THE INDUCTIVE BIBLE STUDY PEOPLE

Needed: Gifted Bible Study Leaders!

Paul boldly charges his protégé Timothy

"Do not neglect the spiritual gift within you...take pains with these things...be absorbed in them..." (1 Timothy 4:14-15)

There is no doubt that knowing God's Word is very important to the work of the church! Read through the letters Paul wrote to Timothy and note the instructions fixed upon the Word of God and you will grasp how crucial those who pass on the scriptures are to Christ's church.

At Precept Ministries International we seek to serve the church faithfully by helping to recruit, train and resource men, women and students to whom the Holy Spirit has given speaking gifts to lead Bible studies. Our passion is for you, Bible study leader, to use your gifts effectively in the ministry of the local church. May the tools of this catalog help you in your calling.

May the Lord use you mightily in His growing Kingdom!

Don't neglect the spiritual gift within you!

Making Disciples Intentionally

Precept Ministries was founded in 1970 with the mission to establish people in God's Word.

That means people who are exemplary followers of Jesus Christ, who view the world Biblically, make disciples intentionally and serve the church faithfully. How do we do that? By teaching people to study the Bible inductively, and ideally, discuss in small groups, where our grasp on truth is solidified, iron sharpening iron and where we articulate application to live out.

And what do we need to have dynamic discussions among Bible students? Great Bible Study Leaders with a passion for the Word and a heart to make disciples, who have speaking gifts and want to be trained to be excellent discussion leaders, who ask questions so students can verbalize what they've learned, reason the Word, and understand how to walk in it.

This catalogue has hundreds of inductive Bible studies in different series for different situations, different audiences, with differing levels of workload to fulfill your ministry.

How do you describe Inductive Bible Study?

Simply, Inductive Bible Study is using the Bible as your primary source. You will Discover Truth for Yourself by using these three skills:

1. **OBSERVATION** | What does the text say?
2. **INTERPRETATION** | What does the text mean?
3. **APPLICATION** | How does the text apply to my life?

Each Precept Inductive Bible Study teaches and leads you through these skills.

“
A Man's Strategy for Conquering Temptation is great. I have done other studies where the men all pretended that they didn't struggle with temptation,... it lends itself to dealing with specific/personal temptations rather than 'hiding' in a larger class.”

“

I studied *Lord, I Want to Know You.*

When my husband was in the SICU, I was... exhausted and could not pray the way I normally pray. All that would come to mind were the names of God I needed in that particular situation. **As I prayed God's names back to Him... my focus was on God's character** and not on the storm I was going through.”

TRANSFORM STUDENT MINISTRIES®

TEACHING THE NEXT GENERATION

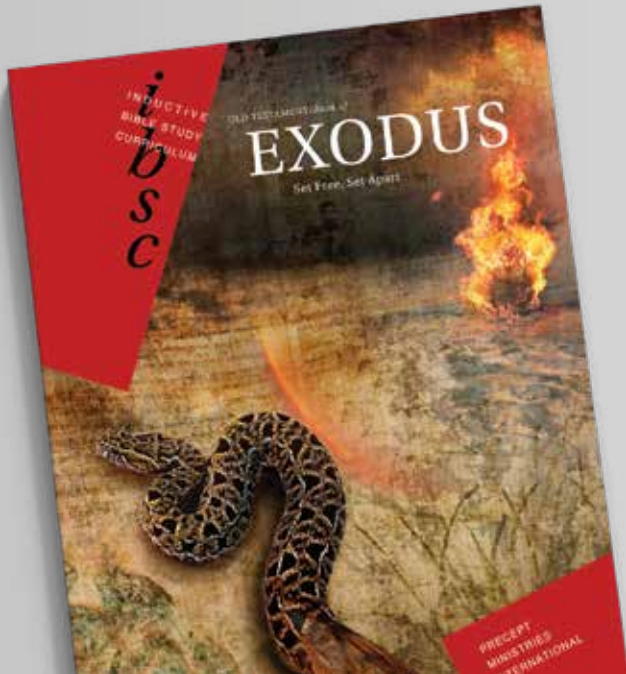

Transform Student Ministries is a department of Precept Ministries International focused on students ages 12-18. True to the mission of Precept and its roots, Transform teaches the unfiltered Word of God through Inductive Bible Study conferences, camps, training and curriculum.

We believe that the Word of God makes all the difference. More than any other words in existence, God's Words have the power and mercy to transform us from the inside out. It's the gospel. And it's for students. No watering down, talking down or putting down; everything we do is to guide and love students by teaching them how to study the Scriptures for themselves using the Inductive Bible Study Method.

PASTOR RESOURCES

The Bible gives us a glorious picture of how the body of Christ functions when believers are in a growing relationship with the Lord. But churches today are often spiritually handicapped by Biblical ignorance forcing pastors to focus on disputes and logistics rather than “equipping the saints” and “building the body.” Consider how your church and even your community might change if believers were actively engaged in Bible studies that equipped them to find their place of service. Precept Ministries exists to come alongside churches by offering Inductive Bible studies and resources along with leader training that can effectively grow a struggling church into a vibrant and maturing body.
