## Letter to the Editor

## From the Editors Desk

New Year's Greetings to you and the BNL team

Greetings brethren,

Thank you for continuing to send me the BNL. It's amazing to hear how the Message of this Hour travels this fast everywhere in the world.

I have just been on holidays to my island, Ambae the volcanic island where there were around 12,000 people evacuated to another nearby island, Santo due to huge eruptions, ash fall and acid rain. The brethren there from the 'Bride Redemption Fellowship' were all evacuated amongst the 12,000 and have been on the island of Santo (the largest island in Vanuatu).

As a result of this evacuation and by God's grace, Ps Pethuel Beru and his fellowship united two fellowships in Santo that have had differences for years. Thank God, they are still united to-date.

Another event is, when they have re-located back to Ambae, there have been 4 denominational churches (4 x Churches of Christ from 4 different villages, 2 x Apostolic churches from 2 different villages, Renewal Ministry, CoC and Assemblies of God, who have invited Ps Pethuel to preach at their churches and the people have been commenting, till now, that they have heard something new. Some of the pastors have indicated to Ps Pethuel that they would invite him again to go preach to them. An Apostolic pastor and his wife have been very interested in the Message and have invited Ps Pethuel to his church and also attended Ps Pethuel's fellowship twice.

God is good brethren. Thanks for the BNL you have been sending me on a monthly basis. I have given the last edition (Dec-2017) to Ps Pethuel and a copy to that Apostolic Pastor as well who thanked me very much for his copy. He wants me to send him a copy each month.

God bless you all saints  
Sister May Boe

I trust everyone had a great time with family over the holiday season and are now settled into another year where you can walk with God in the final days before the rapture.

We are always thankful for all the input we receive from the various brothers who are on the mission fields. We are also very appreciative of the Lord Jesus Who is bringing so many great things to light for us now in this glorious move of God.

I would kindly ask if you could please keep brother Adrian Gray in prayer this coming month as he will be in Vietnam on the mission front.

We in Wellington NZ are also about to host the NZ youth camp and would ask for your continued prayer for the services and for this camp to be visited by the Almighty God.

Following later in this edition will be the first part of a study series I have written on Hard Questions we face when witnessing the Message of the hour to Bible Scholars of various denominations. I trust it will be a blessing to you. I have held back from including my own material in the BNL but seeing as this can be used to outreach to those types of people, I feel it may be a blessing to some who find themselves at the receiving end of some very difficult questions.

Overall, it's good to be back into the BNL again after a break so I trust you will enjoy this edition and also have a great year ahead.

God is good all the time!

God bless you

Bro Andy

# a new generation in Israel...

Greetings to you in the name of our Lord Jesus Christ.

Everything has a beginning – and an end. And as the “gospel” started in the Jerusalem, so too we know the final chapter of redemption must unfold within the nation of Israel. What believer isn’t familiar with the prophet’s directive in watching Israel and the many other things he spoke. And yet, so much is unknown. Questions lingered that I have agonized over in prayer, namely; Does the Bride of Christ even have a part in this? And if so – what?

Though many may be content to merely watch or “cheer” for the “timepiece”, our biblical mandate is certainly much more than that. As gentiles in God’s plan of redemption, we find our part in Ruth who entered into and took on Naomi’s burden – during a time of distress and famine. By sharing the blessings received from Boaz, Ruth became part of the Word - part of the unfolding! From Ruth a life issued forth a life that was the progenitor of a spiritual revival and a King of unparalleled blessing. Therein lies the essence of the Bride’s ministry to Israel that we are called to fulfill.

Further to this, Brother Branham indicates how this sets the stage for a great outpouring to follow; “What is it? The Spirit of Elijah off of this Gentile church will just continue right on into that Jewish church, go right on in and call Moses with him...” [i]

During our time in the Middle East and since, the Lord allowed me to cultivate relationships with Orthodox Jews. But not just any Orthodox Jews. I am

speaking of Jews of a “new generation”. Brother Branham describes this while preaching the 1st Seal;

“...When he [Joseph] got ready to reveal himself to his brothers, and he found little Benjamin, which had been born since he had been gone.

