WE DO OUR VERY BEST TO GET IT RIGHT

We take great care to check the accuracy of all information in our brochures and on our website. However, we cannot be responsible for inadvertent and unintentional errors and we reserve the right to correct them.

CLASS/CAMP CANCELLATIONS

REGISTER EARLY! The most common reason for class/camp cancellation is low enrollment. Every effort will be made to notify registrants that a class/camp has been cancelled. **NOTIFICATIONS OF CANCELLATIONS AND CHANGES ARE SENT VIA EMAIL.** Please recheck your profile online every time you register for accuracy. Any person registered in a cancelled class/camp will receive a full refund or may transfer to another class/camp in the current session. Birmingham Community Education reserves the right to cancel any class/camp due to insufficient registrations.

CLASS/CAMP CHANGES

Birmingham Community Education reserves the right to withdraw or change classes/camps, instructors or schedules; to revise tuition and fee structures; and to amend its policies as necessary for smooth and efficient operation.

FULL DAY CAMP COMBINATIONS AND KIDS CLUB OPTIONS

Create your day of fun...

mix and match with camps at Berkshire!

Campers (Grades K-8th grade) attending camps at BERKSHIRE MIDDLE SCHOOL FROM JUNE 27-AUGUST 12 have several options:

- Combine a morning (9 a.m.-12 p.m.) and afternoon (12:30-3:30 p.m.) camp to create a full day of camp activities with a supervised lunch.
- Add before (7:30-9 a.m.) and/or after (3:30-6 p.m.) Kids Club (latchkey), for an additional charge.
- Add open swim or swim lessons to your week, for an additional charge. (See below.)

The location of Kids Club is in the Berkshire Middle School Cafeteria. Kids Club activities will include arts and crafts, games, free time and outdoor play. Register online to enroll your child in Kids Club. Enrollment is limited. Drop-in Kids Club (latchkey) is not available. There is a late fee of \$25 for pickup between 6:00 and 6:15 p.m.; and an additional charge of \$2.00 per minute after 6:15 p.m. Repeated late pick-ups may result in loss of this service.

AM KIDS CLUB: 7:30-9 a.m. \$30/week (Week of July 5-8 - \$25/4 days)

PM KIDS CLUB: 3:30-6 p.m. \$40/week (Week of July 5-8 - \$35/4 days)

SUPERVISED LUNCH OPTION

Campers (Grades K-8th grade) attending camps at Berkshire Middle School from June 27-August 12 attending a morning (9 a.m.-12 p.m.) and an afternoon (12:30-3:30 p.m.) camp in the same week, may stay for supervised lunch (12-12:30 p.m.). Parents need to indicate the lunch option on your child's morning camp sign-in sheet when arriving at camp. Campers will need to bring their lunch and drink in a non-breakable container. There is NO food service onsite.

SUMMER FUN SWIM LESSONS AND OPEN SWIM INFORMATION

Choose swim lessons or open swim time for your children when it's too hot, hot, hot and you just want your children to cool off or learn to swim in the Berkshire Middle School pool! Swim lessons will be taught by our certified lifeguard staff. Students will be grouped by skill level with no more than 1:8 instructor to child ratio.

Swim lessons and open swim are open to children in grades in K-8. They do not have to be attending a camp to participate. Your child does have to be preregistered for the week at www.communityed.net. A parent/guardian must remain onsite during the open swim or swim lesson, if they are not attending a camp.

OPEN SWIM OPTIONS FOR GRADES K-8 BY THE WEEK • JUNE 27-AUGUST 12

Chess Wizards

Strategies for Life

CHESS WIZARDS (Grades K-6)

Chess Wizards is a fun way to have kids experience the excitement of chess. With half and full day classes, kids will play in mini tournaments, have interactive lessons with chess pros and play cool chess variants like bug house. It is proven that chess enhances cognitive development in children, improves both verbal and mathematical skills, and increases all levels of academic performance! Playing chess stimulates the mind and helps children strengthen skills such as focusing, visualizing goals, abstract thinking, and forming concrete opinions. Instructors (who are called "Wizards") provide all the materials necessary for your child to participate in the class and no additional purchase is required to attend. Snacks will be provided but full day kids should bring a lunch. All students will receive a trophy and wizards t-shirt. View video at <https://chesswizards.wistia.com/medias/le3o77dw21>. Come join the fun!!!

FUNUTATION TEKADEMY COMPUTER & ROBOTIC TEK LABS

ENRICHMENT CAMPS

Funutation Tekademy Prides itself on offering cutting edge programs that blend educational with FUN! Our programs satisfy the National Standards of TEAMS™: Technology, Engineering, Arts, Mathematics & Science, while developing team building skills. Students learn to be creative innovators and problem solvers while using technology effectively and productively.

