THE GREEN BURIAL PLAN

\$1,495.00

According to the National Funeral Directors Association (NFDA), a not-for-profit trade group representing funeral service professionals, a green burial occurs when "the body is buried, without embalming, in a natural setting; any shroud or casket that is used must be biodegradable, nontoxic, and of sustainable material; traditional standing headstones are not permitted. Instead, flat rocks, plants or trees may serve as grave markers."

NFDA adds that green burial "may also simply mean burial without embalming, in a biodegradable casket without a vault, when permitted by a cemetery."

This package includes the basic service of the funeral director and staff, transfer of the deceased to the funeral home within a 20 mile radius, a biodegradable sheet or shroud, a hearse for service if desired, , a committal service if desired,

Other items to be considered may include any/or all cash advances such as cemetery fees, newspaper fees, clergy costs, flowers, certified copies of the death certificates, personalized memorial items such as a DVD Memorial Tribute.

In this case it is a stand-alone event. This charge of \$1,995.00 does not include: embalming, a casket, use of facilities or staff for any visitation or ceremony, public or private, prior to interment. If embalming using fluids consistent with green burial standards the fee would be added to the \$1,995.00. If the cemetery requires a bio-degradable casket, the fee will be added to the \$1,995.00.

Green Cemeteries to consider are:

1. **Penn Forest Cemetery in Verona,**
2. **St. Francis of Assisi green burial section, in a quiet meadow behind Holy Savior Catholic Cemetery off Bakerstown Road in Pine and Richland Townships**
3. **Or any other cemetery offering Green Burial**

Traditional Funeral Service with Cremation

Not Selected

The term “**Traditional Funeral Service**”, when referring to a cremation, mean those services in which the casket or urn will be present, just as though there was to be a casket burial. There are many different variations; the deceased may be present in a ceremonial casket for a visitation and a funeral service, followed by the cremation. If the urn is to be buried a graveside service may be scheduled at a later date.

If you choose cremation, we strongly recommend that you hold a memorial service to help you and your loved ones in the healing process.

The fees include professional services, attention to all details including filing of forms with government offices, preparation of newspaper notices if desired and handling of floral tributes if any.

These below prices reflect the professional charges and some services, for example, the Medical Examiner Fee and the crematory fee. Third-party charges, such as obituaries, death certificates, and anything not listed would be an additional cost.

You may also consider memorial items such as prayer cards, a register book, a Memorial DVD Tribute, personalized bookmarks, candles, or jewelry.