And that represents these Jews, this hundred and forty-four thousand that’s gathering right there now, since He’s been gone.[ii]

This new generation of Jews in Israel are very fervent for their promises in the Word and desperately want a spiritual restoration and revival. It is interesting to note how the Bible[iii] describes the 144,000 as being virgins. Brother Branham

clarifies the interpretation of this by stating that “they are not associated in any way with

churches...”[iv]. That “...they had been Jews from the beginning, ORTHODOX...”[v].

He is referring to the “nation”[vi], not Messianic Jews who are connected with Christian denominations around the world. Brother Branham said these “Orthodox Jews” will not be associated with Churches – or even the Gospel [vii]. And yet - their time is coming! Very soon the verse in Zech 12:10 will be fulfilled and they will “...look upon me whom they have pierced...”.

We see opposition to Israel and anti-Semitism increasing around the world. If ever Ruth’s support was needed – it is now. A rare and unique opportunity lies before us, something specifically tailored for the Bride, as no Churches or denominations can have a part in this ministry to “Naomi”.

I invite you to please pray with me concerning this important opportunity. If you are interested in knowing more, or rather - of joining with me in seizing upon this special moment, I would certainly be glad to hear from you. Together I know we can make a difference!

May the Lord bless you richly, your Brother in Christ,  
Brother Tony Abma

ENTIRE MESSAGE RELEASED IN

*french* ON THE

## MESSAGE HUB MOBILE APP

French is the official language of 29 countries (their flags appear on the cover of this issue). In all, French is spoken in approximately 60 countries of the world.

**W**ith thanks to Shekinah Publications of Kinshasa, Congo, we are excited to announce the release of the entire Message in French on the Message Hub Mobile App.

In June of 2013, Shekinah Publications in Congo held a small ceremony commemorating the completion of the translation of the entire Message into French. Previously available in book form and computer, now the French speaking Believer can enjoy all the links from the Bible to the Message in the Message Hub Mobile application in their own language on their mobile device. Just a click on the link listed beside the scriptures takes the reader to the Message to read what Brother Branham said about that scripture.

This did not happen without a diligent effort by a number of French speaking volunteers. In mid-August 2017, a team of volunteers set to work, but since no translating was required, almost anyone familiar with the French language was able to contribute. Each Message would need to be handled, individually opened, and uploaded to the Message Hub Translator site.

Each volunteer began by receiving messages in packages of 10 or more at a time, assigned by a local Brother who kept things organized. One of the volunteers, Brother Israel, reports that it took about 30 minutes to load each message, some a little more, some less. The paragraphing in each French message was adjusted to match the English version. This was done on the Message Hub Translator website that allows easy upload by translators. A few formatting elements were checked, and then the message was published to the Message Hub.

### Testimony of a French Upload Project Volunteer:

*"...the Lord brought me to the Great Commission which He left to every Believer; to preach the Gospel to every nation, kindred and tongue. As we know, this Message, which is the Gospel anointed for our day, must reach every believer until the last predestinated seed is reached. Translating the Message, therefore, is an integral part of this Great Commission. I was blessed with an opportunity to contribute to this work, even to such a humble extent. I have full confidence in the spiritual leadership of the BFCR team and extremely happy that this task was completed on schedule. Even if I was born in a French speaking home, I was born again and received the Message here in B.C.; therefore, I never read a Bible or the Message in French. I found it very captivating, if not alluring to have an opportunity to read it in French, to the point where I constantly had to remind myself of my original task and resist the temptation to get lost into the French portions of the books."*

~ Brother Marc

**"In just  
under three  
months,  
over 1100  
messages  
were  
uploaded!"**

What did all this formatting accomplish? It released powerful Message Hub search features to work in that language. The Message Hub Mobile app, in addition to allowing keyword searches within the Message, also links quotes in the Message to relevant places in the Bible. These comments are organized by "blocks" of text. The Message Hub Mobile program was created in English. Therefore, by simply aligning blocks in French (or any other language) to match the English blocks, the app can be released in that language. Now French speakers can enjoy the entire Message with all the search features of the Message Hub Mobile app, which runs on any Android device.

