5 Star Patient Review

"When Covid started Dr. Strong put surgical air replacement systems in all of her rooms. All of her staff are very careful about masking cleaning etc. I love that I can take care of my teeth and feel safe at the same time. Since I can't wear a mask when they're working on my teeth, I really appreciate that they wear two!!! This kind of attention to detail carries through and everything they do. I highly recommend Dr. Sharen Strong!"
