to perform at an acceptable level. If an employee lacks the post's required knowledge and skills, the supervisor will notify the employee. Training may be made available if an employee requests to be trained to do those work functions within their assigned facility. Such requests shall not be unreasonably denied.

E. Employee Eligibility for Post and Bid (CDCR-DJJ):

An eligible employee absent from the worksite for such reasons as Enhanced Industrial Disability Leave (EIDL), Industrial Disability Leave (IDL), State Disability Insurance (SDI), Workers' Compensation, leave of absences, military leave, etc., may participate in the post and bid process. However, if the employee does not physically report to the awarded post within sixty (60) days of the initial award, the post will temporarily revert to management until the next continuous post and bid process.

Probationary employees are not eligible for post and bid and will be assigned to any vacant post after all post assignments have been filled.

Employees who receive a post through the post and bid process must possess the required knowledge, skills, aptitude, and abilities of the post to perform at an acceptable level. If an employee lacks the post's required knowledge and skills, the supervisor will notify the employee. Training may be made available if an employee requests to be trained to do those work functions within their assigned facility. Such requests shall not be unreasonably denied.

Employees who work at Mountain Camps and Correctional Treatment Centers are excluded from the post and bid process.

F. Method and Implementation (Excludes DGS):

Post and bid procedures shall apply when a department has at least the minimum number of positions in the same classification and time base at a particular institution, work location, or worksite and where a variety of work schedules (RDO, shifts, etc.) exist.

The table below provides the breakdown of the number of positions and time base in a classification that are required to initiate the post and bid process at a worksite or institution within a respective department and the percentage of total posts that are eligible for post and bid:

Department	Minimum Positions Needed	Percentage of Posts eligible for Post and Bid
CDCR	3 full-time	80%
CDCR-DJJ	3 full-time or 3 half-time	80%
CCHCS	3 full-time	80%
CSC	1 full-time	70%
DDS	10 full-time	70%
DSH	10 full-time	80%
DVA	1 full-time	100%

CDCR-DJJ shall implement two (2) separate post and bid processes for all eligible Unit 15 employees in the Cook Specialist I, Cook Specialist II, or Correctional Supervising Cook classifications; one for the full-time and one for the half-time positions.

Eligible posts that become vacant as a result of retirement, transfer, termination, reassignment, or new funding will be assigned an eligible employee through the post and bid process. If the eligible post remains vacant after the post and bid process, then management reserves the right to fill the post by hire, transfer, promotion or any other method allowed by the State Civil Service System. This post shall be designated as neutral, and once it is assigned and filled by an employee, that employee will have the right to stay in the position for ninety (90) days before the post will become available for bid through the post and bid process again.

Management reserves the right to fill vacant posts that are not eligible for post and bid by hire, transfer, promotion or any other method allowed by the State Civil Service System.

1. Continuous Post and Bid (Excludes DGS):

- a. **Announcement of Eligible Posts:** Vacant posts shall be announced or advertised the first Monday of each month and remain on display for no less than ten (10) calendar days, excluding weekends and holidays. The announcement shall be published in a prominent location accessible to Unit 15 employees that is designated by each facility or institution. The

vacant post notice shall be on a form designed for that purpose and shall include the following criteria:

- Identification posting number
- Level of position
- Work location (as defined by each facility)
- Regular Days Off or rotation pattern or cycle
- Regular Work Hours/Shift
- Deadline for bid submittal
- Time base
- Location where bid is to be submitted
- Special Instructions, if required for the position

Post will be awarded within seven (7) calendar days of removing the announcement. However, in emergencies or where severe staffing shortages exist, delays in awarding the position are permissible for up to thirty (30) days.

- b. **Bid Request Form:** Management shall make available paper copies of the bid request form in an accessible location for all eligible employees. The bid request form may be made available on the department's intranet.

The bid request form must include the employee's name, current classification, work address, phone number, current work week/shift/hours, day time phone number.

- c. **Submission of Bid Request Form:** A department's bid request form shall be completed by the eligible employee requesting to be reassigned to any eligible vacant post in their current classification. Requests must be signed by the employee and be submitted or postmarked by the close of business after the second Friday after the initial announcement of the vacant post.

Bid request forms shall be submitted in triplicate with the employee submitting the original to the appropriate office or supervisor, a copy to the Union, and the employee retaining a copy. Bid request forms shall be date-stamped by the appropriate office or supervisor to verify receipt.

An employee may use one (1) bid request form if they are bidding for multiple positions, and shall list them in priority order.

Bid request forms shall be kept on file.

- d. **Award and Acceptance of Successful Bids:** Successful bids for post will be awarded to the most senior bidder by the third Friday of the month. Employees will have five (5) calendar days to reject the awarded bid, and may do so in writing to the appropriate office or supervisor and a copy to the Union.

At the DVA only, an employee selected for a bid position has a maximum of three (3) days in which to accept or reject a job offer unless the hiring supervisor agrees to a longer period. If the awarded bid is not accepted within three (3) days, it will go to the next senior bidder.

The employee shall assume the awarded bid post on the first day of the following month, but may delay assuming the new post for up to sixty (60) days in the event that the employee is out on leave. If the employee is unable to assume the awarded bid, the post will be filled through the continuous post and bid process, in accordance with subsections C., D., and E. of this Article.

An employee that accepts a bid award under the continuous post and bid process shall not be eligible to participate in the continuous post and bid process for twelve (12) months.

2. **Annual Post and Bid (CDCR;CDCR-DJJ; and CCHCS):**

The Appointing Authority shall have overall responsibility for the implementation and maintenance of this process at each institution. Each Appointing Authority shall implement the annual post and bid process separately and distinctly, even in locations where multiple Appointing Authorities operate at the same institution.

- a. **Post and Bid Joint Labor Management Committee (JLMC):** The Appointing Authority or the Appointing Authority's designee will ensure compliance through the department's designee and a local Post and Bid JLMC. The local JLMC shall consist of an equal number of management and Union representatives. The Union representatives shall be SEIU Local 1000 job stewards.

No later than the first Monday in August, the JLMC will establish the specific posts that comprise the eighty percent (80%) of the posts that are eligible for post and bid. In order to accomplish this, the department's designee shall provide the following:

- 1) A seniority score list
- 2) An updated post assignment schedule

3) Current budgeted position orders

The JLMC shall divide the eligible posts among the work areas, watches and RDOs in the same proportion as their percentage of the total number of qualifying posts. Posts that cannot be agreed upon by the JLMC will be resolved by the Appointing Authority.

For the purpose of determining assignments on each shift, those institutions comprised of multi-facilities will be considered as one (1) entity within each Appointing Authority.

Management retains the right to determine individual duties assigned to posts.

- b. **Announcement of Eligible Posts , Position Orders and Seniority Scores:** No later than the second Friday in August, the department's designee shall publish in an accessible location an updated post assignment schedule, the current budgeted position orders and the seniority scores for all eligible employees.

An employee who believes their seniority score is computed in error shall refer to subsection B.4 ("Contested Seniority Scores") in this Article.

- c. **Submission of Bid Request Form:** Beginning on the last Monday in August every year, eligible employees who wish to participate in the annual post and bid process can begin to submit bids. Employees may bid for multiple posts. All approved bid request forms must be completed and submitted to the department's designee no later than close of business on the first Friday in September.

Bid request forms shall be date-stamped by the Appointing Authority or their designee to verify receipt.

An employee may voluntarily withdraw from participation in the post and bid process by submitting a written request to the Appointing Authority's designee. The employee who withdraws from the post and bid process will be assigned a post assignment at management's discretion after the bidded posts have been filled. The vacated post will be subject to the continuous post and bid process.

Failure on the part of an employee to submit a bid request form shall result in a no-preference indicated (NPI) for the employee for the annual post and bid process. The employee will be assigned a post assignment at management's discretion, but may participate in the subsequent continuous post and bid process.

Management may assign its twenty percent (20%) of the posts prior to the first bid or at the conclusion of the annual post and bid process,

management will fill any vacant or bid management assignment. These post assignments shall become effective the first Monday in October.

- d. **Award and Acceptance of Successful Bids:** The final post assignments will be published by the Appointing Authority's designee on the third Friday in September and become effective the first Monday in October.

Employees who are successful in obtaining their bid must assume the post within sixty (60) calendar days of publication of the bid results. Until such time as the employee assumes the post, the post will temporarily revert to management.

In the event the employee is unable to assume the post within sixty (60) calendar days, upon his/her return, the employee will be placed in a post assignment at management's discretion. The post that the employee was unable to assume will be subject to the continuous post and bid process.

- e. **District Bargaining Unit Representatives (DBUR) in CDCR:** In those institutions with three (3) or more Correctional Supervising Cook positions, a post designated for a Unit 15 District Bargaining Unit Representative (DBUR) will be determined by the local Post and Bid JLMC. The DBUR post will be counted in that institution's eighty percent (80%) of eligible posts. Any additional eligible posts shall be distributed through the annual post and bid process.

- 3. **Deletion or Change of a Post:** If an eligible post assignment/position is deleted or altered because of coverage or other legitimate operational needs, the employee in that post assignment/position shall be notified in writing at least fifteen (15) days prior to any change. If an employee desires to remain in an altered post assignment/position, he/she shall notify management of that desire within five (5) calendar days and shall remain in that altered post assignment/position. If the employee does not desire to remain in the altered post assignment/position, he/she may bid on any vacant post assignment/position. The employee shall remain in the altered post assignment/position until such time as he/she successfully bids or applies for a new post assignment/position.

A post assignment/position shall not be considered to be altered when training is conducted on a shift other than the employee's regularly scheduled shift and the employee is required to attend.

A post assignment/position shall not be altered unless the need to alter the post assignment/position is substantiated by management in writing to the employee and the Union.

This section does not apply to post assignments/positions awarded through the annual post and bid process.

4. **Preservation of Eligible Post Ratios:** When management alters or modifies the shift and/or RDO of a post that was awarded through the annual post and bid process prior to the end of the twelve (12) month appointment, management shall implement an interim annual post and bid process. Post assignments that are awarded through the interim annual post and bid process shall remain effective until the implementation of the regular annual post and bid process.
5. **Substandard Performance Review, Discipline and Loss of Post and Bid Eligibility:** Management may remove an employee from a bid position when the employee fails to demonstrate that they have the knowledge and skills required to perform the duties of the position. In order to substantiate that the employee does not possess the required knowledge and skills, management must clearly substantiate the concerns with the employee's knowledge and skills in the employee's performance evaluation, which supports the below standard rating. The employee shall be placed in a position with the same RDO's and substantially similar start/stop times. The employee will be permitted to bid in the subsequent continuous post and bid period. The vacated post shall be subject to the continuous post and bid process.
 - a. The decision to remove the employee from his/her post must be approved by the Appointing Authority or designee on a case-by-case basis.

An employee may be temporarily removed from his/her post pending a personnel investigation/EEO investigation, but will be assigned to a shift with substantially similar start/stop times and RDOs. Once the investigation has been concluded and the charges have not been substantiated, the employee will be returned to his/her post.

