

# Books for MBBS/MD/DNB

	Name of the Book	Author	Price	Page
1	Textbook of Physiology (Set of 2 Vols.)	<i>Dr. A.K. Jain</i>	1450.00 (Set Price)	5
2	Complete Medical Physiology	<i>Dr. A.K. Jain</i>	995.00	5
3	Comprehensive MCQs in Human Physiology	<i>Dr. A.K. Jain</i>	495.00	5
4	Manual of Practical Physiology for MBBS	<i>Dr. A.K. Jain</i>	475.00	6
5	Human Physiology in Nutshell	<i>Dr. A.K. Jain</i>	375.00	6
6	Essentials of MD/DNB Physiology Practical Examination	<i>Dr. A.K. Jain</i>	625.00	6
7	Textbook of Medical Biochemistry	<i>Dr. S.K. Gupta</i>	995.00	7
8	Biochemistry for MBBS	<i>Dr. S.K. Gupta</i>	795.00	7
9	Biochemistry in Nutshell	<i>Dr. S.K. Gupta</i>	350.00	7
10	Manual of Practical Biochemistry for MBBS	<i>Dr. S.K. Gupta, Dr. Veena Singh Ghalaut, Dr. Anju Jain</i>	350.00	8
11	Essentials of Immunology	<i>Dr. S.K. Gupta</i>	595.00	8
12	Complete Human Histology (Textbook cum Workbook)	<i>Dr. Renu Prasad</i>	300.00	8
13	Histology Workbook	<i>Dr. Renu Chauhan</i>	250.00	9
14	Essentials of Genetics	<i>Dr. Renu Chauhan</i>	100.00	9
15	Surface and Radiological Anatomy — A Simplified Approach	<i>Dr. Renu Chauhan, Dr. Manpreet Gambhir</i>	150.00	9
16	Textbook of Microbiology	<i>Dr. C.P. Baveja</i>	795.00	10
17	Practical Microbiology for MBBS	<i>Dr. C.P. Baveja</i>	320.00	10
18	Essentials of MD/DNB Microbiology Practical Examination	<i>Dr. C.P. Baveja, Dr. V. Baveja</i>	450.00	10
19	Medical Parasitology	<i>Dr. C.P. Baveja, Dr. V. Baveja</i>	340.00	10
20	Microbiology in Nutshell	<i>Dr. C.P. Baveja, Dr. V. Baveja</i>	395.00	11
21	Textbook of Pathology for MBBS (Set of 2 Vols.)	<i>Dr. A.K. Mandal, Dr. Shramana Choudhury</i>	1795.00 (Set Price)	11
22	Practical Pathology (with viva-voce questions)	<i>Dr. Tejindar Singh, Dr. K. Uma Chaturvedi</i>	450.00	11
23	Textbook of Haematology	<i>Dr. Tejindar Singh</i>	595.00	12
24	Text and Practical Haematology for MBBS	<i>Dr. Tejindar Singh</i>	495.00	12

## Books for **MBBS/MD/DNB** contd...

	Name of the Book	Author	Price	Page
25	Complete Textbook of Medical Pharmacology (Set of 2 Vols.)	<i>Dr. S. K. Srivastava</i>	1350.00 (Set Price)	12
26	Essentials of MD/DNB Pathology Practical Examination	<i>Dr. Tejindar Singh, Dr. Gita Jayaram, Dr. Nita Khurana, Dr. Neha Singh</i>	750.00	13
27	Pharmacology for MBBS	<i>Dr. S. K. Srivastava</i>	995.00	13
28	Manual of Practical Pharmacology for MBBS	<i>Dr. Mukta N. Chowta , Dr. Ashok Shenoy, Dr. Ashwin Kamath</i>	250.00	13
29	MCQ's in Advanced Medical Pharmacology	<i>Dr. K.V. Ramesh</i>	80.00	13
30	Forensic Medicine & Toxicology for MBBS	<i>Dr. Anil Aggrawal</i>	795.00	14
31	Textbook of Forensic Medicine and Toxicology	<i>Dr. Anil Aggrawal</i>	995.00	14
32	Essentials of Forensic Medicine and Toxicology	<i>Dr. Anil Aggrawal</i>	795.00	14
33	Textbook of Forensic Medicine (Medical Jurisprudence and Toxicology)	<i>Dr. Ajay Kumar</i>	495.00	15
34	Textbook of Medicine for MBBS	<i>Dr. S.N. Chugh</i>	1450.00	15
35	Essentials of ECG	<i>Dr. Vipin Gupta</i>	125.00	15
36	Textbook of Obstetrics	<i>Dr. J. B. Sharma</i>	950.00	16
37	Textbook of Contraception	<i>Dr. Alka Kriplani, Dr. J. B. Sharma, Dr. Seema Singhal</i>	450.00	16
38	Textbook of E.N.T.	<i>Dr. Sharad Maheshwari, Dr. Subirendra Kumar</i>	250.00	16
39	Textbook of Dermatology	<i>Dr. S.B. Shrivastava</i>	495.00	17
40	MCQs in Respiratory Medicine	<i>Dr. B.L. Bhardwaj, Dr. Kanchan Bhardwaj, Dr. Aastha Miranpuri</i>	150.00	17
41	Practical Paediatric Neurology	<i>Dr. Veena Kalra</i>	450.00	17
42	Practical Spermatology	<i>Dr. B.S. Shah, Dr. N.R. Kalla, Dr. H.K. Verma</i>	250.00	18
43	Atlas and Text of Hematology (Set of 2 Vols.)	<i>Dr. Tejindar Singh</i>	2500.00	18
44	Hematopathology Atlas	<i>Dr. Tejindar Singh</i>	1240.00	18
45	Obstetric Anaesthesia	<i>Dr. Sunanda Gupta</i>	525.00	19
46	Radiological Procedures - A Guideline	<i>Dr. Bhushan N. Lakhkar</i>	260.00	19

	Name of the Book	Author	Price	Page
47	Concise Radiology for Undergraduates	<i>Dr. Bhushan N. Lakhkar, Dr. Chandrakant M. Shetty</i>	300.00	19
48	Concise Psychiatry for Undergraduates	<i>Dr. P.D. Garg, Dr. Aseem Garg</i>	180.00	19
<b>Books for BDS</b>				
49	Human Physiology for BDS	<i>Dr. A.K. Jain</i>	750.00	20
50	Manual of Practical Physiology for BDS	<i>Dr. A.K. Jain</i>	275.00	20
51	Biochemistry for Dental Students	<i>Dr. S.K. Gupta</i>	350.00	20
52	Manual of Practical Biochemistry for BDS	<i>Dr. S.K. Gupta, Dr. Veena Singh Ghalaut, Dr. Anju Jain</i>	200.00	21
53	Textbook of Microbiology for Dental Students	<i>Dr. C.P. Baveja</i>	550.00	21
54	Textbook of Pathology for BDS	<i>Dr. A.K. Mandal, Dr. Shramana Choudhury</i>	750.00	21
55	Practical Pathology and Microbiology (Dental Students)	<i>Dr. Tejindar Singh, Dr. C.P. Baveja Dr. K. Uma Chaturvedi, Dr. V.K. Sharma</i>	225.00	22
56	TB of Clinical Medicine for Dental Students	<i>Dr. S.N. Chugh, Dr. Anshul Chugh</i>	850.00	22
<b>Books for Nursing</b>				
57	Anatomy for B.Sc. Nursing	<i>Dr. Renu Chauhan</i>	325.00	23
58	Physiology for B.Sc. Nursing	<i>Dr. A.K. Jain</i>	350.00	23
59	Anatomy and Physiology for Nursing	<i>Dr. A.K. Jain, Dr. R.K. Suri</i>	400.00	23
60	Textbook of Microbiology for Nursing	<i>Dr. C.P. Baveja</i>	350.00	24
61	Microbiology for Diploma in GNM	<i>Dr. C.P. Baveja, Dr. V. Baveja</i>	88.00	24
62	Computer for Nursing	<i>Ranju Sood</i>	225.00	24
63	Psychology for Nursing	<i>Dr. S.K. Mangal</i>	375.00	24
64	Essentials of Psychology for Nursing	<i>Dr. S.K. Mangal</i>	150.00	25
65	नर्सिंग मनोविज्ञान	<i>डा० एस० के० मंगल</i>	260.00	25
66	नर्सिंग मनोविज्ञान के मूल तत्त्व	<i>डा० एस० के० मंगल</i>	125.00	25
67	Comprehensive TB of Pathology for Nursing	<i>Dr. A.K. Mandal, Dr. Shramana Choudhary</i>	350.00	26
68	Textbook of Genetics for Nursing	<i>Dr. S.N. Chugh, Dr. Kiran Chugh, Dr. Aashima Chugh</i>	150.00	26

	Name of the Book	Author	Price	Page
69	Food and Nutrition for Nurses	<i>Educational Planning Group</i>	150.00	26
70	Nutrition and Health for Diploma in Nursing	<i>Dr. A.K. Jain</i>	95.00	26
71	Textbook of Medical Surgical Nursing (2 parts)	<i>Dr. S.N. Chugh</i>	1480.00 (Set)	27
72	Medical Surgical Nursing for Diploma in GNM	<i>Dr. S.N. Chugh</i>	840.00	27
73	Midwifery and Gynaecological Nursing	<i>Dr. J.B. Sharma</i>	695.00	27

## Books for **MLT/OTPT**

74	Anatomy for MLT & Other Allied Courses	<i>Dr. Renu Chauhan</i>	80.00	28
75	Textbook of Physiology for MLT	<i>Dr. A.K. Jain</i>	350.00	28
76	Concise Practical Physiology for MLT	<i>Dr. A.K. Jain</i>	100.00	28
77	Manual of Practical Physiology (for Physical Therapy, Occupational Therapy, MLT and Other Allied Courses)	<i>Dr. A.K. Jain</i>	300.00	29
78	Textbook of Microbiology for MLT	<i>Dr. C.P. Baveja, Dr. V. Baveja</i>	395.00	29
79	Practical Microbiology (for MLT, Physical Therapy, Occupational Therapy and Other Allied Courses)	<i>Dr. C.P. Baveja</i>	75.00	29
80	Human Physiology and Biochemistry (for Physical and Occupational Therapy)	<i>Dr. A.K. Jain</i>	795.00	30
81	Textbook of Microbiology for Physiotherapy	<i>Dr. C.P. Baveja, Dr. V. Baveja</i>	375.00	30

## Books for **Pharmacy/BAMS/Homeopathy** and Other Useful Books

82	Human Anatomy & Physiology for Pharmacy	<i>Dr. A.K. Jain</i>	400.00	31
83	Basic Anatomy and Physiology	<i>Dr. A.K. Jain</i>	400.00	31
84	Basic Life Support	<i>Dr. Rakesh Kumar, Dr. S.D. Sharma</i>	200.00	31
85	Handbook for MRCOG Part 2 Examination	<i>Dr. Pakhee Aggarwal, Dr. Sanjeev Sharma</i>	175.00	31
86	Forensic Medicine & Toxicology for Homeopathy	<i>Dr. Anil Aggrawal</i>	695.00	32
87	Forensic Medicine & Toxicology for Ayurveda	<i>Dr. Anil Aggrawal</i>	695.00	32

# Books for MBBS/MD/DNB

## Textbook of Physiology (Volumes I and II) (Seventh Edition)

The new edition of the book in two volumes attempts to provide a complete and in-depth coverage of the subject for students in various disciplines of the medical profession.

The salient features of the book are as follows:

- The entire text (including figures) has been thoroughly revised and updated for all the units. Moreover, specific learning objectives have been added for the students.
- The textbook contains 200 tables, more than 1400 study questions, about 2400 MCQs and around 800 figures including flow charts.
- New and modern concepts have also been simplified and incorporated in the book along with many clinical pictures for better understanding of the clinical concepts.
- More study questions (including MCQs) have been added at the end of each chapter along with many long-structured questions that are useful for undergraduate students.

**Volume I** includes General Physiology, Blood, Nerve, Muscle Physiology, The Digestive System, The Cardiovascular System (CVS), The Respiration System and The Excretory System.

**Volume II** includes Metabolism and Nutrition, The Endocrine System, The Reproductive System, The Nervous System and The Special Senses.

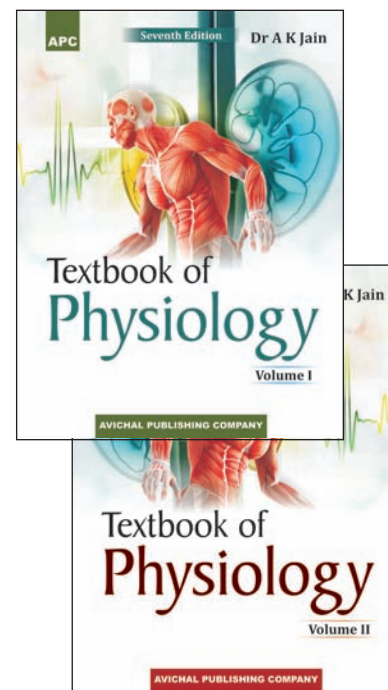

**Dr. A.K. Jain** Formerly Head, Deptt. of Physiology at Maulana Azad Medical College, New Delhi.

Dr. Jain has been teaching Physiology for the last forty years. Apart from Maulana Azad Medical College, New Delhi, he has also worked in other institutions of repute like the All India Institute of Medical Sciences (AIIMS), New Delhi and Lady Hardinge Medical College, New Delhi.

Dr. Jain has published a number of papers in various reputed scientific journals and has authored numerous books in the subject of Physiology for students in health related professions 'viz' MBBS, MD, Dentistry, Nursing, Occupational and Physical Therapy and Pharmacy. He has unique distinction of being honoured with many prestigious awards.

**ISBN :** 978-81-7739-530-3 (Set) **Price :** 1450 (Set of two volumes) | **Pages :** 596 (Vol I) & 528 (Vol II) |

**Seventh Edition :** 2017

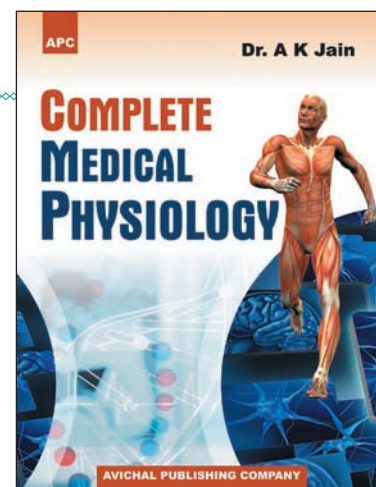

## Complete Medical Physiology

The book **Complete Medical Physiology** attempts to summarize the current state of knowledge about the functional organization of the human body. It provides the fundamental principles and underlying facts of human physiology for students in various disciplines of the medical profession. Study questions at the end of each chapter have been included as per guidelines issued by the Medical Council of India (MCI). Applied aspects of clinically related topics have also been discussed.

**Dr. A.K. Jain** Formerly Head, Department of Physiology, Maulana Azad Medical College, New Delhi.

**ISBN :** 978-81-7739-505-1 | **Price :** ₹ 995 | **Pages :** 784 | **First Edition :** 2016 | **Reprint :** 2018

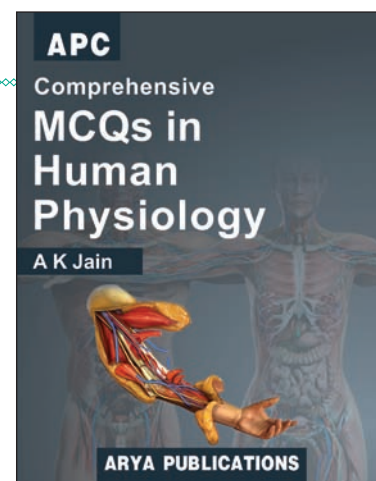

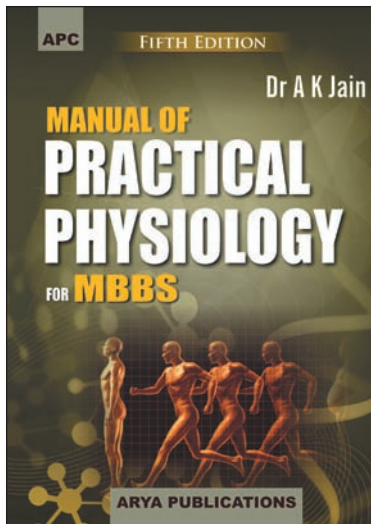

## Comprehensive MCQs in Human Physiology (Second Edition)

This book, based on Dr. A.K. Jain's **Textbook of Physiology** (in two volumes), provides complete coverage of the subject for students in various disciplines of the medical profession. Its salient features include: the answer key at the end of each chapter for convenience, cross references for consolidating concepts, emphasis on the concept itself to facilitate answering questions of any level and a wide range of MCQs pertaining to applied aspects of clinically related topics. Frequently asked questions (FAQs) in various competitive examinations have also been included. A list of topics covered has been given at the beginning of each unit for proper orientation.

**Dr. A.K. Jain** Formerly Head, Department of Physiology, Maulana Azad Medical College, New Delhi.

**ISBN :** 978-81-7855-192-6 | **Price :** ₹ 495 | **Pages :** 536 | **Second Edition :** 2015 | **Reprint :** 2018

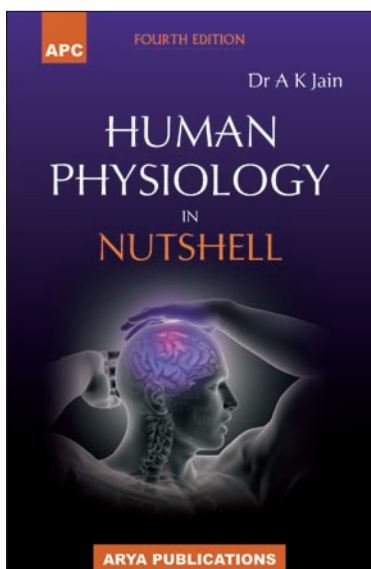

## Manual of Practical Physiology for MBBS (Fifth Edition)

The book **Manual of Practical Physiology for MBBS** is according to the new curriculum policy of the Medical Council of India (MCI) for MBBS students. This book is a medium to train students to think logically and analyse complex problems. It is application-based in nature and will help students in their Physiology practical examinations. More number of practicals on human physiology have been included and their applications to clinical medicine have been stressed. Practical not included under the MCI guidelines for undergraduates have been deleted. Over 328 well-labelled diagrams, pictures and graphs/records depicting analysis and reasoning questions and viva-voce questions with answers have been included. The Objective Structured Practical Examination (OSPE) has also been mentioned in separate boxes at the end of some experiments. A list of frequently asked spots in the examination has been placed at the end of the book in a separate appendix.