This same uploading and formatting work is being done in many languages, and those doing the work are discovering that while blessing others, they themselves are receiving a blessing. They are feeding on the Message while they work. Despite moving along quite quickly, reading even small portions is a blessing to the ones doing the formatting. It is impossible for a Believer to be that close to the Word of the Hour and not glean spiritual nuggets along the way.

The French upload project accomplished a lot of work in a short time, and is a model for what could be done in other languages. In just under three months, over 1,100 messages were uploaded! The team consisted of 36 people, some able to dedicate more time than others. Brother Israel reported that on a free day, he could finish and upload 10-15 messages, and in the process, he had been constantly dwelling on their contents. "You are doing the right thing, but you are also being fed," said Brother Israel.

It's only a matter of time until Believers who speak other languages catch the vision and take on an upload project of their own. You don't have to be fluent in a language to do the work, just familiar enough to understand where a paragraph starts and stops. In this way, many languages have been added to the Message Hub Mobile application, which now offers the Message linked to the Bible in 23 languages.

While Bible Believers maintains the Message Hub through the support of burdened Believers, much of the uploading is done by volunteers. If you can do this and have a desire to help in any language, contact Bible Believers. There may be a team at work already that you can join.

## MORE NEW LANGUAGES AND EXCITING DEVELOPMENTS

The usage of the Message Hub Mobile (MHM) application has expanded tremendously during the last year. We have added **five new languages to the app!** Thanks to the support of many who see this technology as we do, being vital to the spread

of the Message, we are excited about the ongoing developments.

In addition to adding the entire Message in French, we have also added two forms of Portuguese (European and Brazilian), Swahili (our first African language), and Italian. This brings the total number of languages available on MHM to 23.

We also are glad to announce to all of you iPhone and Microsoft users that we are beginning development of version 3 of MHM which will be available for Apple and Window devices.

Additionally, we have spent a great deal of time and energy to solve issues with the characters of different languages to make them accessible in book and electronic form. This has enabled us to add Myanmar and Thai to the Message Hub, bringing the total number of languages available in book

form at [www.messagehub.info](http://www.messagehub.info) to 74. Solving these problems will make all uploaded translations available in five different printable formats. In addition, we have solved the character issues in other languages making them ready to be added to the MHM.

The Message Hub is supported 100% by Bible Believers through the support of concerned Believers in many nations and is available to translators worldwide to upload and disseminate their translations. It is free of charge both to the translator and to the reader who wants to download and print the books.

## WILL THE BRIDE BE RAPTURED FROM ALL CHURCHES OR ONLY THOSE WHO HAVE RECEIVED THE MESSAGE OF W. BRANHAM?

Written by Bro Andy Clifford

Let's hit some of the highlights of this thought to draw a clear  
picture of this situation. To grasp this amazing thought  
we will need to go back into the types and shadows  
shown in the Book of Esther to conclude the thought.

*“O lord, you have searched me, and known me. You know my sitting down and mine rising up, you understand my thought far off. You compass my path and my lying down, and are acquainted with all my ways. For there is not a word in my tongue, but, lo, O LORD, you know it altogether. You have beset me behind and before, and laid your hand upon me. Such knowledge is too wonderful for me; it is high, I cannot attain unto it. Where shall I go from your spirit? or where shall I flee from your presence? If I ascend up into heaven, you are there: if I make my bed in hell, behold, you are there. If I take the wings of the morning, and dwell in the uttermost parts of the sea; Even there shall your hand lead me, and your right hand shall hold me. If I say, Surely the darkness shall cover me; even the night shall be light about me. Yea, the darkness hides not from you; but the night shines as the day: the darkness and the light are both alike to you. For you have possessed my reins: you have covered me in my mother's womb. I will praise you; for I am fearfully and wonderfully made: marvellous are your works; and that my soul knows right well. My substance was not hid from you, when I was made in secret, and curiously wrought in the low parts of the earth. your eyes did see my substance, yet being imperfect; and in your book all my members were written, which in continuance were fashioned, when as yet there was none of them.” PSALM 139:1-16*

