Why Buy Poly?

Poly furniture is made from High Density Polyethylene (HDPE) the safest recyclable plastic used to make poly furniture. It will never need to be painted or stained. It will not rot or splinter, and it contains an added UV protective agent to resist fading. Poly furniture is not affected by most corrosive substances, and will not promote bacterial growth.

Go "Green" with Poly Furniture!

- Withstands sand and salt water
- U.V. stabilized to prevent fading from sunshine
- Remains unharmed from snow and rain, year after year
- Maintenance-Free
- All stainless steel hardware
- Will not crack, split, rot or splinter
- Will not promote bacterial growth or mildew.