**Dr. A.K. Jain** Formerly Head, Department of Physiology, Maulana Azad Medical College, New Delhi.

**ISBN :** 978-81-7855-741-0 | **Price :** ₹ 475 | **Pages :** 355 | **Fifth Edition :** 2016 | **Reprint :** 2017

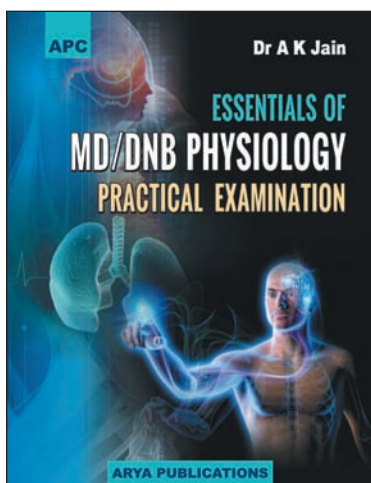

## Human Physiology in Nutshell (Fourth Edition)

This book is exclusively meant for the first year MBBS students for quick revision of the subject just prior to the theory and viva-voce examinations. The material is presented point-wise. It covers the subject in a nutshell without loss of the conceptual text. Frequently asked questions (FAQs) given separately at the end of each unit help to attempt the short-answer questions. It is a handy and student-friendly book that makes learning of the subject interesting. This edition is upgraded with more flow charts and tables. Information on new topics such as yoga, uremia and dialysis therapy have also been added.

**Dr. A.K. Jain** Formerly Head, Department of Physiology, Maulana Azad Medical College, New Delhi.

**ISBN :** 978-81-7855-588-1 | **Price :** ₹ 375 | **Pages :** 294 | **Fourth Edition :** 2018

## Essentials of MD/DNB Physiology Practical Examination

The book emphasises on the need for quantitative as well as qualitative improvements in human physiology experiments along with its clinical correlates. It has been prepared according to the new curriculum policy of the Medical Council of India (MCI) for MD and DNB students. The book provides basic information about physiology experiments as well as their application in clinical medicine. Well-labelled diagrams, pictures and graphs/records have been provided. Important viva-voce questions with answers at the end of each practical have also been given. A list of frequently asked spots have been placed in a separate index.

**Dr. A.K. Jain** Formerly Head, Department of Physiology, Maulana Azad Medical College, New Delhi.

**ISBN :** 978-81-7855-745-8 | **Price :** ₹ 625 | **Pages :** 447 | **First Edition :** 2016 | **Reprint :** 2018

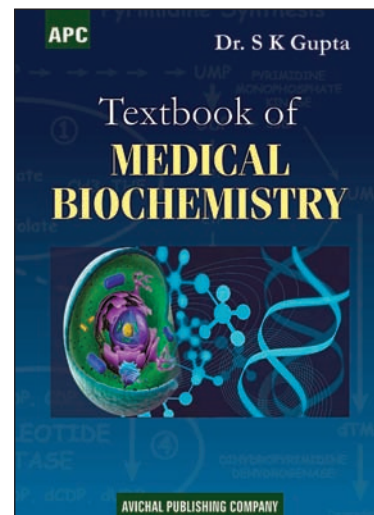

## Textbook of Medical Biochemistry

**Textbook of Medical Biochemistry** presents a clear and comprehensive account of the subject for students, both at the graduate and the postgraduate levels. Necessary details have been given to help in the process of concept-building. It has been very well-illustrated with coloured diagrams for good understanding.

Basic subject has been well-correlated with clinical situations. This has been presented in the form of clearly highlighted coloured boxes marked as clinical focus. These boxes have been suitably juxtaposed with the basic information for easy correlation. The book also provides a good overview of molecular biology and immunology which are the frontiers of biochemistry. The subject matter has been updated with the latest information to meet the requirements of the students. The author has used his long teaching experience to make this book easy and useful for all aspiring doctors.

**Dr. S.K. Gupta** (M.D.), Former Director Professor, at Maulana Azad Medical College, New Delhi. He has been teaching medical biochemistry to B.D.S., M.B.B.S., and M.D. students for over thirty-five years. He is very well aware of the students' requirements as he has been an examiner for many universities for MBBS and MD examinations and an expert in interview boards for the appointment of residents and faculty positions.

**ISBN :** 978-81-7739-440-5 | **Price :** ₹ 995 | **Pages :** 915 | **First Edition :** 2014 | **Reprint :** 2017

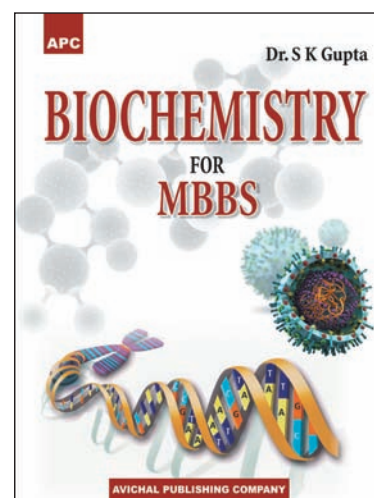

## Biochemistry for MBBS

**Biochemistry for MBBS** has been written keeping the MCI syllabus and the needs of MBBS students in mind. The core subject and new emerging areas like molecular biology, cancer, genetic engineering, molecular immunology, etc. have been given due representation. The basic information has been correlated with clinical medicine and highlighted as coloured boxes, labelled 'clinical focus'. The entire text has also been profusely illustrated with coloured diagrams, tables and flow charts for easy understanding and learning. Every effort has been made to make the book attractive and student friendly without compromising on the core subject.

**Dr. S.K. Gupta** (M.D.), Former Director Professor at Maulana Azad Medical College, New Delhi. He has been teaching medical biochemistry to B.D.S., M.B.B.S. and M.D. students for over thirty-five years. He is very well aware of students' requirements as he has been an examiner for many universities for MBBS and MD examinations as well as an expert in interview boards for the appointment of residents and faculty positions.

**ISBN :** 978-81-7739-508-2 | **Price :** ₹ 795 | **Pages :** 621 | **First Edition :** 2016 | **Reprint :** 2017

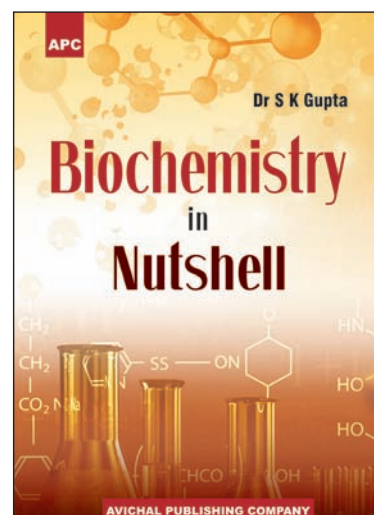

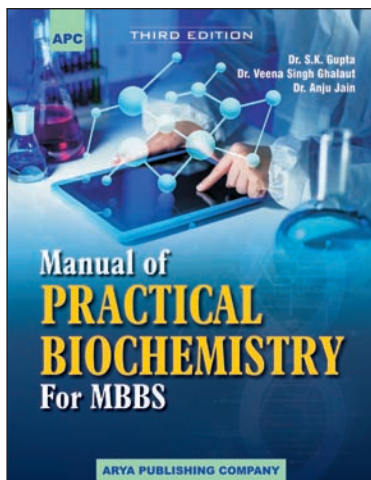

## Biochemistry in Nutshell

This is a brief and concise book of biochemistry for students across all medical courses. It presents the subject in a logical and sequential manner with adequate details. Large number of coloured diagrams, flow charts, tables, etc. have been given in the book for clear visualisation and understanding. The core areas of biochemistry like metabolism, enzymes, nutrition, etc. along with new areas like cancer, genetic engineering, molecular immunology, etc. have been given due emphasis. The clinical correlations have also been highlighted in separate coloured boxes to emphasize the relevance of biochemistry in clinical medicine. Every effort has been made to make the book attractive and student-friendly without compromising on the core subject.

**Dr. S.K. Gupta** (M.D.), Former Director Professor at Maulana Azad Medical College, New Delhi.

**ISBN :** 978-81-7739-526-6 | **Price :** ₹ 350 | **Pages :** 305 | **First Edition :** 2017 | **Reprint :** 2018

## Manual of Practical Biochemistry for MBBS (Third Edition)

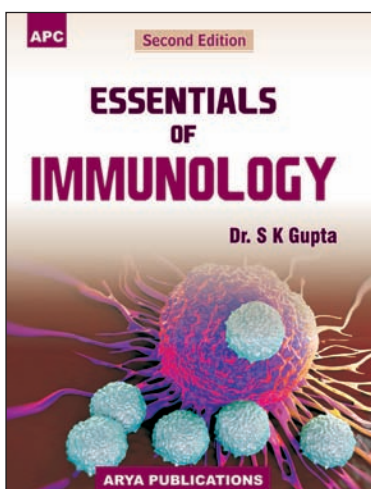

The manual has been written according to the MCI syllabus of practical biochemistry for first year MBBS students. All practicals are based on standard methods which can be easily reproduced. Complete details of practicals including preparation of reagents are given. Nineteen cases of Clinico-Biochemical History have been given for the benefit of the students. Clinical significance of each practical has been adequately explained. The manual can be used for observations, calculations and results, hence, there is no need for a separate practical notebook. It covers the various aspects of biochemistry including the role of clinical biochemistry in patient care.

**Dr. S.K. Gupta** Former Director Professor, Department of Biochemistry, Maulana Azad Medical College, New Delhi.

**Dr. Veena Singh Ghalaut** Professor and Head, Department of Biochemistry, Pt. B.D. Sharma Postgraduate Institute of Medical Sciences, Rohtak (Haryana).

**Dr. Anju Jain** Director Professor, Department of Biochemistry, Lady Hardinge Medical College, New Delhi.

**ISBN :** 978-81-8296-351-1 | **Price :** ₹ 350 | **Pages :** 218 | **Third Edition :** 2017

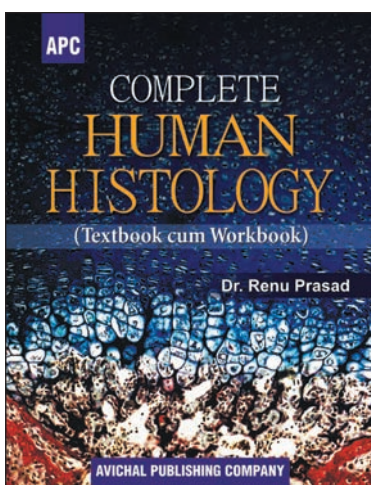

## Essentials of Immunology (Second Edition)

The book provides a clear, comprehensive and concise account of immunology. This edition has undergone changes in almost all chapters and many have been rewritten to incorporate a new way of understanding concepts. The most striking feature of this new edition is that it is fully coloured. All diagrams have been improved and many new diagrams have been added. This has helped in giving a detailed account of various aspects without any confusion. Many important concepts and clinical correlations and conditions have been highlighted in coloured boxes. The subject matter in the book has been arranged in a sequence to gradually build the concepts along with adequate illustrations, tables and flowcharts. A summary at the end of each chapter gives the important facts for recapitulation.

**Dr. S.K. Gupta** Former Director Professor, Department of Biochemistry, Maulana Azad Medical College, New Delhi.

**ISBN :** 81-7855-763-2 | **Price :** ₹ 595 | **Pages :** 374 | **Second Edition :** 2017

## Complete Human Histology (Textbook cum Workbook)

Histology forms an integral part of Anatomy. This book, written in simple and lucid language, will be helpful for both undergraduate and postgraduate medical students in Anatomy and Pathology.

The diagrams given in the book are simple sketches representing histological features emphasizing every minute detail of the cells and the nuclei. They can be easily reproduced by students during the examinations.

This textbook can also be used as a workbook. Unlabelled diagrams and blank pages have been provided to practise labelling and drawing diagrams.

This book is also useful for B.D.S., BHMS, B.Sc. Nursing and Paramedical students.

**Dr. Renu Prasad** Professor and Head, Department of Anatomy, Rajendra Institute of Medical Sciences, Ranchi. She has teaching experience of more than 31 years. She was the Editor-in-Chief of her college magazine for several years and some of her articles were published in the college magazine.

**ISBN :** 978-81-7739-484-9 | **Price :** ₹ 300 | **Pages :** 176 | **First Edition :** 2016

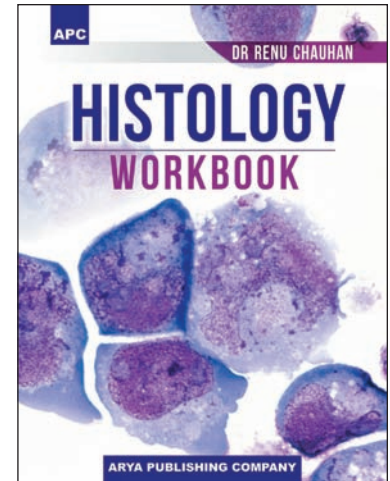

## Histology Workbook

This workbook has been prepared to simplify the difficult subject of Histology for students. The content of this workbook has been kept simple yet lucid. Majority of the figures used in this workbook are actual photographs of slides as seen by students through the microscope. This book is also useful for B.D.S., BHMS, B.Sc. Nursing and Paramedical students.

**Dr. Renu Chauhan** Associate Professor, Department of Anatomy, University College of Medical Sciences and Guru Teg Bahadur Hospital, Delhi.

**ISBN :** 978-81-8296-575-1 | **Price :** ₹ 250 | **Pages :** 128 | **First Edition :** 2016

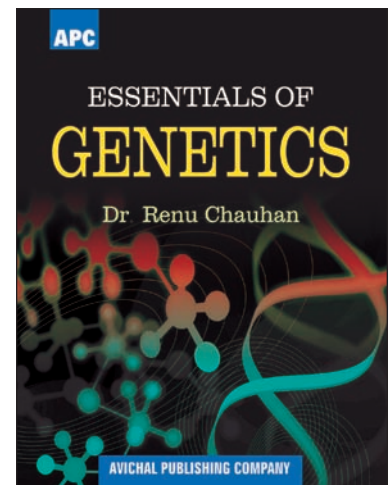

## Essentials of Genetics

This book aims at providing the MBBS and allied health sciences students with the basic concepts of genetics. Frequently asked topics in examinations have been included and unnecessary details have been avoided. While important topics have been discussed at length, other infrequently asked topics have also been covered. Efforts have been made to use simple English language throughout this book so that the text can be readily understood. Coloured illustrations have also been added so as to enhance and facilitate readers' understanding of the pertaining text.

A sincere attempt has been made to make the text concise and lucid. Chapters such as Dermatoglyphics, Prenatal Diagnosis and Important Techniques in Genetics have also been dealt with, in order to keep pace with the recent developments.

**Dr. Renu Chauhan** Associate Professor, Department of Anatomy, University College of Medical Sciences and Guru Teg Bahadur Hospital, Delhi.

**ISBN :** 978-81-7739-401-6 | **Price :** ₹ 100 | **Pages :** 86 | **First Edition :** 2014 | **Reprint :** 2017

## Surface and Radiological Anatomy — A Simplified Approach

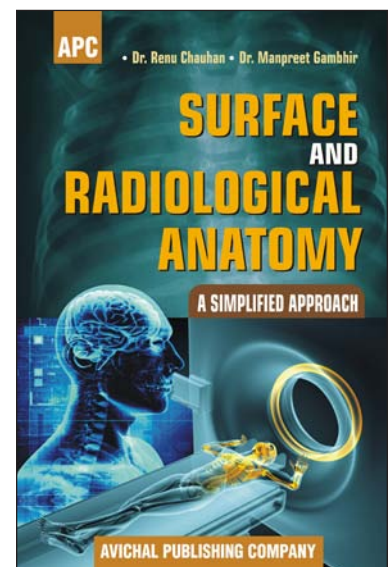

The book has been prepared keeping in view the needs of undergraduate MBBS, Dental and BSc (Radiology) students. A wide range of modern imaging techniques including Radiographs, Angiograms, Computed Tomography and Magnetic Resonance Images have been showcased with an excellent collection of relevant material.

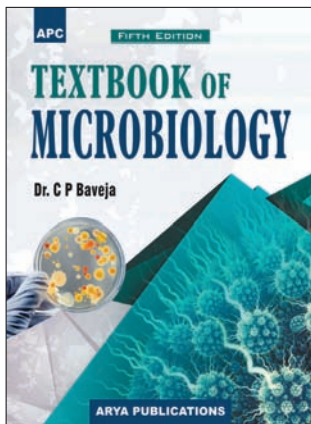

A special effort has been made to keep the language simple and lucid without compromising on the informative and communicative contents. The book should be useful to a wide array of readers including students and teachers from diverse medical fields.

**Dr. Renu Chauhan** Associate Professor, University College of Medical Sciences, Delhi.

**Dr. Manpreet Gambhir** Consultant Radiologist at SRL Diagnostics, New Delhi.

**ISBN :** 978-81-7739-443-6 | **Price :** ₹ 150 | **Pages :** 144 | **First Edition :** 2014 | **Reprint :** 2018

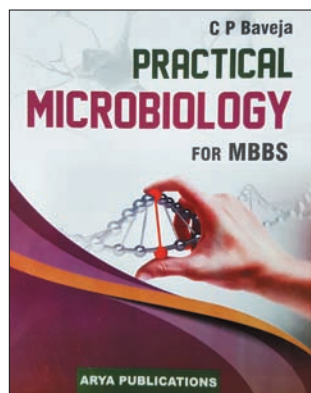

## Textbook of Microbiology (Fifth Edition)

This edition has been updated and thoroughly revised to include new medically-relevant features.

*This book includes:* • Real colour plates, well-labelled diagrams and tables • Latest developments and new concepts • Laboratory diagnosis of each topic • Concise introduction to Mycology • Biomedical Waste Management techniques • Clinical Microbiology emphasising the role of microbiology in patient care • Key points at the end of each chapter for easy and quick recapitulation • Multiple Choice Questions (MCQs) for better understanding of the subject.

