EPD's listed in this catalog are taken from the American Hereford database on

February 5th 2018. Breed Average EPD's for the EPD's listed in this catalog are:

CE +1.6 BW 3.1 WW 50 YW 81 Milk 23 BF +.007 REA +.35 Mrb. +.10

Additional Traits are evaluated and listed online at hereford.org

Terms & Conditions

PAYMENTS: Terms of the Sale are Cash.

OWNERSHIP: Cattle are the property of purchaser as soon as sold, but will be cared for free of charge for a reasonable length of time.

DISPUTED BIDS: The auctioneer will settle any dispute as to bids by declaring all bids off and reselling the animal in question.

HEALTH: Most all animals are from an accredited herd free of both Tuberculosis and Brucellosis. All animals will be tested within 30 days of the Sale. Individual health certificates will be issued on the day of the Sale.

PAPERS: A certificate of registry and transfer will be furnished for each animal sold.

LIABILITY: Each animal will be at the buyer's risk as soon as sold, but will be cared for, for a reasonable length of time.

BULL GUARANTEE: Bulls are guaranteed breeders if properly cared for and not allowed to pasture breed until 18 months of age.

COW GUARANTEE: All females are guaranteed to be breeders. Females reported as Bred are guaranteed to be safe in calf. Open heifers have not been served. A.I. Certificates are NOT provided unless otherwise noted

GUARANTEE: The cattle offered for sale are sold under the terms and guarantees recommended by the American Hereford Association with reference to health, freedom from defects, reproductive unsoundness, and freedom from specific genetic unsoundness.

ADJUSTMENTS: All claims for adjustments must be made in writing within 6 months of Sale. Any animal returned to the seller because it does not comply with the guarantee will be at the buyer's cost of transportation. Animals of breeding age that fail to breed after 6 months trial may be returned to the seller's farm if in good condition. The seller reserves the right to try said animal for 6 months and if it proves to be a breeder, return it to the farm of the buyer. If the animal proves to be a non-breeder, the purchase price will be refunded or another animal will be furnished at the buyer's request.

CONTRACT: The above guarantee and terms shall constitute a contract between the seller and buyer of each lot. The Buckeye Hereford Association assumes no liability, legal or otherwise. The owner is responsible for any statements or announcements regarding his consignment in this sale.

MAIL BIDS: Those unable to attend the sale may send buying orders to the Association Secretary.

TRUCKS: We assist buyers to obtain trucks at reasonable rates to get their cattle home.

ANNOUNCEMENTS made from the auctioneer's stand during the sale take precedence over any part of this catalog.

All persons who attend the sale do so at their own risk. The Buckeye Hereford Association assumes no liability, legal or otherwise, for any accidents which might occur.

An elite heifer in the show ring and pasture, Mason, Morgan, Maddox and Knox are excited to bring their first Hereford sale offering, Miss Chiquita. Her pedigree is packed with royal lineage on both sides, they have not only had impeccable success with many National Champions but can also perform in the working world as well. Chiquita's Dam, a Purple Chachi 65Z daughter, is a beautiful uddered female that stands out in the pasture for her looks, performance and raised this outstanding first calf heifer. With a super disposition, fluid movement, clean front end, stacked pedigree and overall striking appearance Miss Chiquita would be a welcomed addition to any program.

This outstanding June prospect checks a lot of the boxes that we are looking for in our Hereford program. She has an elegant neck and head, she is big boned and wide pinned, she has rib shape with added muscle shape, her pedigree reads well and her color is good with some eye pigment. This one will be fun to show then put her in a fall calving program where she will have a little extra size and age on her contemporaries and sit back and let her make you some money. We certainly like this one a lot. She is OCV.

Sired by the Denver Champion Hometown 10Y whose progeny are blowing the door open in show ring presence and overall performance. This bull also has the added bonus of being out of one of the most prolific cows of any breed owned by Long Hall Cattle. He has maternal abilities bred into him from both sides of his pedigree. He has outstanding muscle shape and design, with great spring of rib and depth of flank, big boned and footed and oh so sound structured. As an added bonus; a birth weight in the low 80's and up and nursing in about a half an hour should breed on! Enjoy owning this one! Dehorned.

If you are looking to replace an older cow, stop and look at Princess. She has femininity about her with a long stride. Princess was shown by a 10 year old with success. She is very easy going and easy to work with. OCV. Princess will not disappoint. Bred on July 29th to NJW 73S M326 Trust 100W ET for an early May calf.

Ante Up features balance both phenotypically and genetically. He is wide based, big topped and soft in his design. His EPD's avoid the extremes. His dam produced the top-selling and Champion bull of the 2016 Ohio Beef Expo purchased by Mohican Farms. His sire is leaving daughters that make excellent cows and sons with muscle and eye appeal. Actual birth wt.-82 lbs. unassisted. Actual weaning wt. (4/26)-680 lbs. Yearling data- wt.-11/30/17-1226 lbs. Ultrasound BF-.16 REA13.4 sq. in. IMF-2.59.

