WEST CAMPUS EMPLOYEES VOLUNTEER AT MEALS FROM THE HEARTLAND

Faculty, staff and administrators at the West Campus volunteered their time again this year to prepare meals at Hy-Vee Hall for the Meals for the Heartland program. In assembly-line fashion, the team packages meals containing rice, soy protein, dried vegetables and vitamins.

PIONEERS CONNECTION

PIONEER EVENTS

OUR NEXT MEETING--FALL KICKOFF

Our next meeting will be the Fall Kickoff on Thur., Sept. 22, in the FFA Building conference center at 4:30 p.m. Join us to celebrate our group and to reconnect with your Pioneer friends. Call 515-964-6868 to reserve by Mon., Sept. 19. Guests are welcome. Hickory Park in Ames is catering our Bar-B-Q dinner. Don't forget to bring nonperishable items for Pamela's Pantry.

ASK ME

Many thanks to John Arbuckle for again organizing the "Ask Me" project to assist students on the first days of classes. As usual, we were able to support students in the heavily trafficked buildings. It is always appreciated by faculty and staff, who stop to thank us. We are hoping to work with the Student Ambassadors in the Spring semester to cover even more of the buildings on campus.

BOARD RETREAT

The Pioneer Board and Garage Sale committee heads met on Thur., Sept. 1, for a retreat and review of the annual Pioneer activities. Our continual goal is to plan activities and meetings that all Pioneers will enjoy and find beneficial. We discussed the Garage Sale and all agreed that we need to adjust our pickup policies as Harlan Giese put more than 1,100 miles on his truck since January picking up merchandise for the sale. Without the help of Al Wykoff and Dennis Hansen, it would not be humanly possible to have done this. Since three-quarters of the donations come from our own Pioneer family, we are considering having the storage units manned for delivery immediately after the monthly meetings, where our Pioneers could drop off their donated treasures. Happy 80th birthday to Harlan Giese on Sept. 8.

FINAL NOTES:

My husband, Lee, and I are on a sea/land cruise in Alaska. Many of our Pioneers have shared with us their experiences in traveling and we are so grateful for their helpful advice.

Again, I personally want to thank the board members including all of those committee chairs who have supported me during this past year and beyond. I could not do it without everyone.

As we Kickoff our 17th year as Pioneers of DMACC we can be proud to have been a part of this great college and its history. Please join us to celebrate.

PIONEER PRESIDENT, Dee Johnson—Enjoying temperatures in the 40s & 50s.