An employee may be removed from his/her post upon the effective date of an adverse action related to job performance (after the conclusion of the Skelly hearing process and/or time frames associated with that process) if the employee has not filed an appeal to the State Personnel Board (SPB). If an appeal has been filed, an employee may be removed from his/her post only after the SBP has upheld the adverse action. Such movement will be to the same shift without regard to RDOs or start/stop times. The employee shall be excluded from participating in the subsequent post and bid process. The vacated post shall be subject to the continuous post and bid process.

If the employee is exonerated from the adverse action or the wrongdoing, his/her right to bid and/or hold positions shall be restored.

6. **Floating (DDS):** If it becomes necessary to float employees to provide coverage, each work location (unit and shift) shall establish a rotational system that distributes floating on an equitable basis.

7. **Nepotism:** No bid shall be denied based solely on personal relationships. An employee may lose his/her right to hold and/or bid a post based on the department's nepotism policy. If awarding of the bid, or the post creates a nepotistic situation and is in violation of the department's policy the bid will be denied. The Union and the employee will be notified within five (5) business days of the denial.

Assignments not in conformance with this subsection shall be corrected by transfer or other appropriate action within ninety (90) days.

Nothing in this subsection shall prohibit the employee and/or the Union from filing a grievance.

8. **Disputes:** Where applicable, either party may request a local Joint Labor Management Committee to conduct a meet and discuss regarding any problem or concern with the post and bid process. This request will be honored by the non-requesting party in the form of a meeting within thirty (30) days of the request.

Disputes concerning the post and bid process shall be grievable to the departmental level and not arbitrable.

G. Post and Bid Process for the Department of General Services (DGS):

1. Key Definitions:

- a. **Vacancy:** A permanent full-time position unoccupied as a result of retirement, transfer, termination, reassignment, or new funding, and where a variety of work schedules (days off, shifts, etc.) exist.
- b. **Permanent full-time status employee:** A full-time employee who has successfully passed probation in their current classification in the Department of General Services by the final filing date of the position being advertised.
- c. **Post and Bid Request Form:** The written request form provided by respective DGS offices and completed by the permanent full-time status employee requesting to be reassigned to any position/ assignment in their current classification. Requests must be submitted by the final filing date of the position(s) being advertised.

The position will be advertised on CalHR's CalCareer website and in an accessible location for all BU 15 employees in the management units for a minimum of seven (7) calendar days. This notice shall include the classification, a duty statement or description of duties, requisite skills and abilities required of the position, reporting location, the shift and days off for the position to be filled, the final filing date, and the contact person's name and telephone number. Employees interested in a posted position

must indicate interest by submitting a departmental bid request form to the specified contact person by the final filing date. The bid forms will be posted on CalHR's CalCareer website and copies will be kept in an accessible location for all BU 15 employees.

- d. **Seniority:** Seniority is determined by permanent full-time status employees with the greatest amount of continuous permanent full-time statewide seniority in the class. Continuous permanent full-time statewide seniority in the class shall be time in class, before and after the return from a temporary separation (including time spent on a limited-term appointment or Temporary Authorization Appointment-TAU) followed by a mandatory reinstatement. When determining seniority for a specific position, the seniority will be calculated up to the last day of the pay period prior to the final filing date of the JOB. In the event of a tie in the seniority scores, the tie shall be broken using (1) total statewide service seniority; (2) departmental seniority; (3) by lot.
- e. **Seniority Post and Bid Lists:** After the close of business on the final filing date for the position(s) being advertised, the hiring office will submit a list of the bids received to the Office of Human Resources (OHR) for calculation of the seniority scores. See Special Considerations/Exclusions. Seniority lists shall be developed by OHR within three (3) working days following the close of business on the final filing date and OHR will provide the seniority scores to the hiring office. The employee with the most seniority will be offered the position. The bidder can request the results of the bid from the hiring office five (5) days after close of the bid.

2. SPECIAL CONSIDERATIONS/EXCLUSIONS:

- a. **Limit On Bids:** An employee may not make more than one (1) successful bid each twelve (12) months. (A successful bid is when the bidder accepts the position and reports for work). The exception is if an employee's bidden position is altered and the employee elects not to stay in the position.
- b. **Promotion:** Management has the option to use a civil service list in lieu of these Post and Bid provisions to promote Bargaining Unit 15 employees only after the Post and Bid process has been used.
- c. **Mandatory Placement:** These Post and Bid provisions do not apply when management chooses to retain a Limited-Term or TAU by a permanent appointment or when an employee must be placed by mandatory reinstatement, promotion in place, changing a permanent intermittent employee to permanent full-time, placement of an employee subject to layoff, State Restriction of Appointments/Surplus lists, proper placement (i.e. reasonable accommodation), limited light duty, or other clearly articulated operational reasons including client demands.

- d. **Requisite Skills and Abilities:** Employees placed under the Post and Bid provisions must possess the requisite knowledge, skills, aptitude, and abilities of the position to perform at an acceptable level. If an employee lacks the position requisites, the supervisor will notify the employee. Training may be made available if an employee requests to be trained in other work functions within their assigned facility; such requests shall not be unreasonably denied.
- e. **Discipline/Substandard Review:** Management is not required to consider an employee who has a sustained formal disciplinary action or received an overall substandard performance review within the last twelve (12) months. The commencement of the 12-month period will be the effective date of the action, not the ending date of the action.
- f. **Security/Safety or Other Reasons:** These Post and Bid provisions do not preclude management from transferring or assigning employees for verifiable security, safety, or clearly articulated operational reasons. Prior to initiating such actions, the Labor Relations Office should be contacted.
- g. **Shift Changes with No Vacancy:** Post and Bid does not apply when there is no vacancy and internal permanent or temporary shift changes are initiated. Such placement of employees will be done based on operational needs (i.e. client demands) and in accordance with Unit 15 provisions. Prior to initiating such actions, the Labor Relations Office should be contacted.
- h. **Security Background Clearance:** For those facilities that require an employee background security clearance, the most senior qualified bidder will be selected.
- i. **Post and Bid Acceptance:** An employee offered a bid position has a maximum of three (3) work days in which to accept or reject a job offer unless a longer period is agreed to by the hiring supervisor. If an employee requests or is reassigned temporarily to do different work, this does not negate the position they accepted through these Post and Bid procedures.
- j. **New Regional Offices:** When new Regional Offices are established, DGS shall advertise and accept applications from employees statewide. In accordance with these procedures, the most senior qualified employee shall be selected. If there are no qualified bidders, DGS may fill the positions by other valid hiring means. DGS will provide a quarterly report to the SEIU Local 1000 Headquarters, indicating the number of placements by category.

3. EMPLOYEE PROCEDURES:

Permanent full-time Unit 15 employees who wish to be considered for a position or shift assignment vacancy, in their current classification, must submit a Post and Bid Reassignment/Transfer Request form. This form must be submitted or postmarked by the close of business on the final filing date of the position being advertised. The employee is responsible to deliver or mail the bid form to the contact person.

The employee must submit a bid form each time a position(s) is advertised that they are interested in bidding for, however, if multiple positions are being advertised on the same advertisement, one bid form will be sufficient. This form is available with the advertisement posted on CalHR's CalCareer website. Management will also keep copies of the form available in an accessible location for all BU 15 employees.

The request form must include the employee's current permanent classification, work address and phone number, current work week/shift/hours, daytime phone number or an alternate person to contact with a daytime phone number, and the current supervisor's name and phone number. The contact person must have full authority on behalf of the employee to accept or decline a position. If there is no contact person or the contact person is not available or willing to accept or decline the position, it shall be considered a waiver and the next most senior person on the list shall be offered the position.

The OHR will notify employees who do not meet the Post and Bid MOU provisions.

Employees should contact their supervisor to resolve discrepancies in seniority scores.

20.5.15 Work Assignment or Shift Changes (Unit 15)

A. Unit 15 employees who are not covered by a Post and Bid Agreement and who request a work assignment or shift change not involving a geographic relocation shall submit a written request to the facility/program management or designee. When the employer determines that a vacancy in the requested work assignment or shift is available, employees with written requests on file shall be considered and the decision to grant or deny the request shall only be based on the following factors:

- Permanent status;
- The needs of the students, clients, patients, wards, inmates, etc;
- Skills and abilities;

- Needs of the facility, including security and safety;
- Staffing requirements;
- Satisfactory performance and attendance;
- Seniority.

Such requests shall not be unreasonably denied and all written requests shall remain on file until granted or withdrawn by the employee.

- B. If two (2) or more employees request the same assignment or shift and meet the above qualifications, the most senior employee will be granted the position.

B. Posted Positions

Positions shall be posted in a prominent place where such notices are customarily posted on each unit and, in addition, may be advertised by each Veteran’s Home newsletter, e-mail bulletin board and any other method of advertisement. The posted notice shall be on a form designed for that purpose and shall include the following posted criteria:

1. Identification posting number
2. Level of position
3. Unit (or ward) or other assignment

9. Description of duties to be performed (knowledge, skills and abilities)

Each notice shall remain posted for no less than ten (10) calendar days.

C. Bidding

Employees may bid on the posted position by filling out a bid form provided by the State. Bid forms shall be submitted in triplicate with the employee submitting the original to the appropriate central office, a copy to the Union, and the employee retaining a copy. Bid forms shall include the identification posting number, the employee's name, classification, seniority points, current work location and business telephone number. The form must be dated and signed by the employee to indicate certification that the worksite has been visited.

D. Special Qualifications

Employees bidding on assignments which require specialized training shall meet the skills, knowledge and abilities prior to the bid being placed. These special qualifications shall be defined in the bid notice.

E. Assignment

Within twenty (20) calendar days after the posting of notice of vacancy, the position shall be assigned to the eligible bidding employee with the most State service seniority. However, in emergencies or where severe staffing shortages exist in the employee's incumbent program, assignment may be delayed up to forty-five (45) calendar days after the posting of the notice.

F. Deletions and Changes

If a bid position is deleted due to reduced allocations or for other reasons, then the employee in that position may bid on any vacant posted position.

If, because of coverage or other legitimate operational need, it is determined that a bid position's posting criteria must be altered in any respect, the employee filling that position shall be notified of the proposed changes and the reason for such change in writing. If the employee desires to remain in the altered position, he/she shall notify management of that desire within five (5) calendar days and shall remain in the position. A position shall not be considered to be altered when training is conducted on a shift other than the employee's regularly scheduled shift and the employee is required to attend.

G. Floating

If it becomes necessary to float employees to provide coverage, each work location (unit and shift) shall establish a rotational system that distributes floating on an equitable basis. The RN Shift Lead shall not be included in floating.

H. Transfers

Employees holding bid positions shall not, except in cases of emergency, be involuntarily transferred or moved except as otherwise provided in this section.

I. Denial of Bid

Employees who have adverse actions taken against them shall lose their right to hold a bid position and/or to bid on any positions for a period of up to six (6) months if such position or bid is meaningfully related to the cause of action. If, on appeal, the employee is exonerated, his/her right to bid and/or hold positions shall be restored. Employees who are charged with wrongdoing which is also grounds for adverse action may lose their right to bid and/or hold a bid position for a period of up to six (6) months, if such position or bid is meaningfully related to the cause of action. A hearing before the Veteran's Home Administrator or designee may be requested by the employee.

