Dick was a four-year letterman on the Braves track and field team, and also earned two letters in football. OU won the KCAC team championship each of Dick's four years on the track and field team. He anchored the 440, 880 and mile relay teams, and during his sophomore year was part of the Braves team that won the Invitational Sprint

Medley at the KU Relays and set a new meet record with a time of 3:32.6. Individually, as a sprinter, Dick charted 18 wins in the 100 and 15 in the 220 in his four seasons, and in two seasons finished with the team's highest individual point total. His career best 100 time was 9.7 and in the 220 he had a personal career best of 21.5. Dick was named to the All-KCAC track and field team in both the 100 and 220 all four years, and in his senior year finished undefeated in both the 100 and 220 and was the KCAC champion. He achieved all these milestones, as he pointed out, "on the old cinder tracks of the era." On the football field, as a sophomore and junior, Dick played running back and cornerback, and as he put it "I started some games, but was mostly a sub." His biggest play on the gridiron was against Baker his sophomore year, when he caught a 76-yard touchdown pass from freshman quarterback Stan Bettin. That was a Top 10 longest pass play in the OU record books for many years.

Education

Ottawa University – BA in Social Change, 1973 Harvard Business School – MBA, 1977 | Ottawa University – LLD, 2008

OU Athletic Participation

Football (1969-1972)

Kevin was a four-year letterman on the Braves football team, playing on offense as a fullback and roving linebacker on defense his first two seasons, on all special teams, and as starting inside linebacker in his junior and senior years. He and his senior teammates earned two conference championships (KCAC '70, HAC '72) and won the 1972 Mineral Water Bowl championship, finishing that year ranked sixth

nationally in the NAIA. A special highlight to Kevin was trouncing Baker all four years!

Current/Past Business, Profession or Occupation:

Kevin is currently Chancellor Emeritus, having served as OU's CEO since 2008. Prior to OU, his successful business career featured stints as founder of Collaborative Strategies, Inc., a strategic management consulting company, and as CEO of two publically traded companies: GenAmerica Metlife, and then as president/CEO of Enterprise Bank and Trust, which he co-founded in 1988—a firm which has grown to over \$10 billion in assets.

OU Connection/Involvement:

Kevin has served on the OU Board of Trustees since 1982, chairing the board for five of those years.

Contributions To OU Athletics:

During Kevin's tenure as chief executive, OU's athletic teams grew from 14 in 2008 to 57 currently, now supporting more than 1,300 student athletes—the most of any NAIA institution in America. The tremendous growth in athletic programs has been matched by the number and quality of exemplary athletic facilities in which many millions of dollars have been invested in Kansas and Arizona.

In the past 13 years, OU athletic teams have been selected to compete in unprecedented numbers in conference championships and national playoffs with outstanding results. The quality of our student athletes has been recognized nationally in terms of conference and All-American designations, with many programs earning NAIA scholar athlete and character awards annually. Athletic department leadership, coaches, and support staff have also grown tremendously in number and in capability. Today, it can truly be said that very few institutions rival OU in the size, caliber, and overall success of their NAIA athletic programs.

Artwork for the Braves Athletic Hall of Fame Plaques by John Boyd Martin

John Boyd Martin, son of former Ottawa University President Andrew B. Martin, has established himself as one of the most accomplished portrait artists in the country.

A graduate of the University of Kansas School of Fine Arts, Martin has received more than 150 local and national awards for his creativity and talent. In his long and distinguished list of commissions, Martin's work has crossed many professions and includes professional sports greats like Arnold Palmer, Bob Cousy, Len Dawson, and Joe DiMaggio. His talent has also touched the business, educational and political arenas with many notable commissions.

Martin's artwork has been featured on programs for various sporting events, including five World Series, four all-star games, and an NBA all-star game. He has also done many art prints and posters, including the 1993 Ryder Cup Team for the PGA. In addition, Martin continues to do work for various organizations on an annual basis, including the Ottawa University Braves Athletic Hall of Fame, Kansas Sports Hall of Fame, Kansas City Chiefs Hall of Fame, and the Kansas City Royals Hall of Fame.

Ottawa University Fight Song

O'er the stands of shining yellow
OU's banners fly;
Cheer on cheer like volley'd thunder
Echoes to the sky.
See, the OU tide is turning,
Gaining more and more.
Then fight, fight, fight,
For we win tonight:
OU forever more.
