The effect of this mask is based on the unfailing power of the ocean. Algae extracts and mineral seawater properties refresh and vitalise your skin.

**Aroma Face Treatment****60 mins/110.00**

**Ridupuncture****90 mins/140.00**

This treatment can be used to combat the forming of wrinkles. It helps sustainably reduce mimic wrinkles using the body's own tissue. Fine needles are applied to the affected areas and led horizontally into the cutaneous fold. Gentle, pulsating microcurrents stimulate and activate the fibroblasts, causing the collagen fibres to mesh together; the connective tissue is rebuilt and the wrinkle filled out. The skin can tighten and revitalise itself and is once again well supplied with blood. One or several treatments may be necessary depending on wrinkle depth. A highly effective treatment involving cleansing, preparation, ridupuncture and ultrasound.

**Manual Lymph Massage****60 mins/120.00**

Soft and tender facial Lymph Massage eases puffiness and tired eyes. Finishing with bio-cellulose mask.

**Collagen-Biomatrix****30 mins/65.00**

Restores the healthy moisture balance of the skin by using freeze-dried collagen. Especially suited for allergic, dry or couperose-affected skin.

We will be happy to advise you on further treatments such as the removal of enlarged veins, oil seeds, fibroma, keratosis, spider naevi, etc. We are able to treat these conditions.