Employees who receive yearly evaluations which have two (2) or more categories marked below standard may lose their right to hold and/or bid positions for up to six (6) months, subject to review in three (3) months. If the evaluation is overturned by a reviewing officer or as a result of a grievance decision, the employee shall have his/her right to bid and hold positions restored. The reason for denial to bid shall be in writing and given to the employee.

Employees losing their right to bid or hold positions as outlined above may be administratively transferred at the discretion of the State. Employees who have been absolved of wrongdoing as stated above, shall be accorded one successful bid so long as this bid is exercised within three (3) months of the decision absolving the employee.

J. Limits on Bid

An employee may not make more than one (1) successful bid each twelve (12) months except that if an "employee" bid position is altered and the employee elects not to stay in the position, or if an employee is granted a bid under the provisions in subsection I above, these bids shall not be counted under this subsection. Exceptions to this limitation may be granted. Employees on probationary status shall not be eligible to bid on posted positions.

Management may deny a bid which is submitted by an employee who is on limited duty status if it is determined that the duties of the posted position are in conflict with the work limitation(s) described by his/her physician. Upon request of the employee, a meeting will be held with the Veteran's Home Administrator or designee prior to the final decision regarding the employee's ability to bid.

K. Nepotism

No bid shall be denied based solely on personal relationships. An employee may lose his/her right to hold and/or bid a position based on the Department's nepotism policy in accordance with the following:

1. If such bid or position creates a nepotistic situation, notice must be given to the employee.

2. Assignments not in conformance with this subsection shall be corrected by transfer or other appropriate action within ninety (90) days.
3. Nothing in this subsection shall prohibit the employee and/or the Union from filing a grievance.

L. Meet and Discuss

Either party may request a meet and discuss regarding any problem or concern with the Post and Bid procedure. This request will be honored by the non-requesting party in the form of a meeting within thirty (30) days of the request.

M. Post and Bid Review

At each Veteran's Home, management shall designate an official who shall be responsible for the administration of the Post and Bid provision. Upon request, the Post and Bid administrator shall meet periodically with SEIU representatives for the purpose of reviewing compliance with the Post and Bid provision.

- N. For purpose of this Agreement, "seniority" is defined as one (1) point for each qualifying month of full-time State Service.

O. Implementation and Applicability

The provisions of this section will be implemented six (6) months after ratification of the Agreement by both the State and the Union membership.

20.7.17 Post and Bid Procedure for Vacant Positions – DDS & DSH (Unit 17)

A. Vacant Positions

As management determines that Registered Nurse positions become available, or vacant, they shall first be reviewed by the State to determine whether they shall be posted or filled without posting.

If the State determines to fill the position without posting, the position may be filled by hire, transfer, promotion, or any other method allowed by the Civil Service System. Such positions may be advertised where appropriate, but will be filled through the sole discretion of the State. As positions become vacant and determinations are made by the State, the excess of non-posted positions over posted positions shall not exceed two (2) at any hospital or developmental center at any time. In no case shall more than sixty percent (60%) of the filled Registered Nurse positions in a hospital/developmental center be held by employees through successful bids.

The post and bid process is designed as a method to advertise and fill current position vacancies with existing employees. The filling of vacancies by either

promotion from an eligible list or external lateral transfers is not subject to the post and bid procedure.

B. Posted Positions

Those positions which are determined to be posted shall be posted in a prominent place where such notices are customarily posted on each unit and, in addition, may be advertised in each hospital's/developmental center's publication. The posted notice shall be on a form designed for that purpose and shall include the following posting criteria:

1. Identification posting number
2. Level of position
3. Program and unit (or ward) or other assignment
4. Shift
5. Days off or rotation pattern and cycle
6. Time base
7. Deadline for bid submittal
8. Indication of an "incentive bid position"
9. Location where bid is to be submitted

Each notice shall remain posted for no less than seven (7) calendar days.

C. Bidding

Employees may bid on the posted position by filling out a bid form provided by the State. Bid forms shall be submitted in triplicate with the employee submitting the original to the appropriate central office, a copy to the Union, and the employee retaining a copy. Bid forms shall include the identification posting number, the employee's name, classification, seniority points, current work location and business telephone number. The form must be dated and signed by the employee to indicate certification that the worksite has been visited.

Posted positions shall be available for bid only to those employees in the civil service classification specified on the posted notice.

D. Assignment

Within fifteen (15) calendar days after the posting of notice of vacancy, the position shall be assigned to the eligible bidding employee with the most seniority. However, in emergencies or where severe staffing shortages exist in

the employee's incumbent program, assignment may be delayed up to sixty (60) calendar days after the posting of notice. If no bids are received, management shall withdraw the bid notice. The withdrawn notice does not count against either party's ratios or 60/40 position count. These positions may be filled:

1. In accordance with subsection A above, or
2. Hire, promotion, reinstatement, transfer from within the facility or from another State hospital/developmental center or other State agency.

If that position is filled or committed within sixty (60) days of withdrawal of posting under (2) above, it shall not count in the 50/50 posting ratios.

E. Incentive Bid Position

A vacant position that is posted two (2) consecutive times and remains unbid may be identified as an "incentive position" on the third consecutive posting. In a program identified as a "designated program" an unbid position may be identified as an incentive position on the second consecutive posting.

An employee who successfully bids an incentive position and remains in the position for one (1) year shall be accorded super-seniority for their next successful bid. When two (2) or more employees with super-seniority bid, the position shall be awarded as follows:

1. Length of super-seniority
2. Seniority
3. By lot

Incentive positions that are not bid upon may be filled through internal transfer from within the hospital without counting in the posting ratios or position counts. He/she is then eligible to receive super-seniority in the same manner as an employee who bid the position. Employees who successfully bid an incentive position and are bidding in-place (same unit and shift as the posted position) shall not be eligible to earn the super-seniority. In "designated programs" the super-seniority eligibility shall be limited to positions awarded to employees from outside the program only.

The facility shall provide the Union with a weekly listing of "designated programs."

An employee in an incentive position that is deleted or altered in accordance with subsection E shall retain the eligibility to earn super-seniority if he/she elects to remain in the altered or changed position. Employee absences due to illness or injury shall not be counted after the fourteenth (14th) consecutive calendar day toward the one (1) year qualifying period to earn super-seniority.

F. Deletions and Changes

If a bid position is deleted due to reduced allocations or for other reasons, then the employee in that position may bid on any vacant posted position.

If, because of coverage or other legitimate operational need, it is determined that a bid position's posting criteria must be altered in any respect, the employee filling that position shall be notified of the proposed changes and the reason for such change in writing. If the employee desires to remain in the altered position, he/she shall notify management of that desire within five (5) calendar days and shall remain in the position. A position shall not be considered to be altered when training is conducted on a shift other than the employee's regularly scheduled shift and the employee is required to attend.

G. Floating

If it becomes necessary to float employees to provide coverage, each work location (unit and shift) shall establish a rotational system that distributes floating on an equitable basis.

H. Exempt Positions

When a non-licensed employee receives his/her license and is subsequently appointed to the Registered Nurse classification, he/she shall not be considered as a new hire for purposes of counting positions under subsections A, C, D, or E.

I. Transfers

Employees holding bid positions shall not, except in cases of emergency, be involuntarily transferred or moved except as otherwise provided in this section.

J. Denial of Bid

Employees who have adverse actions taken against them shall lose their right to hold a bid position and/or to bid on any positions for a period of up to six (6) months if such position or bid is meaningfully related to the cause of action. If, on appeal, the employee is exonerated, his/her right to bid and/or hold positions shall be restored. Employees who are charged with wrongdoing, which is also grounds for adverse action, may lose their right to bid and/or hold a bid position for a period of up to six (6) months, if such position or bid is meaningfully related to the cause of action.

A hearing before the Executive Director or designee is required prior to such denial.

Employees who receive yearly evaluations which have two (2) or more categories marked below standard may lose their right to hold and/or bid positions for up to six (6) months, subject to review in three (3) months. If the

evaluation is overturned by a reviewing officer or as a result of a grievance decision, the employee shall have his/her right to bid and hold positions restored.

Employees losing their right to bid or hold positions as outlined above may be administratively transferred at the discretion of the State. Employees who have been absolved of wrongdoing as stated above, shall be accorded super-seniority for one (1) successful bid so long as this bid is exercised within three (3) months of the decision absolving the employee.

K. Limits on Bid

An employee may not make more than one (1) successful bid each twelve (12) months except that if an employee's bid position is altered and the employee elects not to stay in the position, or if an employee is granted a bid under the provisions in subsection J above, these bids shall not be counted under this subsection. Exceptions to this limitation may be granted. Employees on probationary status shall not be eligible to bid on posted positions.

Management may deny a bid which is submitted by an employee who is on limited duty status if it is determined that the duties of the posted position are in conflict with the work limitation(s) described by his/her physician. Upon request of the employee, a meeting will be held with the Executive Director or designee prior to the final decision regarding the employee's ability to bid.

L. Nepotism

No bid shall be denied based solely on personal relationships. An employee may lose his/her right to hold and/or bid a position based on the Department's nepotism policy in accordance with the following:

1. If such bid or position creates a nepotistic situation, notice must be given to the Union.
2. Representatives of the Union and the State shall meet and review the situation.
3. Assignments not in conformance with this subsection shall be corrected by transfer or other appropriate action within ninety (90) days.
4. Nothing in this subsection shall prohibit the employee and/or the Union from filing a grievance.

M. Meet and Discuss

Either party may request a meet and discuss regarding any problem or concern with the Post and Bid procedure. This request will be honored by the non-requesting party in the form of a meeting within thirty (30) days of the request.

- N. At each hospital or developmental center, management shall designate an official who shall be responsible for the administration of the Post and Bid provision. Upon request, the Post and Bid administrator shall meet periodically with SEIU Local 1000 representatives for the purpose of reviewing compliance with the Post and Bid provision. At the request of the local SEIU Local 1000 job steward or representative, the Post and Bid administrator shall provide information relative to the specific post and bid request.

At each facility, the Post and Bid administrator shall maintain information relative to the post and bid process specific to Unit 17 employees. This report shall include, at a minimum, a month by month record of all post and bid and management discretion positions filled, including position regular days off, cycle schedule, shift and location; identify positions posted, bids received and awarded, positions posted receiving no bids and those subsequently filled without counting against management discretion.

- O. For purposes of this Agreement, "seniority" is defined as one (1) point for each qualifying month of full-time State service.
- P. Implementation and Applicability

The provisions of this section will be implemented six (6) months after ratification of the Agreement by both the State and the Union membership. As used in this section, the term "Registered Nurse" refers to the classification of "Registered Nurse" in the Department of Developmental Services and to the classification of "Registered Nurse (Forensic Facility)" in the Department of State Hospitals or Department of Developmental Services.

20.8.17 Post and Bid Procedure CDCR/DJJ (Unit 17)

A. Introduction

The Post and Bid (P&B) process is designed as a method to allow employees to secure an assignment based on seniority. Contained in this section are the provisions for the "24 Month P&B Process" which allows employees to bid twenty-four (24) month assignments and the "Interim Vacancy Bidding Process" which addresses vacancies that occur while the twenty-four (24) month assignments are in effect.

