Daniels-Mecca Troth Announced

Elaine Faith Daniels and Robert P. Mecca

OCEAN GROVE — Mr. and Mrs. Lewis A. Daniels of Penns Park, Pa., and the Shawmont Hotel, Ocean Grove, announce the engagement of their daughter Elaine Faith, to Robert P. Mecca, son of Mr. and Mrs. Robert J. Mecca of Hatboro, Pa.

Miss Daniels is a graduate of East Stroudsburg University of Penna., and is employed

at Village Travel in North Wales, Pa., as a travel consultant. Mr. Mecca is a graduate of Hatboro-Horsham High School, and has had further studies at technical schools. He is employed at Green Valley Country Club, Lafayette Hills, Pa., as chief engineer.

A September 28, 1985 wedding is planned.

Thanksgiving Thoughts

The origin of Thanksgiving day goes back to the early history of the Plymouth colony. Those valiant Pilgrims who landed at Plymouth as winter was beginning in the year 1620, had a distressing experience in the privations of those frigid months. A good part of their number had perished, but when summer came again their hopes revived.

They had a good harvest. The colony was pervaded with the spirit of thankfulness, and expressing that spirit a day of Thanksgiving was proclaimed and observed. Four men were sent out in search of game, and they returned with a heavy load of wild fowl, principally turkeys, sufficient to meet the wants of the colony for a week.

The housewives prepared a goodly feast. The occasion was brightened by psalms and songs, and thanks were given to God for the mercy which He had granted in supplying the wants of these hardy pioneers.

Those old colonists faced plenty of difficulty and trouble ahead. In their isolated position in a strange land, there was plenty of uncertainty about their future. Yet in spite of any doubts and fears they may have had, they still felt deep gratitude for blessings received.

If they amid all the trials of their situation could feel such good cheer and such gratitude, it is far more up to the people living amid the comforts and security of modern life to offer thanksgiving for the benefits they have received.

ORDINANCE CORRECTION

Regarding Ordinance #1235, Police Communications, as appears on Page three, this was advertised in anticipation of adoption by the Neptune Township Committee at their regular meeting of Nov. 19, 1984. However, this ordinance was not adopted and was replaced by an alternate ordinance #1235 which appears on the last page.

Nancy, with their children Gregory and Carin of Palo Alto and Lake Tahoe, California, flew here for this special occasion.

Daughter Cynthia and husband Richard Brownell of Chappaqua, New York, along with their children Drew and Juliet Ellen (a Thornley Chapel devotee) enjoyed the party as well as 50 guests, 10 of whom were children of relatives.

A card of congratulations from The White House was sent to Ellen and Fred at The Homestead, signed by Nancy Reagan and President Ronald Reagan to celebrate this joyous event.

Lynn Corrino, another Neptune graduate and a junior at A.S.U., was also chosen to the first team in Washington and will go on for her second year to the Nationals.

COLLEGE VICE PRESIDENT HOUGHTON, N. Y. — Dr. G. Blair Dowden, former special assistant to the president of Taylor University, Upland Ind., has been named vice president in charge of Development of Houghton College, here. He is the son of Mr. and Mrs. George Dowden, of Livingston, N.J., and long-time summer residents of Ocean Grove, N. J.

Neptune Alumni Hockey Star

NEPTUNE TWP. — Tracey Thompson, 1984 graduate of Neptune High School and winner of the prestigious Keith Alston Memorial Award for 1984 and other athletic achievements, continues her winning ways as a freshman field hockey player at Appalachian State University, Boone, N.C.

Tracey was one of seven players from A.S.U., and the only freshman, to play on the first team in the Southeast Regionals Tournament held in Washington D.C. the weekend of Nov. 9.

From this tournament, she was selected to compete as a member of the Deep South team in the National Finals to be held in Long Beach, Cal. thru the Thanksgiving holidays. Players are chosen for skill, level, stick work, team work, attitude and agility.

Sewer Ordinance Is Introduced

NEPTUNE TWP. — The Township Committee met Monday in the Municipal Complex and were presented an unsigned letter and petition from the Neptune Tavern Owners, requesting the rescinding of a June 5 ordinance that set a 2 A.M. closing of bars.

Claiming a loss of 22 bar-related jobs, owners felt the ordinance was passed with the belief the 2 A.M. closing would be state-wide and claimed the issue has not received action in Trenton.

Mayor Lawrence M. Lawson said bills have been introduced in both state houses and not enough time has passed for adoption of uniform rulings.

The committee adopted an ordinance setting the Ocean Grove sewerage district fee collection schedule. Also, members introduced an ordinance setting up user rules and regulations for the new sewer district. The body was formed after a superior Court ordered the township to assume control from the Ocean Grove Camp Meeting Association. This now makes Ocean Grove compatible with other township districts.

Bids were accepted for roof repairs to the public works garage, which has had leaks for the past few years.

Neptune vs. Asbury On Thanksgiving

ASBURY PARK — The traditional Thanksgiving Day football game between the Neptune High School Scarlet Fliers and the Asbury Park High School Blue Bishops will be played at 10:30 A. M. in the stadium, here, overlooking Deal Lake.

It all began with an Asbury Park 38-0 victory in 1915. The schools have met on the gridiron 46 times with Asbury winning 23, Neptune 20, and three tie games.

Last year Neptune won 21-6.

Ocean Grove CIRCLES

MONDAY EVENING PRAYER GROUP

The monthly meeting of the Monday Evening Prayer Group was held Nov. 12th at the home of Kay Sullivan, with Mary Morgan as co-hostess. Alice Niedenstein, co-leader, opened the meeting with prayer and a hymn-sing followed, with Ruth Dellett accompanying at the piano.

