2.	Prof. Varsha Annadate	Professor		<p>Educational Qualification: B.Arch (VRCE, Nagpur University), AITP (ITPI, New Delhi), M.Arch (Environmental Architecture) (YCMOU, Nashik). Member of Professional Bodies: Council Of Architecture, Indian Institute of Architects.</p> <p>Ar. Varsha Annadate, joined Bharati Vidyapeeth College of Architecture (BVCOA), Navi Mumbai in 1992 as a full time teaching faculty with teaching experience that spans over 28 years. Her teaching involves active participation of students. Varsha is a formidable disciplinarian, diligent and has a systematic approach in work. Curiosity in understanding and experimentation in framing design projects offers opportunity to students to explore and learn new fields. Learning through Experiment, Exploration, Experience, Evaluation and Expression is the ideology she works on. Her area of interest is Environmental study in building design and construction techniques.</p>

S.No.	Name	Position	Photo	Short note
3.	Prof. Anil Nandedkar	Professor Design Chair		<p>He has done B. Arch. with first class Honours from I.I.T. Kharagpur And M. Arch. in Environmental Architecture and also Diploma in Cadd from Cad Centre</p> <p>Keenly interested in Geometrical Forms, Foldable Structures, Music and Architecture, Minimal Architecture and Environmental Architecture.he has also has developed 3 d models in software and full scale construction models with the students. Also keen about quantifying quality in Architectural works, has worked with the students regarding environmental architecture like task lighting, renewable sources of energy, water balance etc.</p> <p>Has been working as a Faculty at BVCOA for the last 13 years, as an associate Professor for 6 years and Professor for the last 7 years.</p> <p>During this time he has been In charge of Construction Yard, Computer Lab, Climatology Lab, Coordinator M. Arch. Courses and Exam in Charge at BVCOA</p> <p>Has also been Coordinator for Workshops on Brickwork, Ferrocement, Dance, Music and Architecture & Navi Mumbai at BVCOA.</p> <p>Trainer for workshop on Green Buildings at TECHFEST at IIT Mumbai.</p> <p>Attended a number of Workshops, Seminars and International Conferences.</p> <p>Membership of Institutions: - IIA, ACI, Valuer L.I.C.Hsg. Fin., Inspections team COA.</p> <p>Professional Experience: Third prize in competition for Head Office Pachora Co. op Bank. Major projects like Multistoried Buildings, Factories, Schools, Crematorium, Bungalows, Parks, Interior Works.Structural Audits and Repairs, Green Building Consultancy.</p>

S.No.	Name	Position	Photo	Short note
4.	Prof. Kamakshi Vaidya	Professor		Graduated from Sir. J.J. College of Architecture, Mumbai University, in the year 1997.Holds a post Graduate Diploma in Construction Management from NICMAR, Pune and Masters in Environmental Architecture from YCMOU, IESCOA. Possesses a keen interest in environmental concerns in all building activities both built and the un-built. Has gained professional experience of more than 23 years. Her association with teaching has been more than 13 years. Believes in student centric pedagogy in teaching learning process in the discipline of Architecture. Has been enhancing the skills of students through motivated discussions and critical discourses on Architecture and Building systems. She is a partner at Adyne Architects, Thane. Her poetry in English and Hindi add immensely engaging dimensions to her creative expressions.
5.	Prof. Ritu Deshmukh	Professor		