1. The Chief Medical Officer (CMO) or their designee shall have responsibility for implementation and maintenance of this procedure at each facility and shall ensure compliance.
2. The word "assignment" as used in this section is synonymous with that of "position".
3. Participation in the P&B process is limited to eligible employees. An eligible employee:

- a. Must be a permanent full-time RN; probationary employees are excluded.
- b. Must be permanently assigned to and work at the institution; eligible employees may participate only in their institution's P&B process. There shall be no inter-institution bidding on assignments.

4. Excluded Assignments

Specialty areas shall be excluded from the P&B process. Such areas shall be Intensive Treatment Program nurses, Intensive Behavioral Treatment Program nurse, Infection Control nurse, Utilization Review nurse, Sick and Vacation Relief, Special Program at Preston, ICF/ DSH Program at SYCRCC and CTC/MH Programs. Those RN qualifying posts which are considered specialty areas shall be counted as neutral assignments, that is, they shall not be counted in either Management's or Union's positions.

5. Special Qualifications

Employees bidding on assignments which require specialized training shall meet the skills, knowledge, and abilities prior to the bid being placed. These special qualifications shall be defined in the bid notice.

6. Seniority

For purposes of this Agreement, "seniority" is defined as one (1) point for each qualifying month of full-time Division of Juvenile Justice Unit 17 service, with ties broken by one (1) point for each qualifying month of full-time Unit 17 service.

7. Limits on Bid

An employee may not make more than one (1) successful open assignment bid each twelve (12) months except when an employee's bid assignment is substantially modified and the employee elects not to stay in the position or as provided in section G (1) and G (2) or if an employee is granted a bid under the provisions of subsection I if these occur, the employee shall have the right to bid again. Exceptions to this limitation may be granted.

8. Pre-Bid Meet and Discuss

Prior to each P&B cycle, a local meet and discuss at each complex and/or facility to discuss the 70/30 pattern shall occur. Upon request, prior to the meet and discuss, each facility shall provide post orders and job descriptions for each position.

B. Twenty-four (24) Month Bid Process

1. There shall be seventy percent (70%) of the RN qualifying post assignments (excluding specialty areas) in the CDCR allotted according to seniority at each facility.

Any new seniority positions as a result of the increase in percentages of the total seniority shall be posted for bid within ninety (90) calendar days of the ratification of the Contract by both parties. The term for these positions will end at the same time as the institution's original post and bid period.

2. Participation in the twenty-four (24) month P&B process is voluntary. The choice not to participate shall result in management assigning the individual to an assignment that remains unfilled after this bid process is completed.

3. Timeframes

- a. The twenty-four (24) month bid cycle begins in the month of April 2008, for those employees who wish to participate. An updated seniority roster and a listing of all available assignments open for bid shall be posted no later than April 1st every other year.
- b. Unless otherwise contested by April 15, an employee's seniority as posted on April 1, shall determine the employee's placement on the seniority list.
- c. All approved bid request forms must be completed and submitted, in accordance with the BIDDING provision below, no later than 4:00 p.m. on May 1, or 4:00 p.m. on the following Monday if the date falls on the weekend. An employee may write more than one (1) bid preference on the bidding form in priority order.
- d. An employee may voluntarily withdraw from participation in the twenty-four (24) month Bid Process by submitting a written request to his/her supervisor. Employees who withdraw will be assigned at management's discretion. These assignments shall be counted neutral; that is, they shall not be counted in either Management's or Union's positions.
- e. Failure on the part of the employee to submit a request form by 4:00 p.m. on May 1, shall result in a no preference indicated (NPI) for the employee. The employee will then be assigned an assignment at management's discretion. These assignments shall be counted neutral; that is, they shall not be counted in either Management's or Union's positions.
- f. At the end of the bid period, management will make the assignments based on the highest seniority of the bidders. Any assignment that does not receive a bid shall be filled at management's discretion.
- g. The new assignments will begin the second Monday in July first watch.

- h. The time frames will be agreed upon at the local level by the Union and Management.

C. Interim Vacancy Bidding Process

1. The interim bidding process is designed as a method to provide current employees the opportunity to move to vacant assignments, if management determines to fill the vacant position, created while the twenty-four (24) month assignments are in place, using seniority as the deciding factor on who will secure an assignment that is available by bid. The vacant assignments that have been determined by management to be filled by bid shall be subject to the terms and conditions of this section.
2. As RN assignments become available, they shall first be reviewed by the State to determine whether they will be filled, posted for bid, or filled without posting.
3. The filling of vacancies by either promotions from eligible list or external lateral transfers are not subject to P&B.
4. If the State determines to fill the assignment without posting, the assignment may be filled by hire, transfer, promotion, or any other method allowed by the Civil Service System. Such assignments may be advertised where appropriate, but will be filled through the sole discretion of the State.
5. The excess of non-posted assignments over posted assignments at each institution shall not exceed two (2) at any time. In no case shall more than seventy percent (70%) of the filled RN assignments (as defined above) be held by employees through successful bids.
6. Each notice shall remain posted as provided for in "POSTING ASSIGNMENTS" for no less than fifteen (15) calendar days. Employees may bid for these assignments using the "BIDDING" process below. All bids must be submitted by 4:00 p.m. on the fifteenth (15th) day of posting.
7. At the end of the fifteen (15) day bid period, the eligible bidded employee with the highest seniority score shall be placed in the assignment. Any assignment that received no bid shall be filled at management's discretion and shall be counted neutral.

D. Posting Assignments

Those assignments, which are determined to be posted, shall be posted in a prominent place where such notices are customarily posted. The posted notice shall be dated and on a form designed for that purpose and shall include the following criteria:

1. Identification posting number

2. Unit (or ward) or other assignment
3. Shift
4. Days off or rotation pattern and cycle
5. Time base

 - a. The original to the location designated on the bid form,
 - b. A copy to the Union designated steward, and
 - c. The bidding employee.

Bid forms shall include the identification posting number, the employee's name, classification, seniority points, current work location, and business telephone number. The form must be dated and signed by the employee.

2. An otherwise eligible employee absent from the work site during the bid process for such reasons, including but not limited to EIDL; SDI; Worker's Compensation; leave of absence; annual military leave; illness, etc., may participate in the bid process. Employees must assume the assignment within sixty (60) days of the posting of the bid results. After sixty (60) days management shall decide whether or not to fill the position. If management fills the position it shall be counted neutral until the next twenty-four (24) month bid cycle.
3. In the event the employee is unable to assume the assignment within the sixty (60) calendar days, the employee may be placed in another assignment at management's discretion.

F. Other Factors

1. Short term absences of not more than sixty (60) calendar days from the employee's assignment, including special assignments, injuries on the job, and acting assignments, will not preclude the employee's return to the assignment after being determined they qualify to resume such duties.

- a. If absence is more than sixty (60) calendar days, the appointing authority may authorize an employee's return to the assignment or same watch/RDO's if the absence was generated by a management decision.
 - b. An employee exceeding the sixty (60) calendar day limit for an absence due to EIDL will be assigned to the same assignment or same watch/RDO for the remainder of the bid period.
 - c. An employee exceeding the sixty (60) calendar day limit for any other reason will at least be assigned commensurate with his/her watch preference.
2. A waiting list will be established with those employees who have been removed from an assignment as a result of a correction to a seniority date or due to management error in assigning the employee.
 3. Employees who laterally transfer after May 1 will be precluded from the bid process until the next open bid period.

G. Deletions and Changes

1. If a bid assignment is deleted due to reduced allocations or other reasons, and there is an employee in the deleted assignment, then the employee may bid on any vacant posted assignment.
2. If because of coverage or other legitimate operational need, it is determined that a bid assignment's posting criteria must be altered, the employee filling that assignment shall be notified of the proposed changes and the reason for such change in writing. If the employee desires to remain in the altered assignment, he/she shall notify management of that desire within five (5) calendar days and shall remain in the assignment. An assignment shall not be considered altered when the training is conducted on a shift other than the employee's regularly scheduled shift and the employee is required to attend.

H. Transfers

Employees holding bid assignments shall not, except in cases of emergency or as otherwise provided for in this section, be involuntarily transferred to another assignment.

I. Denial of Bid

1. Employees who have adverse action taken against them shall lose their right to hold a bid assignment and/or bid on any assignments for a period of up to six (6) months if such assignment or bid is meaningfully related to the cause of action. If the employee is exonerated on appeal, his/her right to bid or hold assignments shall be restored. Employees who are charged with wrongdoing which is also grounds for adverse action may lose their right to bid and/or

hold a bid assignment for a period of up to six (6) months, if such assignment of bid is meaningfully related to the cause of action. A meeting before the Director or designee is required prior to such denial.

2. An employee may be temporarily removed from the bid assignment pending a personnel/EEO investigation, but will be assigned to substantially similar start/stop time and RDO if possible. Once the investigation has been concluded and if the charges have not been substantiated, the employee shall be returned to their bid assignment.
3. Employees who receive yearly evaluations which have two (2) or more categories marked below standard may lose their right to hold and/or bid assignments for up to six (6) months, subject to review in three (3) months. If the evaluation is overturned by a reviewing officer or as a result of a grievance decision, the employee shall have his/her right to bid and hold assignments restored. The reason for denial to bid shall be in writing and given to the employee.
4. Employees losing their right to bid or hold assignment as outlined above may be administratively transferred to the same watch without regard to RDO. Employees who have been absolved of wrongdoing as stated above, shall be accorded one (1) successful bid so long as this bid is exercised within three (3) months of the decision absolving the employee.
5. If for some reason, other than specified previously, it becomes necessary to change an employee who has exercised his/her eligibility for a bid assignment, that employee shall be job changed to a new post possessing similar RDO's on the same watch, if available and if requested by the employee.
6. Management may deny a bid which is submitted by an employee who is on limited duty status if it is determined that the duties of the posted position are in conflict with the work limitation(s) described by his/her physician. Upon request of the employee, a meeting will be held with the Director or designee prior to the final decision regarding the employee's ability to bid.

J. Floating

If it becomes necessary to temporarily float employees to another Unit 17 position in order to provide coverage, each work location (unit and shift) shall establish a rotational system that distributes floating on an equitable basis. The RN Shift Lead shall not be included in floating.

K. Involuntary Removal

Management may remove an employee from a bid position when the employee fails to demonstrate that they have the knowledge and skills required to perform the duties of the position. The employee shall be placed in a position with the

same RDO's and substantially similar start/stop times. The vacated position shall be subject to the interim bid process.

L. Nepotism

1. No bid shall be denied based solely on personal relationships. An employee may lose his/her right to hold and/or bid a position based on the Department's nepotism policy in accordance with the following:
2. If such bid or position creates a nepotism situation, notice must be given to the employee.
3. Assignments not in conformance with this subsection shall be corrected by transfer or other appropriate action within ninety (90) days.
4. Nothing in this subsection shall prohibit the employee and/or the Union from filing a grievance.

M. Disputes

1. Disputes concerning this section shall be grievable to the Director's level of review and shall not be arbitrable;
2. Either party may request a meet and discuss regarding any problem or concern with the Post and Bid procedure. This request will be honored by the non-requesting party in the form of a meeting within thirty (30) days of the request;
3. An employee alleging seniority date errors/disputes and is unable to resolve the problem with verbal communication shall submit his/her complaint to the first formal level of review within the normal time frames specified in the grievance process;
4. Errors in favor of the employee will result in the adjustment of the employee's seniority date. The employee shall then have first preference on the first available bid position; or
5. The employee has the right to go on a waiting list for the next available slot matching the employee's bid for the watch and RDO.

