# CRAFTED IN SWITZERLAND

Pilatus is the only Swiss aircraft manufacturer. Since 1939, every Pilatus aircraft has been designed and manufactured with legendary Swiss quality. We're proud to be called over-engineered.

# HIGHEST RESIDUAL VALUE

Independent after-market research publications have verified that PC-12 owners enjoy one of the highest value retention rates in all of business aviation, significantly lowering the total cost of owning a PC-12.
