# ETHOS v1

## SUE RINALDI

## BELOVED

Completely, intensely  
Your loving gaze has caused me  
To follow, to bow low  
I'm in this place again

You've stripped me, so barely  
Of all that's come between us  
I stand here, I'm listening  
I hear you call my name

Beloved, I'm coming close to you  
Beloved, I've lost my heart to you

It pierces me, it tears my heart  
Your loving voice has found me  
No more away, no more apart  
Your quiet words resounding

Beloved, I'm coming close to you  
Beloved, I've lost my heart to you  
Beloved, I'm coming close,  
I have come close  
Beloved, I've lost my heart to you

## COVER ME

I lay down by the quiet waters where  
I rest my troubled soul  
In the deepest part of you

I lay down all that's in my hands  
Needing you to heal  
The deepest part of me

So cover me with kindness  
As you wash me in your love  
And cover me with mercy  
Let your waves of peace flow

I lay down every darkest fear  
Every fruitless dream  
In the shadow of your wings

So cover me with kindness  
As you wash me in your love  
Cover me with mercy  
Let Your waves of peace flow

## KING OF COMPASSION

We call to You - Lord have mercy  
The cry of our hearts - Lord have mercy  
For those in despair - Lord have mercy  
Where sorrow exists - Lord have mercy

We call to You - Lord have mercy  
In lands that are torn - Lord have mercy  
Where lives have been lost – Lord have mercy  
Restore those who mourn - Lord have mercy

You're the King of Compassion  
You're the lifter of our head  
You're our shield of protection  
The defender of the weak

We call to You - Show Your mercy  
For those bought and sold - Show Your mercy  
Transform killing fields—Show Your mercy  
Bring heaven To earth - Show Your mercy

*A litany for our times...  
Perfect as a reflection, prayer, sacred anthem  
and for choirs. Words of light to shine into the  
darkness of tragedy and the tyranny of  
injustice.*

## GOD IS GOOD

Shout for joy to the Lord all the earth  
Raise an anthem of praise, lift it up  
Giving thanks to the name above all  
names  
Sing for joy to the Lord all the earth  
Hear the heavens rejoice with one voice  
As creation proclaims the Lord reigns

God is good and his love is everlasting  
Throughout every generation, he is Holy  
God is good and his faithfulness  
continues  
Throughout every generation, he is Holy

Shout for joy to the Lord all the earth  
Everyone join the song, sing it out  
Let Our glorious King be lifted high  
Sing for joy to the Lord all the earth  
Let the sound of the saints fill his courts  
Hear the loud hallelujahs fill the skies

Hallelujah God is good, Hallelujah  
Hallelujah God is good, Hallelujah

whirligig

song

God's  
faithfulness  
throughout

## STRANGER

Don't cry your life away  
You're fragile heart breaks  
Beneath the weight of whispers

Words thrown like darts  
Until your wounded mind  
Tries to find  
Peace from all confusion  
That says you've betrayed  
Divine Intention

Stranger  
Stranger  
Stranger to your skin

Born with the seal of the designer's hand  
Made and wonderfully fashioned  
Let love not rejection  
Be our human intervention

## SURRENDER

Humbly I come to you  
Held captive by your grace  
Longing to meet with you  
To make this sacred space

Freely I come to you  
Let nothing here distract  
Hungry for more of you  
For nothing will I lack

This is the time to let go  
This is the time to let go

Here I draw near to you  
With sacrificial heart  
Wanting exchange with you  
Released and set apart

This is the time to let go  
This is the time to let go  
This is the time to let go  
This is the time for surrender

## CARRY YOU

When darkness falls  
And I see that you are wrestling  
With the mystery of these times  
When daylight breaks  
And I hear you call my name  
As you run into my arms

Every single hour  
Throw your burdens at my feet  
And come and walk with me  
In the midst of the shadows  
I am watching over you  
And I'll never leave your side

I will carry you through  
I will carry you

Come lift up your eyes  
From the ground on which you stand  
To the glory of the skies  
And let me refresh you  
Let the rivers of my light  
Cascade upon your soul

*A  
song  
for  
all  
in need  
of  
comfort  
and  
strength*

With a grace so sustaining  
And a love so unchanging  
I will carry you through

Lift up your eyes and see,  
Lift up your eyes and see  
Cascading rivers of light,  
Pouring over you,  
Pouring over you,  
Pouring over you

## WONDERFUL LOVE

Everyday that I live  
My life celebrates your wonderful love  
Times and seasons may change  
But one thing remains, your wonderful love

Stronger than the sun, fiercer than the fire  
Greater than the flames of my desire  
Your amazing grace, burning in my heart  
Mercy offers me a brand new start

Higher than the sky, deeper than the sea  
Unrelenting love you have for me  
Oceans of your grace, flowing over me  
Your forgiving love has set me free

Louder than a storm, fresher than the air,  
There's no greater love that can compare  
Freedom like the rain, pouring down on me  
I'm swimming in your waves of liberty

*To Everything  
there is a Season,  
and a time  
to every Purpose  
under Heaven.

These songs are stories. They have been birthed from assembled thoughts and draft notes of my experiences and perspectives, intermingled with the wisdom and woes of others - whether friends, family, social media or far afield - and choreographed into my life through the loving artistry of God. The music has been elevated and enriched beyond measure by my dear friend Caroline who has also co-nurtured these songs with me. Huge thanks to those who have played, sung and remixed on this recording - you are appreciated. Ethos v1 unveils a little of my character, spirit and beliefs...a drop in the ocean I know, but praying the waves will touch your shore-line and bring a few ripples of refreshment, relief and inspiration. They may even make you smile.

*Yours is a tall story  
A Wild West without frontiers  
A fiction so factual  
With facts so fictional  
That my spirit implodes  
My mind melts  
By the sheer weight of you*

*Seismic  
Intimate  
Wild  
Whispering  
You adorn every earthly touch-down  
with heavenly jewels  
Surpassing  
But never trespassing*

*Your invite awaits me  
'Come...be seen, be heard, be known  
Let my tall story be yours'*

A watercolor illustration of a figure, possibly a person or a deity, rendered in warm, earthy tones of yellow, orange, and red. The figure is depicted in a stylized, almost abstract manner, with flowing lines and soft edges. The background is a light, textured grey.