Frances Stern, teacher, gave both the devotions and the lesson, and a lively discussion followed. The meeting closed with our usual circle of prayer.

Discussion of future business, articles for next year's fair, and refreshments and a social time, completed a warm and interesting evening. Present in addition to those already mentioned were:

Bette Meeks, Sylvia Timourian, Dorothy Gondek, Natalie Trembly, Doris Milligan, Winifred Smith.

TUESDAY STUDY GROUP

"In the name of Jesus Christ of Nazareth rise up and walk" (Act. 3:6) was the theme for the lesson and meeting of the Tuesday Study Group on Tuesday October 23 at the home of Marie Carter, 85 Mt. Hermon Way, Ocean Grove. Refreshments were enjoyed by the group and served by the hostess and Alice Michak, co hostess.

Adeline Horter, opened the meeting with a special prayer for all who are sick. Estella Wegge led devotions. Anne

Forrester, teacher, gave the book report on the Great Physician by Lindsey P. Pherigo. Estelle Wegge gave a report on the UMYF meeting and the Harvest Bazaar at St. Paul's Church in October. An announcement was made of the rummage sale Nov. 30th at St. Paul's Church.

Prayers and gifts were given by Adaline Horter for all who had birthdays in Sept. & October. The next meeting will be Nov. 27 at the home of Jane and Ruth Schwartz. Those present were Elinore Wharton, Margaret Schetelich, Christine Faber, Ethel Barnett, Betty Yeo, Marie Carter, Adaline Horter, Estella Wegge, Ruth L. Schwartz, Alice Michak, Florence Gibbons, Mary Jane Schwartz, Nellie Minnehan, Anne B. Forrester, Lois J. Weiss.

OCEAN GROVE Locals

Linda Harrison, the daughter of Mr. and Mrs. Harrison Edwards, 102 Mt. Hermon Way, returned recently from a trip to St. Maarten, French West Indies. While there, Hurricane Klaus swept the island, causing millions of dollars worth of damage. A large schooner overturned in front of Linda's hotel, water poured through the bedroom. As the storm raged evacuees were brought to Linda's hotel, since it was the only one with electrical service.

Bessie Brady Circle will sponsor a Bus Trip to Wanamakers in Philadelphia on Monday, Dec. 17, leaving St. Paul's United Methodist Church at 9 AM. For reservations, call 988-6842 or 775-7592.

Ruth Hancox, Stockton Avenue, returned recently from a 3-week vacation with her brother and sister in law, Bob and Helen Blacklock, Lake Texoma, Texas. While there they visited Tyler, known as the "Rose Capitol of America," where over 38,000 rose bushes come in 500 varieties. The

Rose Parade they watched was second only to the one held in Pasadena on New Year's Day. Trips to Dallas, Fort Worth and Oklahoma were also on the agenda and very much enjoyed.

Ellie De Latre, of The Dardanelle, 40 Ocean Pathway, suffered a heart attack last Tuesday, Nov. 13 and is a patient at Patterson Army Hospital, Fort Monmouth. Marion reports he will be confined there for another week or so.

Mrs. Richard Thomas, of Ansonia, Connecticut, in renewing her subscription to The Times, writes: "Due to ill health I have been unable to come to The Grove the past 3 years. I miss coming to Camp Meetings, also miss seeing my friends. By getting the paper

I am able to keep up with the news. Even though I can't be there I am with them in spirit and prayers."

Penny & John Gross of 7 Broadway, recently returned home from a five-day trip to St. Maarten, N.A. Although the island had been struck by a hurricane the day before they arrived they had a wonderful time golfing, swimming and seeing the sights. While in St. Maarten, John & Penny were surprised to run into Tom and Gail Jobes of Shrewsbury and Carl and Patty Minnis of East Brunswick. (Penny and Tom grew up in The Grove and Carl spent all of his summers in town).

Neptune News

by J. HUNT, Roving Reporter

Here is an item from GINNY YOUNG, Slocum Ave. about her recent European Trip. She calls it "8 Countries in 20 Days", also her "Trip of a Lifetime".

GINNY YOUNG'S EUROPEAN TRIP

Lift off was from Kennedy Airport for a 7:30 P.M. flight on British Airways to London. Arrival at Heathrow Airport was very good. They were then met by Golden Age Festival Representatives, who were all dressed in bright Kelly Green jackets emblazoned with the gold letters. First stop was at the Forum Hotel which was very imposing. "A surprise awaited me at the desk," that a David Wade had called. He lives 40 miles out of London, in a town called Ashington. Ginny had met him when he was 18 years old and stationed at the 'HMS Asbury' when the Berkeley-Carteret Hotel was used by British sailors back in 1942. They have kept in contact with them over the years. It was unfortunate that they could not meet, but at least had a nice chat over the phone. London is a lovely place, and is a fascinating city.

The next day we left London early and began touring Kent, known as the "Garden of England", then on to the White Cliffs of Dover, which brings back memories of the song in WWII. The Hovercraft trip was intriguing across the English Channel to Calais, where the DeLuxe Motor Coach would take us on our tour. Just a bit about the Hovercraft, it was like a Ferry boat with rubber pontoons, which hovered over the water. Made the trip in 45 minutes, by boat it would have been 3 1/2 hours.

After arriving at the Hotel Bedford, Brussels, we had a very enjoyable tour of this old city and to see the famous square "The Grand Place" the most beautiful square in Europe. Our next day took us shopping in Cologne, and saw miles and miles of vineyards, also many quaint old country homes. When we arrived at the Hoel Zur Krip in Bad Salz, Germany, the bus had to be backed up the road, since the streets are so narrow.