S.No.	Name	Position	Photo	Short note
6.	Prof. Suchita Pawar	Asso. Professor		<p>Graduated with B.Arch., First class, from B.V.B Hubli, Karnataka University in 1998 and completed Masters of Architecture in Interior Design with first class, from JNTU Hyderabad in 2006. And additionally also secured distinction in Diploma of Advanced Computer Arts from CDAC, Pune in 2002.</p> <p>Was a full time faculty at B.V.B Hubli 2003-2007. Presently teaching at Bharati Vidyapeeth College of Architecture, Navi Mumbai since 2007 till date. Took over the responsibility as a HOD for B.Arch. (I.D) 2007-2011, and later as HOD for I.D.D since 2011 till date. And since 1998, with 23 years' experience, worked on several commercial, residential and institutional projects and has Expertise in conceptual design formation and sketching.</p>
7.	Prof. Deepak Patil	Asso. Professor		<p>Prof. Deepak Patil has done his graduation in Civil Engineering in 2004 and post graduation leading to M.E in Civil-Structural Engineering in 2007 from Shivaji University. Subsequently pursuing Ph.D (Thesis submitted in Sep.2020) in Civil Engineering from Mumbai University. He also completed diploma in Civil Engineering (DCE) in the year 2001. He is working with BVCOA since 2012. His area of interest is finite element analysis of structures and is working on analysis of dams and bridges. He has 16 years of teaching experience out of which 06 years of administrative experience. He has published more than 20 papers in scopus indexed international journals and international conferences. He has also filed two design patents with GOI, IPI India. He has sound proficiency in Civil Engineering softwares such as ETAB, STADD, RCDC, SAFE.</p>

16.	Asst. Prof. Dattatray Bhosale	Asst. professor		Dattatray Bhosale working as Assistant professor at Bharati vidyapeeth college of Architecture Navi mumbai since 2011.He has done his graduation in Civil engineering with distinction from Government college of Engineering Aurangabad also he has completed masters in structural engineering with first class from University of Pune.Before joining this institute he has worked with Ahluwalia contracts India Ltd and Synergy project management consultancy.He is also license holder structural engineer of Navi Mumbai municipal corporation and working freelancer structural consultant with good hand on structural analysis and design softwares like ETABS,STAAD-PRO,RCDC ,SAFE,SAP and his research area of interest is structural dynamics and earthquake engineering and for same he has published paper in international journal
17.	Asst. Prof. Trupti Kamat	Asst. Professor		Trupti Kamat is an Environmental Architect, Academician and Valuer. Graduated from Pillai's College of Architecture in 2011 and post graduated i.e. M. Arch in Environmental Architecture from Rachna Sansad's Institute of Environmental Architecture. She has curiosity in the interrelationship of vernacular architecture leading to holistic ways of sustainability. She has been associated with Bharati Vidyapeeth College of architecture since 2012, during which she conducted many workshops, one of which was on traditional artworks with our BVCOA students and has led to a book - ' <i>Songs of Soil</i> '. As a part of her professional work she has worked with Hiten Sethi Architect.

S.No.	Name	Position	Photo	Short note
18.	Asst. Prof. Mayuri Deshmukh	Asst. Professor		Ar.Mayuri Deshmukh has graduated from Pillai's College of Architecture and pursued M.Arch in Environmental Architecture. She is actively involved in practice as an Architect, Interior Designer and a Valuer. She is associated with Bharati Vidyapeeth College of architecture since 2013. She has keen interest in the study of Vernacular architecture & has documented vernacular architecture of the Himalayan region of Northern & Northeastern parts of India. She has also published a research paper titled "Analysis of Inherent Sustainability of Kath-Kunhi Architecture, Old Jubbal Himachal Pradesh" in IASTER. She has also curated the workshop for documenting Navi Mumbai through architectural comics and has compiled a book titled " Narratives of Navi Mumbai".
19.	Asst. Prof. Ashwini Bapat	Asst. Professor		Ashwini Bapat is a practicing Architect and educator. She has been associated with Bharati Vidyapeeth College of Architecture since 2013. She completed her Masters in Theory & Design from CEPT University Ahmedabad and completed undergraduate studies from KRVIA Mumbai. As a part of her professional work she has worked with Kamu Iyer and Transcend Design Services and has undertaken several interior design projects across Maharashtra as a freelancer. Having worked in the industry she has attempted to gain a holistic approach to design and execution. Apart from professional practice she is also involved in research. Most of her research is to do with Traditional built forms in India. and has published papers in the same field.
20.	Asst. Prof. Anushri Sardeshpande	Asst. Professor		Ar.Anushri Sardeshpande has graduated from MIT College of Architecture and pursued M.Plan in Urban and Regional Planning with specialization in Housing from CEPT University.. She is having varied experience in the Housing sector in Real Estate as well in Government projects as a Research Associate. Working with Private Developers enabled her to understand the various facets of the working project and she utilized that knowledge further in PPP projects under Rajiv Awas Yojana in Ahmedabad. She is associated with Bharati Vidyapeeth College of architecture since 2017. She has keen interest in the Sustainable Urban Development and Sustainable Housing.