God is eternal and everything is pre planned. Furthermore, everything is pre destined and yet God never compromises our free choice. ([Romans 8:28-30](#); [Ephesians 1](#)) He intimately knows those that are His by foreknowledge. By the revelation of this eternal understanding we can draw the simple conclusion that His children will all come to know what He is doing in their respective age and season. In simplicity, this is what “finding God’s will” means. This brings more light and clarity to the passage: *“Not everyone that says unto me, Lord, Lord, shall enter into the kingdom of heaven; but he that does the will of my Father which is in heaven.” MATTHEW 7:21*

God is infinite in His thinking and eternal in His being. He cannot improve in any way and He cannot learn anything as He already knows the end from the beginning. He can only reveal more to His family, which brings us closer to Him. What He plans for us will happen just exactly the way He planned. We cannot limit God in any way. Therefore if

God sends a major prophet to prepare His Bride (true church) for the Second Coming, He will most certainly ensure that this very Message will call every single person who makes up this elected Bride right out of their denominations and nominal churches into a life most precious and intimate with the Lord Jesus Christ to continue writing the Book of Acts through them. But they must come out, [Revelation 3:20](#); [Revelation 18:4](#).

### Dispensational Change

In every age where a dispensation of God's great plan has changed to unveil more of Himself, God has sent a major prophet. Let's look at 5 main prophets that have had notable participation in the very pivotal part of a dispensational change from God Almighty.

#### Noah

Noah preached 125 years, only those that actually believed the human instrument (Noah) came into the Ark. Those that half believed and looked on the ark but chose to stay in their usual structures were left behind, they had to really believe and make a stand even under persecution and get right in the ark that was being preached about by Noah. The Ark was Noah's Message of Grace and the rain was his Message of Judgement. It was this very Ark that would take the people above the judgment. The Ark represents Christ, it was a specific vehicle that was revealed to a man to share to the whole world and invite everyone. But most people just laughed and stayed with their churches – even millions of true worshippers of God. They could not receive this one man's 'crazy' Message, even though it was perfectly true and God did everything He said. It was imperative to the people's future to listen to the specific instructions of Noah so they could also know the present will of God and literally act according to the plan of God for their very hour. Jesus even ties this story into today where He said: *"But as the days of Noah were, so shall also the coming of the Son of man be."* [MATT 24:37](#)

To be continued next issue...

## FAITH COMETH BY HEARING, AND HEARING BY THE WORD OF GOD

# CHINA

A very strong Communist leader has arisen in China. His name is Xi Jinping, and he will lead the country for the foreseeable future. It has been written that he is the strongest leader the country has had since Mao Zedong. What this means for Christianity in general and the Believers of the Message of the Hour specifically is unknown at this time.

The country of China has just completed their Communist Party Congress which happens twice every decade. With the rise of Xi Jinping to a position of great authority, the world is carefully watching the developments. He is expected to wield great power, even in the religious realm. It is thought that all groups not associated with the Government approved "Three-Self" Church will be commanded to disband and join the "Three-Self" movement, but specifics are not clear.

We are glad to report that the Bride in China is in a good position to feed on the Word of God, regardless of which way the current conditions dictate. With a decentralization of printing through Message Hub Print Stations, the Believers are able to obtain message books without difficulty. Also, of late, there is less reliance on books with the advent of the Message Hub Mobile application. Believers

download the app and read any of the more than 500 translations available, right on their mobile device.

Brother Murphy has just returned from a very blessed trip, ministering the Word of God in many places. The Spirit of God continues to sweep the country with revival. A Pastor from a house church in the north came to one of the conventions. At first he was really resistant, and it was only because his wife had received this Message that he came to the service. But as the service was going on and the Word was preached, his heart gradually softened. By the end of the service, he came to Brother David and said, "Can you and Brother Murphy come to my church? We want to hear this Word." So the Brothers made arrangements immediately to travel to his church.