Ah, this is the day we cruise on the River Rhine. From all reports this is the most scenic route in this area. Of course more vineyards, quaint villages, the castles and the Legendary Lorelei Rock. A side trip to see a museum of antique musical objects in Rudesheim, and luncheon at Baden-Baden Restaurant. Another nice shop was in the Black Forest at Triberg. This is where the famous clocks come from. Nightfall found us in a very ritzy condominium, which I understand some wealthy doctors rent out during the skiing season. I don't think I will forget Liechtenstein, at lunch time. To think I traveled all those miles to get stung by a bee!!!

Our tour today was along the shores of Lake Konstanz and into Austria, over the Arberg Pass in the Alps and finally arrived at Innsbruck, home of the Winter Olympics, capital of Tyrol and Hotel Grauer Baer. We visited a

nearby Night Club where we learned to Yodel, also saw a Tyrolean Show. The next day some more shopping, then to lunch at a little restaurant in the mountains on the way to Salzburg. More shopping and then to the Hotel Pitter.

As a new day dawned we took a tour entitled "Sound of Music" with our Tour Guide on an Optional Tour. We wanted to see everything that we could possibly squeeze in, with the time we had.

Highlights here were the Resurrection Cathedral in the Palace at Hallain, its gardens, and fountains. Now we are ready to tour Vienna. What a lovely place, here you see the Lake Region of Austria, the Blue Danube and Lake Traun, deepest lake in this area. Ah, Strauss's Waltz, at the Kursalon Palace, where professional dancers waltzed away. The big treat was the Giant Ferris Wheel that gave us a wonderful view of this beautiful city. Of course we had to taste the local wines at the Winery in Grinzing.

Another area to be visited on a bright new day is the Capital of the Waltz, and enjoyed such views of Belvedere Palace, St. Charles Cathedral, plus many famous statues along the route. Next a tour of the famous Vienna Woods which inspired so many composers. In this drive, you see so much of Vienna and the lower Karpathian Mountains, behind the Iron Curtain, since Vienna is the easternmost western city of Europe.

Now we are headed for Venice, with spectacular Semmering Pass, on our way to the Province of Styria and the Italian border. Well in everyone's life a little rain must fall, and fall it did, a downpour. We have arrived in Italy. Since the bus was left far from the Hotel, a quick run through the deluge to a boat that would take us to our Hotel Bonvecchiati, just off St. Mark's Square. Now for a tour of the city. St. Mark's Square is a busy area, St. Mark's Cathedral, Bridge of Sighs, leading from Dodge's Place, seeing Venetian glass being made, and finally a ride in a Gondola. This was a busy day and to top it off in the evening, a visit to a Venetian Tavern was in order; "Ai Musicanti". That is listening to the local music and singers.

Well, today we are on our scenic way to Switzerland. We passed Verona the town of Romeo & Juliet, also Lombardy, fertile land with many fruit trees. Soon after Milan, we arrived in lovely mountainous area with Lake Como, the deepest lake in Europe, had lunch then reached the border. After arriving in Switzerland, we went through the longest tunnel in the world. 16.3 kilometers which is through the mountain St. Gottard Massif. Some ride!! At Lake Lucerne, the land of legendary hero, William Tell, we stayed at Hotel Kolping and after dinner were treated to Swiss Folklore at the Undlinkeller, which included dancing, yodeling, flag throwing and blowing of the Alpine Horn.

The next day was a thrilling ride in a cable car up 10,000 feet on Mt. Titlis. Some Alpine scenery on the way up, even some world famous peaks could be seen, namely "Mat-

terhorn." This was followed by a boat ride around Lake Lucerne, still enjoying the beautiful scenery. A stroll across Chapel Bridge, to the old city for some shopping. Later on we enjoyed a Fashion Show of Swiss finery.

Now we are headed for Paris, and our Hotel Brebant. In the evening we took a night tour to see the famous Champs Elysees, the Louvre, and of course the Eiffel Tower. Well, another boat trip to see more of Gay Paree, then on to Notre Dame Cathedral, the Palace of Versailles. And an evening trip to the famed Moulin Rouge, with spectacular floor show and of course the "Can-Can." Oooh, la, la. It's about time to say "Au Revoir" to Paris and head for England. Another trip on the Hovercraft across the Channel to arrive at the Hotel Royal Scot.

A dear friend, Rita Stark made plans for our last day in London, by having us over to her house in Richmond, England. Before that, we went on a tour of London, naturally we saw all the highlights, St. Paul's Cathedral, where Lady Diane and Prince Charles were married; Buckingham Palace; Clarence House, (Queen Mother's Home.) Then after lunch, a trip to Windsor Castle and a stroll through the village waiting for the bus.

Following a delightful full day at the Stark's, reminiscing about our families, it was time to leave for the hotel. Fond farewells and we were on our way back to London. Just about now the trip is coming to an end, as we head for Heathrow Airport and the trip home. After we landed and got settled in the car for the drive home, we discussed the trip.

How to Deal With The Russians

EDITOR, TIMES:

At the outset, we should be aware that the Kremlin is not only fearful of its own people and the rest of the world, but it is also envious of the United States with its high technology expertise and its high standard of living.

A nation, like a person who is envious, needs to be cajoled and soothed, NOT HARSHLY CRITICIZED.

At the same time unilateral disarmament on our part should be discouraged, when we can barter with the Kremlin and mutually reduce armaments. For example, rather than just terminate the MX missile production contract (to reduce the deficit), we should tell the Kremlin we'll stop production of the MX missile if you'll stop production of your missiles.