Our mission is to help develop technologically literate students to give them the edge they need in our ever changing society. Students learn to be creative innovators and problem solvers while using technology effectively and productively. Instructors use motivational techniques that excite students and inspire them to succeed.

With a 14 to 1 student/teacher ratio Funutation is able to offer separate camps in the same week and give students the individual attention they need. Funutation instructors are seasoned teachers who will ensure that students get the most from the class. Students focus on the one topic they register for per week and are exposed to other options for the future. Campers must provide their own snacks and beverages.

Funutation...We put the FUN in education, one byte at a time! .

MAKING AN IPHONE GAME (Grades 2-5)

Tekkie use drag-and-drop methods to create games for iPhones and iPads using GameSalad. Add objects and sound. Implement scoring and award the winner! Kids gain the opportunity to acquire skills using our trademarked Funutation TEAMS® hands-on, inquiry-based model. Tekkies work in teams of two as they build, investigate, and discuss coding principles in action. Optional: Developer's License from Apple for \$99. Location: Berkshire Middle School, Room 111

M-F July 11-15 9am-12pm \$250

MAKING A SAMSUNG ANDROID GAME (Grades 2-5)

Create apps that appear live on your Android phone or tablet. Funutation teaches the basics of computer programming to create a drawing app and a Whac-a-Mole Game. Kids acquire tech skills using our trademarked Funutation TEAMS® hands-on, inquiry-based model. Tekkies work in teams of two to investigate and discuss coding principles in action. An Android phone or tablet is not required to take this camp as the games are developed on a computer. Location: Berkshire Middle School, Room 111

M-F July 11-15 9am-12pm \$250

NEW MINECRAFT MAGIC (Grades 2-5)

Tekkies create games with 3D models and battle against powerful enemies. Download and install mods and maps into your gaming masterpiece. Test the strength of your mods with Funutation. Kids acquire tech skills using our trademarked Funutation TEAMS® hands-on, inquiry-based model. Tekkies work solo as they investigate different ways to play Minecraft®. Make sure you have a Minecraft account prior to the first day of event. Bring your computer or rent ours for \$25 at www.funutation.com. Location: Berkshire Middle School, Room 111

M-F July 11-15 12:30-3:30pm \$250

MINECRAFT MODDLING WITH JAVA (Grades 6-9)

Create a game with 3D models and battle against powerful enemies. Implement modding into your gaming masterpiece using Java. Acquire resources and maintain health. There will be plenty of time to test your mods with other tekies. Kids acquire tech skills using our trademarked Funutation TEAMS® hands-on, inquiry-based model. Tekkies work solo as they investigate and discuss coding principles in action. Please have a Minecraft account prior to the first day of event. Bring your own computer or rent ours for \$25 at www.funutation.com. Location: Berkshire Middle School, Room 111

Create your day of fun... mix and match with camps at Berkshire!

Campers (Grades K-8th grade) attending camps at BERKSHIRE MIDDLE SCHOOL FROM JUNE 27-AUGUST 12 have several options:

- Combine a morning (9 a.m.-12 p.m.) and afternoon (12:30-3:30 p.m.) camp to create a full day of camp activities with a supervised lunch.
- Add Kids Club (latchkey), for an additional charge. (Page 2)
- Add open swim or swim lessons to your week, for an additional charge. (Page 2)

GAME CRAZY

ROBOTICS CAMP (Grades K-8)

Younger students (5-8 yrs) will learn the basics of engineering and programming by building soccer themed robots and playing soccer matches with other teams. Older students (9+ yrs) will participate in Game Crazy's Deep Space Terraformers program which transports students to a far off planet where they build robots to make that planet habitable by humans. Young campers learn to build autonomous robots which operate on their own to navigate the moons orbiting the planet in order to carry out easier missions before landing on planet Pantheon where they will carry out more advanced missions such as excavating lake water, plugging active volcanoes, crushing rocks and other such fun and educational missions. In the process, campers will learn about Science, Technology, Engineering and Math concepts in a "minds-on hands-on" environment. On the last day of camp, kids get to present what they have learned to their parents. Presented by Game Crazy. Location: Seaholm High School, Room C103

M-F June 20-24 9am-12pm \$160

NEW MINECRAFT REDSTONE CAMP (Grades 4-8)

