Dear Recipient,

On behalf of everyone at Thieme, we sincerely **thank all the hard-working physicians, nurses, paramedics, medical staff, and others** who are currently doing everything possible to contain the COVID-19 virus and care for the sick.

To support you in the fight against further spread of the virus, we are providing **free access to specialist information on the coronavirus** and other respiratory viruses at www.thieme.com/coronavirus.

As we follow the authorities' latest recommendations by working remotely, the Thieme webshop is **open for business** and we will **continue to ship orders as usual**. We are working hard to keep operating during such uncertain times and are available for your queries via email, social media and phone.

Despite having our 'normal' lives on hold, we would like to share the **latest publications in radiology** that are relevant to upcoming physicians, nurses, paramedics, medical staff, and others to keep you updated in your specialty.

Best regards and stay safe!