Nuclear arms reduction always should be done on a mutually give and take basis, not unilaterally. We've tried unilateral disarmament under Pres. Carter. It did not produce the desired results. The only thing the Kremlin respects is military strength. We should maintain our strength, at the same time be willing to negotiate. Similarly, we should not stop production of the B-1B bomber without obtaining equivalent concessions on the part of the Russians.

Old Guard Notes

All instrumentalists were on hand at the last meeting of the Old Guard of the Shore Area, Inc., which was held in St. Paul's U.M. Church in Ocean Grove on Thursday, Nov. 15th. In addition to the playing of the orchestra he members were entertained by a quartet and a duet. Chaplain Oliver Collier's opening prayer made reference to 'time' which turned out to be the theme for the day.

Director Ed Devonshire thanked the committee for their assistance in the successful autumn luncheon of the previous Thursday. He & those assisting received an ovation. Ken Quier announced no meeting on Nov. 22nd (Thanksgiving Day) and the meeting of November 29th would be devoted to contributions from the members. Henry Waltke gave an account of his visit to Gettysburg and Hershey, Pa. & the New York Bible Society Convention. Charles Hetterick reported the attendance was 56, & then re-

ceived 'happy birthday' greetings.

Rev. William Gritman presented a forty minute lecture on the history of the development of methods of keeping time, from the use of the pole and shadow, through the dial, the water clock, the candle clock and alarm, the hour glass and the first prayer pieces for monks. The first modern time pieces were first used about the year 1230, and the first assembly line for multiple manufacture of clocks in 1807 in Bristol, Connecticut, led to the development of a clock making center there. Names like Ely Terry and E. Ingraham stand out. Then came the electric clock which revolutionized the industry. Rev. Gritman had various clocks on display and he remained for questions after the meeting. It was a fascinating lecture. Rev. John Griffith dismissed the meeting with the Mizpah benediction.

"Melody" Theme of Chancel Choir

St. Paul's Chancel Choir sang up a storm last Saturday night and those in the audience are still humming happily.

From the first notes of Cole Porter's classic "Begin the Beguine" piano overture to the reprise of "That's Entertainment" by the entire company, it was an evening of sheer delight, recalling the best of Broadway from the 1920s to the 1980s. There was even a touch of Gilbert and Sullivan added for good measure.

"Melody" was the operative word, with Director Thelma Rainear conducting 30 members of the adult choir in what was billed as a choral review of Broadway, featuring 28 songs from 21 musicals. The overflow crowd in Fellowship Hall at the church soon got into the swing, many mouthing the lyrics and others openly singing along.

It wasn't all choral though, for adroitly Ms. Rainear worked in a few bars here and there in duet or solo of some of the country's most beloved songs. Example: As a male chorus line welcomed her "Hello, Dolly" in the person of glamorously ostrich-bedecked Grete James waltzed from the back of the hall to take "that empty lap," much to the pleasure of the applauding audience.

Another show-stopper turned out to be the male chorus, this time some in sailor hats, singing "There is Nothing Like a Dame" while the rest of the musicians backed them contrapuntally with "I Enjoy Being a Girl."

The evening opened with the piano duet by Ms. Rainear and Jeanne Walsh, accompanied by Ed Klarke on guitar and Peter Nordhausen on drums, then brought on Bonnie Ayers as Yum Yum of "The Mikado" singing "The Moon and I." Dorothea Holmes followed as Phoebe, busily spinning as she sang "The Spinning Song" from "Yoeman of the Guard," then Phyllis Schultz took over as Mrs. Anna with melodies from "The King and I." The first act closed with "Pearls for Pretty Girls" a trio of old-time favorites sung by "The Dapper Dandies," the choir's basses & tenors attired in straw hats red sleeve garters and suspenders.

After a brief intermission,

with lemonade and cookies provided by The Youth Fellowship, it was time for narrator Richard Gibbons to launch the fast-paced Broadway segment. The ensemble, not incidentally, was turned out handsomely in black and white, reminiscent of the Ascot scene in "My Fair Lady."

All too soon the audience was applauding and demanding "encore," but as experienced showpeople know, it's best to leave them wanting more. And that's how it was.

Guest Night At Woman's Club

OCEAN GROVE—An evening of fun and fellowship was enjoyed by the more than 120 persons who attended the Woman's Club Guest Night. Members and their guests met in Fellowship Hall of St. Paul's Church last Thursday night.

Mrs. H. Gilman, president, extended a warm welcome to all and offered a Thanksgiving prayer. The refreshment committee headed by Mary Buckman served apple crumb cake squares and ice cream. The tables were appropriately decorated with vibrant full flower arrangements.

Mrs. Gilman reminded members of the next regular meeting on Dec. 6th at 1:30 P.M. and an executive board meeting at 10 A.M. the same day. She also extended an invitation to the Christmas luncheon which will be held in St. Paul's on Dec. 13th at 12:30 P.M. The cost is \$5.00 and reservations must be made in advance. There will be no tickets sold at the door.

Mrs. Gilman then turned the program over to Mrs. T. Davis, program chairperson, who introduced Maria, Phil and Rick, a singing team. Maria and Phil sang a host of show tunes and other favorites and were accompanied by Rick at the piano who also joined in the singing. It was an evening of good lively entertainment and enjoyed by all.

Mrs. Gilman sent us on our way with a warm wish for a Happy Thanksgiving.

Hamilton United Lists Activities

NEPTUNE — "The Temptations of the Master" based on Matthew 4:1-11 will be the theme of Pastor Lloyd R. Applegate's sermon this Sunday at the 9:30 and 11 A.M. services. Hamilton United Methodist Church is located at West Bangs and Old Corlies Avenue, one block south of Rt. 33. There is ample parking & nursing facilities are provided at both services. A mini proclama-dama will be presented at the beginning of each service to highlight the message. Greeters, ushers, acolytes and liturgists will also assist.

