51. A Warp in Time

256pp

After surviving an airplane crash in the Arctic, Molly, Yoshi and the rest of her friends meet a group of musicians who also crashed in the same area and have been camped out in the forest hoping for a rescue. They discover that there are more than just monsters in the rift.

"Wonderful character development and a plot filled with suspense. The new characters and plot lines are expertly woven into the already mysterious settings of the previous books. This book was wonderfully written, with your heart racing with every turn of the page." - Amazon

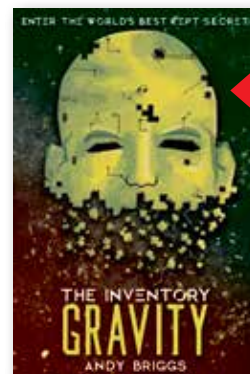

52. Gravity

288pp

Hidden under a small suburban town, The Inventory is a collection of the most incredible technology the world is NOT ready for: invisible camouflage, HoverBoots, indestructible metals and a giant battle robot just for starters. Lot's Dad is the mild-mannered curator of The Inventory, and he gets to see some CRAZY things. Immediately following Book One: The Collector may not have escaped with the Iron Fist, but he is now armed with another super-destructive weapon: Newton's Arrow. The powerful cannon sends a gravity wave anywhere on Earth and now it's being used to blackmail governments.

"Andy Briggs is an outstanding storyteller, one that takes you by the hand from the first page and pulls you deep into his awe-inspiring world. You find yourself racing from page to page, chapter to chapter, barely catching your breath, as you desperately navigate this incredible journey into the unknown." - Goodreads

53. Moonfleet

304pp

When young John Trenchard comes upon hidden treasure in the local crypt he is drawn in the sinister world of smugglers, who exercise their trade along the Dorset coast by the village of Moonfleet. Elzevir Block, innkeeper and master smuggler, takes the young man under his wing and soon John is leading a life more dangerous and thrilling than he could have imagined. But the law is closing in. Accused of murder, there is a price on John's head. The only option is to flee England at the cost of losing his sweetheart, Grace Maskew...

"Smugglers, betrayal, murder, love, it would be difficult to say what Falkner's late 18th Century tale of adventure doesn't have. Moonfleet equals Stevenson's or Twain's works although it's never quite received the same recognition." - Goodreads

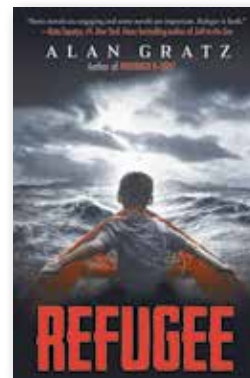

54. Refugee

352pp

Three different kids. One mission in common: ESCAPE. Josef is a Jewish boy in 1930s Nazi Germany. With the threat of concentration camps looming, he and his family board a ship bound for the other side of the world. Isabel is a Cuban girl in 1994. With riots and unrest plaguing her country, she and her family set out on a raft, hoping to find safety and freedom in America. Mahmoud is a Syrian boy in 2015. With his homeland torn apart by violence and destruction, he and his family begin a long trek toward Europe. All three young people will go on harrowing journeys in search of refuge. All will face unimaginable dangers – from drownings, to bombings, to betrayals. But for each of them, there is always the hope of tomorrow. And although Josef, Isabel, and Mahmoud are separated by continents and decades, surprising connections will tie their stories together in the end.

"Full of struggle, heroism, and non-stop adventure...terrific." - Kimberly Brubaker Bradley author of the New York Times bestseller and Newbery Honour Book *The War That Saved My Life*

"Powerful. Refugee is more than a story about children fleeing their homelands, it is a story about what unites us all: love, family and perseverance." - Christina Diaz Gonzalez, award-winning author of *Moving Target*

55. The Third Door

192pp

Three magic Doors you here behold. Time to choose: Wood? Silver? Gold? Listen to your inner voice. And you will make the wisest choice... Rye and Sonia have faced the heart-stopping perils of the land behind the Golden Door and the cold terrors that lurk behind the Silver Door as well. By a miracle, they have survived them both. But Weld is still under threat, and many questions remain to be answered. Rye knows what he has to do. One door remains a mystery – the ancient Wooden Door that he has been drawn to from the beginning. All he has to do is dare to go through it.

"Fabulously written conclusion to an engrossing and intriguing trilogy, an action-packed and exciting roller-coaster ride with enough chills and shocks to keep the most reluctant reader glued to the page." - Goodreads

56. The Jeweller of Rassylon

384pp

The brigand-lord Zhangfu has escaped with the precious Blue Jade, and is now being pursued across the wilderness by those who want it for themselves. Dillen, Koto and Tajni, sure that Zhangfu is seeking the mysterious Jeweller of Rassylon, consult a famed seer, whose information comes in the form of a riddle. They follow the clues to a remote village and to a potion-master who insists on joining the quest. But the Jeweller's hideout is well guarded. It is no longer just a question of reaching it before Zhangfu, Heito and the koorai. Reaching it alive will be the challenge...

"The inclusion of strong female characters in addition to the male leads broadens the appeal to all young readers." - Aussie Reviews

HOW YOU CAN BE A DUFFY PARENT

HELP THEM CHOOSE

When your child receives their Book Offer brochure you can ask them which books they like. It could be a favourite author, genre or a book to read together

GET EXCITED

When it's getting close to their Role Model assembly and book presentation kids love to see their parents are just as excited as they are. Talk about the books the children ordered and who their special Role Model is going to be.

TAKE SOME TIME OUT

When your child brings home their new books, ask if they would like you to read with them (or to them if they have just started school). Reading to your kids is a wonderful way to improve their reading and also a great way to spend time together.

GET INVOLVED

Find out when the school is having their Role Model Assembly, Duffy Theatre show or Mainfreight Award and join in the fun! Not only will these events give you a great insight into how the programme works in the school but it will give you some great things to discuss with your child afterwards.

GIVE THE GIFT OF READING

Every November you will receive \$5 Summer Reading catalogue from which you can choose books to give to your child at Christmas time for a price much lower than you would find in a bookstore. Receiving a book as a present from you tells your child that reading is something worthwhile.

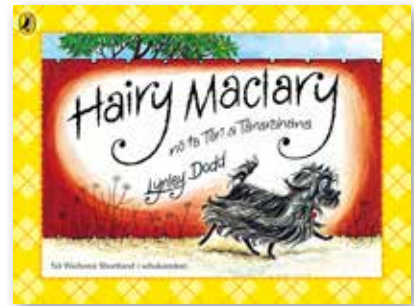

SUPPORT YOUR SCHOOL

Many schools are lucky enough to have the assistance of their parents in running the Duffy Books in Homes programme. You could offer to help label the books for a class, wrap the boxes of books in wrapping paper or even assist with the school's fundraising efforts. Any support you can offer the school is greatly appreciated.