Students will use the popular video game Minecraft to learn about electronic circuits, electricity and wiring in a fun, game filled environment. Redstone is a fictional element in Minecraft that can power all the things that your child creates - from doors, lamps, rail tracks to houses and much more. Students will learn the basics of powering their world using Redstone and learn to build amazing creations like password protected doors, a collapsing bridge, secret mazes and many other challenges that will get them thinking, learning and building! Along the way, your child will learn about electronic circuits, AND and OR gates, inverters, repeaters and much more! Presented by Game Crazy. Location: Seaholm High School, Room C103

M-F June 20-24 12:30-3:30pm \$160

MINECRAFT LUA PROGRAMMING CAMP (Grades 4-8)

Computer Science is an in-demand profession and programming is a core skill that is needed to succeed in this field. This class will get them learning Computer Science from an early age! Students will learn to program computers, monitors, modems and turtles in Minecraft with the easy-to-learn LUA programming language. Students will start by programming Turtles to carry out tasks using a simple drag and drop interface. As they progress through the class, they will review the underlying code to get an understanding of LUA programming constructs. They will then start writing LUA code to solve simple to moderately complex tasks using variable, loops and functions. All equipment will be provided. Students will not need to bring anything from home. Depending on class size, up to two students will be assigned to a laptop and each child will switch periodically to get enough play time. Game Crazy will only accommodate 30 kids in this class. So make sure you sign up soon - this class will be sold out! Presented by Game Crazy. Location: Berkshire Middle School, Room 111

M-F July 18-22 9am-12pm \$160

VIDEO GAME DESIGN CAMP (Grades 3-8)

Kids love playing video games. Now they can build their own! What better way to teach a child core STEM concepts than using a medium that has their full attention. Kids will immerse themselves in all aspects of video game design - from game ideation to storyboarding to the iterative development process of prototyping and testing. Kids also get to take home their video games! NOTE: Please have your child bring a 8GB USB flash drive to class every day so that they can take their animations home. Presented by Game Crazy. Location: Berkshire Middle School, Room 111

M-F July 18-22 12:30-3:30pm \$160

LEGO STOP MOTION ANIMATION CAMP (Grades 3-8)

Children are natural born storytellers. This gives them the medium to bring their stories to life. Using LEGO, kids learn how to develop an idea, create characters, story board scenes, build backgrounds, time sequence shots and put it all together with music and green screen effects to create their very own animated movie that they take home to show their parents! NOTE: Please have your child bring a 8GB USB flash drive to class every day so that they can take their animations home. Presented by Game Crazy. Location: Berkshire Middle School, Room 111

M-F August 1-5 9am-12pm \$160

NEW 3D PRINTING & PRODUCT DESIGN (Grades 6-8)

Discover 3D printing, different types of 3D printers and how 3D printing is changing our future. We'll follow the same processes an industrial designer goes through to create a product: Sketch your ideas out on paper, turn your sketch into a 3D model on the computer, and then bring your idea to life by 3D printing your 3D model. We'll also learn the "Design Thinking" process taught by Stanford University. Presented by Game Crazy. Location: Berkshire Middle School, Room 111

PULLBACK CAR FRENZY (Grades 1-8)

Build and keep your own motorized pullback cars! Pullback Car Frenzy is a popular STEAM enrichment class that develops problem solving and creativity as students build their very own motorized pullback cars specifically selected to fit each group's grade and building skill level. Students will build their own fleet of cars using a design pamphlet for each vehicle and become "junior engineers" challenged to design new creations using their BanBao car kits. Over the course of the class, students participate in activities and experiments, challenges and races designed to demonstrate science and engineering concepts and laws such as gravity, potential and kinetic energy. Students build different cars every time! BanBao kits are made of quality bricks that are comparable to and fully compatible with other major brands like Lego®. Students TAKE HOME EVERYTHING they build!

VIDEO GAME MAKING (Grades 3-8)

Create your own video games! Students will learn how to design and modify their very own exciting arcade-style video games from start to finish. They will learn how to create and control characters, objects, and outcomes in their games. Students can increase difficulty settings, add levels and more! The graphic design allows for easy game development and students will also explore graphic animation. No previous experience required, and advanced programming options are available. The video game making classes are not inherently sequential so they can be taken in any order, and classes are tailored toward beginner, intermediate and advanced skill levels. In addition to the week of class, this includes 7 weeks of online access to tutorials and program downloads. Email access and flash drive are strongly recommended. Students will create different games every time! Students TAKE HOME all programs, downloads and games they make! Location: Berkshire Middle School, Room 121

JUNIOR VEHICLE ENGINEERING (Grades 1-4)

Let's build some Lego® cars! In this exciting STEAM enrichment class, students will use design booklets and our special Lego® Education kits as they learn to build and then modify numerous vehicles. These vehicles include everyday vehicles, concept cars, construction machines, and more. Projects and discussions may include the design and creation of vehicles such as the race car, golf cart, old-time car, semi-truck with trailer, shopping cart, snow plow, stand-up scooter, three-wheeler, trick car, wheel barrow, or Zamboni. Once they have built a number of cars using the provided designs, students will also be challenged to design and build their very own creative vehicle using their imagination and the skills they have developed. Students strengthen their teamwork skills as they engage in groups of 2-3 students per kit.

