## Accessories

### Headrest

This headrest comes standard with a comfort headrest pad, and an additional horizontal bracket to enable fitting the Otto Bock X-style headrest bracket which is sold separately.

The headrest is included on the 46cm Tilt In Space model and can be easily retrofitted to all other commode models.

411L100=SK025 Headrest

430C3=1-7  
X-Shaped Headrest

### Comfort Backrest

This new backrest is able to be retrofitted to any Otto Bock commode, and features a backrest which is impervious to moisture, will not sag and provides additional postural support.

411D100=SV037 Comfort Backrest Belt 41cm

411D100=SV038 Comfort Backrest Belt 46cm

411D100=SV039 Comfort Backrest Belt 53cm

411D100=SV040 Comfort Backrest Belt 60cm

### Self Propelling Conversion Kit

The Self Propelling Conversion Kit includes rear wheels, anti tippers and brakes. The wheels are 22" in diameter and feature a quick release axle for easier removal and conversion.

It can be fitted in all commode models, with the exception of the Economy model (410B100=12000) and the 60cm Platform model (410B100=55000).

It is also possible to convert a self propelling commode back to an attendant propelled version, with the addition of 4 locking casters.
