THE PRESIDENTS CORNER

Memorial Day marks the beginning of summer. It is a time when we take a moment to reflect on all the brave men and women who serve today and also to those who gave the ultimate sacrifice in keeping our country safe and free.

We had a very successful auction a few weeks ago. There were treasures there for everyone. I want to thank Aubrey Rogers and his auction team on providing us with such a great auction.

On June 3 we have our Sawmill Picnic. There will be no monthly meeting this month and if you haven't already done so, please go to our GWG website and sign up. There is no cost and there are a number of interesting activities planned to fill the day. Log sawing begins about 1:00 PM with dinner planned around 5:30 PM. This year's picnic is dedicated to the memory of Roger Thelander and all the other members we have lost this past year. Roger not only enjoyed the Guild, he looked forward each year to the picnic to gather with his friends. See you there.

Around The Shop

George Leonard and the wood team have been very busy picking up wood. You may have notice the stacks of lumber inside and outside the lower building. We have been very fortunate to have a great deal of lumber donated to the Guild. There will be a variety of species available once it is all processed and labeled. Watch for the notices from George because this would be a great time to stock up. I have been told that prices will be very attractive.

The Toy Program is in full swing. Each Tuesday from 9 am – Noon the "elves" are busy making toys. If you would like to participate, show up on Tuesday morning.

Enjoy the shop – be safe!!

Tom Auth made a flag presentation case for Oscar Masters, a WW II veteran.

Bob Ripply gives the Guild an original Sam Maloof Chair that Sam built as a demonstration.