BOYS EMPOWERED...
KIDS EMPOWERED!**

ENRICHMENT CAMPS

Girls and Boys Empowered/Kids Empowered has provided empowerment programs for thousands of children for over 17 years. Each camp is designed to focus on different self-esteem and confidence building activities, social skills, and practical strategies to deal with the issues kids face with their friends and classmates at recess, in the lunch room, in the hallways, and in LIFE! We teach the Kids Empowered curriculum through interactive games, role playing, crafts, poster activities, team building, and physical fitness. Each week has a different focus and themed activities. Further information at kidsempowered.com or 248-757-0912.

NEW THE EMPOWERED BOY'S TOOL BOX FOR THE KING OF THE PLAYGROUND (Ages 4 thru 5th Grade)

Focus: Develop playground social skills to manage unfriendly situations with boys who are always picking the team, making negative comments or excluding. Build social skills that help boys be connected by knowing how to manage playground sticky situations and how to join groups. The playground is where most adversity and sticky situations happen. Some boys tell others boys they run faster, throw further, and are better at this or that. Some boys pick the team and tell other boys they can't play or they have to be on the loser team. This camp will help boys build their toolbox of confidence, assertiveness, and strategies of typical situations that happen at recess. Boys will learn how to problem solve to be inclusive, deal with rule changers, and be a good winner and loser. Boys will learn words, tone of voice and how their body language should look. We will role play games (everything from tag to foursquare) and situations that happen at recess. Boys will learn frustration management techniques and coping skills to help them be calm in sticky situations so they can "act," not "react". Daily pool time for full day. Full day campers bring a snack, bag lunch and beverage in non-breakable container and a swim suit and towel. Half day campers should bring a snack and water bottle. Presented by Boys Empowered. Location: Berkshire Middle School: Grades 2-5 Room 107 / Ages 4-6 Room 110

Grades 2-5	M-F	June 27-July 1	9am-3:30pm	\$250
Ages 4-6	M-F	June 27-July 1	9am-12pm	\$150

LITTLE GIRL'S EMPOWERED: LET IT GO (Grades K-3)

Focus: Dealing with hurt feelings, frustration, and anger. Frustration and anger are normal human emotions. Many girls from an early age are bombarded with the message that anger is a negative thing. Girls face enormous social pressure to be "good" at all costs, a standard that makes it difficult to deal with anger in a healthy way or let a peer know it isn't ok to mistreat them. Often the reason girls don't let their classmate know is because they think saying something is being mean. Using the movie Frozen girls will have fun dancing and creating crafts that sparkle. Like Elsa girls will learn how to feel better when they are mad, how to handle conflict and grudges so girls can manage their feelings and not internalize their feelings or feel like they are being walked all over. Like Elsa they will learn to channel their power into something positive to be the girl they want to be. Camp includes role playing, fun games, sparkle crafts, and dance. Campers should bring a snack and water bottle. Presented by Little Girls Empowered. Location: Berkshire Middle School, Room 110

BOY'S LEADERSHIP CAMP (Grades 5-8)

Focus: Teaching leadership skills; what it means to be a leader in school, in our community, and in our world. Studies show that early experiences in life impact adult leadership potential. We develop leadership using five pillars: decision-making, responsibility, passion, creativity and direct communication. Guest speakers, team building, role playing, games, and creative activities will be used to teach leadership skills. Campers should bring a snack and water bottle. Presented by Boys Empowered. Location: Berkshire Middle School, Room 107

GIRLS EMPOWERED: INSIDE OUT (Ages 4 thru 5th Grade)

