OUR STORY

Since the early 1970s we have installed hundreds of federal, state and municipal courtrooms and JAG facilities across the country with beautiful, quality furniture based on our roots in solid wood benches and furnishings.

It's a legacy that began in Archbold, Ohio when carpenter and craftsman Erie Sauder found his calling in building quality, solid wood furniture with a church project more than 80 years ago.

EXOTIC WOODS, CUSTOM FINISHES, AND UNIQUE FABRICS.

Sauder® Courtroom Furniture is a recognized leader, offering the finest woods and craftsmanship, while also building on our experience and bringing innovative ideas to the industry.

9 species in standard production, plus exotics.

Responsible sourcing is a priority here, whether working with our standard woods, or selecting exotic woods from around the world like Anigré, Makoré and Sapele.

We offer more than 200 combinations of wood species and finish colors, with the ability to procure a wide variety of wood species.

Enhance your wood selection with one of the hundreds of fabrics offered – we work with multiple partners providing a variety of qualities, styles, textures and colors.

And our custom finish color-matching helps you coordinate with other wood accents in the environment. Ask us about wood and fabric samples.

Sustainability Design & Stewardship

We've built a company culture of caring for nature, going beyond the basics to respect and protect the environment. Our commitment includes responsible sourcing, conserving, recycling and continually enhancing internal processes. It's part of our long-term commitment to our employees, community, customers and future generations.