Music director James McKimm will be at the electronic pipe organ and accompany a special anthem at 9:30 and the carol and chancel choirs at 11. Sharon Coughlan is the supt. of the church school which meets at the same time as the first service and which has classes for all age levels.

Coffee fellowship is conducted by Bob and Judy Weck and Cahy Groop beginning at 10:35. It serves those who attend either service and or

church school. Rev. Applegate will conduct the weekly healing service for those hurting spiritually, mentally or physically a 12:15. The public is welcome without obligation. Prayer with the laying on of hands is featured.

The youth fellowship under the guidance of the Wecks & Miss Groop meets at 6:30 in o'd fellowship hall. This is for grades 7-12.

 day of Nov. 1984 at 7 P.M. the
 following Ordinance was intro-
 duced and passed on first read-
 ing.
 Said Township Committee will
 meet Monday, the third day
 of December, 1984, at the
 Neptune Municipal Complex, 25
 Neptune Boulevard, Neptune,
 New Jersey, at 7 PM to further
 consider the said ordinance for
 final passage and to give all in-
 terested persons an opportunity

to be heard concerning this or-
 dinance. Copies of the ordi-
 nance published herewith are
 available for inspection by mem-
 bers of the general public who
 shall request the same, at the
 office of the Township Clerk lo-
 cated at the above address.

AN ORDINANCE PROVIDING FOR THE PURCHASE BY THE TOWNSHIP OF NEPTUNE IN THE COUNTY OF MONMOUTH AND STATE OF NEW JERSEY OF A COMPLETE NEW COM- MUNICATION SYSTEM FOR THE POLICE DEPARTMENT; APPROPRIATING \$260,000.00 THEREFOR AND AUTHORIZ- ING THE ISSUANCE OF \$247- 000.00 BONDS OR NOTES OF THE TOWNSHIP OF NEPTUNE FOR FINANCING SUCH AP- PROPRIATIONS.

NOW THEREFORE, BE IT OR-
 DAINED BY THE TOWNSHIP
 COMMITTEE OF THE TOWNSHIP
 OF NEPTUNE IN THE COUNTY
 OF MONMOUTH (not less than
 two thirds of all members there-
 of affirmatively concurring as
 follows:

Section 1. The improvement
 described in Section 3 of this
 ordinance is hereby authorized
 as a general improvement to be
 made or acquired by the Town-
 ship of Neptune in the County
 of Monmouth, New Jersey. For
 said improvement or purpose,
 there is hereby appropriated the
 sum of \$260,000.00, said sum
 being inclusive of all appropria-
 tion heretofore made therefor
 and including the sum of \$13-
 000.00 as the down payment
 for said improvement or pur-
 pose required by law and now
 available therefor by virtue of a
 provision in the budget or bud-
 gets of the Township previously
 adopted.

Section 2. For the financing of
 said improvement or purpose
 and to meet the part of said
 260,000.00 appropriation not
 provided for by application
 hereunder of said down pay-
 ment negotiable bonds of the
 Township to be known as
 "Police Communication System
 Bond, 1984" are hereby auth-
 orized to be issued in the prin-
 cipal amount of \$247,000.00
 pursuant to and within the lim-
 itations prescribed in the Local
 Bond Law of New Jersey in an-
 ticipation of the issuance of
 said bonds and to temporarily
 finance said improvement or
 purpose, negotiable notes of
 the Township in a principal
 amount not exceeding \$247,000-
 00 pursuant to and within the
 limitations prescribed in the
 Local Bond Law of New Jersey,
 in anticipation of the issuance
 of said bonds and to temporar-
 ily finance said improvement or
 purpose, negotiable notes of
 the Township in a principal not
 exceeding \$247,000.00 are
 hereby authorized to be issued
 pursuant to and within the lim-
 itations prescribed by said law.

Section 3. The improvement
 hereby authorized and the pur-
 pose for the financing of which
 said obligations are to be issued
 is the purchase of a complete
 new communication system
 composed of Mobile Radios 42
 units; Portable Radios 47 un-
 its; Pagers 30 units; Base Sta-
 tion Equipment 4 units; a Voting
 System; Recording Equipment
 and Dispatcher Console Com-
 plete for use by the Police De-
 partment all as shown on and
 in accordance with the specifi-
 cations therefor on file in the
 Office of the Township Clerk
 and hereby approved.

(b) The estimated maximum
 amount of Bond or Notes to be
 issued for said purpose is \$247-
 000.00.

(c) The estimated cost of said
 purpose is \$260,000.00 the
 excess thereof over the said es-

timated maximum amount of
 Bonds or Notes to be issued
 therefore being the amount of
 the said \$13,000.00 down pay-
 ment.

(d) In the event the Township re-
 ceives a grant from the New Jer-
 sey State Department of Commu-
 nity Affairs, Safe and Clean Neighbor-
 hood Programs, the State of New
 Jersey Recycling Fund or any other
 State or Federal Grant or Funding
 Program, then the additional sum
 received therefrom shall be used as
 a reduction of the authorized debt.

Section 4. The following addition-
 al matters are hereby determined
 declared, recited and stated:

(a) The said purpose described in
 Section 3 of this Bond Ordinance is
 not a current expense and is a
 property or improvement which the
 Township may lawfully acquire or
 make as a general improvement and
 no part of the cost thereof has
 been or shall be specially assessed
 on property specially benefited
 thereby.