N. Implementation and Applicability

Contractual right to Post and Bid for Shift Preference/RDO's shall remain in effect with no position changes at those affected institutions until Article 20.8.17 is implemented and the yearly bid process begins in April 2008. Implementation of the Post and Bid process at new institutions will begin the first April following activation (receipt of youth).

O. Other Considerations

For the initial process in 2008, it is the intent to make every attempt to begin the process March 1, 2008, but no later than as defined in section B.3.

An employee may not make more than one (1) successful open assignment bid each twelve (12) months except when an employee's bid assignment is substantially modified and the employee elects not to stay in the position or as provided in section "G 1 and 2" or if an employee is granted a bid under the provisions of subsection "I". If these occur, the employee shall have the right to bid again. Exceptions to this limitation may be granted.

B. Twenty-four (24) Month Bid Process

The Union and Management will identify an equitable distribution of the preferred work areas, watches, and RDOs between Management and bid assignments. Upon request, post orders and duty statements will be provided for each of the positions prior to the meet and discuss.

- e. Failure on the part of the employee to submit a request form by 4:00 p.m. on November 1, shall result in a no preference indicated (NPI) for the employee. The employee will then be assigned an assignment at management's discretion. These assignments shall be counted neutral; that is, they shall not be counted in either Management's or Union's positions.
- f. At the end of the bid period, management will make the assignments based on the highest seniority of the bidders. Any assignment that does not receive a bid shall be filled at management's discretion.
- g. The new assignments will begin the second Monday in January first watch.
- h. The time frames will be agreed upon at the local level by the Union and Management.

The vacant assignments that have been determined by management to be filled by bid shall be subject to the terms and conditions of this section.

An assignment shall not be considered altered when the training is conducted on a shift other than the employee's regularly scheduled shift and the employee is required to attend.

H. Transfers

Employees holding bid assignments shall not, except in cases of emergency or as otherwise provided for in this section, be involuntarily transferred to another assignment.

I. Denial of Bid

If the employee is exonerated on appeal, his/her right to bid or hold assignments shall be restored. Employees who are charged with wrongdoing which is also grounds for adverse action may lose their right to bid and/or hold a bid assignment for a period of up to six (6) months, if such assignment of bid is meaningfully related to the cause of action. 4. Employees losing their right to bid or hold assignment as outlined above may be administratively transferred to the same watch without regard to RDO. Employees who have been absolved of wrongdoing as stated above, shall be accorded one (1) successful bid so long as this bid is exercised within three (3) months of the decision absolving the employee.
5. If for some reason, other than specified previously, it becomes necessary to change an employee who has exercised his/her eligibility for a bid assignment, that employee shall be job changed to a new post possessing similar RDO's on the same watch, if available and if requested by the employee.
6. Management may deny a bid which is submitted by an employee who is on limited duty status if it is determined that the duties of the posted position are in conflict with the work limitation(s) described by his/her physician. Upon request of the employee, a meeting will be held with the Director or designee prior to the final decision regarding the employee's ability to bid.

J. Floating

If it becomes necessary to temporarily float employees to another Unit 17 position in order to provide coverage, each work location (unit and shift) shall establish a rotational system that distributes floating on an equitable basis. The RN Shift Lead shall not be included in floating.

K. Involuntary Removal

Management may remove an employee from a bid position when the employee fails to demonstrate that they have the knowledge and skills required to perform the duties of the position. The employee shall be placed in a position with the same RDO's and substantially similar start/stop times. The vacated position shall be subject to the interim bid process.

L. Nepotism

No bid shall be denied based solely on personal relationships. An employee may lose his/her right to hold and/or bid a position based on the Department's nepotism policy in accordance with the following:

1. If such bid or position creates a nepotism situation, notice must be given to the employee.
2. Assignments not in conformance with this subsection shall be corrected by transfer or other appropriate action within ninety (90) days.
3. Nothing in this subsection shall prohibit the employee and/or the Union from filing a grievance.

2. Either party may request a meet and discuss regarding any problem or concern with the Post and Bid procedure. This request will be honored by the non-requesting party in the form of a meeting within thirty (30) days of the request;
3. An employee alleging seniority date errors/disputes and is unable to resolve the problem with verbal communication shall submit his/her complaint to the first formal level of review within the normal time frames specified in the grievance process;
4. Errors in favor of the employee will result in the adjustment of the employee's seniority date. The employee shall then have first preference on the first available bid position; or
5. The employee has the right to go on a waiting list for the next available slot matching the employee's bid for the watch and RDO.

N. Implementation and Applicability

Contractual right to Post and Bid for Shift Preference/RDO's shall remain in effect with no position changes at those affected institutions until Article 20.9.17 is implemented and the yearly bid process begins in October 2002. Implementation of the Post and Bid process at new institutions will begin the first October following activation (receipt of inmates).

The parties recognize, pursuant to the February 14, 2006 Court Order Appointing that Receiver, that the Receiver is empowered to renegotiate this provision, in the event that such action is necessary for the Receiver to fulfill his duties under

the Order. The determination on whether such action is necessary rests solely with the Court pursuant to paragraph D. of the Order.

Post and Bid shall apply to the LVN classification at facilities (1) with fifteen (15) or more LVN positions and (2) which either provide services seven (7) days a week or for which management has established multiple starting times. Only permanent full-time employees are eligible to participate in the post and bid process.

A. Vacant Positions

As management determines that positions become available, or vacant, they shall first be reviewed by the State to determine whether they shall be posted or filled without posting.

If the State determines to fill the position without posting, the position may be filled by hire, transfer, promotion, or any other method allowed by the Civil Service System. Such positions may be advertised where appropriate, but will be filled through the sole discretion of the State. As positions become vacant and determinations are made by the State, the excess of non-posted positions over posted positions shall not exceed two (2) at any facility at any time. In no case shall more than sixty percent (60%) of the filled positions in a facility be held by employees through successful bids.

The post and bid process is designed as a method to advertise and fill current position vacancies with existing employees. The filling of vacancies by either promotion from an eligible list or external lateral transfers is not subject to the post and bid procedure.

B. Posted Positions

Those positions which are determined to be posted shall be posted in a prominent place where such notices are customarily posted on each unit and, in addition, may be advertised in each facilities publication. The posted notice shall be on a form designed for that purpose and shall include the following posting criteria:

1. Identification posting number
2. Level of position
3. Program and unit (or ward) or other assignment
4. Shift
5. Days off or rotation pattern and cycle

6. Time base
7. Deadline for bid submittal
8. Indication of an “incentive bid position”
9. Location where bid is to be submitted

Each notice shall remain posted for no less than seven (7) calendar days.

C. Bidding

Employees may bid on the posted position by filling out a bid form provided by the State. Bid forms shall be submitted in triplicate with the employee submitting the original to the appropriate central office, a copy to the Union, and the employee retaining a copy. Bid forms shall include the identification posting number, the employee’s name, classification, seniority points, current work location and business telephone number. The form must be dated and signed by the employee to indicate certification that the worksite has been visited.

Posted positions shall be available for bid only to those employees in the civil service classification specified on the posted notice.

D. Assignment

Within fifteen (15) calendar days after the posting of notice of vacancy, the position shall be assigned to the eligible bidding employee with the most seniority. However, in emergencies or where severe staffing shortages exist in the employee’s incumbent program, assignment may be delayed up to sixty (60) calendar days after the posting of notice.

If no bids are received, management shall withdraw the bid notice. The withdrawn notice does not count against either party’s ratios or 60/40 position count. These positions may be filled:

1. In accordance with subsection A above, or
2. Hire, promotion, reinstatement, transfer from within the facility or from another State agency.

If that position is filled or committed within sixty (60) days of withdrawal of posting under (2) above, it shall not count in the 50/50 posting ratios.

E. Incentive Bid Position

A vacant position that is posted two (2) consecutive times and remains unbid may be identified as an “incentive position” on the third consecutive posting. In a

program identified as a “designated program” an unbid position may be identified as an incentive position on the second consecutive posting.

An employee who successfully bids an incentive position and remains in the position for one (1) year shall be accorded super-seniority for their next successful bid. When two (2) or more employees with super-seniority bid, the position shall be awarded as follows:

1. Length of super-seniority
2. Seniority
3. By lot

Incentive positions that are not bid upon may be filled through internal transfer from within the hospital without counting in the posting ratios or position counts. Employees who successfully bid an incentive position and are bidding in-place (same unit and shift as the posted position) shall not be eligible to earn the super-seniority. In designated program’s the super-seniority eligibility shall be limited to positions awarded to employees from outside the program only.

The facility shall provide the Union with a weekly listing of “designated programs.”

An employee in an incentive position that is deleted or altered in accordance with subsection E shall retain the eligibility to earn super-seniority if he/she elects to remain in the altered or changed position. Employee absences due to illness or injury shall not be counted after the fourteenth (14th) consecutive calendar day toward the one year qualifying period to earn super-seniority.

F. Deletions and Changes

If a bid position is deleted due to reduced allocations or for other reasons, then the employee in that position may bid on any vacant posted position.

If, because of coverage or other legitimate operational need, it is determined that a bid position’s posting criteria must be altered in any respect, the employee filling that position shall be notified of the proposed changes and the reason for such change in writing. If the employee desires to remain in the altered position, he/she shall notify management of that desire within five (5) calendar days and shall remain in the position. A position shall not be considered to be altered when training is conducted on a shift other than the employee’s regularly scheduled shift and the employee is required to attend.

G. Floating

If it becomes necessary to float employees to provide coverage, each work location (unit and shift) shall establish a rotational system that distributes floating on an equitable basis.

H. Transfers

Employees holding bid positions shall not, except in case of emergency, be involuntarily transferred or moved except as otherwise provided in this section.

I. Denial of Bid

Employees who have adverse actions taken against them shall lose their right to hold a bid position and/or to bid on any positions for a period of up to six (6) months if such position or bid is meaningfully related to the cause of action.

If, on appeal, the employee is exonerated, his/her right to bid and/or hold positions shall be restored. Employees who are charged with wrongdoing, which is also grounds for adverse action, may lose their right to bid and/or hold a bid position for a period of up to six (6) months, if such position or bid is meaningfully related to the cause of action. A hearing before the facility's chief or designee is required prior to such denial.

Employees who receive yearly evaluations which have two (2) or more categories marked below standard may lose their right to hold and/or bid positions for up to six (6) months, subject to review in three (3) months. If the evaluation is overturned by a reviewing officer or as a result of a grievance decision, the employee shall have his/her right to bid and hold positions restored.

Employees losing their right to bid or hold positions as outlined above may be administratively transferred at the discretion of the State. Employees who have been absolved of wrongdoing as stated above, shall be accorded super-seniority for one successful bid so long as this bid is exercised within three (3) months of the decision absolving the employee.

J. Limits on Bid

An employee may not make more than one (1) successful bid each twelve (12) months except that if an employee's bid position is altered and the employee elects not to stay in the position, or if an employee is granted a bid under the provisions in subsection D above, these bids shall not be counted under this subsection. Exceptions to this limitation may be granted. Employees on probationary status shall not be eligible to bid on posted positions.