Some of the congregation in his church had already embraced this Message and had come to the convention meeting. They have been really touched by the Word, and here we see the three-fold manner in which God is dealing with people. The Messenger delivers the Message, faithfully taught ministers preach the Word, and the lives of the people are a testimony of the power of God in the Message. All three components are necessary for the spreading of the Message of the Hour. There is the Gospel. It is good news, but the Bible also tells us:

*How then shall they call on him in whom they have not believed?  
and how shall they believe in him of whom they have not heard? and*

*how shall they hear without a preacher? And how shall they preach, except they be sent? as it is written, How beautiful are the feet of them that preach the gospel of peace, and bring glad tidings of good things!* (Romans 10:14-15 KJV)

In the preaching of the Word, faith is increased. For faith comes by the hearing of the Word. Testimonies have arisen from the trip last year of Brother Tom and Brother Murphy in China. Brother Murphy who was in China in October this year relates:

"There are two natural sisters who can't have children. They came for the meeting, and afterward, Brother Tom prayed for them. One is now five months pregnant. Brother David and I visited her sister's church three weeks ago. She was quite disappointed because her sister is pregnant, but she was not. However, as the Word was preached her faith increased. We encouraged her to hold the promise of God. We just received a text from her mother that the sister, herself, is pregnant now. Praise be to God! He's faithful!"

On July 26, Brother Yage Liu from China shared many amazing testimonies of the power of this Message at a service at Cloverdale Bibleway. Since leaving his denomination and accepting the Message, Brother Liu has witnessed the transforming power of the Word in his own life, his daughter's life, and in his congregation. He recounted several wonderful testimonies of people who were healed of female

trouble and stomach trouble as the Word was preached in power and in truth.

"When you share the truth of this hour, then the signs and miracles will follow. This Message is a manifestation of the Book of Acts in this hour," Brother Liu observed.

He shared many instances where God honoured the faith of

Believers miraculously. A seven-year old boy who had bed-wetted from birth, confessed and received his healing the night after he was prayed for, despite the doctor's statements that he could never be healed. One woman was miraculously reunited with her family. She had been missing for over a year and was found once Believers called on the Lord. He has seen many people receive their healing after being prayed for with a prayer cloth. Brother Liu emphasized that it was the people's faith that produced the healing.

One Brother, a computer programmer, has energized the spread of the Message by creating a website for the church in Chinese and Japanese, with streaming available across the globe.

"If the Lord lays something on your heart, just do it," said Brother Liu. "God is preparing a church for the Rapture. If we keep in this Message, then we will find that the Rapture is actually an easy thing."

The Message goes on. The Elect are quickened. The predestinated attributes of God receive their Message, and lives are changed. We know you will be remembering these steadfast Believers in prayer in the days ahead.

## CHINESE KJV BIBLE

The next phase of printing the Chinese KJV Bible (CKJV) is to print a stand-alone version for the Chinese Believers. The parallel versions (Chinese/English and CKJV/Union) were well received and opened doors for the Message of the Hour. However, due to each one containing two Bibles in parallel, they were quite expensive to print. Now that the translation is accepted, a low cost version of the CKJV is timely in order to distribute it as widely as possible.

Due to the current political climate in the country, the printing is slightly delayed. We do hope to print by the end of the year. Please keep this need in prayer, so that the growing number of Believers in China are able to have a copy.

# PERSIAN OUTREACH

NEW LIFE IN THE  
CRADLE OF CHRISTIANITY

**A**t a service at Cloverdale Bibleway on September 16, 2017, Brother Jason DeMars of Present Truth Ministries (PTM) in Hopkins, Minnesota was on hand to give the Believers a first-hand account of the work in Turkey and Iran.

Turkey today includes the territory of many places named in the Bible; Galatia, as well as Tarsus, the birthplace of Paul. It is also the location of the seven churches of Revelation 2-3, as well as many other places. Rightly is this area called the "Cradle of Christianity," but for hundreds of years, the cradle has been "empty" as the church moved on, West and North, and the country was overtaken by the Greeks, the Byzantine Empire, and finally the Muslim Turks.

It is truly amazing to see tender green shoots of the Original Life now springing up in the very cradle of ancient Christianity. Only in the past eight years has this begun to happen, and is surely a sign that the true Gospel is going full circle, back to its birthplace.

Brother DeMars first traveled to Turkey in 2012, and it is amazing to see what has happened since that important first trip. The conversion stories of many Muslims and refugees Brother

DeMars has documented in a book titled *Persia Unveiled*, and also a documentary video by the same title. Historically, Muslims have been among the hardest in the world to win to Christ, and Muslim lands are scattered with the graveyard of former "missionary efforts." But now the elect are coming, in ones and twos, in families, couples, singles, people from all walks of life, finding in Jesus Christ, through the power of the Message of the Hour, a supernatural transformation of their very hearts.