**Dr. C.P. Baveja** Director Professor and Head, Department of Microbiology, Maulana Azad Medical College, New Delhi. He has been teaching Microbiology for the last twenty five years. He was awarded Gold medal during his postgraduation and honoured with the Best Medical Educationist award in the year 2000. He was awarded an International Fellowship at the Royal Postgraduate Medical School (RPMS) and Hammersmith Hospital, London (U.K.). He was also invited to participate in the international conferences at Gothenburg, Sweden, Geneva, Switzerland, Bangkok and Thailand for presentation of his scientific research work.

**ISBN :** 978-81-7855-640-6 | **Price :** ₹ 795 | **Pages :** 672 | **Fifth Edition :** 2015 | **Reprint :** 2017

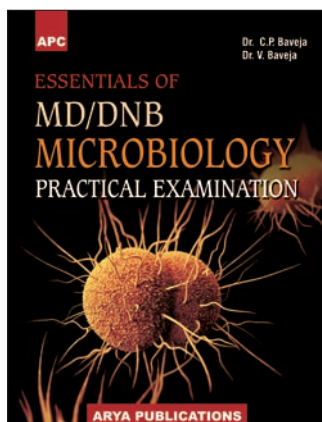

## Practical Microbiology for MBBS (Fourth Edition)

The book has been thoroughly revised and written in a simple language making it user-friendly and easy to understand.

*It includes:* • Working steps of each practical in order to enable a beginner perform the exercises independently • Identification schemes for different bacteria in the form of flow charts for quick recapitulation • Colour plates and diagrams of spots depicting their salient features to get concrete knowledge of the subject at a glance • Chapters on 'Sterilisation and Disinfection', and 'Antimicrobial Sensitivity Testing' emphasising their role in Clinical Microbiology.

**Dr. C.P. Baveja** Director Professor and Head, Department of Microbiology, Maulana Azad Medical College, New Delhi.

**ISBN :** 978-81-7855-273-6 | **Price :** ₹ 320 | **Pages :** 152 | **Fourth Edition :** 2017 | **Reprint :** 2018

## Essentials of MD/DNB Microbiology Practical Examination

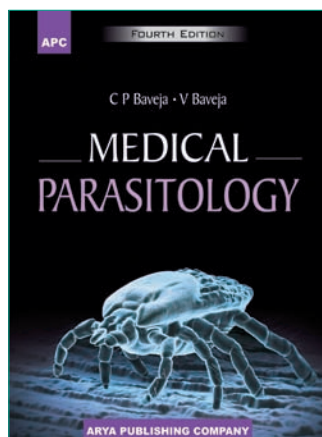

The book has been written with an aim to consolidate all the information required to perform different microbiology practical exercises with least difficulty. All relevant topics for MD/DNB practical examination have been included in this book.

*Some Salient features of the book are:* • The text has been written in simple and lucid language; • Questions related to practical exercises have been provided; • Colour plates and diagrams have been included to provide concrete knowledge of the subject; • Flowcharts for performance of different practical exercise have been incorporated for quick recapitulation; • A unit on 'Applied Microbiology' has been added to emphasise its role in clinical microbiology.

**Dr. C.P. Baveja** Director Professor and Head, Department of Microbiology, Maulana Azad Medical College, New Delhi.

**Dr. V. Baveja** Formerly at B. J. Medical College and N. M. Wadia Hospital, Pune.

**ISBN :** 978-81-7855-775-5 | **Price :** ₹ 450 | **Pages :** 218 | **First Edition :** 2017

## Medical Parasitology (Fourth Edition)

This book has been written to present essential information on parasites and parasitic diseases, their laboratory diagnosis and recent advancements in the field. The text has been presented in a simple and lucid language. Real colour plates/diagrams have been given at appropriate places. Life-cycles of parasites have been explained with the help of flow diagrams for recapitulation. Important aspects of parasites have been summarized in the appendices. A chapter on 'Opportunistic Parasitic Infections' has also been included for better understanding of these parasites in immunocompromised patients. 'Key Points' and 'Multiple Choice Questions' enable quick understanding of the chapters. Well-labelled diagrams and tables have been provided at appropriate places to make learning easier.

**Dr. C.P. Baveja** Director Professor and Head, Department of Microbiology, MAMC, New Delhi.

**Dr. V. Baveja** Formerly at B. J. Medical College and N. M. Wadia Hospital, Pune.

**ISBN :** 978-81-8296-381-8 | **Price :** ₹ 340 | **Pages :** 224 | **Fourth Edition :** 2017 | **Reprint :** 2018

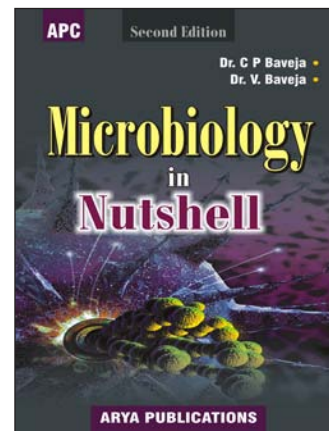

## Microbiology in Nutshell (Second Edition)

This book has been written with the objective to serve as a concise textbook of Microbiology. It is a useful and quick reference for various topics in General Microbiology, Immunology, Bacteriology, Virology, Mycology, Parasitology and Clinical Microbiology. The book, written in a simple and easy-to-understand language, is full of well-labelled diagrams and tables at appropriate places. Latest developments and new concepts have also been included. All the chapters are given in a point-wise manner for quick recapitulation. Important terms have been highlighted using italics and bold letters. It is a student-friendly book and would help them to attempt any written and viva-voce examinations.

**Dr. C.P. Baveja** Director Professor and Head, Department of Microbiology, Maulana Azad Medical College, New Delhi.

**Dr. V. Baveja** Formerly at B. J. Medical College and N. M. Wadia Hospital, Pune.

**ISBN :** 978-81-7855-699-4 | **Price :** ₹ 395 | **Pages :** 331 | **Second Edition :** 2015 | **Reprint :** 2018

## Textbook of Pathology for MBBS (Volumes I and II) (Second Edition)

The new edition of the book in two volumes is extremely student-friendly and has been written in a simple and easy-to-understand language. The salient features of the book are:

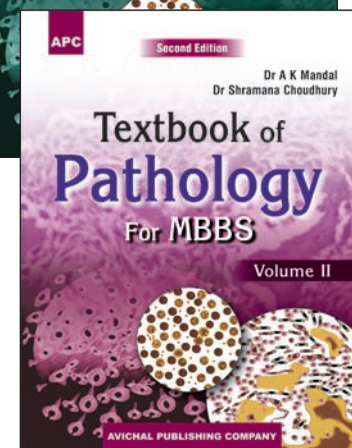

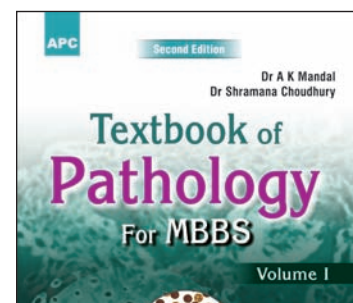

- The topics covered in the chapters have been started to keep the learning domain simple yet sufficient for students so that they can focus on the essential core knowledge.
- Microscopic photographs synchronised with computer-generated figures have been provided for better understanding and ease in drawing in the examinations.
- The ICMR incidence of diseases specific to our country has been included along with the latest updates regarding the WHO classification and pathogenesis.
- A list of important questions has been given at the end of each chapter.

**Dr. A.K. Mandal** is an MBBS from Maulana Azad Medical College, New Delhi; MD in Pathology from AIIMS, New Delhi; Ph.D from Fukushima Medical University, Japan. Presently, he is Director Professor and Head, Department of Pathology, Laboratory Medicine and Blood Bank, Safdarjung Hospital and Vardhaman Mahavir Medical College, New Delhi. He was the Founder Principal and Dean of Veer Chandra Singh Garhwali Government Medical College, Srinagar, Uttarakhand and the Deputy Director General (Medical Education) in the Ministry of Health and Family Welfare, Government of India.

**Dr. Shramana Choudhury** is a graduate of Maulana Azad Medical College, New Delhi. She did her MD in Pathology from Lady Hardinge Medical College, New Delhi and joined Maulana Azad Medical College as an Assistant Professor and later JIPMER Puducherry. Presently, she is Associate Professor, Department of Pathology, Maulana Azad Medical College and LN Hospital, New Delhi.

**ISBN :** 978-81-7739-529-7 (Set) | **Price :** ₹ 1795 (Set of Two Volumes)

**Pages :** 450 (Vol. 1) 490 (Vol. II) | **Second Edition :** 2017

## Practical Pathology (With Viva-Voce Questions) (Third Edition)

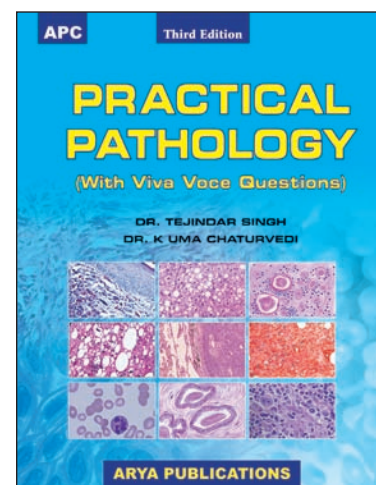

The revised edition of this book has been designed as a concise yet exhaustive book to facilitate learning and preparation of practical and viva-voce examinations. Common histopathology slides as well as the clinical pathology and haematology sections have been made keeping practical examinations in mind. Gross identification of organs of common pathology museum specimens and the principles and procedures of FNAC, CSF, Semen and Sputum examination have been covered for general understanding and viva-voce. Commonly asked viva-voce questions have been given at the end of each chapter in all sections.

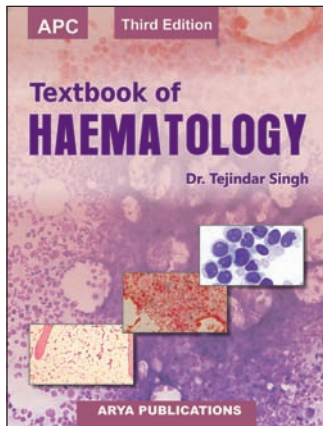

The book is profusely illustrated with microscopic and gross coloured photographs. Hand-drawn pictures have been given alongside the microscopic pictures for better understanding, which will help students in drawing pictures in their practical records.

**Dr. Tejindar Singh** Formerly Head, Department of Pathology, Maulana Azad Medical College, New Delhi.

**Dr. K. Uma Chaturvedi** Former Director Professor and Head, Department of Pathology, Maulana Azad Medical College, New Delhi.

**ISBN :** 978-81-7855-697-0 | **Price :** ₹ 450 | **Pages :** 237 | **Third Edition :** 2015 | **Reprint :** 2017

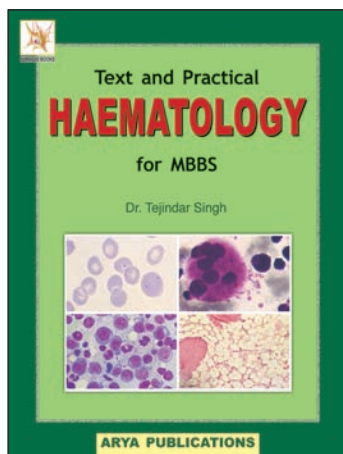

## Textbook of Haematology (Third Edition)

The book provides a comprehensive coverage of all aspects of haematology in a simple and easily understandable manner. A preview has been presented at the beginning of each chapter to view the contents therein. The book is profusely illustrated to make students understand the morphology of haemopoietic cells in blood and bone marrow. Flow charts, coloured pictures, figures and tables in the book elucidate the pathogenesis, morphology and comparisons. The latest concept of 'The Bone Marrow Failure Syndromes' has been explained by incorporating various disease entities.

**Dr. Tejindar Singh** Formerly Head, Department of Pathology, Maulana Azad Medical College, New Delhi.

**ISBN :** 978-81-7855-730-4 | **Price :** ₹ 595 | **Pages :** 280 | **Third Edition :** 2016 | **Reprint :** 2018

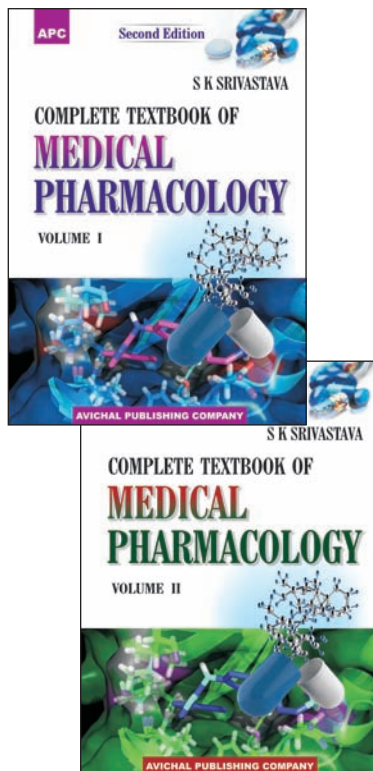

## Text and Practical Haematology for MBBS

It is an 'all-in-one' resource for medical undergraduate students. It aims at covering the MBBS curriculum, both in theoretical aspects and in preparation for practical examinations. The book is thoroughly updated with the latest classification schemes and diagnostic approaches and adequately incorporates all recent advancements in laboratory testing technologies. Emphasis has been laid on making learning interesting and fun by means of illustrations and flow diagrams as well as giving due importance to modern-day medical practice requirements and clinical-pathological correlations.

The author's extensive experience as an MBBS teacher, examiner and curriculum designer is reflected in the Points-to-Remember section, the Multiple Choice Questions and the Viva-Voce questions at the end of each chapter. These help students test their memory, remember vital facts and prepare for professional examinations as well as for the PG entrance tests.

**Dr. Tejindar Singh** Formerly Head, Department of Pathology, Maulana Azad Medical College, New Delhi.

**ISBN :** 978-81-7855-554-6 | **Price :** ₹ 495 | **Pages :** 326 | **First Edition :** 2010 | | **Reprint :** 2015

## Complete Textbook of Medical Pharmacology (Volumes I and II) (Second Edition)

The book is primarily intended for medical students who have pharmacology as one of the major subjects in their curriculum such as MBBS, BDS, Physiotherapy, Nursing and Pharmacy students. It is a thoroughly revised and updated second edition which is user-friendly and easy to understand.

*Salient features of the book are:*

- The contents have been well-organised and basic concepts have been clarified with generalizations and precise mechanism of action.
- The clinical uses/current status of drugs/drug groups have been mentioned with relevant explanation/pharmacological basis as applicable.
- The adverse drug reactions (ADRs) specific to a drug have been mentioned with the causes of ADRs and the treatment as applicable.
- Important facts and reasoning (why/how, etc.) along with important notes and key points have been provided throughout the text.
- Comments on Fixed dose combinations (FDCs) along with new drugs approved/under evaluation have been mentioned.
- Formulations and study questions have also been provided in each chapter.

**Dr. S.K. Srivastava** Senior Professor and Head, Department of Pharmacology, Surat Municipal Institute of Medical Education and Research (SMIMER) and SMIMER Hospital, Surat. He obtained both MBBS and MD (Pharmacology) degrees from the King George's Medical College (upgraded to CSM Medical University), Lucknow (UP). An eminent teacher with teaching experience of about 25 years, he has been an examiner for both undergraduate and postgraduate examinations in various medical colleges. He was awarded the 'C L Malhotra Research Prize' for the Best Paper in Pharmacology in 1997.

**ISBN :** 978-81-7739-522-8 (Set) | **Price :** ₹ 1350 (Set of Two Volumes) | **Pages :** 698 (Vol. 1) 582 (Vol. II) | **Second Edition :** 2017

## Essentials of MD/DNB Pathology Practical Examination

The book has been aimed to provide the techniques for preparation of the MD/DNB practical exam in a step-wise and logical manner. All the components of the exam like slide sessions of haematology, histopathology and cytology, techniques of haematology and histopathology, gross pathology and spots have been covered extensively. Viva-voce questions, which follow each exercise include 'must know' questions that are favourites with examiners and further questions on genetic, molecular and IHC markers.

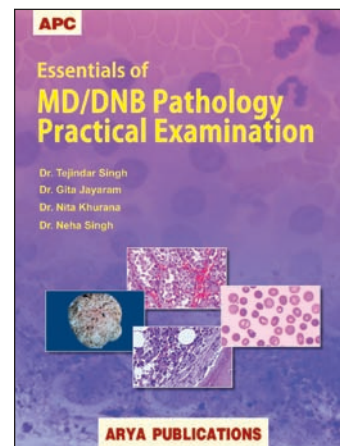

**Dr. T. Singh Director** Formerly Head, Department of Pathology, Maulana Azad Medical College, New Delhi.

**Dr. Gita Jayaram** Former professor, Department of Pathology, University of Malaya, Malaysia.

**Dr. Nita Khurana** Professor, Department of Pathology, Maulana Azad Medical College, New Delhi.

**Dr. Neha Singh** Assistant Professor, Department of Pathology, AIIMS, Rishikesh.

ISBN : 978-81-7855-723-6 | Price : ₹ 750 | Pages : 466 | First Edition : 2015

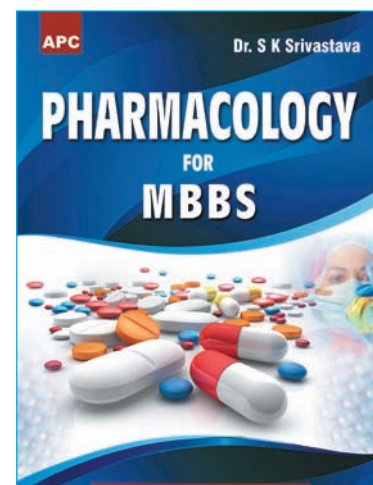

## Pharmacology for MBBS

The book is user-friendly and has been written for MBBS students as per the MCI regulations on undergraduate teaching. The content has been well-organised and mechanisms have been explained in a simple language.

The basic concepts have been clarified in each chapter with generalizations for better understanding. The clinical uses of drugs or group of drugs (with preferred agent for each use) have been mentioned with relevant explanation/pharmacological basis as applicable. The important facts and reasonings have been given throughout the text. Important notes have been mentioned to include certain generalizations and key points. Special topics such as drugs for glaucoma, immunopharmacology, dermatological pharmacology, drugs in pregnancy, lactation, hepatic and renal damage have also been covered.

**Dr. S K Srivastava** Professor and Head, Department of Pharmacology, Surat Municipal Institute of Medical Education and Research (SMIMER) and SMIMER Hospital, Surat.

