RESULTS OF THE 2011 EXAMINATION

PREFACE

BGCSE is a syllabus based examination. Candidates receive results for each of the syllabuses they complete, but no overall grade is calculated.

In this summary, candidates in each school or examination centre are listed in order of their candidate number. Each syllabus taken by the candidate is identified by the syllabus number (eg. 0561 for English Language, 0562 for Setswana, etc.) followed by the grade which has been awarded (eg. 0561 A indicates that the candidate has been awarded grade A in English Language). The Syllabuses and the syllabus numbers are listed at the foot of each page.

BGCSE results in individual Syllabuses are indicated by the grades: A*(a*), A(a), B(b), C(c), D(d), E(e), F(f) or G(g). Grade A*(a*) is awarded to those candidates showing the highest ability in a syllabus and Grade G(g) for a minimum satisfactory performance. Performance below the standard of Grade G(g) is listed in this report as grade U, but will not be recorded on the candidate's certificate. In the case of 0569 Science:Double Award, the syllabus is equivalent to two syllabuses and two grades are issued.

BGCSE candidates awarded grades A*(a*), A(a), B(b) or C(c) have reached standards at least equivalent to those required for the award of grade A(a), B(b) or C(c) in the GCE Ordinary Level and grades A*(a*), A(a), B(b) or C(c) in the International General Certificate of Secondary Education examinations.

Attainment in GCE Ordinary Level are indicated by one of the five grades A*(a*), A(a), B(b), C(c), D(d) or E(e), of which Grade A*(a*) is the highest and Grade E(e) the lowest. Grade E(e) is the lowest level of attainment judged to be of sufficient standard to be recorded. Performance below the standard of Grade E(e) is listed in this report as grade U, but will not be recorded on the candidate's certificate.

In both BGCSE and O level, Grade X indicates that the candidate was absent for one or more components of the examination and therefore is not eligible for a grade.
