ON THE COVER ... Our feature for the first edition of 2020 (can you believe 2020 already?) is a 1934 Ford Coupe. Mike and Susan Orr have owned the car for a couple of years and thoroughly enjoy cruising and showing it. The engine is a 350/355 hp Chevy with a 700R automatic tranny. The car has a chrome front end with chrome adjustable coil over shocks on all corners. The PPG paint is Black Cherry with grey interior as well as a finished matching trunk space. The Orrs have power windows, power trunk, power doors and air conditioning as they cruise along! They can also tune in on a super nice stereo system! This beauty rolls around on Billet Specialties on BFG tires. Oh yes, the exhaust system is Flows! A nice unit they are proud of and we are very grateful for the opportunity to bring it to our readers. Our added accessory is Jasmine.