ISBN : 978-81-7739-502-0 | Price : ₹ 995 | Pages : 1108 | First Edition : 2016 | Reprint : 2017

## Manual of Practical Pharmacology for MBBS

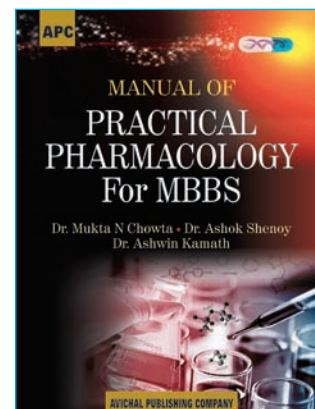

This book is not only a practical manual for students but also helps practising doctors of any speciality. The book aims to impart basic concepts and build up the students' ability to design rational, ethical, safe and efficacious treatment for diseases. It infuses the needed skill and knowledge for practical training in pharmacotherapeutics for students. It helps to imbibe the art of good prescribing practice in students in a simple and easy manner. Clinical Pharmacology chapters have also been covered to suit the needs of MBBS as well as MSc and MD students.

**Dr. Mukta N. Chowta** Professor & Head, Department of Pharmacology, Kasturba Medical College, Mangalore.

**Dr. Ashok Shenoy** Professor, Department of Pharmacology, Kasturba Medical College, Mangalore.

**Dr. Ashwin Kamath** Associate Professor, Department of Pharmacy, Kasturba Medical College, Mangalore.

ISBN : 978-81-7739-483-2 | Price : ₹ 250 | Pages : 142 | First Edition : 2016 | Reprint : 2017

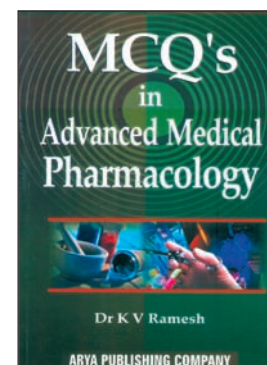

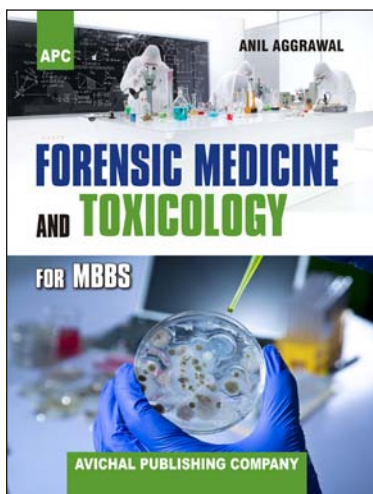

## MCQ's in Advanced Medical Pharmacology

The book contains structured and unambiguous questions that will enrich students with the basic concepts of medical pharmacology. It is aimed to help students gain confidence in learning the subject. The main feature of the book lies in the clinically relevant points covered with utmost clarity.

**Dr. K.V. Ramesh** Professor and Head, International Medical School, Bengaluru. He has been teaching pharmacology for four decades in an internationally accredited institution at Bengaluru. The author with his vast professional experience, clinical research expertise and student interaction has produced this informative, thought-provoking and well-organized book.

ISBN : 978-81-8296-375-7 | Price : ₹ 80 | Pages : 103 | First Edition : 2010 | Reprint : 2014

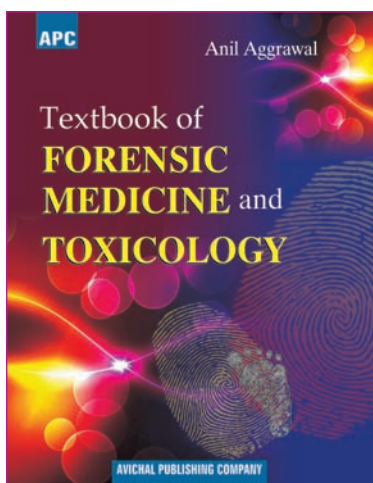

## FORENSIC MEDICINE AND TOXICOLOGY FOR MBBS

This is a student-friendly book mainly written for student keeping in mind that he is overburdened with other subjects also. Information is presented in a logical, systematic and clear manner. About 200 memory aids make memorization quick and easy. Core principles of Forensic Medicine and Toxicology, are explained in an examination-friendly style. Students desirous of additional knowledge may profitably read author's **Textbook of Forensic Medicine and Toxicology** and **Essentials of Forensic Medicine and Toxicology**, which are much wider in scope.

**Dr. Anil Aggrawal** is Director Professor of Forensic Medicine at Maulana Azad Medical College, New Delhi and edits a peer-reviewed internet journal on this subject.

**ISBN :** 978-81-7739-491-7 | **Price :** ₹ 795 | **Pages :** 694 | **First Edition :** 2016 | **Reprint :** 2017

## Textbook of Forensic Medicine and Toxicology

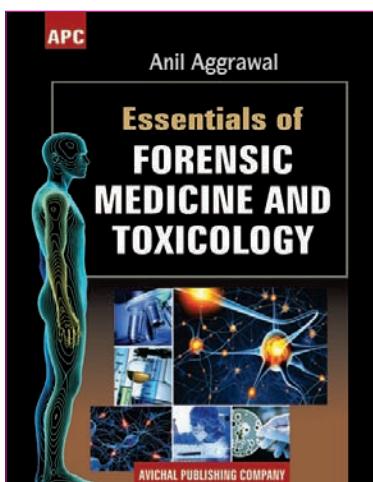

This book, primarily written for students, presents information in a systematic and concise manner for easier and faster memorization. The core principles of Forensic Medicine and Toxicology have been explained to the overburdened undergraduate students in a simple and examination-friendly manner.

**Dr. Anil Aggrawal** obtained his MD in Forensic Medicine and Toxicology from the All India Institute of Medical Sciences, New Delhi and then proceeded to Edinburgh – traditionally regarded as the home of Forensic Medicine – for higher training.

He was trained further in Japan and US under the prestigious WHO fellowship.

Dr. Aggrawal is Director Professor of Forensic Medicine at Maulana Azad Medical College, New Delhi and edits a peer-reviewed internet journal on this subject.

**ISBN :** 978-81-7739-419-1 | **Price :** ₹ 995 | **Pages :** 800 | **First Edition :** 2014 | **Reprint :** 2016

## Essentials of Forensic Medicine and Toxicology

This is an abridged version of the author's earlier book **Textbook of Forensic Medicine and Toxicology**. The primary objective of this book is to provide all the essential topics in a concise manner to the overburdened students. The book contains around 200 mnemonics and memory aids. The author has explained the core concepts and principles in a lucid and simple language.

**Dr. Anil Aggrawal** is Director Professor of Forensic Medicine at Maulana Azad Medical College, New Delhi and edits a peer-reviewed internet journal on this subject.

**ISBN :** 978-81-7739-441-2 | **Price :** ₹ 795 | **Pages :** 662 | **First Edition :** 2014 | **Reprint :** 2016

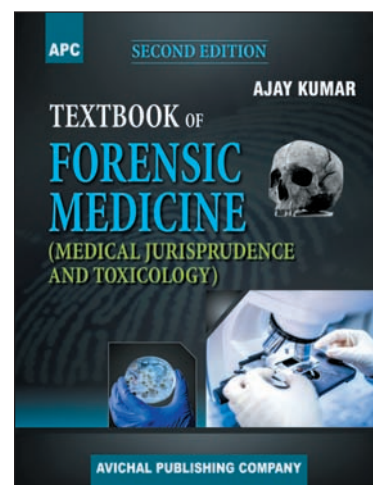

## Textbook of Forensic Medicine (Medical Jurisprudence & Toxicology) (Second Edition)

The **Textbook of Forensic Medicine (Medical Jurisprudence and Toxicology)** has been prepared in accordance with the guidelines of the Medical Council of India (MCI). The second edition of this textbook has been thoroughly revised and updated with new and more modern concepts. The salient features of the book are as follows:

- It is student-friendly and written in a simple, easy-to-understand language.
- It includes about 899 illustrations along with photographs, tables and crucial points at all appropriate places for easy grasp and reproducibility of the subject.
- The 'Toxicology' section has been presented in an Indian context.
- Study questions have also been incorporated at the end of each chapter.

**Dr. Ajay Kumar** M.B.B.S., M.D., MNAMS; Director Professor, Maulana Azad Medical College, New Delhi

**ISBN :** 978-81-7739-495-5 | **Price :** ₹ 495 | **Pages :** 440 | **Second Edition :** 2016 (Thoroughly revised)

## Textbook of Medicine for MBBS (Third Edition)

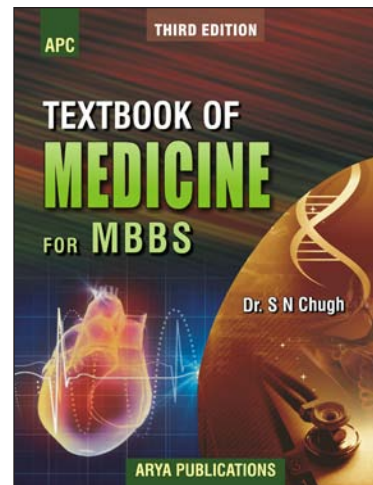

The book is in its third revised and updated edition. It covers the complete course in MBBS with four new units on Critical Care Medicine, Geriatric Medicine, Clinical Pharmacology and Clinical Immunology. The salient features of the book are as follows:

- Diseases prevalent in India have been discussed in detail.
- New topics on Yoga and Bioterrorism have been included to keep abreast of recent developments.
- The language of the book has been kept simple and precise.
- The text has been supplemented with beautiful illustrations and diagrams in each unit.
- Multiple Choice Questions have been included.

The book will prove useful for the clinicians and doctors working in the peripheral parts of the country. It will be a good impetus for practitioners to keep themselves updated with the subject while doing their practice.

**Dr. S.N. Chugh** Ex. Senior Professor and Pro. Vice Chancellor, Pt. B.D. Sharma Postgraduate Institute of Medical Sciences, Rohtak, Haryana.

**ISBN :** 978-81-7855-550-8 | **Price :** ₹ 1450 | **Pages :** 1375 | **Third Edition :** 2015 | **Reprint :** 2017

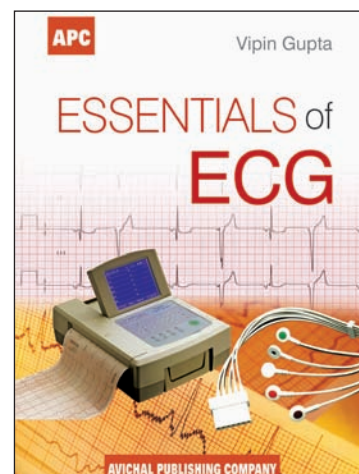

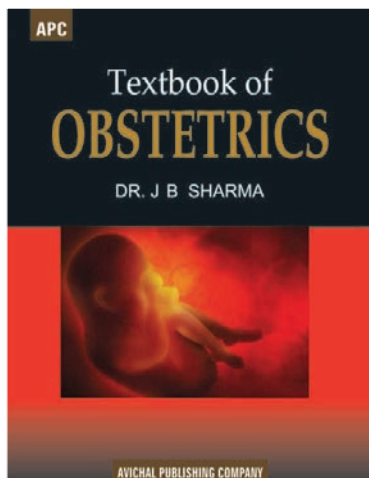

## Essentials of ECG

**Essentials of ECG** has been written in a simple language and covers all important ECG related disorders based on physiological concepts, which helps to interpret ECG accurately. The important aspects have been highlighted in boxes as Notes/Important Notes for quick and easy understanding. Actual ECG illustrations have been furnished to help memorize and reproduce various aspects of ECG. The easiest method of calculation of QRS axis in day-to-day clinical practice has also been presented in the book.

**Dr. Vipin Gupta** Ex-Resident, Pt. B.D. Sharma Postgraduate Institute of Medical Sciences, Rohtak, Haryana.

**ISBN :** 978-81-7739-480-1 | **Price :** ₹ 125 | **Pages :** 120 | **First Edition :** 2016 | **Reprint :** 2018

## Textbook of Obstetrics

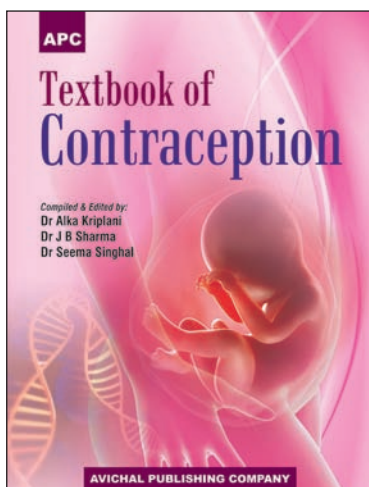

**Textbook of Obstetrics** covers the new advances in the field of Obstetrics especially in diabetes, HIV and hypertension. There is a separate chapter titled 'Imaging in Obstetrics' with plenty of quality pictures for better understanding and another called 'Obstetric Instruments, Specimens, Drugs, Spots and Laboratory Tests' for better performance in practical examinations. A separate chapter titled 'Theory and Practical Examination in Obstetrics' includes sample papers, sample cases and marking pattern for undergraduate and postgraduate examinations.

The evidence-based medicines and guidelines from prestigious institutions have been incorporated throughout the book. The book also contains 800 clinical photographs, figures, tables, flow charts, ultrasound and other imaging modalities for better understanding and concept-building.

**Dr. J.B. Sharma** MD, DNB, FRCOG (London), MFFP (London), FAMS, FICOG, FIMSA, Professor in Department of Obstetrics and Gynaecology, All India Institute of Medical Sciences, New Delhi. Formerly, a Professor of Obstetrics and Gynaecology at Maulana Azad Medical College, New Delhi. He has also worked as Obstetrician and Gynaecologist at St. Bartholomew's Homerton and Whipps Cross Hospital, London, United Kingdom.

- He has to his credit over 360 papers in various journals of national and international repute.
- Currently the Editor-in-chief of Indian Obstetrics and Gynaecology, Journal of Pediatrics, Obstetrics and Gynaecology (JPOG).
- Associate Editor of International Journal of Gynaecology and Obstetrics (India).
- Contributed chapters in 'Progress of Obstetrics and Gynaecology' edited by Professor John Studd from United Kingdom.

**ISBN :** 978-81-7739-427-6 | **Price :** ₹ 950 | **Pages :** 799 | **First Edition :** 2014 | **Reprint :** 2018

## Textbook of Contraception

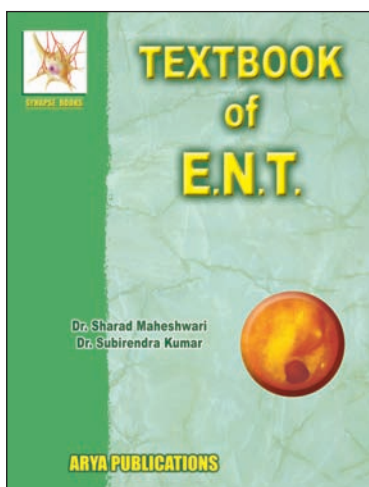

This book has been written to cater to the needs of undergraduate and postgraduate students of Obstetrics and Gynaecology. The various chapters have been contributed by experts from all over the country in relation to the different aspects of contraception. Evidence-based medicine and WHO eligibility criteria have been used for the contraception for various medical conditions. This book should be very useful for the undergraduate and postgraduate students of Obstetrics and Gynaecology and Surgery, and also for the students of Ayurveda, Homeopathy and other streams of medicines.

**Dr. Alka Kriplani** Professor and Head, Department of Obstetrics and Gynaecology, AIIMS, New Delhi.

**Dr. J.B. Sharma** Professor, Department of Obstetrics and Gynaecology, AIIMS, New Delhi.

**Dr. Seema Singhal** Assistant Professor, Department of Obstetrics and Gynaecology, AIIMS, New Delhi.

**ISBN :** 978-81-7739-528-0 | **Price :** ₹ 450 | **Pages :** 221 | **First Edition :** 2017

## Textbook of E.N.T.

The book, maintaining a balance between theoretical and clinical text, adopts a more practical and clinical approach in a lucid manner. Emphasis has been laid on the latest trends in surgical procedures by way of endoscopic systems. The chapter 'Radiology in ENT' will prove helpful in radiological investigations. The colour plates of otoscopy, rhinoscopy and laryngoscopy will enrich the book in its visual grasp. This book is useful for undergraduates, postgraduates and clinicians in their day-to-day practice.

**Dr. Sharad Maheshwari** Senior Consultant, Department of Otolaryngology, Sundar Lal Jain Hospital, New Delhi.

**Dr. Subirendra Kumar** Former Associate Professor, Department of Otolaryngology and Head-Neck Surgery, All India Institute of Medical Sciences, New Delhi.

**ISBN :** 81-7855-128-4 | **Price :** ₹ 250 | **Pages :** 372 | **First Edition :** 2003 | **Reprint :** 2014

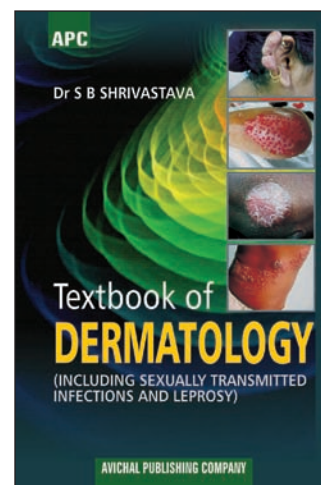

## Textbook of Dermatology

The aim of this book is to provide an easy-to-read, uniformly structured textbook on the subjects of dermatology, sexually-transmitted infections and leprosy to the students and medical practitioners of dermatology so that they can easily understand the basic concepts and diagnose and manage the common disorders.

The twenty-five chapters incorporate all the important aspects of dermatology ranging from basic cutaneous science to upcoming topics such as cosmetic dermatology and dermatosurgery. An effort has been made to put the key features of diseases under the definitions so that the reader can grasp the essentials of diseases at a glance. The frequently asked MCQs are given at the end of each chapter to help students prepare for competitive exams. All the common disorders are illustrated through excellent high quality 360+ colour photographs and amply supported by 130+ tables for easy and quick grasp of the subject. The approach is clinical with emphasis on diagnosis and management.

**Dr. S.B. Shrivastava** Consultant Dermatologist and Head, Department of Dermatology, Dr. Baba Saheb Ambedkar Hospital, Govt. of NCT of Delhi.