Management may deny a bid which is submitted by an employee who is on limited duty status if it is determined that the duties of the posted position are in conflict with the work limitation(s) described by his/her physician. Upon request of

the employee, a meeting will be held with the Executive Director or designee prior to the final decision regarding the employee's ability to bid.

K. Nepotism

No bid shall be denied based solely on personal relationships. An employee may lose his/her right to hold and/or bid a position based on the department's nepotism policy in accordance with the following:

3. Assignments not in conformance with this subsection shall be corrected by transfer or other appropriate action within ninety (90) days.
4. Nothing in this subsection shall prohibit the employee and/or the Union from filing a grievance.

L. Meet and Discuss

Either party may request a meet and discuss regarding any problem or concern with the Post and Bid procedure. This request will be honored by the non-requesting party in the form of a meeting within thirty (30) days of the request.

M. At each facility, management shall designate an official who shall be responsible for the administration of the Post and Bid provision. Upon request, the Post and Bid administrator shall meet periodically with SEIU Local 1000 representatives for the purpose of reviewing compliance with the Post and Bid provision.

N. For purposes of this Agreement, seniority is defined as one (1) point for each qualifying month of full-time State service.

20.12.20 Post and Bid Procedure for Vacant LVN Positions, CDCR (Unit 20)

I. Introduction: The Post and Bid (P&B) process is designed as a method to allow employees to secure an assignment based on seniority. Contained in this section are the provisions for the "24 Month P&B Process" which allows employees to bid twenty four (24) month assignments and the "Interim Vacancy Bidding Process" which addresses vacancies that occur while the twenty four (24) month assignments are in effect.

- A. The Chief Nurse Executive (CNE) or their designee shall have responsibility for implementation and maintenance of this procedure at each facility and shall ensure compliance.
 - B. The work “assignment” as used in this section is synonymous with that of “position.”
 - C. Participation in the P&B process is limited to eligible employees. An eligible employee:
 - i. Must be a permanent full-time licensed vocation nurse (LVN): probationary employees are excluded.
 - ii. Must be permanently assigned to and work at the institution. Eligible employees may participate only in their institution’s P&B process. There shall be no inter-institution bidding on assignments.
 - D. Excluded Assignments: Specialty areas shall be excluded from the P&B process. Such areas shall be dialysis, PACU, ICU, utilization management, and surgical assignments. Those LVN qualifying posts which are considered specialty areas shall be counted as neutral assignments, that is, they shall not be counted in either Management’s or Union’s positions.
 - E. Special Qualifications: Employees bidding on assignments which require specialized training shall meet the skills, knowledge, and abilities prior to the bid being placed. These special qualifications shall be defined in the bid notice.
 - F. Seniority: Defined as one (1) point for each qualifying month of full-time Departmental Unit 20 service, with ties broken by one point for each qualifying month of full-time State service. If a further tie exists, then ties will be broken by “lottery” thereafter.
 - G. Limits on Bid: An employee may not make more than one (1) successful open assignment bid each twelve (12) months except when an employee’s bid assignment is substantially modified and the employee elects not to stay in the position or as provided in section “VII” subsections “A” and “B” or if an employee is granted a bid under the provisions of section “IX.” If these occur, the employee shall have the right to bid again. Exceptions to this limitation may be granted.
- II. Twenty-four (24) Month Bid Process
- A. There shall be seventy percent (70%) of the LVN qualifying post assignments (excluding specialty areas in the California Department of Corrections and Rehabilitation (CDCR) allotted according to seniority at each facility that provides healthcare).

- B. The specific posts that comprise the seventy percent (70%) and the thirty percent (30%) will be established through a meet and discuss. The Union and Management will identify an equitable distribution of the preferred work areas, watches, and RDOs between Management and bid assignments. Upon request, post orders and duty statements will be provided for each of the positions prior to the meet and discuss.
- C. Participation in the twenty-four (24) month P&B process is voluntary. The choice not to participate shall result in management assigning the individual to an assignment that remains unfilled after this bid process is completed.
- D. Timeframes:
- i. The twenty-four (24) bid cycle begins in the month of October for those employees who wish to participate. An updated seniority roster and a listing of all available assignments open for bid shall be posted no later than October 1st every other year.
 - ii. Unless otherwise contested by October 15, an employee's seniority as posted on October 1, shall determine the employee's placement on the seniority list.
 - iii. All approved bid request forms must be completed and submitted, in accordance with the BIDDING provision below, no later than 4 p.m. on November 1, or 4 p.m. on the following Monday if the date falls on the weekend. An employee may write more than one bid preference on the bidding for in priority order.
 - iv. An employee may voluntarily withdraw from participation in the twenty-four (24) month Bid Process by submitting a written request to his/her supervisor. Employees who withdraw will be assigned at management's discretion. These assignments shall be counted neutral; that is, they shall not be counted in either Management's or Union's positions.
 - v. Failure on the part of the employee to submit a request form by 4 p.m. on November 1, shall result in a no preference indicated (NPI) for the employee. The employee will then be assigned an assignment at management's discretion. These assignments shall be counted neutral; that is, they shall not be counted in either Management's or Union's positions.
 - vi. At the end of the bid period, management will make the assignments based on the highest seniority of the bidders. Any assignment that does not receive a bid shall be filled at management's discretion.
 - vii. The new assignments will begin the second Monday in January first watch.
 - viii. The time frames will be agreed upon at the local level by the Union and Management.

III. Interim Vacancy Bidding Process

- A. The interim bidding process is designed as a method to provide current employees the opportunity to move to vacant assignments, if Management determines to fill the positions, created while the twenty-four (24) month assignments are in place, using seniority as the deciding factor on who will secure an assignment that is available by bid. The vacant assignments, that have been determined by Management to be filled by bid shall be subject to the terms and conditions of this section.
 - B. As LVN assignments become available, they shall first be reviewed by the State to determine whether they will be filled, posted for bid, or filled without posting.
 - C. The filling of vacancies by either promotions from eligible list or external lateral transfers is not subject to P&B.
 - D. If the State determines to fill the assignment without posting, the assignment may be filled by hire, transfer, promotion, or any other method allowed by the Civil Service system. Such assignments may be advertised where appropriate, but will be filled through the sole discretion of the State.
 - E. Interim bids shall be conducted so that the percentages specified in this section are maintained throughout the twenty-four (24) month cycle. 20.15.20 Post and Bid Procedure for CNA Positions, CDCR (CDCR, CCHCS, DJJ) (Unit 20)

- I. Introduction: The Post and Bid (P&B) process is designed as a method to allow employees to secure an assignment based on seniority in institutions that have 20 or more full-time permanent employees. Contained in this section are the provisions for the "24 Month P&B Process" which allows employees to bid twenty four (24) month assignments and the "Interim Vacancy Bidding Process" which addresses vacancies that occur while the twenty four (24) month assignments are in effect.
 - A. The Chief Nurse Executive (CNE) or their designee shall have responsibility for implementation and maintenance of this procedure at each facility and shall ensure compliance.
 - B. The work "assignment" as used in this section is synonymous with that of "position."
 - C. Participation in the P&B process is limited to eligible employees. An eligible employee:
 - i. Must be a permanent full-time Certified Nursing Assistant (CNA): probationary employees are excluded.
 - ii. Must be permanently assigned to and work at the institution. Eligible employees may participate only in their institution's P&B process. There shall be no inter-institution bidding on assignments.
 - D. Special Qualifications: Employees bidding on assignments which require specialized training shall meet the skills, knowledge, and abilities prior to the bid being placed. These special qualifications shall be defined in the bid notice.
 - E. Seniority: Defined as one point for each qualifying month of full-time Departmental Unit 20 service, with ties broken by one point for each qualifying month of full-time State service. If a further tie exists, then ties will be broken by "lottery" thereafter.
 - F. Limits on Bid: An employee may not make more than one successful open assignment bid each twelve (12) months except when an employee's bid assignment is substantially modified and the employee elects not to stay in the position or as provided in section "VII" subsections "A" and "B" or if an employee

is granted a bid under the provisions of section "IX." If these occur, the employee shall have the right to bid again. Exceptions to this limitation may be granted.

II. Twenty-four (24) Month Bid Process

- A. There shall be sixty percent (60%) of the CNA qualifying post assignments at each facility that provides healthcare.
- B. The specific posts that comprise the sixty percent (60%) and the forty percent (40%) will be established through a meet and discuss. The Union and Management will identify an equitable distribution of the preferred work areas, watches, and RDOs between Management and bid assignments. Upon request, post orders and/or duty statements will be provided for each of the positions prior to the meet and discuss.
- C. Participation in the twenty-four (24) month P&B process is voluntary. The choice not to participate shall result in management assigning the individual to an assignment that remains unfilled after this bid process is completed.
- D. Timeframes:
 - i. The twenty-four (24) bid cycle begins in the month of October for those employees who wish to participate. An updated seniority roster and a listing of all available assignments open for bid shall be posted no later than October 1st every other year.
 - ii. Unless otherwise contested by October 15, an employee's seniority as posted on October 1, shall determine the employee's placement on the seniority list.
 - iii. All approved bid request forms must be completed and submitted, in accordance with the BIDDING provision below, no later than 4 p.m. on November 1, or 4 p.m. on the following Monday if the date falls on the weekend. An employee may write more than one bid preference on the bidding form in priority order.
 - iv. An employee may voluntarily withdraw from participation in the twenty-four (24) month Bid Process by submitting a written request to his/her supervisor. Employees who withdraw will be assigned at management's discretion. These assignments shall be counted neutral; that is, they shall not be counted in either Management's or Union's positions.
 - v. Failure on the part of the employee to submit a request form by 4 p.m. on November 1, shall result in a no preference indicated (NPI) for the employee. The employee will then be assigned an assignment at management's discretion. These assignments shall be counted neutral; that is, they shall not be counted in either Management's or Union's positions.

- vi. At the end of the bid period, management will make the assignments based on the highest seniority of the bidders. Any assignment that does not receive a bid shall be filled at management's discretion.
- vii. The new assignments will begin the second Monday in January first watch.
- viii. The time frames will be agreed upon at the local level by the Union and Management.

III. Interim Vacancy Bidding Process

- A. The interim bidding process is designed as a method to provide current employees the opportunity to move to vacant assignments, if Management determines to fill the positions, created while the twenty-four (24) month assignments are in place, using seniority as the deciding factor on who will secure an assignment that is available by bid. The vacant assignments, that have been determined by Management to be filled by bid shall be subject to the terms and conditions of this section.
- B. As CNA assignments become available, they shall first be reviewed by the State to determine whether they will be filled, posted for bid, or filled without posting.
- C. The filling of vacancies by either promotions from eligible list or external lateral transfers is not subject to P&B.
- D. If the State determines to fill the assignment without posting, the assignment may be filled by hire, transfer, promotion, or any other method allowed by the Civil Service system. Such assignments may be advertised where appropriate, but will be filled through the sole discretion of the State.
- E. Interim bids shall be conducted so that the percentages specified in this section are maintained throughout the 24 month cycle. Upon request, SEIU shall be provided updated information regarding the post and bid split in order to ensure maintenance of the ratio as described above.
- F. The excess of non-posted assignments over posted assignments at each institution shall not exceed two (2) at any time.
- G. Each notice shall remain posted as provided for in "POSTING ASSIGNMENTS" for no less than fifteen (15) calendar days. Employees may bid for these assignments using the "BIDDING" process below. All bids must be submitted by 4 p.m. on the fifteenth (15th) day of posting.
- H. At the end of the fifteen (15) day bid period, the eligible bidded employee with the highest seniority score shall be placed in the assignment. Any assignment that received no bid shall be filled at management's discretion and shall be counted neutral.