Focus: Managing emotions and having social skills to respond appropriately to social and family situations. Emotional regulation is our ability to manage our emotions in how we respond to situations. It is one of the most important predictors of success. If we do not have the tools in our tool box our emotional response may cause us to overreact in a negative way that impacts our self-esteem and confidence and in the future lead to depression, eating disorders and negative self-worth. Sometimes when we react emotionally we enflame a situation. We will use the movie Inside Out to teach girls healthy ways to deal with feelings. We will celebrate the things that give us joy. Girls will learn how to manage their emotions whether it is dealing with an unfriendly friend, a Queen Bee, a sibling, family issues or facing a fear they have. Developing our emotional regulation builds confidence in ourselves, helps us respond appropriately to social situations and problems, increases our emotional intelligence and helps us with friendships. Girls will have fun doing Inside Out themed crafts, poster activities and being physically active. Daily pool time for full day. Full day campers bring a snack, bag lunch and beverage in non-breakable container as well as a swim suit and towel. Half day campers should bring a snack and water bottle. Presented by Girls Empowered. Location: Berkshire Middle School: Grades 2-5 Room 107 / Ages 4-6 Room 110

Ages 4-6	M-F	July 11-15	9am-12pm	\$150

NEW BOYS EMPOWERED BUILDER'S TOOL BOX (Ages 7-11)

Focus: The power of words, teaching what and how to say it in all kinds of situations (annoying, conflict, standing up for yourself or others, expressing your feelings, using your manners, asking for help). Being able to communicate effectively is a critical social skill. Many kids do not have the appropriate words or tone of voice to deal with annoying situations, set their boundaries, manage a conflict, stand up for themselves, or express their feelings. Most kids do not realize the impact of negative self-talk. In this camp kids will have fun learning the power of words with building activities using legos, Jenga and other games, role plays, and physical fitness activities: what to say and how to say it. Campers should bring a snack and water bottle. Presented by Boys Empowered. Location: Berkshire Middle School, Room 110

BOYS EMPOWERED...
KIDS EMPOWERED!**

KIDS EMPOWERED

**NEW A BRILLIANT SCIENTIST'S
WORLD OF EMPOWERMENT
(Girls & Boys Grades 2-5)**

Focus: Increase social emotional intelligence and confidence. Social emotional intelligence is the capacity to be aware of, control, and express one's emotions. It is the ability to handle interpersonal relationships respectfully and empathetically. Social emotional intelligence is as important as academics. This camp will focus on increasing self-awareness, recognizing your own emotions and how they affect your thoughts and behavior, knowing your strengths and weaknesses, and building self-confidence. Using fun science experiments we will relate what happens in science to knowing ourselves, building our self-esteem and confidence. Kids will also have fun learning about how the brain responds to situations, how to calm their bodies and choose a response that is right for them instead of responding emotionally to a situation that may enflame a situation or leave them feeling powerless. Camp includes pool time, team building and games to build confidence and practice reactions to sticky situations. Bring a snack, bag lunch and beverage in non-breakable container as well as a bathing suit and towel. Presented by Kids Empowered. Location: Berkshire Middle School, Room 110

M-F July 18-22 9am-3:30pm \$250

**THE POWER OF ONE
(Girls & Boys, Grades 2-8)**

Focus: Showing kids they each have power to build people up, including themselves and make a difference in the world or tear people down including themselves. Having a purpose and being part of something that is bigger than one self increases empathy, self-motivation and helps us be connected to others which leads to confidence and self-esteem. Kids will learn to see the power in themselves and how they can use their power to make a difference. This camp is all about using one's power and influence to make an impact on the world. Kids will do hands on activities and learn about what different organizations and individuals are doing through various activities and speakers to make a difference. Kids will get a local and global view of the world on the issue of hunger and poverty. Camp will teach leadership skills, empathy, compassion, assertiveness and being empowered. Fun, games, and craft activities included! Daily pool time for full day. We will do a Kids Against Hunger packing, put together care packages for soldiers, make soap for Kenya, learn about animal rescue groups and hear from community leaders and teens who have used their power. At the end of camp parents and friends will be invited to attend an interactive presentation. Full day campers bring a snack, bag lunch and beverage in non-breakable container as well as a swim suit and towel. Half day campers should bring a snack and water bottle. **GIRLS EMPOWERED:
AMERICAN GIRL CREATIVE GIRLS
(Grades K-5)**

Focus: Being a creative person is not just for artists! Creativity is about expressing oneself. It is about trying new things and new ways of being. This camp will teach girls the creative process using the American Girl movie "Saige Paints the Sky", learning how to think outside the box, handle playground drama and learn the skills of problem solving, managing conflict and sticky situations with our friends and classmates. Developing the creative process builds confidence, helps us find out what our talents and strengths are, increases our positive emotion and helps us with friendships. The creative process helps us thrive by teaching us about who we are, what we love and what we can give to the world. Girls will have fun doing Creative Girl theme crafts, role playing, swimming, yoga & dance. Girls should bring their American Girl Doll or another doll, water bottle and snack. Presented by Girls Empowered. Location: Berkshire Middle School, Room 110

M-F July 25-29 12:30-3:30pm \$150

**NEW KIDS EMPOWERED:
FRIEND OR FOE
(Ages 4-5th Grade)**

Focus: Develop friendship skills and strategies for making friends, setting boundaries with frenemies.