**ISBN :** 978-81-7739-400-9 | **Price :** ₹ 495 | **Pages :** 356 | **First Edition :** 2013 | **Reprint :** 2016

## MCQs in Respiratory Medicine

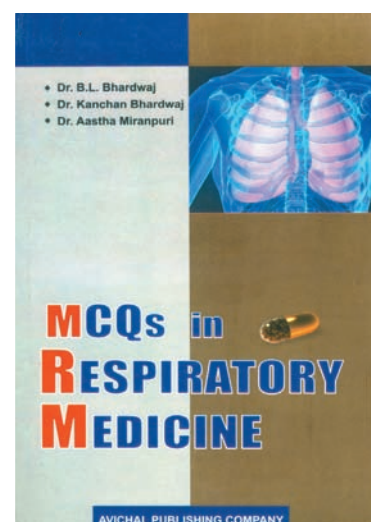

The book contains 22 chapters which cover almost all respiratory diseases and acute respiratory infections in children. The book deals with important topics in Respiratory Medicine that include bronchial asthma, bronchiectasis, bronchoscopy, embryology, fungal diseases, lung tumors, sarcoidosis, pleural effusion, pneumonia, tuberculosis, etc. There are 1400 MCQs arranged systematically which cover all major aspects of Respiratory Medicine. All questions have answers at the bottom of the page for quick reading. The book will prove very useful to the students for refreshing their knowledge and preparing for MD and DM exams. Questions have also been included from previous competitive exams of various institutes in India.

**Dr. B.L. Bhardwaj** Associate Professor of Internal Medicine, Government Medical College, Patiala.

**Dr. Kanchan Bhardwaj** Associate Professor, Government Medical College, Patiala.

**Dr. Aastha Miranpuri** MBBS from Wisconsin, USA.

**ISBN :** 978-81-7739-237-1 | **Price :** ₹ 150 | **Pages :** 255 | **First Edition :** 2010 | **Reprint :** 2014

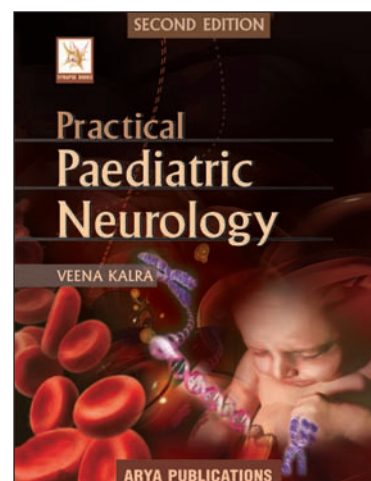

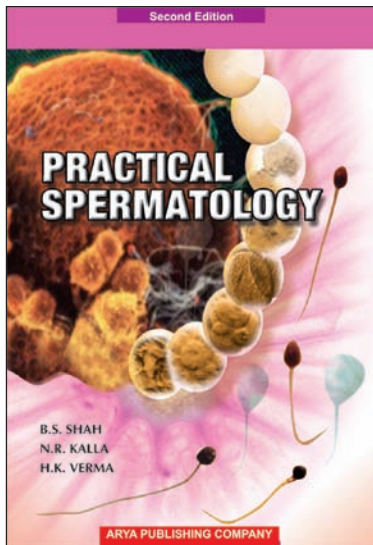

## Practical Paediatric Neurology (Second Edition)

This book provides relevant information on neurological malformations, infections, cerebral palsy, epilepsies, mental retardation, neurodegenerative disorders, neonatal neurological problems and neuromuscular diseases, and dietary therapies. The second edition of the book has been thoroughly revised to cover more disease states. It gives clear guidelines and practice parameters and stresses on algorithmic approach to many symptoms enabling paediatricians to optimally investigate their patients and take therapy decisions. Preventive strategies have also been duly covered.

**Dr. Veena Kalra** Former Professor and Head (Paediatrics), All India Institute of Medical Sciences (AIIMS), New Delhi. She is instrumental in initiating and propagating Paediatric Neurology in the country. She is a part of the Executive Body of Child Neurology in the world.

**ISBN :** 978-81-7855-411-2 | **Price :** ₹ 450 | **Pages :** 318 | **Second Edition :** 2008 | **Reprint :** 2016

## Practical Spermatology (Second Edition)

This is an ideal handbook for andrologists, gynaecologists and pathologists dealing with infertility cases. Special stress has been laid on functioning capacity, morphology of the spermatozoa and the factors that adversely affect it. The book has been profusely illustrated with neatly labelled diagrams and incorporates the latest definitions and technologies from the field. It is very useful for pathologists and others dealing in the evaluation and preservation of semen.

**Dr. B.S. Shah** Professor, Department of Pathology, Dayanand Medical College, Ludhiana.

**Dr. N.R. Kalla** Professor (Retd.), Department of BioPhysics, Punjab University, Chandigarh.

**Dr. H.K. Verma** Associate Professor (Gynaecology), Department of Veterinary and A.H. Extension, College of Veterinary Science, Punjab Agriculture University, Ludhiana.

**ISBN :** 81-8296-134-3 | **Price :** ₹ 250 | **Pages :** 133 | **Second Edition :** 2006

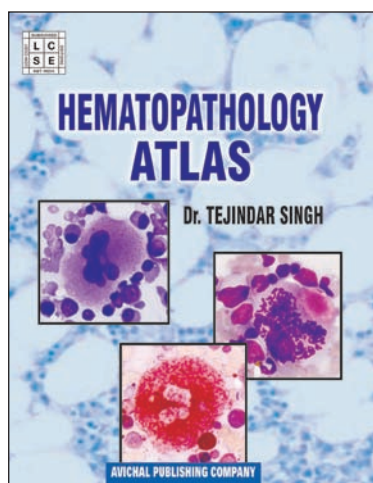

## Atlas and Text of Hematology (Volume I and II) (Fourth Edition)

The book is authored by Professor Tejendar Singh, one of the leading hematologists in India, backed by his considerable experience in blood and bone marrow examination. With more than 1,000 high quality images and an up-to-date text, the book is meant to help accelerate learning for trainees and practising pathologists. The crisp pictures of this atlas are highly informative and cover nearly all hematological disorders. Relevant clinical information on etiology, risk factors, interventions and prognosis given in a concise manner help in consolidating knowledge. The book is very useful for diagnostic pathologists and doctors practising Clinical Hematology, Pediatrics, Medicine and Oncology.

**Dr. Tejendar Singh** Formerly Head, Department of Pathology, Maulana Azad Medical College, New Delhi.

**ISBN :** 978-81-7739-540-2 (Set) **Price :** 2500 (Set of two volumes) | **Pages :** 336 (Vol I) & 296 (Vol II) |

**Fourth Edition :** 2018

## Hematopathology Atlas (Subsidised by the Govt. of India)

Authored by one of the leading diagnostic hematopathologists of India, the book **Hematopathology Atlas** is the result of decades of rich and precious diagnostic experiences. With over 1600 high-quality coloured photographs, the book reinforces the significance of morphology with a strong emphasis on basic morphological features of the entire spectrum of hematological disorders. It provides a comprehensive knowledge of hematology in a simple, yet concise and exquisitely illustrated format. It covers a wide range of information on etiopathogenesis, clinical profile, blood and bone marrow morphology and various common and rare disorders of blood. The book with its simple flow-charts, quick look-up tables and diagnostic algorithms will prove to be a trusted companion for the diagnostic pathologists and hematologists. It can be equally used as a reference book for paediatricians, physicians and oncologists.

**Dr. Tejendar Singh** Formerly Head, Department of Pathology, Maulana Azad Medical College, New Delhi.

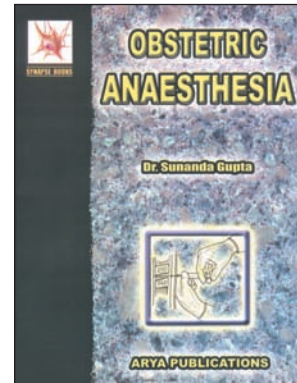

**ISBN :** 978-81-7739-376-7 | **Price :** ₹ 1240 | **Pages :** 424 | **First Edition :** 2013

## Obstetric Anaesthesia

The book incorporates basic anatomy, physiology and pharmacology relevant to obstetrics along with the most recent advances in resuscitation of the neonate and critically ill obstetric patients. The text has been contributed by forty authors from all over India and other countries, who are pioneers in their subjects. Chapters on regional anaesthesia and labour analgesia in the parturients include illustrations, practical tips and discussions on the analysis of controversial issues. The final chapters deal with evidence-based practice and guidelines for obstetric anaesthesia and the medico-legal issues for practising obstetric anaesthesiologists.

**Dr. Sunanda Gupta** Professor, Anaesthesiology, RNT Medical College, Udaipur (Rajasthan).

**ISBN :** 81-7855-216-7 | **Price :** ₹ 525 | **Pages :** 779 | **First Edition :** 2004 | **Reprint :** 2018

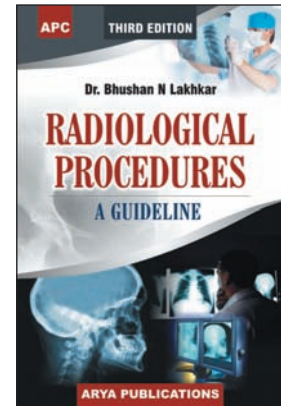

## Radiological Procedures - A Guideline (Third Edition)

Radiological procedures are performed regularly in all teaching institutes but no books are available on this subject. With an effort to fill this gap, this book has been introduced for first year residents to enable them to perform radiological procedures with confidence. Radiographers will find it useful not only for their examinations but also in their day-to-day life.

**Dr. Bhushan N. Lakhkar** Professor and Head, Department of Radiodiagnosis and Imaging at B M Patil Medical College, BLDE University, Bijapur (Karnataka). He is a well-known teacher of Radio Diagonosis with over 35 years of teaching experience in various institutions in India and abroad. He was the Professor and HOD at KMC Manipal for 15 years. He was also a visiting professor at Aga Khan University, Nairobi. He has written two books on radio diagnosis besides many publications in national and international scientific journals of repute.

**ISBN :** 978-81-7855-565-2 | **Price :** ₹ 260 | **Pages :** 285 | **Third Edition :** 2016 | **Reprint :** 2017

## Concise Radiology for Undergraduates (Second Edition)

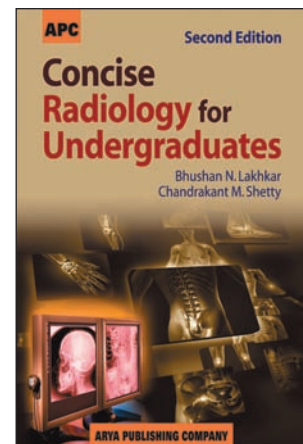

**Concise Radiology for Undergraduates** has been written in a simple language and lucid manner with the aim of providing easy understanding of the complexities in the ever-growing field of radiology for undergraduates appearing in the final year examinations.

All the topics covered in this book are generally asked in clinical postings and MBBS exams. Therefore, various common entities have been presented along with line diagrams and multi-modality images to illustrate the lessons and enhance their understanding. Multiple Choice Questions (MCQs) have been added after each chapter to help students for the entrance examinations.

**Dr. Bhushan N. Lakhkar** Professor and Head, Department of Radiodiagnosis and Imaging, Shri B M Patil Medical College, BLDE University, Bijapur (Karnataka).

**Dr. Chandrakant M. Shetty** Professor & Head, Department of Radiodiagnosis and Imaging.

**ISBN :** 978-81-8296-478-5 | **Price :** ₹ 300 | **Pages :** 156 | **Second Edition :** 2015

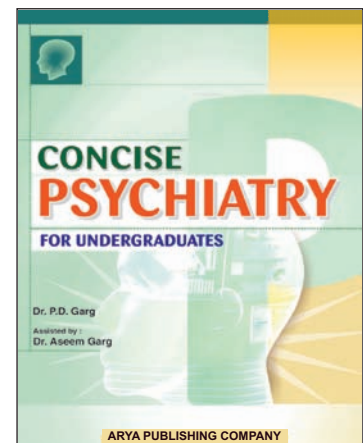

## Concise Psychiatry for Undergraduates

**Concise Psychiatry for Undergraduates** has been written for undergraduate MBBS, BAMS and Nursing students. As a special feature, each chapter is followed by ample Multiple Choice Questions. The book furnishes fundamental information and the latest developments in Psychiatry in a simple, concise and learner-friendly manner. The increasing problem of mental illnesses in children, women and elderly people have been addressed adequately in three separate chapters. The MCQs will prove very helpful for the students appearing for entrance examinations for MD/MS and during their junior residency.

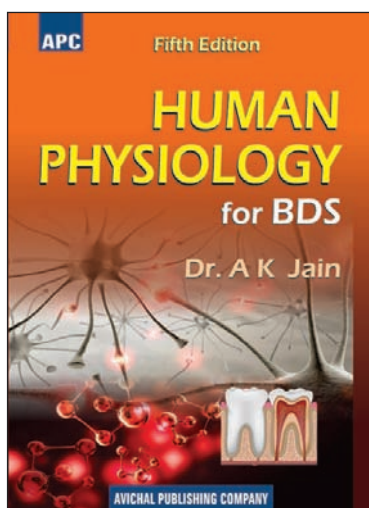

**Dr. P.D. Garg** Associate Professor in the Department of Psychiatry, Government Medical College, Amritsar. He has the experience of teaching Psychiatry in different medical colleges for more than 25 years.

**Dr. Aseem Garg** House Officer, Psychiatry, St. George Hospital, Stafford, U.K. He did his MBBS from KMC, Mangalore. He is a member of the Indian Psychiatric Society.

**ISBN :** 81-8296-088-6 | **Price :** ₹ 180 | **Pages :** 262 | **First Edition :** 2006 | **Reprint :** 2014

# Books for BDS

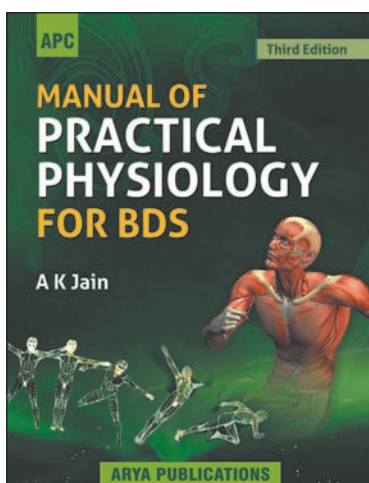

## Human Physiology for BDS (Fifth Edition)

The thoroughly revised fifth edition of the book includes more study questions, coloured figures, flow charts and tables for enhanced understanding. The book provides fundamental information and clear concepts on human physiology as per the recommendations of the Dental Council of India (DCI). The simple and lucid style of presentation, well-labelled diagrams and Multiple Choice Questions (MCQs) are included at the end of each chapter.

**Dr. A.K. Jain** Formerly Head, Department of Physiology, Maulana Azad Medical College, New Delhi.

**ISBN :** 978-81-7739-433-7 | **Price :** ₹ 750 | **Pages :** 586 | **Fifth Edition :** 2014 | **Reprint :** 2017

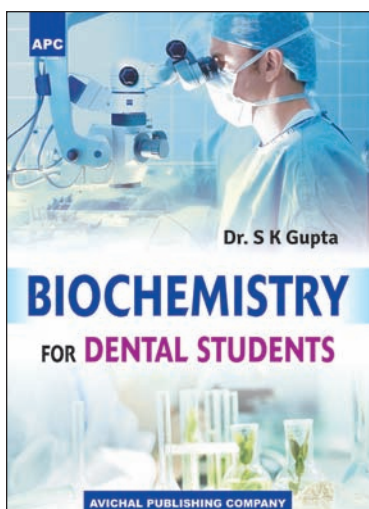

## Manual of Practical Physiology for BDS (Third Edition)

The revised edition of the manual is in line with the curriculum policy of the Dental Council of India for BDS students and provides learning through cause-effect relationships. It encourages logical and analytical thinking in understanding physiology experiments. It furnishes working steps in an extremely simplified manner so that any experiment can be handled even by a beginner. The labelled diagrams and graphs, important viva-voce questions appended at the end and study notes are the salient features of the book.

**Dr. A.K. Jain** Formerly Head, Department of Physiology, Maulana Azad Medical College, New Delhi.

**ISBN :** 978-81-7855-342-2 | **Price :** ₹ 275 | **Pages :** 196 | **Third Edition :** 2013 | **Reprint :** 2017

## Biochemistry for Dental Students

This book has been written keeping in mind the syllabus and the needs of BDS students. The Core areas of biochemistry like metabolism, enzymes, nutrition, endocrinology, free radicals, antioxidants etc. have been arranged sequentially to make a logical reading. New areas like cancer, molecular genetics, genetic engineering and molecular immunology have also been given due emphasis. Adequate colored diagrams, tables and flow charts have been added for clear visualisation and understanding. Boxes labelled 'Clinical Focus' have been highlighted to present the clinical aspects arising from basic medical biochemistry. Every effort has been made to make the book attractive and student-friendly without compromising on the core subject.

**Dr. S.K. Gupta** Former Dir. Professor, Department of Biochemistry, Maulana Azad Medical College, New Delhi.

**ISBN :** 978-81-7739-516-7 | **Price :** ₹ 350 | **Pages :** 307 | **First Edition :** 2017

## Manual of Practical Biochemistry for BDS (Second Edition)

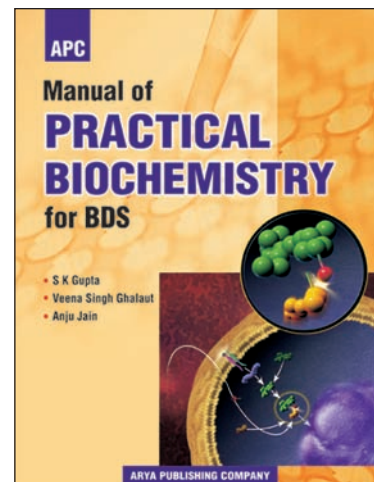

This book has been written with the objective of providing a concise, comprehensive and easily understandable course material of Practical Biochemistry to B.D.S. students. It also aims to give a good exposure to the various aspects of biochemistry and the role of clinical biochemistry in patient care. Each experiment gives clear, easy-to-follow procedures and calculations. Interpretation is discussed in the form of questions and answers. The text has been combined with a notebook in such a manner that students can use the manual itself as a practical notebook.

