THE NEW BMW i3 120Ah AND
THE NEW BMW i3s 120Ah.

CUSTOMER SPECIFICATION GUIDE
FROM NOVEMBER 2018 PRODUCTION

MODEL OVERVIEW.

i3 120Ah

Model Code: 8P22
125 kW / 250 Nm

Real World Driving Range:
up to 260 km
0 – 100 km/hr: 7.3 secs

i3s 120Ah

Model Code: 8P62
135 kW / 270 Nm

Real World Driving Range:
up to 260 km
0 – 100 km/hr: 6.9 secs

¹ Fuel consumption, CO2 emissions data, electrical consumption and range is based upon Combined Driving Test Cycle in accordance with ADR 81/02 on purpose built test vehicles. Actual figures will depend on many factors including traffic conditions, driving habits, prevailing conditions and your vehicle's equipment, condition and use. These figures should not be expected to be achieved in real world driving conditions and should only be used for comparing one vehicle with another.

Please contact your preferred authorised BMW dealer or BMW Group Australia for information on vehicles that are available for sale, and the various specifications and options of vehicles that are available.

While BMW Group Australia has endeavoured to ensure that all information, representations, illustrations and specifications contained in these materials are accurate at the time of publication (1 October 2018), the information is general in nature only. Product features, specifications, models and prices are subject to change without notice. The general information in these materials should always be read in conjunction with information from authorised BMW dealers. To the extent permitted by law, BMW Group Australia excludes all express and implied warranties or guarantees and all liability, whether direct, indirect, special or consequential, arising from negligence or otherwise relating to the use of these materials, any inaccuracies and for any noncompliance by any vehicle with any representation, illustration, specification, description, product feature, colour, or other information contained in these materials.

STANDARD EQUIPMENT.

i3 120Ah

Model Code: 8P22
125 kW / 250 Nm

Real World Driving Range:
up to 260 km
0 – 100 km/hr: 7.3 secs

POWERTRAIN AND TECHNOLOGY

- Type 2 CCS charging socket with up to 7.4kW 1-phase AC, 11kW 3-phase AC & 50kW DC charging capabilities
- Brake energy regeneration
- Brake-pad wear indicator
- Charger cable for occasional use, 5m, maximum power 1.8kW, stowage in cable box underneath engine-compartment lid
- Electric motor, 330V DC
- High-voltage battery, 42kWh nominal, 38kWh usable. Includes battery certificate (8 years/100,000km)

OPTION PACKAGES.

		i3 (120Ah)	i3s (120Ah)
Z1T	Enhancement Package		
Enhancement Package contents:			
	<ul style="list-style-type: none"> • Seat heating for driver and front passenger (494) • Adaptive LED Headlights incl. high beam assistant (552) • HiFi loudspeaker system harman/kardon (674) 	○	○

OPTIONAL EQUIPMENT.

2VB	Tyre pressure monitor , shows the exact air pressure at all times and automatically warns the driver of any loss of pressure. The system detects the air pressure of each tyre via sensor and transmits the values wirelessly to a control unit.	○	○
302	Alarm system , the doors, bonnet, and tailgate are monitored by an Alarm system with an anti-theft security system, as well as a tilt alarm, backup power siren and interior protection system.	○	○
403	Glass sunroof , with slide, lift, vent, and open functions provides fresh air and creates a welcoming, light-flooded atmosphere in the interior of the car – even when the glass roof is closed. Note: Deletes CFRP roof	○	○
420	Sun protection glazing , for the rear window and rear side windows which prevents the interior from heating up when exposed to direct sunlight.	○	○
494	Seat heating for driver and front passenger , provides warmth for the driver and front passenger at the push of a button. There are heating elements not just in the base of the seat, but also in the contact surfaces of the backrest. Adjustable to three levels, the seat heating offers rapid warming when starting the car.	○	○
4EA	Interior trim Fine-wood Oak Dark matt Note: Only available with 7KY or 7KZ	NCO	NCO
4EV	Interior trim Fine-wood Eucalyptus matt Note: Only available with 7KY or 7KZ	NCO	NCO
4FG	Seat belts, BMW i Blue for all 4 seats	○	○
4T9	Heat pump , uses the energy of ambient air in winter, just like the air conditioning does in summer. Up to 50% greater efficiency than a conventional heating system, therefore improving range at temperatures below +10°C. Selected interior temperatures are maintained by fully automatic switching between the electric heating and the heat pump.	○	○
552	Adaptive LED headlights , incl. high beam assistant, automatic switching on and off of the high-beam headlights depending on the traffic situation, cornering light using LED technology	○	○
674	HiFi loudspeaker system harman/kardon , 12 speakers, 7-channel digital amplifier, 360 W, with DSP technology	○	○
866	Language version simplified Chinese in the BMW iDrive interface , with English language available as an alternative language.	NCO	NCO

GENUINE BMW SERVICE.

When you buy a BMW, you can look forward to superb service and comprehensive customer care, with a network of dealerships Australia-wide ready to assist you at any time.

The intelligent BMW Condition Based Servicing (CBS) system monitors the individual components of your vehicle's service requirements and notifies you in advance when a service is due. In combination with BMW Teleservices, your vehicle then sends all relevant servicing data captured by CBS directly to your preferred BMW dealer.

Using the latest sophisticated BMW diagnostic tools, you can rest assured that your BMW will receive the highest level of attention from specialist BMW-trained technicians using only Genuine BMW Parts.