(b) The period of usefulness of
 said purpose within the limitations
 of Section 40A:2-22 of said Local
 Bond Law according to the reason-
 able life thereof computed from the
 date of the said bonds authorized
 by this Bond Ordinance is Ten (10)
 by this Bond Ordinance is Five (5)

(c) The supplemental debt state-
 ment required by said Law has
 been duly made and filed in the Of-
 fice of the Township Clerk and a
 complete executed original thereof
 has been filed in the Office of the
 Director of the Division of Local
 Governmental Services in the De-
 partment of Community Affairs of
 the State of New Jersey, and such
 statement shows that the gross
 debt of the Township as defined
 in Section 40A:2-43 of said Law is
 increased by the authorization of
 the Bonds and Notes provided for
 in this Bond Ordinance by \$247-
 000.00. The issuance of the said
 obligations authorized by this ordi-
 nance will be within all debt limita-
 tions prescribed by said Law.

(d) An aggregate amount not
 exceeding \$30,000.00 for inter-
 est on said obligations, engin-
 eering and inspection costs, lega-
 lity and account expenses and the
 costs of issuance of said obliga-
 tions as defined and authorized
 in Section 40A:2-20 of said Law
 is and shall be charged as a
 part of the total cost of said
 purpose to be financed by the
 issuance of said obligations.

Section 5. The capital budget is
 hereby amended to conform with
 the provisions of this ordinance to
 the extent of any inconsistencies
 therewith and the regulations prom-
 ulgated by the Local Finance Board
 which include the terms of the a-
 mended capital budget and capita-
 l program as approved by the Direc-
 tor Division of Local Governmental
 Services, as are on file with the
 Township Clerk and are available
 for public inspection.

Section 6. The full faith and cred-
 it of the township are hereby pl-
 edged to the punctual payment of
 the principal and interest of the
 said obligations authorized by this
 Bond Ordinance. Said obligations
 shall be the direct, unlimited obliga-
 tions of the Township and the
 Township shall be obligated to levy
 ad valorem taxes upon all the
 taxable property within the Town-
 ship for the payment of said obli-
 gations and interest thereon with-
 out limitation as to rate or amount.

Section 7. This Bond Ordinance
 shall take effect 20 days after the
 first publication thereof after final
 adoption as provided by said Local
 Bond Law.

FIFTY YEARS AGO

(From the Nov. 9, 1934 Issue of The Times)

Monmouth County scored a sweeping Republican victory over the Democrats. Neptune Township reelected two committeemen and piled up overwhelming majorities for the whole Republican ticket. Joseph McDermott polled the largest individual vote of any candidate in the township when reelected as county clerk. J. Edward Knight, a young man from Ocean Grove, was elected a member of the State Assembly.

Lloyd W. Conrad, son of Mr. and Mrs. I. A. Conrad, 25 Main Ave, Ocean Grove, had returned from a six months' tour around the world, covering 27,000 miles and visiting 17 countries.

A debate was held in the Family Relations class of Neptune High School under the direction of Miss Kathleen Strassburger. The question was "Should Married Women Work?" The negative side included Adelaide Lauren, Captain; Anna Clark and Lillian Kline. The affirmative side was supported by Kathleen Aiken, Captain; Doris Davidson and June Stanley. The judges were Kathryn Barnes, Geraldine Crosby and Helen Wainwright. The debate was won by the negative side.

Ada Marter, Elsie Reighton and L. Vance Jefferies, faculty advisor of the student council of Neptune High School, represented the school at Trenton at an executive board meeting of the Student Councils of the State of New Jersey.

A reception of the pastor Dr. H. P. Fox, was given by the members of St. Paul's. Greetings were brought to the pastor and his wife by various departments of the church. Harold Rainear spoke in behalf of the young people, Alvin Bills brought greetings from the official board and Msis Melva Brown spoke for the young women.

EIGHTY YEARS AGO
(From the Oct. 29, 1904 Issue of the Times)

McKinley and Roosevelt Republican Club installed special wire service, through Postmaster Hamilton, who represented the Western Union Telegraph, Co., to receive returns on election night. This was placed in the club's headquarters in the Clarendon Hotel.

Miss Minnie Shaw was a guest speaker at a mass meeting of the WCTU held in the Rescue Mission. A large and enthusiastic attendance greeted her. Miss Shay was an evangelist who came to Ocean Grove summers.

Mr. and Mrs. J. J. Hulsall celebrated their 60th wedding anniversary in Philadelphia. They were the parents of C. B. Hulsall, proprietor of the Ladies Store, Ocean Grove.

Geo. Hall gave a farewell party at his home on Ocean Pathway before leaving for his winter home in Philadelphia. Present were Flora Asay, Lena Cook, Louella Crowell, Minnie Barton, Lulu Taylor, Florence Smith, Tillie Taylor, Flortnce Slocum, Fred Smith, Howard Asay, John Inskip, Geo. Emmons, Geo. Poland, Mr. and

Mrs. Clarence Barton, Thos. Wertz and Mr. and Mrs. Chas. Hall.

THE BEST THINGS IN LIFE ARE FREE

Consider the value of a SMILE. It cost nothing, but gives much. It enriches those who receive, without making poorer those who give. It takes but a moment, but the memory of it sometimes lives forever. A smile creates happiness in the home, fosters good will in business and is the countersign of friendship. It brings rest to the weary, cheer to the discouraged, and sunshine to the sad. Yet it cannot be bought, begged, borrowed or stolen, for it is something that is of no value to anyone until it is given away. Some people are too tired to give a smile. Give them one of yours, as none needs a smile so much as he who has no more to give.