**Dr. S.K. Gupta** Former Dir. Professor, Department of Biochemistry, Maulana Azad Medical College, New Delhi.

**Dr. Veena Singh Ghalaut** Professor and Head, Department of Biochemistry, Pt. B.D. Sharma Postgraduate Institute of Medical Sciences, Rohtak (Haryana).

**Dr. Anju Jain** Director Professor, Department of Biochemistry, Lady Hardinge Medical College, New Delhi.

**ISBN :** 978-81-8296-407-5 | **Price :** ₹ 200 | **Pages :** 122 | **Second Edition :** 2011 | **Reprint :** 2016

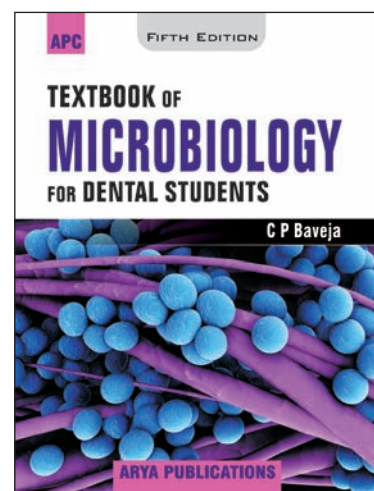

## Textbook of Microbiology for Dental Students (Fifth Edition)

The book has been written according to the syllabus of microbiology prescribed by the Dental Council of India (DCI) for BDS students. Real colour plates/diagrams have been given at appropriate places. Chapters on 'Culture Methods', 'Processing of Specimens' and 'Hospital Waste Management' have been included for practical understanding. Key Points have been provided for easy and quick recapitulation.

**Dr. C.P. Baveja** Director Professor and Head, Department of Microbiology, Maulana Azad Medical College, New Delhi. He has been teaching microbiology for the last 25 years. He was awarded Gold medal during his postgraduation and was honoured with the Best Medical Educationist award in the year 2000.

**ISBN :** 978-81-7855-673-4 | **Price :** ₹ 550 | **Pages :** 428 | **Fifth Edition :** 2015 | **Reprint :** 2017

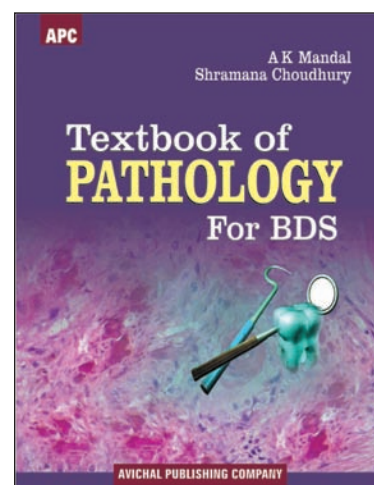

## Textbook of Pathology for BDS

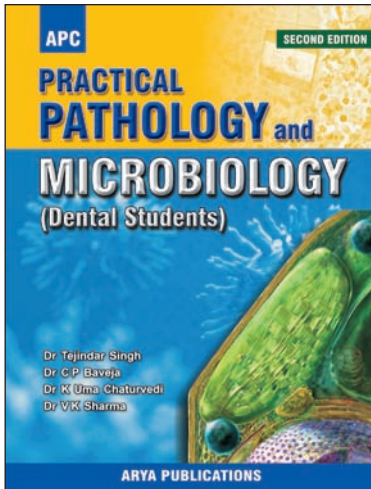

This textbook is for BDS students who have to read multiple subjects, comprehend them and assimilate them in a limited time. The book has been written in a simple and lucid language. Synchronised microscopic and hand-drawn figures have been given for easy understanding. Region-specific and country-specific incidences of diseases have been discussed. All the pathogenesis are in flow diagrams. A CD has also been provided containing references with direct links to websites for further reading.

**Dr. A.K. Mandal** M.B.B.S, M.D. (AIIMS), and Ph.D (Japan); Director Professor and Head, Department of Pathology, safdarjung Hospital and Vardhaman Mahavir Medical College, New Delhi. He has a wide range of experience in the field of pathology and has worked in institutes of international repute. He is known for his valuable contribution to cancer pathology, particularly in the field of breast cancer. He has published his research work in various national and international journals.

**Dr. Shramana Choudhury** M.B.B.S. (MAMC), M.D. D.N.B., Associate Professor, Department of Pathology, Maulana Azad Medical College and LN Hospital, New Delhi. She has a large number of publications to her credit, mostly in international journals of repute.

**ISBN :** 978-81-7739-357-6 | **Price :** ₹ 750 | **Pages :** 536 | **First Edition :** 2012 | **Reprint :** 2016

## Practical Pathology and Microbiology (Dental Students) (Second Edition)

The book has been planned in an easy and student-friendly manner to enable the students to perform with confidence in the examinations. It clarifies the fundamental concepts and prepares the students for practical and viva-voce examinations in Pathology and Microbiology. The book is profusely illustrated with four colour photographs/diagrams of spots.

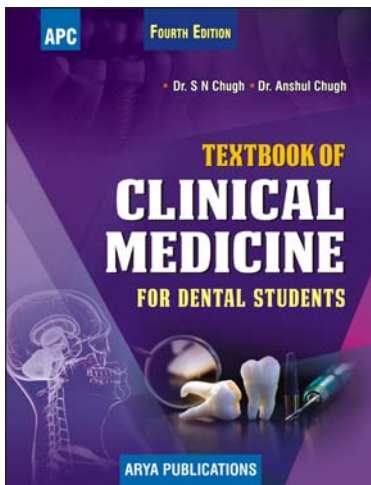

**Dr. Tejindar Singh** Formerly Head, Department of Pathology, MAMC, New Delhi.

**Dr. C.P. Baveja** Director Professor and Head, Department of Microbiology, MAMC, New Delhi.

**Dr. K. Uma Chaturvedi** Former Director Professor and Head, Department of Pathology, MAMC, New Delhi.

**Dr. V.K. Sharma** Former Director Professor and Head, Department of Microbiology, MAMC, New Delhi.

**ISBN :** 978-81-7855-607-9 | **Price :** ₹ 225 | **Pages :** 156 | **Second Edition :** 2011 | **Reprint :** 2014

## Textbook of Clinical Medicine for Dental Students (Fourth Edition)

The book covers the course prescribed by the Dental Council of India and has been written in a comprehensible and simple language. The book includes:

- The clinical part under the head 'Examination' comprising inspection, palpation, percussion and auscultation.
- Tables, diagrams and figures have been revised and are self-explanatory.
- A chapter on oral manifestations of systemic disorders covering the diseases/systems which are most concerned in dentistry.
- A new chapter on 'Dental Emergency in Clinical Practice'.
- A comprehensive text on the symptoms or signs of diseases.
- A chapter on pre-anaesthetic check-up before dental surgery.
- Multiple Choice Questions (MCQs).
- Appendices consisting of normal biochemical values, WHO immunisation schedule and several other important subjects.

**Dr. S.N. Chugh** Ex. Senior Professor and Pro. Vice Chancellor, Pt. B.D. Sharma University of Health Sciences, Rohtak, Haryana.

**Dr. Anshul Chugh** Associate Professor in Prosthodontics, Government Medical Dental College, Rohtak.

**ISBN :** 978-81-7855-617-8 | **Price :** ₹ 850 | **Pages :** 624 | **Fourth Edition :** 2015 | **Reprint :** 2018

# Books for Nursing

## Anatomy for B.Sc. Nursing

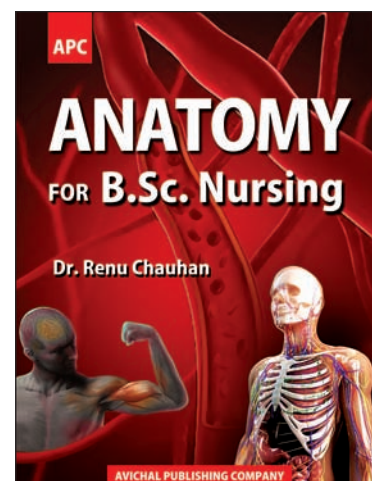

The book **Anatomy for B.Sc. Nursing** has been prepared in accordance with the curriculum prescribed by the Indian Nursing Council.

*Salient Features of the Book:*

- Written in a simple, easily understandable language.
- Text is concise and reader-friendly.
- Includes all aspects of human anatomy.
- Well-labelled diagrams and figures make the concepts clear.
- Useful not only for nursing students, but also for teachers and serving nurses.

**Dr. Renu Chauhan** is a graduate from the University College of Medical Sciences, Delhi and a postgraduate from Maulana Azad Medical College, New Delhi. She received Gold Medal for Best Thesis in Pre and Para Clinical Subjects. Dr. Chauhan did her senior residency from the All India Institute of Medical Sciences, New Delhi and was awarded Dr. Ranga Travel Grant for the best paper presented in the Conference of National Anatomical Society of India held in Jhansi in 1999. She is currently working as a Head at the University College of Medical Sciences and Guru Teg Bahadur Hospital, Delhi.

**ISBN :** 978-81-7739-341-5 | **Price :** ₹ 325 | **Pages :** 290 | **First Edition :** 2012 | **Reprint :** 2016

## Physiology for B.Sc. Nursing

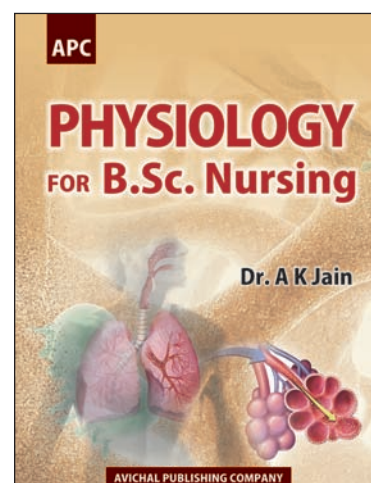

This book is exclusively meant for B.Sc. Nursing students. It provides basic concepts of elementary principles for a thorough understanding of the physiology of the human body. The textbook has been designed in accordance with the latest syllabus issued by the Indian Nursing Council. Text material has been included which stresses on applications in Clinical Medicine. The learning objectives of each system are clearly defined to bring them in line with the requirements of the new curriculum.

*Salient Features of the Book:*

- Entire text has been presented in multicolour with simplified figures for better understanding.
- The text has been designed to cover all the latest guidelines issued by the Indian Nursing Council.
- Study questions are given at the end of each chapter for greater accuracy.
- The book is also useful for students of other streams and serving nurses.

**Dr. A.K. Jain** Formerly Head, Department of Physiology, Maulana Azad Medical College, New Delhi.

**ISBN :** 978-81-7739-342-2 | **Price :** ₹ 350 | **Pages :** 267 | **First Edition :** 2012 | **Reprint :** 2018

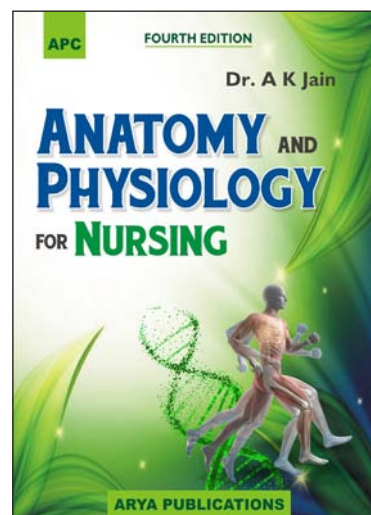

## Anatomy and Physiology for Nursing (Fourth Edition)

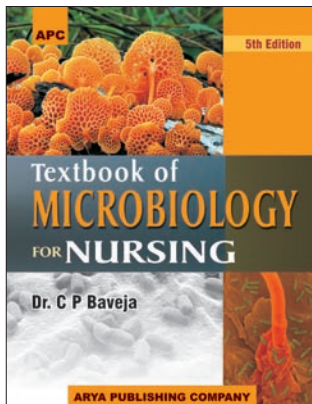

This book is exclusively meant for B.Sc. (Hons) Nursing students. It has been upgraded as per the revised norms laid down by the Nursing Council of India. The book provides basic concepts and elementary principles for a thorough understanding of the human body. The entire text has been presented in multicolour and study questions have been given at the end of each chapter for greater accuracy.

**Dr. A.K. Jain** Formerly Head, Department of Physiology, Maulana Azad Medical College, New Delhi.

**Dr. R.K. Suri** Director Professor, Department of Anatomy, Vardhaman Mahavir Medical College, New Delhi. (Revised Anatomy Portion)

**ISBN :** 978-81-7855-794-6 | **Price :** ₹ 400 | **Pages :** 348 | **Fourth edition :** 2018

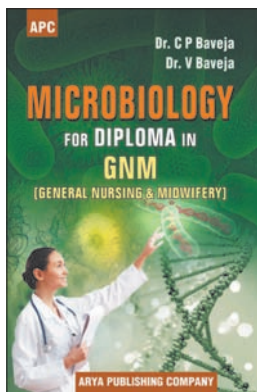

## Textbook of Microbiology for Nursing (Fifth Edition)

The book has been thoroughly revised as per the prescribed syllabus for B.Sc. (Nursing) by the Nursing Council of India (NCI) and includes new medically relevant features. It has been written in a user-friendly and easy-to-understand manner and the text has been presented in a simple and lucid language. Real colour plates and diagrams have been incorporated at appropriate places. Two new chapters 'Hand Hygiene' and 'Vehicles and Vectors' have been added to understand the importance of these relevant topics. MCQs have been added for better and in-depth understanding of the subject.

**Dr. C.P. Baveja** Director Professor and Head, Department of Microbiology, Maulana Azad Medical College, New Delhi. He has been teaching microbiology for the last 30 years. He was awarded Gold medal during his postgraduation and honoured with the Best Medical Educationist award during the year 2000.

**ISBN :** 978-81-8296-612-3 | **Price :** ₹ 350 | **Pages :** 270 | **Fifth Edition :** 2017 | **Reprint :** 2018

## Microbiology for Diploma in GNM (General Nursing and Midwifery)

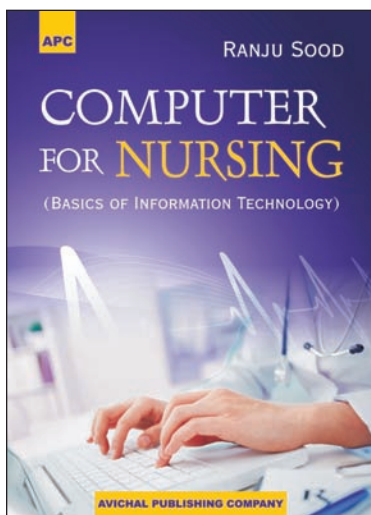

*Salient Features of the Book:*

- User-friendly and easy-to-understand.
- The text is presented in a simple manner.
- Colour plate/diagrams and tables are incorporated to provide useful information at a glance.
- The book has been written as per the prescribed syllabus for the students of Diploma in GNM.

**Dr. C.P. Baveja** Director Professor and Head, Department of Microbiology, Maulana Azad Medical College, New Delhi.

**Dr. V. Baveja** Formerly at B.J. Medical College and N.M. Wadia Hospital, Pune.

**ISBN :** 978-81-8296-488-4 | **Price :** ₹ 88 | **Pages :** 88 | **First Edition :** 2014

## Computer for Nursing

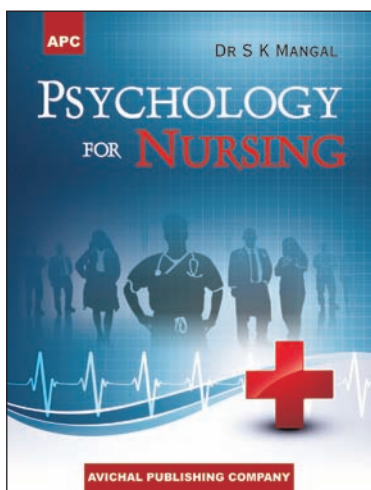

This book has been written keeping in mind that our future nurses will have to operate the latest softwares and hardware to fulfill their noble job efficiently. It is a tutorial which will not only help the individuals pursue a career in nursing but also benefit those who would like to have the know-how of computers and frequently used softwares.

*Salient Features of the Book:*

- The book has been written according to the features of Windows 7 OS and MS Office 2010.
- It is written as per the syllabus prescribed by the Indian Nursing Council. The book has been divided into units and chapters accordingly.
- The language used is simple and easy-to-understand. No prior knowledge of computers is required. This book will enable any individual to understand and use computers.

**Ranju Sood** B.Sc Computer Science: Delhi University, M.Sc Computer Science: Gold medallist from Banasthli Vidhyapeeth, Rajasthan. B.Ed. M.Ed., 20 years of teaching experience in Computer Science and Maths, former HOD Computer Science at S.D. Public School, Punjabi Bagh, Delhi. Currently at Meridian School, Hyderabad.

**ISBN :** 978-81-7739-428-3 | **Price :** ₹ 225 | **Pages :** 152 | **First Edition :** 2014 | **Reprint :** 2018

## Psychology for Nursing

This book is specifically designed to give insights into the nature, background and application of the subject 'psychology' in a form and way as needed by students and working professionals. The book is written in a simple, lucid and user-friendly style and interspersed with examples, illustrations, tables and implications. Attempts have been made to integrate theory with practice and application of the facts and principles of psychology by highlighting the implications of the related knowledge to the nurses. The important topics covered in the book are:

**Unit I:** Introduction (History, Scope and Methods of Psychology)

**Unit II:** Biology of Behaviour

**Unit III:** Cognitive Processes

**Dr. S.K. Mangal** Retired Principal and Professor—Head, Postgraduate Department, C.R. College of Education, Rohtak. He has been actively associated with writing in the field of education and psychology for more than three decades. He has also devised certain psychological tests like Teacher Adjustment Inventory and Emotional Intelligence Inventory and published extensively in reputed journals.

**ISBN :** 978-81-7739-351-4 | **Price :** ₹ 375 | **Pages :** 456 | **First Edition :** 2012 | **Reprint :** 2018

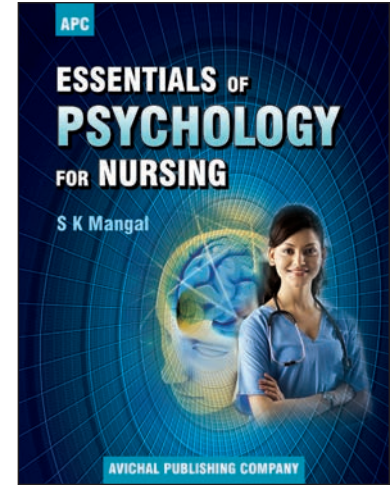

## Essentials of Psychology for Nursing

Psychology is termed as the science of behaviour. The study of the subject equips the learners with essential knowledge and skills that help in adjustment with the environment. Perhaps this has necessitated a study of the subject at the graduation and diploma levels. To meet the needs of the students in a satisfactory way, the subject matter of the text has been divided into seventeen chapters, units, sub-units and topics as per the prescribed syllabus. Attempts have been made to integrate theory and applications of the principles of psychology by highlighting the implications of the related knowledge.