S.No.	Name	Position	Photo	Short note
21	Asst. Prof. Himika Lakhanpuria	Asst. Professor		She completed her Bachelors in Architecture from Shri Mata Vaishno Devi University, Katra Jammu and Kashmir. She is a Recipient of the A'DESIGN Award and Competition in 2014 who went on to work with Architect Nuru Karim after her graduation and is associated with Bharati Vidyapeeth college of architecture since 2016.
22	Asst.Prof. Sumitra Kadam	Asst.Professor		Sumitra Kadam pursued her B. Arch degree from Rachana Sanad's Academy of Architecture, Mumbai in 2014 and Master of Urban and Regional Planning (MURP) Degree from CEPT University, Ahmedabad in 2017. She has received the Best Thesis Award in Housing Specialization in CEPT University in her final semester. She worked part-time as a research and teaching assistant during her Master's Course. She was positioned as a Zila Swachh Bharat Prerak under Tata Trusts in Swachh Bharat Mission. She is associated with Bharati Vidyapeeth College of Architecture from the last two and a half years. Her Research paper "Smart Solutions to incorporate dynamic Green Spaces in Urban Areas" was selected for 21st International Conference on Humane Habitat, 2019.

S.No.	Name	Position	Photo	Short note
23	Asst. Prof. Madhura Naik	Asst. Professor		Madhura Naik developed an inadvertent inclination towards digital content creation ever since her childhood which encouraged her to pursue learning and exploring graphic design which eventually pulled her towards architecture and design. She completed her Bachelors of Architecture from Pillai's College of Architecture, Navi Mumbai in 2015. To further delve into the idea of the evolution of architecture and advanced techniques, tools, and strategies, she completed her Masters of Architecture in Digital Architecture from MKSSS's Dr. Bhanuben Nanavati College of Architecture for Women, Pune in 2018. She has been a practicing architect, academician, and digital artist since 2015 and has contributed towards the architectural pedagogy in the capacity of faculty. Madhura has been closely associated with academics, having taught at BVCOA since 2018 and conducted parametric design & fabrication based workshops and elective courses. Her research interests are in advanced material sciences, computational techniques, and technologies, investigating the potential they hold within the realm of architecture, design, and urbanism.
24	Asst. Prof. Neha Pradhan	Asst. Professor		Neha Pradhan has been associated with BVCOA since 2018. She pursued her B.Arch from NIT, Nagpur and completed her Post Graduation in Advanced Construction Management (ACM) from National Institute of Construction Management and Research (NICMAR). She is also pursuing her M.Arch in Project Management. She has professional experience of working on various projects such as residential, commercial, valuation and conservation along with site execution for 3.5 years. Her research paper on ' <i>Factors Affecting Delay In Real Estate Projects In India</i> ' was published in ' <i>Journal of Construction Management: Contemporary Insights in Real Estate Management</i> '. She is actively involved in study of heritage with India Lost and Found (ILF) and also guided students for various architectural competitions.

