

Bluewater 420 Cruising

Introduction

The Bluewater 420 is probably one of the best cruising yachts ever built in Australia, with world class construction and fitout.

Footlose II is in excellent condition with an impressive inventory, and is ready to sail anywhere. Footlose II is an exceptional Bluewater built for an experienced pilot who believed in strength and seaworthiness of construction as well backup systems in a yacht that could take him anywhere in the world.

This is a yacht that has been maintained fastidiously and would represent an exceptional buy.