Having friends is crucial to our children's emotional well being. One of the things that cause relational bullying to be so insidious is its under-the-radar nature. It is the silent treatment and invitations not given. It is unexplained cut-offs in friendship. Kids often don't know why their friend is no longer their friend -- yet the hurt, humiliation, and isolation are crushing. Knowledge is power. When kids know what relational bullying looks and feels like, they are better able to set boundaries with friends. Having healthy friendships is the practice for kids to have healthy adult relationships. Kids will learn the words to use when a friend says "I won't be your friend if....." or "you can't play with"..... or uses hurtful words. Kids will learn the social roles kids play, the do's and don'ts of a true friend and what it means to be a friendly classmate. Kids will role play, using movie clips, games, and poster activities to create a take home guide to friendship. Daily pool time for full day. Full day campers bring a snack, bag lunch and beverage in non-breakable container as well as a swim suit and towel. Half day campers should bring a snack and water bottle. **GIRLS EMPOWERED: YOGA GIRLS
(Ages 4-8th Grade)**

Focus: Develop coping skills and strategies for managing stress, worries and daily challenges. Girls are faced with immense pressure to be popular and the best at everything they do from sports to grades. Many girls feel overscheduled, pressured to look a certain way and feel if they don't measure up they are not good enough. Often girls are dealing with friendships that are hot/cold, lack loyalty and are cliquy. One wrong move and you aren't in the group. Many girls try so hard to fit in & please friends that they often give up who they are. We'll explore how yoga, meditation and self-care can promote better self-esteem, a greater sense of confidence and emotional balance. This week of camp will include daily yoga & address significant areas of stress for girls. Girls will get the benefits from yoga of strengthening their bodies & relaxing their minds while learning how to be grounded to deal with hot/cold friendships, trying to fit in and the pressure to be popular. We will look at journaling, music, creativity, the importance of building a supportive network, and everyday ways to cope with stress. Girls will walk away with the visuals to build a yoga toolbox full of empowering tools. Wear comfortable clothing & bring a Yoga mat/towel. Daily pool time for full day camp- bring a swim suit and towel. Full day campers bring a snack, bag lunch and beverage in non-breakable container. Half day campers should bring a snack and water bottle. Presented by Girls Empowered. Location: Berkshire Middle School: All day Room 107 / Half day Room 110

**BOYS EMPOWERED:
HOW TO TRAIN YOUR DRAGONS
(Grades 2-5)**

Focus: Managing emotions and having social skills to respond appropriately to playground situations, annoying classmates and siblings, and competition. Emotional regulation is our ability to manage our emotions in how we respond to situations. It is one of the most important predictors of success. If we do not have tools in our tool box our emotional response may cause us to act in a negative way or one that enflames a situation. This camp will teach boys how to identify problems, calm themselves and respond in a way that reflects who they want to be. We will use the movie How to Train Your Dragon to teach boys how to train their own dragons whether it is dealing with an unfriendly classmate, sibling or family issues, anxiety, anger or overreacting to situations. Boys will learn coping strategies to manage their emotions and the skills of dealing with winning and losing, annoying kids or siblings, unfriendly classmates and typical playground predicaments. SEWING
& FASHION DESIGN
CAMP
(Ages 7-14)**

Elena Victoria offers a fashion design and sewing camp for girls of all ages. Sign your daughter up for a week full of crafting, sewing, and fun! During this week, the girls will learn the fundamentals of sewing on machine and techniques by hand. The students use fashion sketches, mannequins, and fabrics to design their garments. All experience levels are welcome. Students will bring a new garment or craft home at the end of each day. The week will end with a fashion show that showcases all of their hard work and new designs! View photos from previous camps at www.elenavictoriadesigns.com. All materials and snacks are included. Materials consist of fabrics, trims, use of sewing machines, buttons, beads, treats and more. The girls are encouraged to bring their own sewing machines to practice on if they have one. Sewing machines are not required to participate in camp and will be provided if camper does not currently own one. Presented by Elena Victoria Winchester. Location Berkshire Middle School, Room 106

ENRICHMENT CAMPS

RATA2EE

RATA2EE COOKING CAMP (Ages 7-12)