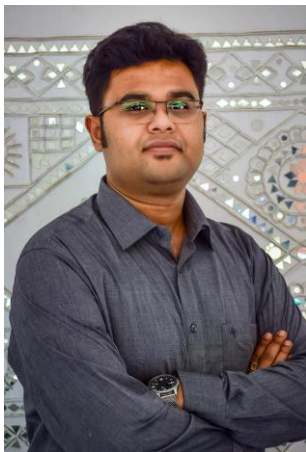

S.No.	Name	Position	Photo	Short note
25	Asst. Prof. Bhavika K. Jain	Asst. Professor		Bhavika Jain has been associated with Bharati Vidyapeeth College of Architecture, Navi Mumbai since 2018 as an Assistant Professor. She completed her Bachelors of Architecture from Nagpur University in 2013. She has professional experience of working on various projects such as residential, commercial, retail, and recreational with various architectural firms and developers in Nagpur, Chennai, Mumbai and Ahmedabad. She is also a recipient of an award for excellence by Vastushastra Education and Research Foundation in December 2015. She has keen interest in research and development in the field of Architecture and Project Management.
26	Ar. Anshul Rai	Asst. Professor		Ar. Anshul Rai has graduated from Integral University, Lucknow, in 2014 and did his post-graduation in Recreation Architecture from Jamia Millia Islamia, 2017. After gaining a year of experience in various fields like graphic designing, interiors and core architecture, he has been in academics since 2017. His interest in photography and open spaces has led him to conduct many workshops, one of which worked on Hampi with our BVCOA students to win the 'Best Short Architecture Movie Of the Year' award in 2ACAMA 2020, Vienna.
27	Asst. Prof. Ajinkya Vekhande	Asst. Professor		Architect Ajinkya Vekhande has been associated with BVCOA from 2019 as an Assistant Professor. He completed his Bachelors from Bharati Vidyapeeth College of Architecture, Pune in 2014. He worked with Abhikalpan Architects for two years before completing his Post Graduation from School of Planning and Architecture, Bhopal in 2019. He has keen interest in research in conservation of built environments and has presented his papers in two conferences in 2021. S.No.	Name	Position	Photo	Short note
30	Ar Nikhil Badrike	Asst. Professor		Nikhil Badrike is a practicing Architect Planner and educator. Currently working as Assistant Professor at Bharati Vidyapeeth College of Architecture, Navi Mumbai. He pursued his B. Arch degree from IES college of Architecture, Mumbai and Masters in Town and Country Planning from College of Engineering Pune. During his post graduation period, he has worked on research project Development along Metro corridor, Pune and Town Planning Schemes. He also has professional experience in residential, commercial and institutional buildings.
31	Ar. Sangam Namwad	Asst. Professor		Sangam Namwad is an Architect by Profession, with a Masters degree in General Architecture from JNEC College, Aurangabad in 2020 and Graduation degree from Rachana Sansad Academy of Architecture, Mumbai in 2016. He is an Practicing architect focusing on Institutions, Residential, Commercial and Redevelopment projects. He has completed a thesis on Redevelopment of Textile mill land in Mumbai in post graduation with publishing Research paper in International research journals. He is passionate towards Professional work, Teaching, workshops & seminar with Professional sports background.

S.No.	Name	Position	Photo	Short note
32	Ar.Aisha Siddiqui	Asst. Professor		An ambitious & enthusiastic professional, Ar. Aisha Siddiqui is embarking her way in the field of Academics. She holds M. Arch Degree in Sustainable architecture from Bharati Vidyapeeth deemed to be University, Pune and B.Arch from Rizvi College of Architecture, Mumbai. A detail-driven post-graduate, her believes dwell in utilising architectural concepts into personal expertise. Passionate for practicing sustainability principles within building construction with a strong focus on creation of a viable, safe, healthy & energy conserving environment. Having 3.5 years of field experience, her key interests lie in Research & Sustainable Development. She has been associated with GRIHA council during her internship and has published a paper on her research findings in IJSER.
33	Ar.Snehal Ghag	Asst. Professor		Snehal Ghag is an Architect and Urban Designer, graduated in the year 2013 from Asmita college of Architecture. She had practiced Architecture for 3 years with keen focus in housing and social environment. During this tenure, she worked extensively on redevelopment and few commercial projects in Mumbai. She completed her master's course in Urban Design from Kamla Raheja Vidyanidhi Institute for Architecture and Environmental, 2016-2018 and successfully completed her thesis on Slum redevelopment and it's issues. The part research of this thesis is published in a HUDCO publication- Shelter, Oct 2020 as a paper. She engaged in the projects like TOD oriented Station Development project, Street Design, Ecological corridor, large scale redevelopment after her master's course.