NOTICE OF PUBLIC SALE OF LANDS AND PREMISES IN THE TOWNSHIP OF NEPTUNE IN THE COUNTY OF MONMOUTH

NOTICE OF PUBLIC SALE OF LANDS AND PREMISES IN THE TOWNSHIP OF NEPTUNE IN THE COUNTY OF MONMOUTH
 NOTICE is hereby given that

NOTICE is hereby given that on Monday, the 26th day of November, 1984, at 2 P.M. in the Township Committee Meeting Room, Neptune Municipal Complex, 25 Neptune Boulevard, Neptune, the Township of Neptune, County of Monmouth will offer at public sale to the highest bidder, at a minimum sales price of Twenty Thousand Dollars, (\$20,000), all the right, title and interest of the said Township of Neptune in and to the following described lands and premises:

ALL that certain plot, piece or parcel of ground known and designated as Block 223, Lots 306 and 307, on which is located a two-story frame dwelling with porch, known as 1811 McBride Avenue, upon the following terms and conditions:

1. Twenty percent (20%) of the purchase money to be paid at the time the property is struck off. If the money is not paid at that time, the property may be put up and resold immediately. The balance to be paid within sixty days upon delivery of a Bargain and Sale Deed, without covenants.
 2. Said lands and premises are to be sold subject to all Municipal, State and Federal Ordinances, statutes and regulations affecting the use of the said lands and premises, and subject to the covenants, conditions and restrictions contained in prior deeds affecting said premises.
 3. The purchaser shall be required at the time of closing, to pay as an additional purchase price a sum equal to the amount of tax based on the last assessed valuation from the first of the month next after the date of confirmation of the sale until the end of the year in which the closing takes place, (together with the sewer rental for said period) and also all legal conveyancing fees. Any bidder who fails to complete his purchase will forfeit to the Township any deposit paid.
 4. The successful bidder shall be required to obtain a Certificate of Occupancy by December 31, 1985, or the sale shall become null and void and the property shall revert to the Township of Neptune with the purchaser forfeiting all monies paid on account of the sale price.
 If the purchaser obtains a Certificate of Occupancy as required by the terms of the sale, the Township of Neptune shall execute a release of all reverter provisions.
 5. The sale of this property is subject to confirmation by the Township Committee who may reject any or all bids.

Photographs By Tai of Neptune

NEPTUNE—The Fine Arts Room of the Neptune Library is featuring a Photography display by Tai, of Neptune. The exhibit is entitled Moods, and will be on view for the month of November.

Mr. Tai began photography as a hobby nine years ago, and approximately five years ago, became a free lance photographer. He is self taught, since he purchased all the equipment first, then learned step by step the process of developing and printing. You will see some color prints, these were developed by a film company.

To improve his technique, Mr. Tai took a two year course at the New York Institute of Photography. Mr. Tai has had exhibits in Monmouth County; New York; Philadelphia; and Connecticut. In the near future, Mr. Tai will be participating in a Seasonal Contest sponsored by film laboratories, also he has just been accepted into the Professional Photographers of America, with 14,000 members world wide.

PUBLIC NOTICE

**ORDINANCE NO. 1234
Township of Neptune**

NOTICE is hereby given that at a regular meeting of the Township Committee of the Township of Neptune on the nineteenth day of Nov. 1984 at 7 P.M. the following Ordinance was introduced and passed on first reading.

Said Township Committee will meet Monday, the third day of December, 1984, at the Neptune Municipal Complex, 25 Neptune Boulevard, Neptune, New Jersey, at 7 PM to further consider the said ordinance for final passage and to give all interested persons an opportunity to be heard concerning this ordinance. Copies of the ordinance published herewith are available for inspection by members of the general public who shall request the same, at the office of the Township Clerk located at the above address.

AN ORDINANCE PROVIDING FOR THE PURCHASE BY THE TOWNSHIP OF NEPTUNE IN THE COUNTY OF MONMOUTH AND STATE OF NEW JERSEY OF ROAD AND SANITATION EQUIPMENT. APPROPRIATING \$200,000.00 THEREFOR AND AUTHORIZING THE ISSUANCE OF \$190,000.00 BONDS OR NOTES OF THE TOWNSHIP OF NEPTUNE FOR FINANCING SUCH APPROPRIATIONS.

NOW THEREFORE, BE IT ORDAINED BY THE TOWNSHIP COMMITTEE OF THE TOWNSHIP OF NEPTUNE IN THE COUNTY OF MONMOUTH (not less than two thirds of all members thereof affirmatively concurring) as follows:

Section 1. This improvement described in Section 3 of this ordinance is hereby authorized as a general improvement to be made or acquired by the Township of Neptune in the County of Monmouth, New Jersey. For said improvement or purpose, there is hereby appropriated the sum of \$200,000.00 said sum being inclusive of all appropriation heretofore made therefor and including the sum of \$10,000.00 as the down payment for said improvement or purpose required by law and now available therefor by virtue of a provision in the budget or budgets of the Township previously adopted.

Section 2. For the financing of said improvement or purpose and to meet the part of said \$200,000.00 appropriation not provided for by application hereunder of said down payment negotiable bonds of the Township each to be known as "Equipment Bond, 1984" are hereby authorized to be issued in the principal amount of \$190,000.00 pursuant to and within the limitations prescribed in the Local Bond Law of New Jersey. In anticipation of the issuance of said bonds and to temporarily finance said improvement or purpose negotiable notes of the Township in a principal amount not exceeding \$190,000.00 are hereby authorized to be issued pursuant to and within the limitations prescribed by said law.

Section 3. The improvement hereby authorized and the purpose for the financing of which said obligations are to be issued is the purchase of equipment namely: one (1) new conventional cab 25 cubic yard sanitation packers; one (1) harness and snow plow attachment and accessories; four (4) mobile radio units; and on (1) articulated wheel front end loader for use by the Road and Sanitation Department all as shown on and in accordance with the specifications therefor on file in the Office of the Township Clerk and hereby approved.

