

BBHHS ORCHESTRA PRESENTS
HALLOWEEN SPOOKTACULAR

An evening for some Ghoulish Games, Freaky Fun, Frightening Food, and Magical Music!

October 16th 2012 at 7:00 PM
BBHHS Auditorium

Steve Cocchiola, Director
Joseph Mueller, Principal

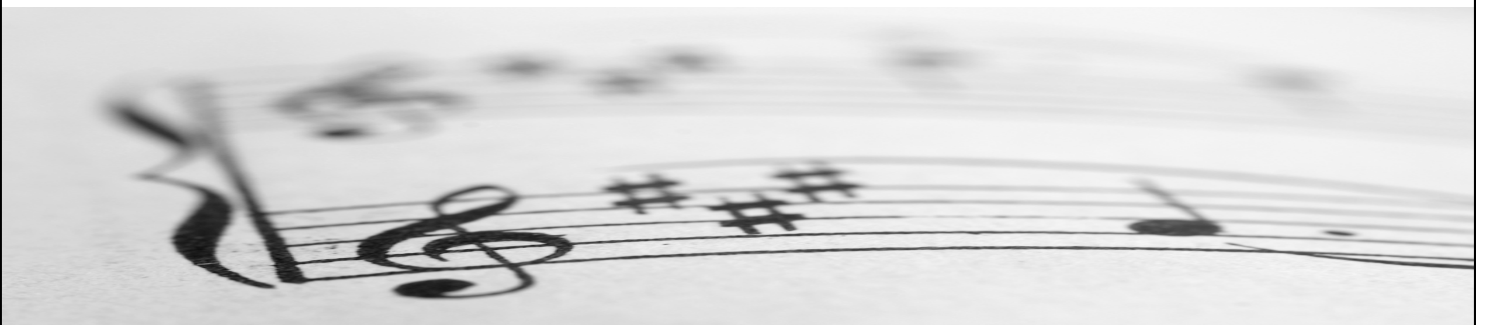

A few notes about our BBHHS Orchestras, which are open to freshman, sophomore, junior and senior students who play a stringed instrument:

CONCERT: Concert Orchestra is designed to train the beginning to intermediate string players in proper performance and rehearsal techniques and to nurture their potential through the rehearsal and performance of quality string orchestra literature appropriate to their level of development. It is also designed to prepare the musicians for performance at a more advanced level. Many middle school players enter this program during their freshman year at BBHHS.

STRING: String Orchestra is designed to develop the potential of the instrumental musicians through rehearsal and performance of quality string and symphony orchestra literature appropriate to the level of that development. It is also designed to prepare the musicians for performance at their highest level. Students who enter the program must be able to read music. This ensemble will perform at the Ohio Music Educators Association (OMEA) Large Group Adjudication in February.

CHAMBER: Chamber Orchestra is a selected string ensemble that deals with advanced string instrument techniques. This ensemble is designed to develop the potential of the instrumental musicians through rehearsal and performance of quality chamber orchestra literature appropriate to that level of development. Students must audition with the directors in order to be accepted into the program, and are strongly encouraged to study with a private teacher as well. This ensemble will perform at the OMEA Large Group Adjudication in February.

SYMPHONIC: Symphonic Orchestra is an extra – curricular group of high school students who practice after school during special sessions for several weeks before scheduled school performances. Members include all Chamber Orchestra students and interested String Orchestra students, along with various wind and percussion students.

SPOOKTACULAR VII

Thank You for your generous support. You do so much for us through sponsorships, poinsettia sales, flower sales, & candy sales. Because of these activities, you have provided funding for orchestra instruments, social events like the Bowling Party, Sib Picnic, Welcome Back Dinner, and the wonderful End of the Year Orchestra Banquet.

Best Wishes to the