S.No.	Name	Position	Photo	Short note
34	Ar. Milind Bidave	Asst. Professor		<p>Ar.Milind Bidave has done M.Arch in project management from hiray college of architecture.Bandra ,Mumbai university</p> <p>B.Arch from bharati vidyapeeth college of architecture,Kharghar,Navi Mumbai</p> <p>Experienced in various field,Residential & Commercial project designing,Interior designing</p> <p>He has been in academics since 2014</p> <p>His interest in Sketching, teaching, Professional work, Conducting workshops.</p> <p>His research interest are in material science</p> <p>Paper published in (GJESRM) Global Journal Of Engineering Science & Research Management.2020.</p>
35	Ar. Pallavi Deshmukh	Asst. Professor		<p>Ar. Pallavi Deshmukh, is an Architect- Urban Environment Planner, who has completed her Masters in Urban and Regional Planning from CEPT University Ahmedabad in 2017 and bachelor's in Architecture from Pillai's College of Architecture, Navi Mumbai, in 2012. She has gained experience in a variety of fields ranging from core architecture to Landscape architecture to set designing. She has been associated with BVCOA since 2019 as visiting faculty and a full time faculty from 2020. Environmental Impact, Sustainability, Studying the Coexistence of various activities and their relationships, are some of her key interests.</p>

S.No.	Name	Position	Photo	Short note
36	Ar. Sourasis Barman	Asst. Professor		<p>Sourasis Barman (b. 1994), holds a first degree in Architecture, Master of Architecture (Conservation) with gold medal from School of Planning and Architecture, Bhopal. His research interests are in structural aspects of historical building, urban conservation, seismic assessment and strengthening of historical masonry, earthquake-resistant design and sustainable architecture. Worked as a junior architect in Auroville on the core concept of cost-effective & energy-efficient architecture.</p> <p>Worked as a project associate in National Centre for Safety of Heritage Structures, IIT Madras for post-earthquake assessment and stabilization of historical monuments. He has received several awards and commendations for excellence in research works and architectural thesis in the field of disaster responsive architecture and urban conservation. He is currently the founding director of CAA – UCR Kolkata (Centre for Architectural Advancement and Urban conservation Research).</p>
37	Ar. Anupama Tanaji Bagal	Asst. Professor		<p>Ar. Anupama Tanaji Bagal has done M.Arch in project management from Hira College of Architecture, Bandra, Mumbai University and B.Arch from L.S. Raheja College of Architecture, Bandra, Mumbai University. She is a practicing BMC licensed architect in Redevelopment projects under government scheme of 33(7), 33(10). She also worked in many renowned architect firms in Mumbai. She is passionate towards Professional work, Teaching, Management work and also has a Bharatnatyam dancing background.</p>

S.No.	Name	Position	Photo	Short note
38	Archana Agarkar	Asst Professor		<p>Graduate in Interior Design from KP.I.D. Kolhapur. Worked as a Lecturer at S.H.H.J.B.Polytechnic, Nashik. -2008-2011.</p> <p>Currently teaching at Bharati Vidyapeeth School of Interior Design and Decoration since 2015 and also at B.VOC .ID. Working as a freelance Designer since 2008.I strongly believe in active learning. Passionate about Art (watercolor floral illustrator). An Aesthete, loves to write, a Bibliophile, Selenophile and the one who loves the life deeply and lives it to the extreme.</p>
