

# BRANDON HALL SCHOOL

---

2014-2015 Annual Report

**Brandon Hall's** mission as a coeducational boarding and day school is to provide a challenging college preparatory experience immersed in technology. Our community embraces diversity, celebrates individual strengths, fosters global citizenship, encourages athleticism and the arts, and inspires creativity — where every student's dream to attend college becomes reality.

## DEAR FAMILIES AND FRIENDS OF BRANDON HALL:

On behalf of the faculty and staff of Brandon Hall School I wish to express our sincere gratitude for everyone who contributed to the betterment of our school during the 2013 – 2014 school year. Your participation in various fund drives, including annual giving to the Mission Fund and Spring for the Arts, creates a sense of community centered around making Brandon Hall a great place for our students. We are most grateful for the unrestricted gifts, which allow us to direct the funds to the greatest need, along with those that are designated to a specific purpose.

I hope you enjoy perusing this annual report, recognizing the individuals and corporations that supported our school. It is my privilege and honor to serve as the Head of School of this great organization.

With appreciation,

*John L. Singleton*

Dr. John L. Singleton  
President & Head of School  
Brandon Hall School

Dear Brandon Hall Community,

When we set goals for a new school year we begin by reflecting on the previous year to see what has been accomplished and assessing what we want to achieve going forward. It becomes clear what we must invest in our school to become the global campus we envision. As we continue to empower each student utilizing our specialized education, we prepare them to become proactive citizens of the world — prepared to lead the next generation influencing the Global community that waits beyond the doors of the Great Hall.

Through the building of new and exciting relationships, the Mission Fund continued to grow and reach new goals this year. Our second annual Spring for the Arts, a “friend-raiser” event, held in April at the Spruill Art Gallery is an event that continues to help to form new alliances in our local Dunwoody and Sandy Springs communities. We showcased the talents of our students through the exhibition of their artwork and live musical performance. Sponsorships and patron contributions obtained through this Event have become an investment in the Mission Fund.

Some of our goals this coming year will be to create new relationships through a new Alumni Association, increase community involvement with the school, and increase monetary contributions while recognizing that all of these are opportunities for building a lasting bond. Giving to Brandon Hall is not only an annual contribution, but also an ongoing commitment to demonstrate that we believe in the mission of the school. Each gift donated flows through the school touching the life of each student just as the Chattahoochee River touches our campus. The ripple created by your generosity carries out into the global community as our students touch the world.

We thank you for your continued support and all that you do for Brandon Hall School.

The Office of Institutional Advancement  
Rick Pollard, Director of Institutional Advancement  
Sharon Yokelson, Director of Alumni Relations  
Justine McDonald, Georgia GOAL Scholarship SSO