**Dr. S.K. Mangal** Formerly Principal, Professor & Head, Department of Postgraduate Studies, C.R. College of Education, Rohtak.

**ISBN :** 978-81-7739-389-7 | **Price :** ₹ 150 | **Pages :** 192 | **First Edition :** 2013 | **Reprint :** 2017

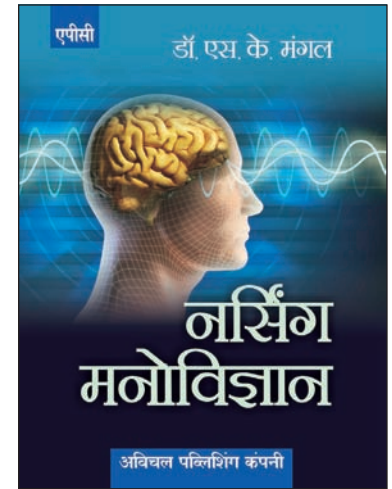

## नर्सिंग मनोविज्ञान

मनोविज्ञान के सैद्धान्तिक तथा व्यावहारिक पहलुओं में यथेष्ट सामंजस्य स्थापित करती हुई यह पुस्तक मनोविज्ञान से संबंधित उन सभी आवश्यक आधारभूत प्रकरणों पर समुचित प्रकाश डालती है जिन्हें देश के विभिन्न विश्वविद्यालयों ने स्नातक स्तर के नर्सिंग प्रशिक्षण हेतु अपने पाठ्यक्रमों में स्थान दे रखा है। इसमें मनोविज्ञान की प्रकृति, पृष्ठभूमि और उपयोग संबंधी उन बातों को स्पष्ट रूप से सामने लाने का प्रयास किया गया है जिनकी नर्सिंग प्रशिक्षणार्थियों तथा कार्यरत नर्सों के व्यावहारिक उपयोग हेतु ज़रूरत रहती है।

सुसंगठित विषयवस्तु के साथ सार्थक उदाहरणों, तालिकाओं तथा नर्सिंग व्यवसाय संबंधी निहितार्थों से सुसज्जित रोचक शैली में लिखी यह पुस्तक भावी नर्सों तथा स्वास्थ्य एवं चिकित्सा-क्षेत्र से जुड़े अन्य सेवाकर्मियों को भी मनोविज्ञान के उपयोग संबंधी उचित मार्गदर्शन प्रदान करने में पूरी तरह सक्षम है।

**लेखक:** डा० एस० के० मंगल (पीएच. डी.) सी. आर. कॉलेज ऑफ एजुकेशन, रोहतक (हरियाणा) के प्राचार्य, प्रोफेसर एवं विभागाध्यक्ष पद से सेवानिवृत्त शिक्षा जगत के जाने-माने शिक्षक, प्रशासक, लेखक तथा अनुसंधानकर्ता हैं। आप तीन दशकों से भी अधिक वर्षों से शिक्षा एवं मनोविज्ञान संबंधी लेखन-कार्य में संलग्न हैं। शिक्षा मनोविज्ञान, सामान्य मनोविज्ञान एवं असामान्य मनोविज्ञान के क्षेत्र में लिखी जाने वाली इनकी कई पुस्तकों को काफी प्रसिद्धि एवं प्रशंसा प्राप्त हुई है और देश के विभिन्न विश्वविद्यालयों ने उन्हें अपने पाठ्यक्रम में अनुमोदित किया हुआ है।

**ISBN :** 978-81-7739-372-9 | **मूल्य :** ₹ 260 | **पृष्ठ :** 493 | **प्रथम संस्करण :** 2013

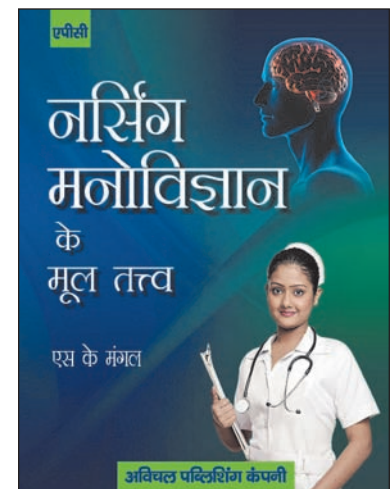

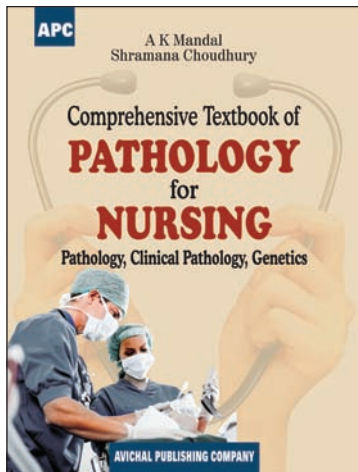

## नर्सिंग मनोविज्ञान के मूल तत्त्व

मनोविज्ञान को व्यवहार का विज्ञान कहा जाता है। इसी तथ्य को ध्यान में रखकर नर्सिंग पाठ्यक्रम में (चाहे वह डिप्लोमा स्तर का हो अथवा स्नातक स्तर का) मनोविज्ञान को एक अनिवार्य विषय के रूप में शामिल करने की पहल की गई है। प्रस्तुत पुस्तक नर्सिंग डिप्लोमा के पाठ्यक्रम से संबंधित मनोविज्ञान विषय की आवश्यकताओं को उचित ढंग से पूरा करती है। नर्स तथा चिकित्सा क्षेत्र में कार्यरत-व्यवसायियों को मनोविज्ञान के ज्ञान तथा समझ की जिस तरह प्रयोग में लाने की आवश्यकता होती है उससे जुड़ी हुई बातों की इन अध्यायों में विशेष रूप से 'नर्सों के लिए उपयोगिता' नामक शीर्षक के रूप में चर्चा की गई है। प्रत्येक अध्याय के अंत में निबंधात्मक तथा लघु उत्तरात्मक प्रश्नों के रूप में जाँच प्रश्नों को उचित स्थान दिया गया है।

**लेखक:** डा० एस० के० मंगल (पीएच. डी.) भूतपूर्व प्राचार्य, प्रोफेसर एवं अध्यक्ष, स्नातकोत्तर अध्ययन विभाग, सी. आर. कॉलेज ऑफ एजुकेशन, रोहतक (हरियाणा)

**ISBN :** 978-81-7739-386-6 | **मूल्य :** ₹ 125 | **पृष्ठ :** 222 | **प्रथम संस्करण :** 2013

## Comprehensive Textbook of Pathology for Nursing (Pathology, Clinical Pathology, Genetics)

This is a complete and consolidated textbook exclusively for B.Sc Nursing students and consists of Pathology, Clinical Pathology and Genetics. It has been designed in accordance with the curriculum prescribed by the Nursing Council of India.

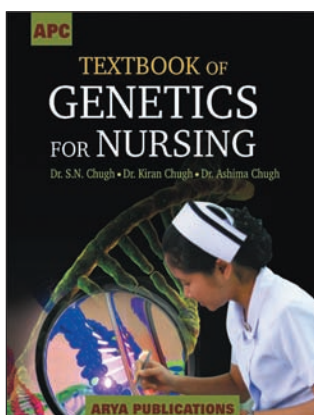

*Salient Features of the Book:*

- Simple and lucid language.
- Text is concise and student-friendly.
- Some difficult topics have been summarised at the end of the chapters.

**Dr. A. K. Mandal** Director Professor and Head, Department of Pathology, Laboratory Medicine and Blood Bank, Safdarjung Hospital and Vardhaman Mahavir Medical College, New Delhi.

**Dr. Shramana Choudhary** Associate Professor, Dept. of Pathology, Maulana Azad Medical College and LN Hospital, New Delhi.

**ISBN :** 978-81-7739-479-5 | **Price :** ₹ 350 | **Pages :** 248 | **First Edition :** 2016

## Textbook of Genetics for Nursing

The first edition of this book has been exclusively designed to make genetics understandable to B.Sc Nursing students.

*Salient Features of the Book:*

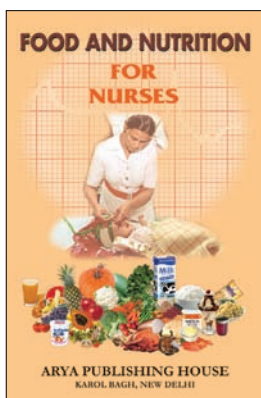

- Strictly according to the curriculum prescribed by the Nursing Council of India.
- The book has been prepared in a simple and comprehensive manner.
- Self-explanatory illustrations, tables and boxes will help remember the subject easily.

**Dr. S. N. Chugh** Ex. Sr. Prof. and Pro. Vice Chancellor, Pt. B. D. Sharma University of Health Sciences, Rohtak.

**Dr. Kiran Chugh** Professor of Biochemistry, PGIMS, Rohtak

**Dr. Ashima Chugh** Senior Resident at GB Pant Hospital, New Delhi.

**ISBN :** 978-81-7855-707-6 | **Price :** ₹ 150 | **Pages :** 190 | **First Edition :** 2015

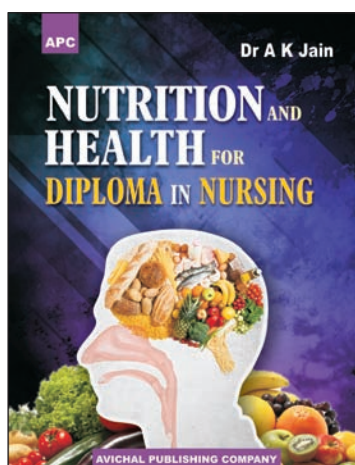

## Food and Nutrition for Nurses

**Food and Nutrition for Nurses** has been written in an educative manner for the benefit of nurses and nursing students. The book provides a detailed study of nutritious diet, antibiotics and other medicines. The book has been written in a lucid and simple language and contains appendices of useful information about various foods and vitamins.

The book has been prepared by The Educational Planning Group, Delhi.

**ISBN :** 81-7064-070-9 | **Price :** ₹ 150 | **Pages :** 378 | **First Edition :** 2007 | **Reprint :** 2015

## Nutrition and Health for Diploma in Nursing

The book has been developed as per the syllabus prescribed for the year 2016 by the Indian Nursing Council for Diploma in Nursing. Every effort has been made to ensure that the information contained in the book is accurate and complete.

*The Salient Features of the book are:*

- The study material has been organised in a simple and lucid language.
- New concepts and latest developments have been included.
- Well-labelled diagrams, summarising tables and coloured clinical pictures/photographs have been incorporated to make the subject easily understandable.
- Many study questions have also been included at the end of each chapter in the form of objective and sub-objective type questions.

**Dr. A.K. Jain** Formerly Head, Department of Physiology, Maulana Azad Medical College, New Delhi.

**ISBN :** 978-81-7739-523-5 | **Price :** ₹ 95 | **Pages :** 110 | **First Edition :** 2017

## Textbook of Medical Surgical Nursing (In Two Parts)

The book has been written according to the curriculum prescribed by the Indian Nursing Council. It covers all the aspects of medical and surgical nursing for various diseases and conditions. Each unit/chapter deals with the aetiology, pathophysiology, clinical features and nursing management of every disease in each system. The tables and boxes highlight the necessary material of the diseases and conditions discussed. The figures are self-explanatory.

**Dr. S.N. Chugh** Former Senior Professor and Pro. Vice-Chancellor, Pt. B.D. Sharma Postgraduate Institute of Medical Sciences, Rohtak, Haryana.

**ISBN :** 978-81-7739-387-3 (Part I), 978-81-7739-388-0 (Part II) | **Price :** ₹ 1480 (Set of Two Volumes)

**Pages :** 990 (Part 1) 450 (Part II) | **First Edition :** 2013 | **Reprint :** 2017

## Medical Surgical Nursing for Diploma in GNM

The book **Medical Surgical Nursing for Diploma in GNM** has been written in a simple and easily understandable language according to the prescribed syllabus by the Nursing Council of India.

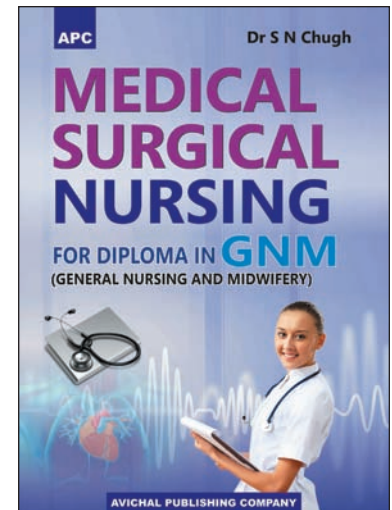

The book has 25 units and each unit has been illustrated and written in brief so as to make the subject understandable to nursing students. The nursing processes, diagnosis and management have been discussed with each topic. The role of the nurse and nursing responsibilities have been highlighted along with the treatments.

The nursing plans of various diseases, surgery, post surgery, diagnostic procedures, etc. have also been discussed with nursing assessment and nursing diagnosis.

This book will cater to the needs of students and help them understand the subject easily.

**Dr. S.N. Chugh** Former Senior Professor and Pro. Vice-Chancellor, Pt. B.D. Sharma Postgraduate Institute of Medical Sciences, Rohtak, Haryana.

**ISBN :** 978-81-7739-506-8 | **Price :** ₹ 840 | **Pages :** 846 | **First Edition :** 2016

## Midwifery and Gynaecological Nursing

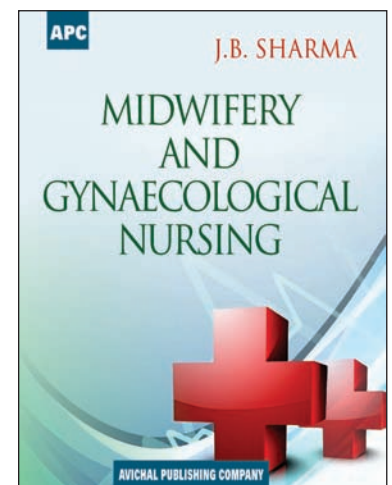

The book has been written essentially for midwifery students of obstetrics. It has been written strictly according to the syllabus prescribed by the Nursing Council of India. The book has been divided into 13 units.

It is in a coloured format and has many photographs, figures, sketches, flow charts and tables for better understanding of the subject. Most chapters have key points at the end for quick reading during examinations.

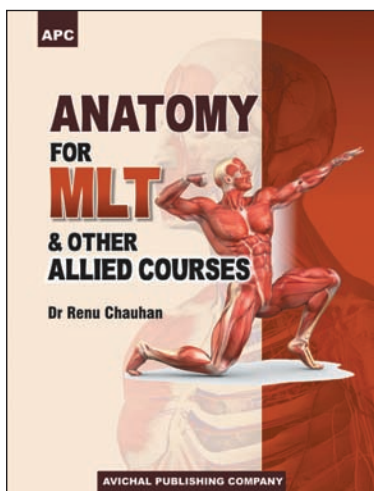

It will also act as a useful guide to the midwifery and nursing practitioners of obstetrics in their day-to-day management of obstetrics patients.

**Dr. J.B. Sharma** MD, DNB, FRCOG (London), MFFP (London), FAMS, FICOG, FIMSA, Additional Professor in Department of Obstetrics and Gynaecology, All India Institute of Medical Sciences, New Delhi. Formerly, a Professor of Obstetrics and Gynaecology at Maulana Azad Medical College, New Delhi. He has also worked as Obstetrician and Gynaecologist at St. Bartholomew's Homerton and Whipps Cross Hospital, London, United Kingdom.

**ISBN :** 978-81-7739-456-6 | **Price :** ₹ 695 | **Pages :** 640 | **First Edition :** 2015 | **Reprint :** 2018

# Books for **MLT** and **OTPT**

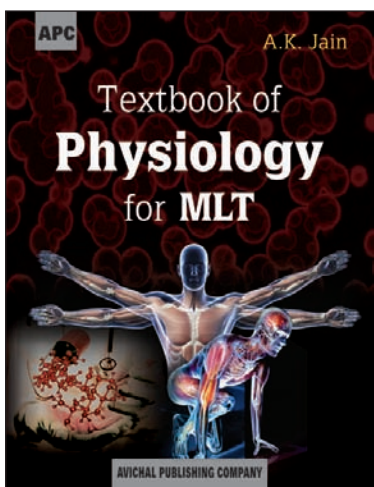

## Anatomy for MLT and Other Allied Courses

The book has been prepared to specifically cater to the needs of MLT students. It has been written in a simplified manner to make every topic easy to understand and remember. The book will also serve the needs of students of other paramedical courses like B.Sc. Radiology, Diploma in Radiography, etc. The book includes:

- Concise and reader-friendly text.
- All aspects of the human anatomy.
- Well-labelled diagrams to make the concepts of the subject clear.

**Dr. Renu Chauhan** Professor and Head, Department of Anatomy, University College of Medical Sciences and Guru Teg Bahadur Hospital, Delhi. She is also a senior resident at AIIMS, New Delhi.

**ISBN :** 978-81-7739-500-6 | **Price :** ₹ 80 | **Pages :** 56 | **First Edition :** 2016

## Textbook of Physiology for MLT

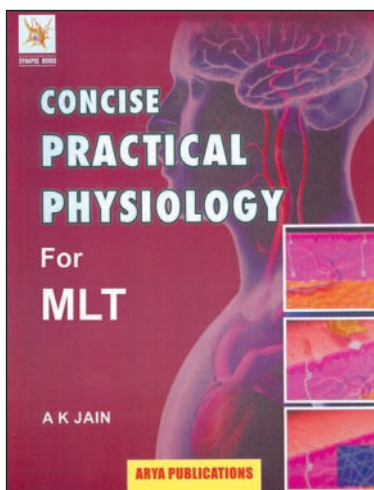

**Textbook of Physiology for MLT** is exclusively meant for MLT students. It provides basic concepts of elementary principles for a thorough understanding of Physiology of the human body and their application in clinical medicine. The book has also been written strictly according to the latest syllabus issued by their Council.