Children learn healthy cooking skills, through fun and play, without the Chef Gordon Ramsey yelling! Each day of this 1-week camp, kids will make and eat a morning snack, get in some fun exercise activities, cook and eat a 3-course meal, learn basic gardening, play nutrition games, and end their day with yoga. Rata2ee teaches cutting techniques (with kid-safe knives), weights and measures, stove and kitchen safety, and sanitation. Kids also learn where food comes from and what makes a healthy plate. This well-rounded camp takes a holistic approach to healthy living. Sessions are taught by ServSafe Certified Chefs who already work within local schools. After registering, parents must sign a liability waiver for any child to attend. An email with the waiver form and other important information (like what to wear, what is ok and not ok to bring to the classroom) will be sent. All recipes are nut free; however, all allergies must be listed on the waiver form and will be followed up with a discussion with the chef prior to the session starting. Please note, there is no kids club (latchkey) available with this camp. Sessions are limited, so sign up NOW to get the week you want with your friends! Location: Seaholm High School, Room A001.

SKYHAWKS SPORTS ACADEMY

Skyhawks provides a wide variety of fun, safe and positive programs that emphasize critical lessons in sports and life, such as teamwork, respect and sportsmanship. Our programs are designed to give each child a positive introduction into sports while fostering a lifelong love for an active, healthy lifestyle. Our patient and knowledgeable staff use a variety of skill-building games and activities to give each athlete a complete understanding and overview of the sport. Since 1979 Skyhawks has taught over one million boys and girls life lessons through sports. Please view our website at www.skyhawks.com for further information.

MULTI-SPORT & GAMES (Grades 1-7)

Skyhawks Multi-Sport and Games program is a compilation of our favorite childhood recess and gym class activities. Participants will play Kickball; Capture the Flag, Dodge Ball and Frisbee Golf. In addition to learning the proper techniques and rules of these games, the children will be taught life lessons through these sports. This will include the importance of Sportsmanship, Leadership and Respect for their opponents, coaches and officials. Participants should bring appropriate clothing, two snacks, a water bottle, running shoes and sunscreen. Participants will receive a t-shirt and merit award. Location: Berkshire Middle School, Gym

SKYHAWKS GOLF (Grades K-7)

One of our most popular programs, Skyhawks Golf focuses on building the confidence of young athletes through proper technique and refining the essential skills of the game. As we know, golf is a challenging and lifelong sport, so young athletes need proper focus on the fundamentals of form, swinging, putting and body positioning. To assist in this training, Skyhawks has adopted the SNAG (Starting New At Golf) system which uses modified equipment to its curriculum developed by PGA professionals. SNAG is specifically designed for the entry-level player; SNAG simplifies instruction so that young players can make an easy & effective transition onto the golf course. No need to bring your own clubs, all equipment is provided. Participants should bring appropriate clothing, two snacks, a water bottle, running shoes and sunscreen. Participants will receive a t-shirt and merit award. Location: Berkshire Middle School, Gym

CHALLENGER SPORTS, BRITISH SOCCER CAMPS

Challenger Sports' British Soccer Camp is the most popular soccer camp in the country. Hundreds of Challenger coaches each year have helped develop one of the most innovative approaches to coaching youth soccer in the US. Our experienced staff study the game at all levels and we have identified the key techniques and skills that young players need to work on and master to reach their true potential. Each day includes individual foot skills, technical drills, tactical practices, small-sided games, coached scrimmages, and a daily World Cup tournament.

FIRST KICKS (Ages 3-4)

Our innovative camp curriculum introduces young players to the soccer basics through fundamental activities, games and fun challenges. We strive to create a perfect learning environment with maximum participation, lots of repetition and of course as much fun as possible. Your young campers will come away from the magical week not only with a better understanding of soccer, but with a true love for the game! Bring a water bottle. 2016 Camp Registration Information

REGISTER ONLINE at www.communityed.net: Registration begins February 15, 2016. Registrations are taken on a first-come, first-served basis. Receipts AND ALL CORRESPONDENCE are sent by email ONLY — please make sure we have your correct email address in your “Household” profile. REGISTER EARLY — SPACE IS LIMITED! Resident discount does not apply to summer camps.

NO REFUNDS ONCE A CAMP HAS STARTED.

There is no prorated fee for campers arriving after the start of the week or leaving before its completion. Cancellation and switching week fees will be assessed at \$10/per camper/per switch. Switching weeks may also limit availability. If camps are cancelled due to severe weather, power failure or other circumstances beyond our control, we regret that we cannot issue refunds.

Camp Location Changes

Birmingham Community Education reserves the right to change a camp’s location due to unforeseen building closures and scheduling changes.

