As:	16 Vi 59	Su:	26 Ta 07- AmK	Mo:	28 Ta 16- AK	Ma:	1 Ta 32- DK
Me:	7 Ta 50- GK	Ju:	20 Ar 26- MK	Ve (R):	10 Ge 45- PK	Sa:	11 Aq 41- PiK

So the native's 30th year hints at some of the above events.
- The native writes, *"In my 30th year, I got a job offer in US in Oct 1993(in 30th year) and the company applied for H1-Visa, my second daughter was born in March 1994, I received my H1-Visa from the US embassy in April 1994, and I left to US in May 1994."*

Chart 5: Rahu in 8H

DOB: 18-Jan-1958; TOB: 10:17:00 Hrs (+2.00 east); POB: Bucharest; 26 E 6, 44 N 26.

- Rahu is in 8H of transformations, strife, delays and dejection. Rahu is with LL Jupiter which hints at some significant event related to the native as well as her career (*Karma*), since Jupiter is also 10L in this chart.
- This chart also shows us a few additional hints we have learnt from previous articles published in Saptarishis Astrology' e-Magazine.
- In an article by the Kid in Vol. 1 of Saptarishis e-zine, you find the aphorism *"Jupiter in Moveable Sign (Aries, Cancer, Libra or Capricorn) will spoil/destroy/weaken/delay the*

results of 12H from it”, note that the 7H of marriage/ business partner is spoilt in this chart.

- e) Another BSP aphorism mentioned in earlier article of SA states that when, *“When Mars and Saturn are conjunct in any house, at least one signification of the sign of Aries, whichever house it occupies, will be Spoiled/Activated/Topsy Turvy”*, note that Aries is 2H of wealth, family and **teeth** for this native. Mark these above points.
- f) The native writes, *“In that year I had a severe loss of calcium which affected my teeth; I had severe problems in my marriage, very close to the divorce; I did my best to take care of my health and to have a baby; the family of my husband made me suffer through many problems; professionally I had very many good results and I succeeded to recover my house; in that year I had in my hands, for the first time in my life, a book of astrology, but only for 24 hours.”*
- g) Recollect, 8H is sustenance of marriage, where Rahu implements in the 30th year. The dispositor of Rahu (Venus) is with 6L of Sun which signifies conflicts, sickness, intense anguish. Rahu is with LL (Jupiter) so her health also was affected. Also, note that Jupiter is dispositor of Moon (Calcium), so her teeth were affected. This chart belongs to an astrologer from Romania.