Ella is a sweet tempered fall calf that could make a great starter project for the showing novice. Her mother is a hard-working Trust daughter we purchased from our friends Mike and Becky McDonald in West Virginia. Above average EPD's for growth, milk and carcass traits all help make this heifer a nice foundation for a 4-H beef project. Weaning information available sale day. Watch for Videos on Facebook after 3/5/18.

748E is a big-bodied female that is correct from the ground up. 748E is attractive fronted and fully pigmented. She is sired by KCF Bennett Revolution Z271 (a full brother to X51) and out of 045X an outstanding cow with a perfect udder. We feel "Classy Lady" 748E has a great future as a show heifer and as a brood cow. Sells open. Calfhood vaccinated.

Good uddered, big hipped young Bailout with a fancy show heifer prospect at side! We purchased Crystal from our good friends at River Valley Polled Herefords in Ontario. Crystal is from the same "Corey" cow family that produced the Royal Champion RVP 100W Duke a featured herd sire for Ridgeview Farms in MI. Crystal raised an excellent heifer calf last year and we think this years baby is even better! We wanted to consign something special for the 75th Anniversary - here she is! Cow sells open.

UPS SENSATION 2504

OBJHA DONATION LOT An excellent opportunity to support the Ohio Buckeye Juniors and improve your herd at the same time! We purchased Hadley as a foundation female in the 2014 Expo sale. From there Hadley went on to be named the Reserve Champion Female at the Ohio Premier, the Ohio Futurity and the EOHA show before placing at the top of a tough class at the NAILE. The Sensation 2504 cattle are making their mark! In addition to passing on his outstanding phenotype, 2504 is a trait leader for all traits measured for calving ease and carcass, a rare feat considering he also leads the breed for pure milk as well as the milk & growth EPD. The combination of Hadley and 2504 is sure to move your program forward. All proceeds are being donated to the OBJHA. Embryos will be available sale day.

Okay pay attention here! This bulls sire is out of the famed Sweet Red Wine cow and he is a full sib to Full Throttle whose semen is in short supply and has commanded \$700 per unit. This is a good option for those that like the power that Full Throttle delivers plus this Divergent bull is free of 88X, About Time, Outcross, 719T and more. The power of this offering continues on his maternal side as he is out of a great Cracker Jack daughter that we used for our show heifer in 2016. Tom will be a rock-solid heifer ready bull with the upside potential of the Divergent/Cracker Jack cross. Here is your chance to get these unique genetics as there are not many of these animals around or use him to leverage Hereford heterosis in your black herd.

I hesitated consigning this cow- she is from one of my favorite cow families- a granddaughter of one of our Remitall Marvels we purchased years back at the Remitall dispersal. She is a smaller framed cow and easy keeping. Her EPDs (and genetics) indicate easy calving and lower birth weights. AI bred 6.24.17 to Felton's Legend 242. Biopryn tested safe to AI date

COW

BUCKEYE HEREFORD EXPO HEIFER PROGRAM

How to Participate: Buy a heifer in this year's sale in the Junior's name
 Benefits: 5% of the selling price of Junior heifers will be divided to the Juniors who purchased Expo heifers at the Junior Premier Show. For example: If 8 heifers were purchased at the sale for an average of \$2,000. The Champion for the Expo class would receive \$400, the remainder would be divided equally among those Expo heifers shown.
 Funding of the Program: The Buckeye Hereford Association is waiving their commission on those heifers to fund the program.

Added Benefit: Don't forget....Ohio Juniors that purchase a heifer can exhibit her in the show on Sunday at the Expo!

Lex is a powerful, huge topped, big ribbed, square hipped, deep bodied, stout, and sound horned heifer. She was calf champion at the Futurity. If you want a bombproof heifer that will make a cow after her show career, here she is! She'll calve easy and have a picture perfect udder with tons of milk. OCV

Donor cow in the making. Tesla has unsurpassed soundness, correctness, stoutness, with femininity, rib shape, depth, and width. She showed very competitively just like her granddam, who was a two time division champion at Louisville. Tesla is kid broke and a pleasure to be around. A unique pedigree 719T, Thor, Reload with exceptional EPDs; top 5% ribeye, top 10% CHB. She is safe in calf to Red Bull 200Z and due to calve at 24 months. OCV
 AI'd on 7/13/17 to Churchill Red Bull 200Z, 43281860 due 4/20/18.

Chickadee is a solid red, ring eyed, long bodied, extremely stylish, fluid moving horned heifer. She is big level hipped, thick, stout, complete and correct with an extended feminine front. She'll show, be a front pasture cow, and donor. Awesome pedigree Red Bull 200Z, About Time, Reload. Chickadee and Tesla share the same granddam. OCV

This heifer is cow power! Dam is a first calf heifer sired by Durango, whose mother is a Bailout/29F. Talk about a stacked pedigree! When you see her, you will fall in love with her heavy bone, conservative markings and her overall mass and sweet front end. Her moderate frame and structural correctness make her ideal for today's purebred industry. Buy with confidence and reap the benefits. Bred to Homegrown and due May 1st. BW: 73 Act. WW: 645 Act.