One of the main focuses of Brother DeMars' work are refugees from Iran, who have fled to Turkey for safety from radical Islam. The Turkish government takes in refugees, but Kurds and other refugees are not always welcoming to anyone with Christian leanings, no matter how faint. The government protects Christians, but the population is 99% Muslim, and does not welcome evangelism. However, our Lord has a redemptive purpose in finding and redeeming every predestinated elect seed.

Over the past five years, hundreds of Muslim converts have been baptized. Five churches have been planted, and are expanding. Work with small groups of believers is taking place in six additional cities. The Lord is also raising up local believers to do the work. Brother Nehemiah (from Iran) began translating in 2009, and today 51 Messages are translated into Farsi. Present Truth Ministries is sponsoring the work and making it available through the Message Hub.

Brother Nehemiah has quite a testimony himself. Imprisoned for his beliefs, he was threatened with hanging if he did not recant his Christian faith. Even with the noose around his neck, he did not recant, and was miraculously spared and released.

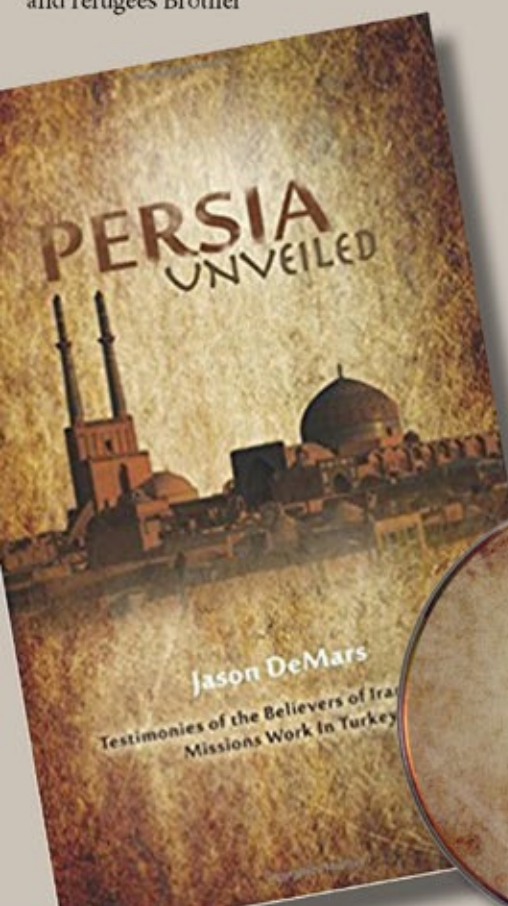

Today he is a warrior for the Gospel of Jesus Christ. This is the type of strength God has raised up to minister in this country.

Brother Keyvan is a pastor in Isfarda. He has been very effective, having won over 400 converts so far. The Lord is confirming His Word also with miraculous healings. Brother DeMars prayed over the phone with a woman who was dying from a stroke. She instantly recovered. Brother Keyvan has similar reports. This supernatural intervention of God does much to confirm the Message of the Hour, increasing the people's faith.

Much of the work is done on an individual basis rather than large meetings. On a recent trip, Brother DeMars met individually with each person in a congregation. The local believers need to be taught and equipped, as well as saved and baptized. Language can be a struggle, as Arabic and Turkish are spoken in some areas, and Farsi of Iranians in other areas.

There is once again a "lampstand" in the original location of Laodicea: a functioning Message Believing church with a congregation and Brother Shaheen as Pastor. What a wonderful development! Only God knows if He has allotted another lampstand for each of the physical locations of all seven ancient church locations. Pray with us that churches will raise up where once they shone bright enough to represent all seven church ages.

To keep informed about this exciting work, visit [www.presenttruthmn.com](http://www.presenttruthmn.com).

## BIOGRAPHY OF WILLIAM BRANHAM:

The *Supernatural Series* (old format of the 5 books) is in the process of being translated into Farsi. Book 1 has been printed and Book 2 is now translated and ready to print. The cost to print 200 books in Turkey is approximately \$1100.
