Talk 2

The ideal way to improve your language skills

Talk 2 is a series of post-beginners courses offering direct progression from the popular **Talk** course or any other beginner's course. It offers learners an improved understanding of the language, the ability to take part in simple yet increasingly mature conversations and the skills to understand longer and more complex passages of both spoken and written language. Designed along the same clear, straightforward and structured lines as **Talk**, this course is suitable for any learner who has already studied at a beginner level and wants to take their studies further.

The box set contains **Talk** and **Talk 2**, presented in a neat slip case.