Employees must assume the assignment within sixty (60) days of the posting of the bid results. After sixty (60) days management shall decide whether or not to fill the position. If management fills the position it shall be counted neutral until the next twenty-four (24) month bid cycle.
 - D. In the event the employee is unable to assume the assignment within the sixty (60) calendar days, the employee may be placed in another assignment at management's discretion.

VI. Other Factors

- A. Short term absences of not more than sixty (60) calendar days from the employee's assignment, including special assignments, injuries on the job, and acting assignments, will not preclude the employee's return to the assignment after being determined they qualify to resume each duties.
 - i. If absence is more than sixty (60) calendar days, the appointing authority may authorize an employee's return to the assignment or same watch/regular day off (RDO) if the absence was generated by a management decision.
 - ii. An employee exceeding the sixty (60) calendar day limit for an absence due to EIDL will be assigned to the same assignment or same watch/RDO for the remainder of the bid period.
 - iii. An employee exceeding the sixty (60) calendar day limit for any other reason will at least be assigned commensurate with his/her watch preference.

If because of coverage or other legitimate operational need, it is determined that a bid assignment's posting criteria must be altered, the employee filling that assignment shall be notified of the proposed changes and the reason for such change in writing. If the employee desires to remain in the altered assignment, he/she shall notify management of the desire within five (5) calendar days and shall remain in the assignment. An assignment shall not be considered altered when the training is conducted on a shift other than the employee's regularly scheduled shift and the employee is required to attend.

VIII. Transfers: Employees holding bid assignments shall not, except in cases of emergency or as otherwise provided for in this section be involuntarily transferred to another assignment.

IX. Denial of Bid

- A. Employees who have adverse action taken against them shall lose their right to hold a bid assignment and/or bid on any assignments for a period of up to six (6) months if such assignment or bid is meaningfully related to the cause of action. If the employee is exonerated on appeal, his/her right to bid or hold assignments shall be restored. Employees who are charged with wrongdoing which is also grounds for adverse action may lose their right to bid and/or hold a bid assignment for a period of up to six (6) months, if such assignment of bid is meaningfully related to the cause of action. A meeting before the Director or designee is required prior to such denial.
 - B. An employee may be temporarily removed from the bid assignment pending a personnel/EEO investigation, but will be assigned to substantially similar start/stop time and RDO if possible. Once the investigation has been concluded and if the charges have not been substantiated, the employee shall be returned to their bid assignment.
 - C. Employees who receive yearly evaluations which have two (2) or more categories marked below standard may lose their right to hold and/or bid assignments for up to six (6) months, subject to review in three (3) months. If the evaluation is overturned by a reviewing officer or as a result of a grievance decision, the employee shall have his/her right to bid and hold assignments restored. The reason for denial to bid shall be in writing and given to the employee.
 - D. Employees losing their right to bid or hold assignments as outlined above may be administratively transferred to the same watch without regard to RDO. Employees who have been absolved of wrongdoing as stated above, shall be accorded one successful bid so long as the bid is exercised within three (3) months of the decision absolving the employee.
 - E. If for some reason, other than specified previously, it becomes necessary to change an employee who has exercised his/her eligibility for a bid assignment, that employee shall be job changed to a new post possessing similar RDO's on the same watch, if available and if requested by the employee.
 - F. Management may deny a bid which is submitted by an employee who is on limited duty status if it is determined that the duties of the posted position are in conflict with the work limitation(s) described by his/her physician. Upon request of the employee, a meeting will be held with the Director or designee prior to the final decision regarding the employee's ability to bid.
- X. Floating: If it becomes necessary to temporarily float employees to another Unit 20 position in order to provide coverage, each work location (unit and shift) shall establish a rotational system that distributes floating on an equitable basis.

- XI. Involuntary Removal: Management may remove an employee from a bid position when the employee fails to demonstrate that they have the knowledge and skills required to perform the duties of the position. The employee shall be placed in a position with the same RDO's and substantially similar start/stop times. The vacated position shall be subject to the interim bid process.
- XII. Nepotism: No bid shall be denied based solely on personal relationships. An employee may lose his/her right to hold and/or bid a position based on the Department's nepotism policy in accordance with the following:

- C. An employee alleging seniority date errors/disputes and is unable to resolve the problem with verbal communication shall submit his/her complaint to the first formal level of review within the normal time frames specified in the grievance process.
- D. Errors in favor of the employee will result in the adjustment of the employee's seniority date. The employee shall then have first preference on the first available bid position; or
- E. The employee has the right to go on a waiting list for the next available slot matching the employee's bid for the watch and RDO.

This Post and Bid process shall be implemented with the next CDCR-CCHCS 24 month bid cycle 2017.

20.16.20 Post and Bid Procedure for Dental Assistant Positions, CDCR (Unit 20)

E. Limits on Bid:

An employee may not make more than one successful open assignment bid each twelve (12) months except when an employee's bid assignment is substantially modified and the employee elects not to stay in the position or as provided in section "VII" subsections "A" and "B" or if an employee is granted a bid under the provisions of Section "IX." If these occur, the employee shall have the right to bid again. Exceptions to this limitation may be granted.

II. Annual Bid Process

- A. There shall be ninety percent (90%) of all of the DA qualifying positions allotted according to seniority at each California Department of Corrections and Rehabilitation (CDCR) facility that provides dental care.
- B. The specific posts that comprise the ninety percent (90%) will be established through a meet and discuss. The Union and State will identify an equitable distribution of the preferred work areas, watches, and Regular Days Off (RDOs) between management and bid assignments. Upon request, post orders and duty statements will be provided for each of the positions prior to the meet and discuss.
- C. Participation in the Annual P&B process is voluntary. The choice not to participate shall result in management assigning the individual to an assignment that remains unfilled after this bid process is completed. The awarding of the ninety percent (90%) P&B assignments will be based on seniority. For example, the most senior DA bidding for a P&B assignment will be awarded his/her first choice. This awarding of P&B assignments will continue in order of seniority until the P&B process is completed, with all the ninety (90%) assignments being awarded or the bids submitted have been exhausted.
- D. Timeframes:
 - i. The annual bid cycle begins in the month of April for those employees who wish to participate. An updated seniority roster and a listing of all available assignments open for bid shall be posted no later than April 1st every year.

 - v. Failure on the part of the employee to submit a request form by 4 p.m. on May 1, shall result in a no preference indicated (NPI) for the employee. The employee will then be assigned an assignment at management's discretion. These assignments shall be counted neutral; that is, they shall not be counted in either State's or Union's positions.

- vi. At the end of the bid period, management will make the assignments based on the highest seniority of the bidders. Any assignment that does not receive a bid shall be filled at management's discretion.
- vii. The new assignments will begin the first Monday in July on the first watch.
- viii. The time frames will be agreed upon at the local level by the Union and Management.

III. Interim Vacancy Bidding Process

- A. The interim bidding process is designed as a method to provide current employees the opportunity to move to vacant assignments, if the State determines to fill the vacant position, created while the annual assignments are in place, using seniority as the deciding factor on who will secure an assignment that is available by bid. The vacant assignments that have been determined by the State to be filled by bid shall be subject to the terms and conditions of this section.
 - B. As DA assignments become available, they shall first be reviewed by the State to determine whether they will be filled, posted for bid, or filled without posting.

 - D. If the State determines to fill the assignment without posting, the assignment may be filled by hire, transfer, promotion, or any other method allowed by the Civil Service system. Such assignments may be advertised where appropriate, but will be filled through the sole discretion of the State.
 - E. Interim bids shall be conducted so that the percentages specified in this section are maintained throughout the twelve (12) month cycle. Upon request, the Union shall be provided updated information regarding the post and bid split in order to ensure maintenance of the ratio as described above.

The State and the Union agree that hiring retired annuitants may be necessary to perform mission critical work. Mission critical is defined as a disruption in normal business, which may result in the failure of a business operation. Retired Annuitants shall not displace SEIU represented employees.

This Article will be subject up to step three of the formal grievance process and will not be arbitrable.

Side Letter #4 – Access Agreement

Date: March 5, 2007

To: State of California Department Heads, Labor Relations Officers, SEIU Local 1000 Stewards, Area Coordinators and Labor Representatives.

Subject: Side Letter Regarding Access

Over the last two (2) years, the State of California and SEIU Local 1000 have struggled to find a balance between the State's operational needs and the Union's need to access the employees it represents at their worksites. This challenge has resulted in a number

of serious confrontations, including arrests, as well as legal conflicts in various forums that continue to this day.

In the interest of harmonious Labor Relations, the parties agreed in June of 2006 to work with a neutral mediator and make a good faith effort to resolve the issue. The enclosed document is the result of those sessions between CalHR and SEIU Local 1000.

As with all agreements, both sides had to compromise. This Agreement, however, is intended to provide a proactive framework for facilitating Union access and addressing disputes before they escalate.

In that spirit, the State and the Union are fully committed to the following principles:

- Department/Union cooperation in seeking solutions to access issues
- Swift resolution of disagreements when they occur
- An ongoing understanding of, and respect for, each others' particular operational needs

We now look to you to implement this Agreement in the spirit in which it was negotiated. There will be joint training provided on the Agreement at a date still to be determined.

Attachment

This document is developed for the purpose of implementing the collective bargaining agreement. Department personnel and Union representatives are encouraged to discuss/resolve access problems if they arise.

The Union shall provide advance notice of its intent to visit worksites. Departments shall notify the Union of the appropriate person to receive notice. Providing notice shall not be interpreted as requesting permission. However, where worksites with legitimate issues of safety, security or patient care exist, reasonable accommodations for access and/or distribution of information shall be provided. Departments shall discuss such accommodations with the Union.

The Union has the right to distribute information where represented employees work. The Union will not block entrances. Distribution of information inside worksites shall not cause disruption of work.

Where escorts are necessary for reasons of safety, security or patient care, including patient privacy, typically, such escorts shall be Local 1000 bargaining unit members and such escorts shall not interfere with discussions between the Union and its members.

When problems/issues regarding union access to members' worksites occur, and cannot be resolved at the department level, the following persons should be contacted:

Pam Manwiller, Deputy Director CalHR (916) 323-7995

York Chang, Chief Counsel SEIU Local 1000 (323) 525-2984

In the event that agreement cannot be reached between CalHR and SEIU Local 1000 contact persons, the dispute may be submitted directly to arbitration pursuant to Step 4 of the grievance procedure. The parties shall exchange written statements regarding the issue and the response within one week of failure to agree.

Side Letter #5 – Student Assistants

The State and the Union agree that hiring student assistants may be necessary to give students the opportunity to gain experience in their field of study and give the State the ability to attract high quality candidates for possible hire. Student assistants shall not displace SEIU represented employees.

