## WELCOME TO THE SEARCH PRESS 2021 NEW BOOKS CATALOG

# CELEBRATING 50 YEARS OF SEARCH PRESS

I'm delighted to be presenting you with our latest catalogue featuring all new Search Press titles publishing March through September 2021.

2020 saw Search Press reach our 50th anniversary in circumstances none of us could predict. But we're proud to have kept providing artists and crafters the world over with our beautiful and inspirational books and to have supported our friends in retail in the most challenging of times. Let's hope 2021 sees us all back on track towards something more 'normal'.

It's always tough choosing new book highlights when I'm immensely proud of every book we publish. Personal favourites in craft this year include Monica Russel's Nordic Knits for Children (page 36); Julia Hincks' The Coverstitch Machine Manual (page 23); Modern Mending by Erin Lewis-Fitzgerald (page 21) and Debbie Shore's wonderful Sew Eco-Friendly (page 20). Art and drawing sees the sumptuous wildlife paintings in The Art of Angela Gaughan (page 5), the wonderful Abstract Painting by Petra Thölken (page 6) and the enigmatic Dynamic Seascapes by Judith Yates (page 7). But please, you pick your own favorites!

Thank you as ever for your continued support and to you and your families, and your customers, a very healthy, happy and peaceful 2021.

Kind regards,

Martin de la Bedoyere  
Managing Director, Search Press Ltd
