

BIRTH OF A NEW BREED

How do you create the ultimate performance truck? You engineer it to thrive in the world's most brutal environments. To handle the most aggressive off-road driving. You create a whole new category of tough truck.

RAPTOR

BUILT TO BE PUNISHED

We designed Ranger Raptor's entire frame to be ultra-durable and to handle punishing surface drop-offs most other trucks simply can't survive. 283mm of ground clearance puts ample space between you and almost any off-road obstacle. A 32.5° approach angle, 24° departure angle, and 24° break-over angle help you tackle harsh gradients, and class-leading 850mm water wading makeslight work of epic river crossings.³.

More Top-End Power. More Bottom-End Torque The innovative Bi-Turbo diesel engine's two turbos work sequentially to deliver huge power and torque on demand.

10-Speed Auto Transmission

Ford's latest transmission technology works seamlessly with its turbocharged engine for improved power delivery and quicker gear changes. Tough Bed Spray-in Bedliner Ford's Tough Bed Spray-in Bedliner provides an industrial-strength, 2-part coating for long-lasting protection with a uniform, high-grip textured surface which helps minimise load slippage, gouging and scratching.

WELCOME TO THE WORLD OF FORD CONNECTIVITY

Every 2020.75MY Ranger Raptor will arrive fitted with an embedded modem. Using the FordPass App on your smartphone^{13.}, you can locate your vehicle, lock and unlock the doors, and even start the engine remotely to heat or cool the cabin to the last known setting.^{14.}

FordPass App appearance as at July 2020 with minimum iOS 12.0 software or later and compatible device.

SYNC[®]3 Apple CarPlay[™] & Android Auto^{™1.}

Ranger Raptor's voice-controlled SYNC®3 system keeps you connected, entertained, and on track. The 8-inch touchscreen features a unique start-up screen and supports functionalities like swipe and pinch-to-zoom.

Magnesium Paddle Shifters

High-quality magnesium paddle shifters on the perforated leather steering wheel allow for fast shifting without taking your hands off the wheel.

Race-Bred Suspension

Ranger Raptor's suspension system was calibrated to tackle tough terrain. Standard 2.5-inch FOX Racing Shocks deliver 30% more wheel travel compared to Ranger.

33-Inch BF Goodrich® Tyres

High-tech All-Terrain Tyres come standard, boasting a precise tread pattern, longer tread life, and 20% tougher side walls compared to standard factory tyres.

Body-Contoured Sports Seats

Ranger Raptor's purpose-built sports seats include unique head rests, enhanced bolsters and suede inserts for better body grip when driving off-road.

Huge Bash Plate

Ranger Raptor's underbody shield is mammoth. Its 2.3mm thick highstrength steel is designed to absorb the impact from almost any off-road event.

Ford engineers designed and calibrated Ranger Raptor to stringent Ford Performance standards. A cutting-edge Terrain Management System offers six pre-set driving modes to conquer virtually any terrain, at the push of a button.

FORD SERVICE BENEFITS

Our Commitment to You Convenience. Reliability. And no nasty surprises. That's what service should be. And that's exactly what Ford promises when you have your car serviced. Feel at ease knowing that your car is being serviced by factory trained technicians using specialised diagnostic equipment. After all, nobody knows your Ford better than we do. Speak to your participating Ford Dealer today about how we can help you make the most out of your vehicle experience.

This brochure details specifications and features of the 2020.75MY Raptoronwards Range. Some driver assistance features and safety features described in this brochure are designed to function using sensors, whose performance may be affected under certain weather or environmental conditions. Not all features will be available on the entire 2020.75MY Raptor onwards Range. Please visit our website www.ford.com.au formore information.

This brochure is designed to provide you with a general introduction to the Ford Products (including available optional equipment) referred to, and should be read in conjunction with the latest specification sheet. Image and Illustrations are for information purposes and are indicative only. Because of changes in conditions and circumstances Ford* reserves the right, subject to a lital papilicable laws, at any time, at its discretion, and without notice, to discontinue or change the features, designs, materials, colours and other specification on the and the prices of its products. And to either permeanity or temporarily withdraw any such products from the market without incurring any liability to any prospective purchasers. The latest specifications on the availability, ordering and use of features and optional equipment. Always consult an authorised Ford Dealer for the latest information with respect to features, specifications, prices, optional equipment and availability before deciding to place an order.