This Article will be subject up to step three of the formal grievance process and will not be arbitrable.

Side Letter #14 - PLP 2012

In support of Article 8.32 of this Memorandum of Understanding, the State and the Union agree to continue paragraphs 3.1, 4, 6, 7, 8, 9, 12, 14, and the Dispute Resolution Process of the attached Side Letter through the duration of the Agreement. All other provisions of the Side Letter shall be of historical significance only. If the MOU conflicts with any of the above cited paragraphs of the Side Letter, the MOU shall control.

Side Letter #15

The parties recognize that during the term of this Agreement Departments/Agencies names may change and may be modified in this Agreement accordingly.

Side Letter #17 - Employee Work Locations

Once a year, the Union may request a department to provide information regarding the physical location (e.g., division, floor, yard, building, cubicle, etc.) of SEIU 1000 represented employees at any worksite. When possible this information shall be provided electronically.

Departments are not requested to create the information requested. The department will provide information if it already exists or is currently maintained.

This provision is not subject to the grievance and arbitration procedure of this contract.

Side Letter #18 - Contract Completion

If any existing contract language was not rolled over, the parties will meet and rollover the language.

**Teacher Salary Schedule
State Special Schools
California Department of Education**

Basic Requirements

Effective 7/1/17

1. Persons employed as academic teachers must possess a minimum of a Bachelor's Degree and a valid credential authorizing service for the position in which employed.
2. Persons employed as vocational teachers must have a Bachelor's Degree or equivalent and a valid credential authorizing service for the position in which employed. The combination of college work and in-trade work experience totaling seven years will be accepted as equivalent to the Bachelor's Degree.
3. A Bachelor's Degree may be either a Bachelor of Arts or a Bachelor of Science. Credentials must be approved by the California Commission on Teacher Credentialing.
4. Unit credits are counted on a semester basis. Quarter units are converted to a semester equivalent on the basis of 1 quarter unit equals 2/3 of a semester unit.
5. When comparing a candidate's current salary to the salary offered at the State Special School, all relevant salary amounts, including pay differentials, shall be used to determine the Special School salary.

Placement Factors

1. Credentials/Advanced Degrees

- 1.1 Teachers employed with a valid credential and a BA may be placed in Steps 1-6, as determined by credit for previous experience.
- 1.2 Teachers employed with a valid credential and who have earned at least 30 semester units beyond the BA (or Master's degree (MA)) may be placed in Steps 2-7, as determined by credit for previous experience.
- 1.3 Teachers employed with a valid credential and who have earned at least 45 semester units beyond the BA (or MA plus 15) may be placed in Steps 3-8, as determined by credit for previous experience.
- 1.4 Teachers employed with a valid credential and who have earned a Ph.D. or Ed.D. may be placed in Steps 4-9, as determined by credit for previous experience.

2. Experience

- 2.1 One step of experience credit may be allowed for each year of full-time teaching with the type of student being served in the State Special School, up to a total of five steps. Prior experience allowed for credit must have been performed within ten years prior to the hire to the Special School.

- 2.2 One step of experience credit may be allowed for each two years of full-time teaching in regular classes or with other types of students than those being served in the Special School, up to a total of five steps.
- 2.3 Vocational teachers may be allowed one step of credit for each two years of trade experience.

3. Merit Advancement

- 3.1 Except as limited below, teachers may be advanced one step on the salary schedule for each year of successful teaching in the Special School. Movement to a higher step may be effective on the first of the monthly pay period next following completion of a year's satisfactory service. Merit advancements are not allowed beyond the levels indicated below unless the required additional training has been completed.
- 3.2 Teachers advancing from Step 6 to Step 7 must have earned at least 30 semester units (or MA) beyond the BA degree.
- 3.3 Teachers advancing from Step 8 to Step 9 must have earned 45 semester units (or MA + 15) beyond the BA degree.

4. Training Credit

- 4.1 Approved workshop credit may be allowed in lieu of semester units. 15 workshop credit hours may be allowed for each semester unit.
- 4.2 Vocational teachers may substitute approved in-trade work experience in lieu of semester units. Two weeks in-trade work experience may be allowed for each semester unit.

5. Existing Salary Credit

- 5.1 When the selected candidate demonstrates that his/her salary exceeds that allowable based on credentials, degrees, and experience, the Site Superintendent may offer placement on a higher step that falls within 5% of the salary earned by the candidate. However, once appointed the candidate may receive annual merit advances only if he/she meets the criteria for advancing into the higher steps (i.e., possesses the advanced degrees and education).

**Teacher Specialists Salary Schedule
State Special Schools and Diagnostic Centers
California Department of Education**

Initial Placement of Teacher Specialists

There are no predetermined intermediate salary steps to place a candidate from outside the State civil service into the Teacher Specialists salary range. The salary range will be between the minimum and maximum rates, based on the verifiable current salary the person is earning, any competing job offers, and any other income the person will forfeit by accepting the Teacher Specialist job.

Salary placement of candidates already employed by the State in a civil service or State exempt classification is calculated by determining the comparable daily rate, the new annual work days, and the 5% salary increase, if applicable. An example of the 5% salary increase not being applicable is someone from a class with the salary range higher than that of the Teacher Specialist moving into the Teacher Specialist class.

Movement of Teacher Specialists through the Salary Range

Upon successful completion of twelve months of service, a Teacher Specialist receives a 5% Merit Salary Adjustment (MSA) until the maximum salary rate is reached.

APPENDIX H

Side Letter 6.11 - Fish Habitat Assistant

- A. Pursuant to side letter 6.11 of the preceding MOU, CalHR conducted a classification study for the establishment of a Fish and Wildlife Specialist (Lead) classification.

Upon completion of the study, CalHR, on May 29, 2012, approved the exceptional allocation request from the Department of Fish and Wildlife to employ the classification of Fish Habitat Assistant at the department's fish hatcheries. Pursuant to that approval, the department has been authorized to test and recruit in that regard.

- B. Within 180 days of ratification of this Agreement, the State and the Union shall meet to review the exceptional allocation and to determine if an alternative long term solution should be pursued. In the event that specification modifications are recommended for a current Bargaining Unit 11 classification or a new Bargaining Unit 11 classification is proposed, the Union shall be notified in accordance with section 14.1 of this Agreement.

Side Letter 16.11

Any provisions of the Contract that are not addressed through these negotiations will be rolled over and incorporated into the MOU.

Determine MSA/SISA

Current Salary x 1.05 (5%) = New Salary

(Checkpoint: Is this new Salary within the salary Range? If not, you may have to adjust the new salary lower to meet the max or higher to meet the minimum.)

Determine Transferability Using Last A01 Appointment:

$$\frac{\text{_____}}{\text{(From Max)}} \times 1.05 \text{ Times 5\%} = \frac{\text{_____}}{\text{Equals one step}} \times 1.05 \text{ (times 5\% again)} - \$1 \text{ (subtract \$1)} = \frac{\text{_____}}{\text{(New max may be no more than this amount.)}}$$

Determine Salary Differential: Salary differential = Regulation to use

To Maximum + 0.0% to + 5.0% = 599.674 (a)

From Maximum + 5.1% to + 9.9% = 599.674 (b)

= Difference - 0.1% to - 9.9% = 599.674 (c)

/ Lower Maximum -10% or more lower = 599.675

% (range difference) + 10% or more higher = 599.676

You may also have the college or University send a sealed transcript directly to the Human Resources Department. Only courses on the attached list qualify toward the fifteen (15) semester units for this differential. However, the State may add courses to the qualifying list at its' discretion. Only courses completed within the previous five years shall qualify towards the educational differential.

The application will then be reviewed and approved/disapproved by the Program Director and then by the Coordinator of CNS and the PNED. The educational differential (E.D.) will become effective with the first pay period following approval. It (E.D.) is not considered "compensation" for retirement purposes, however, it is considered when calculating overtime compensation.

Appendix 2.17 – FLSA Exempt Employee Differential (Unit 17)

FLSA EXEMPT EMPLOYEE DIFFERENTIAL FOR EXTREMELY ARDUOUS WORK AND EMERGENCIES

Effective: 9/1/93

Revised: 7/1/99

CRITERIA

At the discretion of the appointing authority, excluded employees who are exempt from the Federal Fair Labor Standards Act (FLSA) shall be eligible to receive the differential when performing arduous work that exceeds the normal demands of State service employment. Excluded employees are eligible for this pay differential for up to four (4) months per fiscal year (or per event for emergencies involving loss of life or property). **All of the following conditions must be met in order to apply this pay differential:**

Appropriate Duties

The duties and responsibilities may not include work that is covered by the provisions of FLSA.

Non-negotiable Deadline or Extreme Urgency

The work must have a deadline or completion date that cannot be controlled by the employee or his/her supervisor, or must constitute an extreme urgency. The deadline or extreme urgency must impose upon the employee an immediate and urgent demand for his/her work that cannot be avoided or mitigated by planning, rescheduling, postponement or rearrangement of work, or modification of deadline. For example, preparing and presenting to the Governor's Office, Legislature, or Legislative Committees fiscal/line item analysis and budgetary information concerning the State Budget or departmental and line program budgets by a specific date, or testifying before the Legislature or Legislative Committees at their request, or responding to a declared emergency situation.

Work Exceeds Normal Work Hours and Normal Productivity

The work must be extraordinarily demanding and time consuming, and of a nature that it significantly exceeds the normal workweek and work productivity expectations of the employee's work assignment. Employees who are excluded from FLSA are expected to work variable work schedules as necessary to meet the demands of the job. They may regularly be required to work more than forty (40) hours per week to complete their work. This pay differential is not intended for employees who regularly or occasionally work in excess of the normal workweek to meet normal workload demands. It is intended where in addition to working a significant number of hours in excess of the normal workweek, there is a demand for and achievement of greater productivity or result.

Work is Unavoidable

The work must be of a nature that it cannot be postponed, redistributed, modified, reassigned or otherwise changed in any way to provide relief.

Work Involves Extremely Heavy Workload

The work is of a nature that it cannot be organized or planned to enable time off in exchange for the extra hours worked. The absence from work would cause difficulty or hardship on others and would result in other critical work not being completed. Occasional heavy workload of less than twelve (12) to fourteen (14) days in duration would not normally satisfy this requirement because time off can be arranged as compensation for this demand. For example, in an emergency involving extreme health, safety and/or cost consequence, an employee may be required to work evenings and weekends for several weeks, averaging more hours of work than can be scheduled/arranged for time off.

No Other Compensation

The employee who is receiving this pay differential is not eligible for any other additional compensation for the type and nature of the above described work.

The Circumstances That Support This Pay Differential Must Be Documented

Departments must maintain records of the employees and amounts paid in each pay period, and a brief description of the circumstances for which the differential was provided. Departments are delegated responsibility for the review and approval of payment. Their review should occur after the work is completed to ensure that all of the conditions that warrant the pay differential were present. Application of the pay differential provisions is subject to audit or review by the California Department of Human Resources as necessary.

Rate

Three hundred dollars (\$300) per workweek, up to one thousand two hundred dollars (\$1,200) total per pay period. Any workweek that overlaps months should be counted in the month that the workweek ends.

An employee may be paid: period \$ 300

\$600

\$900 or

\$1200 per pay