Please Do Not Bring To Camp

Birmingham Public Schools and Community Education are NOT responsible for any item lost, stolen or broken during camp. Please leave the following items at home: personal video game players, cell phones, skate shoes (heelys), MP3 players/i-pods/lpads and computers. Please leave valuables at home!

Discipline Policy

Our camp provider’s policy is to create a safe, nurturing environment for campers and staff. Behavior that is emotionally or physically harmful, either to oneself, or another camper or a staff member will not be tolerated. If a camper is verbally or physically abusive, a warning will be given. This will be documented and the parents will be contacted. If the camper repeats the offense a second time, it will result in complete expulsion from summer 2016 programs. Absolutely no refund will be given. The camp reserves the right to immediately dismiss a camper under certain circumstances.

Extra-Special Attention

Please let us know if your child has special needs: i.e. physical, emotional, educational, or medical. Please call us at 248-203-3822. Advise us of any severe allergies or chronic illness. This includes information regarding food or airborne allergies. PLEASE select camps that will not trigger or aggravate a medical condition.

Medication

If your child requires medication during camp hours, it must be administered by staff and requires the completion of an “Administration of Medication Form.” This form is available on the homepage at the Community Education website: www.communityed.net. Bring the completed form (SIGNED BY YOUR PHYSICIAN), an attached picture of your child, and the medication to the first day of camp.

Daily Dismissal Information

Campers must be picked up promptly at camp dismissal time. PHOTO I.D. IS REQUIRED AT PICK-UP! For safety reasons, children will not be allowed to meet their parents in the parking lot. Campers who walk to and from camp must have a letter from their parent/guardian.

We Do Our Very Best To Get It Right.

We take great care to check the accuracy of all information in our brochures and on our website. However, we cannot be responsible for inadvertent and unintentional errors and we reserve the right to correct them.

Photography/Video Policy

Occasionally a photographer may take pictures of students for use in Birmingham Public Schools or local media publications. ***If you do not wish publication of a photograph of your child, it is YOUR responsibility to send a written request to the Community Education Office prior to the start of camp.***

Camp Cancellations

Register Early! The most common reason for cancellation is low enrollment. Birmingham Community Education reserves the right to limit the enrollment or cancel any camp or class due to insufficient registrations. Every effort will be made to notify registrants that a camp has been cancelled. ***Notification of cancellations are sent via email.*** Any person registered in a cancelled camp will receive a full refund or may transfer to another camp, if spots are available.

Notice of Nondiscrimination

The Board of Education is committed to maintaining a learning/working environment in which all individuals are treated with dignity and respect, free from discrimination and harassment. There will be no tolerance for discrimination or harassment on the basis of race, color, national origin, religion, sex, sexual orientation, marital status, genetic information, disability or age. The District prohibits harassment and other forms of discrimination whether occurring at school, on District property, in a District vehicle, or at any District related activity or event. The Superintendent will designate compliance officers and develop and implement regulations for the reporting, investigation and resolution of complaints of discrimination or harassment. The following people have been designated to handle inquiries regarding the nondiscrimination policies: Students - Inquiries related to discrimination on the basis of disability should be directed to: Executive Director of Special Education, 31301 Evergreen Road Birmingham, MI 48025, 248.203.3000. Direct all other inquiries related to discrimination to: Assistant Superintendent of Human Resources, 31301 Evergreen Road, Birmingham, MI 48025, 248.203.3000.

Injuries and Personal Property Damage and Loss

We are frequently asked: “Are my children or am I injured by Birmingham Public Schools in the event of injury while participating in a school district program?” A follow-up question is: “Does the district have insurance to protect personal property that I or my children may bring to school?” The answer is “no.” BPS does not provide insurance for injuries, damage, or loss of property. A State of Michigan statute grants the Birmingham Public School District and other public bodies (e.g., cities, villages, etc.) with immunity to tort liability. What this means is that because we are a public agency funded through tax dollars and we are providing a public service, we are not held liable in the event of injury or loss of property. The Board of Education has decided that the district should not use taxpayers’ tax dollars to provide for these risks. Your homeowner’s policy may cover property damaged or lost from the school premises (e.g., automobiles, bicycles, band instruments, calculators, etc.) WE ENCOURAGE YOU TO MAKE SURE THAT YOU HAVE ADEQUATE HEALTH AND PROPERTY DAMAGE/LOSS INSURANCE COVERAGE.

PLEASE NOTE:

WE CANNOT ACCOMMODATE GUESTS.
No Smoking, No Alcoholic Beverages
and No Animals in School Buildings