*Salient Features of the Book:*

- The entire text has been written in a simple language and presented in multicolour for better understanding.
- Illustrations, tables, graphs, flow charts, diagrams and coloured photographs have been incorporated throughout the book.
- Study questions have been included at the end of each chapter for greater accuracy.

**Dr. A.K. Jain** Formerly Head, Department of Physiology, Maulana Azad Medical College, New Delhi.

**ISBN :** 978-81-7739-485-6 | **Price :** ₹ 350 | **Pages :** 267 | **First Edition :** 2016

## Concise Practical Physiology for MLT

**Concise Practical Physiology** has been suitably designed as per the prescribed curriculum policy on health-related professions like Medicine, Dentistry, Nursing, Home Science, Occupational Therapy (OT), Physical Therapy (PT), Medical Laboratory Technology (MLT), Centralised Accident and Trauma Services (CATS), Bachelor's degree in Prosthetic and Orthotics (BPO), Bachelor's degree in Rehabilitation Therapy (BRT) and Bachelor's degree in Audiology and Speech Language Pathology (BASLP). It furnishes basic information about physiology experiments emphasising every aspect evenly. The diagrams are well-labelled and graphs/records depict analysis and reasoning. Some important viva-voce questions are added at the end of each practical to help students easily reproduce and understand the subject matter. Important topics in the manual are covered under three units as (i) Haematology Experiments (ii) Nerve and Muscle Experiments (Frogs) (iii) Human Experiments.

**Dr. A.K. Jain** Formerly Head, Department of Physiology, Maulana Azad Medical College, New Delhi.

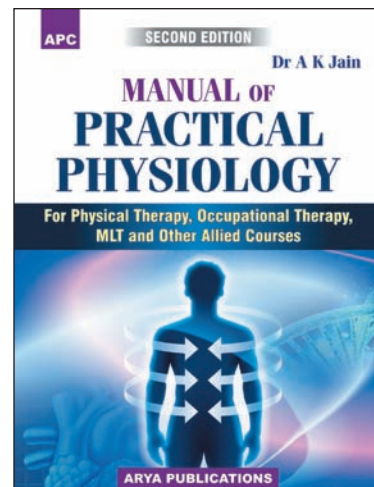

**ISBN :** 978-81-7855-457-0 | **Price :** ₹ 100 | **Pages :** 100 | **First Edition :** 2018

## Manual of Practical Physiology (Second Edition) (for Physical Therapy, Occupational Therapy, MLT & Other Allied Courses)

This book is suitably designed to bring it in line with the prescribed guidelines. It presents working steps in a simplified manner so that even a beginner can handle the experiments. Important viva-voce questions with answers and Objective Structured Practical Examination (OSPE) questions have been incorporated. Numerous diagrams and actual records have been furnished for better understanding of the subject. Frequently asked spots in the examination have been given in a separate appendix. Important topics covered in the manual have been grouped under (i) Haematology Experiments (ii) Nerve and Muscle Experiments (Frog) (iii) Human Experiments.

**Dr. A.K. Jain** Formerly Head, Department of Physiology, Maulana Azad Medical College, New Delhi.

**ISBN :** 978-81-7855-756-4 | **Price :** ₹ 300 | **Pages :** 196 | **Second Edition :** 2016

## Textbook of Microbiology for MLT (Second Edition)

A concise and comprehensive textbook on Microbiology including topics on bacteriology, immunology, virology, mycology, parasitology and clinical microbiology. The book includes:

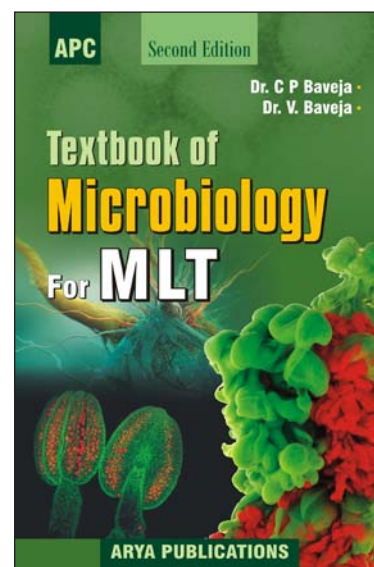

- New chapters — Molecular Detection of Microorganisms, Prophylactic Immunisation, Vehicles and Vectors which have been added to familiarise students with the latest developments.
- Point-wise explanation for quick recapitulation.
- Colour plates/diagrams and tables to provide useful information at a glance.

The text is presented in a simple and lucid language.

**Dr. C.P. Baveja** Director Professor and Head, Department of Microbiology, Maulana Azad Medical College, New Delhi.

**Dr. V. Baveja** Formerly at B. J. Medical College and N. M. Wadia Hospital, Pune.

**ISBN :** 978-81-7855-698-7 | **Price :** ₹ 395 | **Pages :** 334 | **Second Edition :** 2017

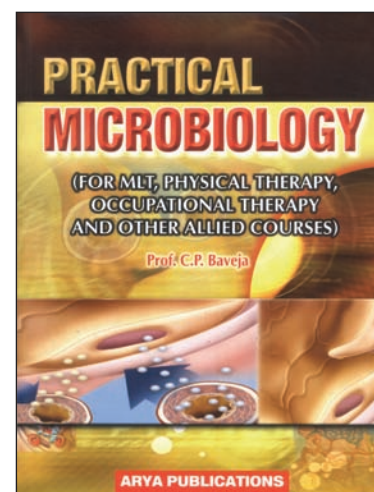

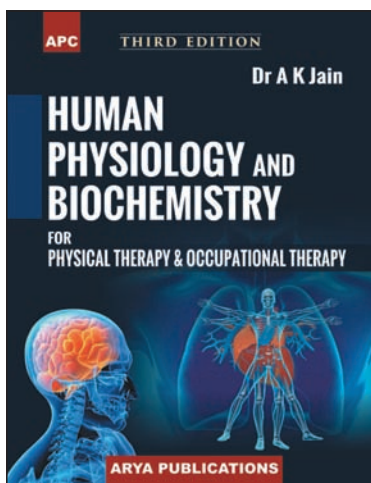

## Practical Microbiology (for MLT, Physical Therapy, Occupational Therapy and Other Allied Courses)

This book has been written in a simple and lucid language. Working steps of each practical have been framed so as to enable a beginner to perform the exercises independently. Identification schemes for different bacteria in the form of flow charts have been included. A chapter on 'Hospital Waste Management' has been added to emphasise its role in microbiology and clinical care of patients in the hospital. The book contains questions along with model answers for easy reproducibility.

**Dr. C.P. Baveja** Director Professor and Head, Department of Microbiology, Maulana Azad Medical College, New Delhi.

**ISBN :** 978-81-7855-278-7 | **Price :** ₹ 75 | **Pages :** 76 | **First Edition :** 2006 | **Reprint :** 2018

## Human Physiology and Biochemistry for Physical Therapy and Occupational Therapy (Third Edition)

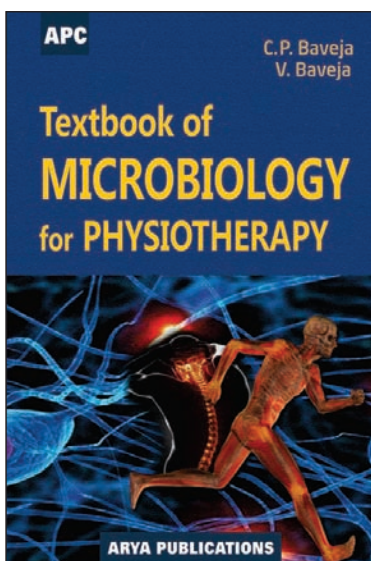

The book imparts knowledge about the functions of the human body. It is exclusively meant for students of B.Sc. (Hons.) Physical Therapy and Occupational Therapy (PT and OT) and has been written strictly as per the latest syllabus of Physiology that has been prescribed by their council.

*Salient Features of the Book:*

- The entire text has been rewritten in a simplified language and set in multicolour.
- Well-labelled diagrams, new concepts, latest developments and many new study questions have been included along with an extensive index at the end of the book.
- Important notes have been put separately in boxes and the text has been presented pointwise that will help in learning.

**Dr. A.K. Jain** Formerly Head, Department of Physiology, Maulana Azad Medical College, New Delhi.

**ISBN :** 978-81-7855-742-7 | **Price :** ₹ 795 | **Pages :** 535 | **Third Edition :** 2016

## Textbook of Microbiology for Physiotherapy

This is a concise and comprehensive textbook on Microbiology that has been written as per the prescribed syllabus for Physiotherapy students. The text has been written in a user-friendly and easy-to-understand language and includes topics on bacteriology, immunology, virology, mycology, parasitology and clinical microbiology. For quick recapitulation, important terms have been highlighted along with point-wise explanations for different topics. Well-labelled diagrams, colour plates and tables have also been incorporated to make learning easier.

**Dr. C.P. Baveja** Director Professor and Head, Department of Microbiology, Maulana Azad Medical College, New Delhi.

**Dr. V. Baveja** Formerly at B.J. Medical College and N.M. Wadia Hospital, Pune

**ISBN :** 978-81-7855-734-2 | **Price :** ₹ 375 | **Pages :** 331 | **First Edition :** 2016

# Books for Pharmacy/BAMS/Homeopathy and Other Useful Books

## Human Anatomy and Physiology for Pharmacy (Third Edition)

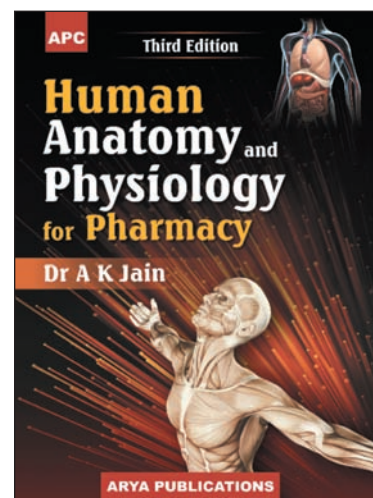

The book is meant exclusively for Pharmacy studies. It introduces basic concepts and principles important for the understanding of the human body.

Salient features of the book are:

- The entire text has been upgraded and presented in multicolour.
- A large number of study questions have been included at the end of each chapter for greater accuracy.
- Many figures have been redone and new ones added for better understanding.
- New summarising tables, well-labelled figures/photographs and many other clinical pictures have been incorporated for better understanding of the clinical concepts.
- A new section on Common Systemic Disorders as well as practicals have been included as per the curriculum of the Pharmacy Council of India.

**Dr. A.K. Jain** Formerly Head, Department of Physiology, Maulana Azad Medical College, New Delhi.

**ISBN :** 81-7855-785-4 | **Price :** ₹ 400 | **Pages :** 348 | **Third Edition :** 2017

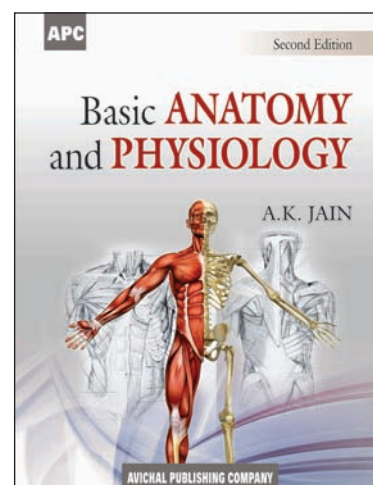

## Basic Anatomy and Physiology (Second Edition)

The basic sciences are being vastly updated and taught at many levels to the students in health-related professions like Medicine, Dentistry, Nursing, Occupational Therapy (OT), Physiotherapy (PT), Medical Laboratory Technology (MLT) and various other branches of medical sciences. This book presents the essential facts of the basics of Human Anatomy and Physiology in a precise, simple and easily understandable language. The entire text has been presented in multicolour and illustrations, tables, graphs and flow charts have been used extensively to explain the text.

**Dr. A.K. Jain** Formerly Head, Department of Physiology, Maulana Azad Medical College, New Delhi.

**ISBN :** 978-81-7855-731-1 | **Price :** ₹ 400 | **Pages :** 360 | **Second Edition :** 2017

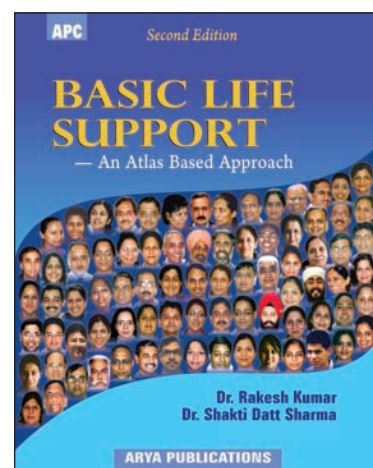

## Basic Life Support (Second Edition)

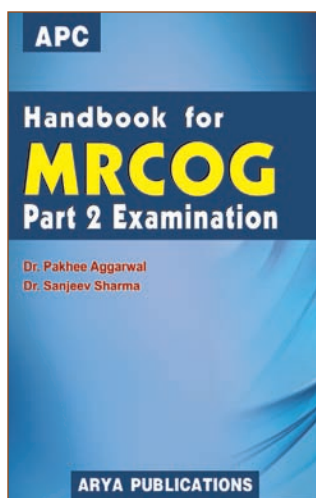

This atlas-based book provides easy-to-understand methods of learning the skills of supporting life. It can be used by all levels of healthcare providers as well as lay persons. The style of presentation, wherein the reader is placed virtually in the midst of an actual situation, has the potential of carrying the message to the masses. The language is simple and the style is lucid. The book printed on art paper illustrates various life-saving techniques in detail.

**Dr. Rakesh Kumar** DA, MD, Professor Anesthesiology, Maulana Azad Medical College and Lok Nayak Hospital, New Delhi.

**Dr. S. D. Sharma** DA, M.D. CMO (NFSG), Maulana Azad Medical College and Lok Nayak Hospital, New Delhi.

**ISBN :** 978-81-7855-507-2 | **Price :** ₹ 200 | **Pages :** 68 | **Second Edition :** 2012 | **Reprint :** 2015

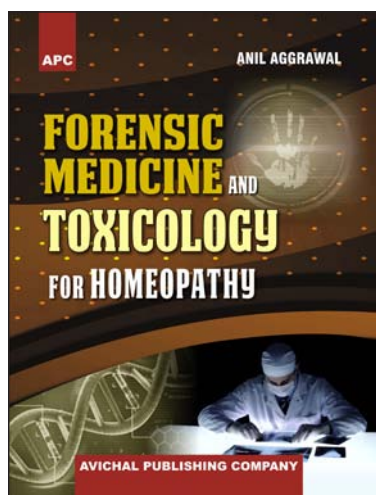

## Handbook for MRCOG Part 2 Examination

The book is intended for doctors and postgraduates preparing for the MRCOG Part 2 exam, majority of whom have no exposure to the NHS and its functioning. The academic level of this exam in the UK is at postgraduate level. However, in India and South East Asia (Singapore, Malaysia, Sri Lanka, Hong Kong among others), doctors in all stages of their academic career are taking the exam, whether they are residents or consultants. This book is a means to virtually get familiar with the nitty gritty of the UK health system while sitting in the comfort of the home.

**Dr Pakhee Aggarwal** MS, MRCOG, MICO, MIPHA, Consultant (Obstetrics and Gynaecology) at Fortis Healthcare, New Delhi.

**Dr Sanjeev Sharma** MS, FRCOG, Dip. PG (Medical Education), Consultant (Gynaecology) and Director of Medical Education, Southport and Ormaskirk NHS Trust, Southport, UK. He has had a long-standing interest in education and training.

**ISBN :** 978-81-7855-725-0 | **Price :** ₹ 175 | **Pages :** 104 | **First Edition :** 2015

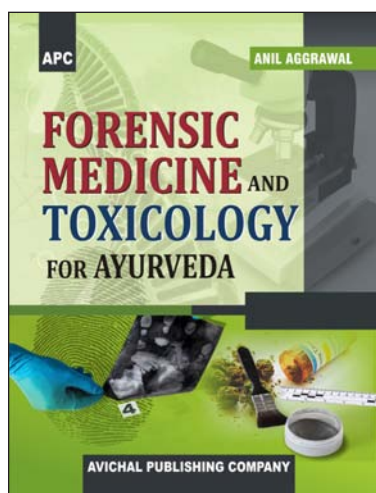

## Forensic Medicine & Toxicology for Homeopathy

There has been no genuine textbook of Forensic Medicine and Toxicology for Homeopathy students so far. Consequently students were forced to read books primarily written for MBBS students, which neither matched their course content, nor were written with an average homeopathy student in mind.

This is a student-friendly book written especially for a homeopathy student. For example, this is the first book, which states the new MTP (Amendment) Bill, 2014, which allows even homeopathic practitioners to conduct the Medical Termination of Pregnancy. Information has been presented in a logical, systematic and clear manner. About 200 memory aids – flagged off in the margins with a special logo – have been added to make memorization quick and easy. The Core principles of Forensic Medicine and Toxicology are explained in an examination-friendly style which Homeopathy students will find useful. Last ten years papers on homeopathy from all major universities have been consulted before writing this book.

**Dr. Anil Aggrawal** is Director Professor of Forensic Medicine at Maulana Azad Medical College, New Delhi and edits a peer-reviewed internet journal on this subject.

**ISBN :** 978-81-7739-497-9 | **Price :** ₹ 695 | **Pages :** 694 | **First Edition :** 2016

## Forensic Medicine & Toxicology for Ayurveda

There has been no genuine textbook of Forensic Medicine and Toxicology for Ayurveda students so far. Consequently students were forced to read books primarily written for MBBS students, which neither matched their course content nor were written with an average Ayurveda student in mind.

This is a student-friendly book written especially for Ayurveda students. For example, this is the first book, which states the new MTP (Amendment) Bill, 2014, which allows even Ayurvedic practitioners to conduct Medical Termination of Pregnancy. Information has been presented in a logical, systematic and clear manner. About 200 memory aids have been added to make memorization quick and easy. The Core principles of Forensic Medicine and Toxicology are explained in an examination-friendly style which Ayurveda students will find useful. Last ten years papers on Ayurveda from all major universities have been consulted before writing this book.

**Dr. Anil Aggrawal** is Director Professor of Forensic Medicine at Maulana Azad Medical College, New Delhi and edits a peer-reviewed internet journal on this subject.