The estimated maximum amount of Bonds or Notes to be issued for said purpose is \$190,000.

The estimated cost of said purpose is \$200,000.00 the excess thereof over the said estimated maximum amount of Bonds or Notes to be issued therefor being the amount of the said \$10,000.00 down payment.

(d) In the event the Township receives a grant from the New Jersey State Department of Community Affairs, Safe and Clean Neighborhood Programs, the State of New Jersey Recycling Fund or any other State or Federal Grant of Funding Program, then the additional sum received therefrom shall be used as a reduction of the authorized debt.

Section 4. The following additional matters are hereby determined, declared, recited and stated:

(a) The said purpose described in Section 3 of this Bond Ordinance is not a current expense and is a property or improvement which the Township may lawfully acquire or make as a general improvement and no part of the cost thereof has been or shall be specially assessed on property specially benefited thereby.

(b) The period of usefulness of said purpose within the limitations of Section 40A:2-22 of said Local Bond Law according to the reasonable life thereof computed from the date of the said bonds authorized by this Bond Ordinance is Five (5) years.

(c) The supplemental debt statement required by said Law has been duly made and filed in the Office of the Township Clerk and a complete executed original thereof has been filed in the Office of the Director of the Division of Local Governmental Services in the Department of Community Affairs of the State of New Jersey, and such statement shows that the gross debt of the Township as defined in Section 40A:2-43 of said Law is increased by the authorization of the Bonds and Notes provided for

in this Bond Ordinance by \$190,000.00. The issuance of the said obligations authorized by this ordinance will be within all debt limitations prescribed by said Law.

(d) An aggregate amount not exceeding \$26,000.00 for interest on said obligations, engineering and inspection costs, legal and accounting expenses and the costs of issuance of said obligations as defined & authorized in Section 40A:2-20 of said Law, is and shall be charged as a part of the total cost of said purpose to be financed by the issuance of said obligations.

Section 5. The capital budget is hereby amended to conform with the provisions of this ordinance to the extent of any inconsistencies therewith and the regulations promulgated by the Local Finance Board which include the terms of the amended capital budget and capital program as approved by the Director of Local Governmental Services, as are on file with the Township Clerk and are available for public inspection.

Section 6. The full faith and credit of the township are hereby pledged to the punctual payment of the principal and interest of the said obligations authorized by this Bond Ordinance. Said obligations shall be the direct, unlimited obligations of the Township and the Township shall be obligated to levy ad valorem taxes upon all the taxable property within the Township for the payment of said obligations and interest thereon without limitation as to rate or amount.

Section 7. This Bond Ordinance shall take effect 20 days after the first publication thereof after final adoption as provided by said Local Bond Law.

**ORDINANCE No. 1233
TOWNSHIP OF NEPTUNE IN
THE COUNTY OF MONMOUTH**

NOTICE is hereby given that at a regular meeting of the Township Committee of the Township of Neptune, on the nineteenth day of Nov., 1984, at 7 P.M. the following Ordinance was introduced and passed on first reading.

Said Township Committee will meet Monday, the Third day of December, 1984, at the

Neptune Municipal Complex, 25 Neptune Boulevard, Neptune, New Jersey, at 7:00 P.M. to further consider the said ordinance for final passage and to give all interested persons an opportunity to be heard concerning this ordinance. Copies of the ordinance published herewith are available for inspection by members of the general public who shall request the same, at the office of the Township Clerk located at the above address.

ORDINANCE NO. 1233

AN ORDINANCE REGULATING WITHIN THE GEOGRAPHIC BOUNDARY OF THE OCEAN GROVE SEWERAGE DISTRICT, THE USE OF PUBLIC AND PRIVATE SEWERS AND DRAINS, INSTALLATION AND CONNECTION OF BUILDING SEWERS AND THE DISCHARGE OF WATERS AND WASTES INTO THE PUBLIC SEWER SYSTEM AND PROVIDING PENALTIES FOR VIOLATIONS THEREOF IN THE TOWNSHIP OF NEPTUNE, COUNTY OF MONMOUTH AND STATE OF NEW JERSEY.

WHEREAS, the Ocean Grove Sewerage District as successor to the Ocean Grove Camp Meeting Association of the United Methodist Church, is a member of the Neptune Township Regional Sewerage Authority and as a member thereof, is subject to the rules and regulations of said Sewerage Authority; and

WHEREAS, within the area known as Ocean Grove, there was constructed with the aid of Federal and State funds, sewer lines, force mains and pumping stations as part of its internal sewer collection system, and

WHEREAS, it is necessary for the Sewerage District to regulate the use of its internal sewerage collection system by residential, commercial and industrial users in order to insure compliance with the rules and regulations of the Neptune Township Sewerage Authority and the statutes, rules and regulations of the regulations of the State and Federal Governments.

NOW THEREFORE, BE IT ORDAINED by the Township Committee of the Township of Neptune, as follows:

**ARTICLE I
Definitions**

Section 1. "Building drain" shall mean that part of the lowest horizontal piping of a drainage system which receives the discharge from soil, waste and other drainage pipes inside the walls of the building and conveys it to the building sewer, beginning five (5) feet (1.5 meters) outside the inner face of the building wall.

Section 2. "Building sewer" shall mean the extension from the building drain to the public sewer or other place of disposal, also called house connection.

Section 3. "Garbage" shall mean the animal and vegetable waste result from the handling, preparation, cooking and serving of foods.

Section 4. "Industrial wastes" shall mean the wastewater from industrial processes, trade, or business as distinct from domestic or sanitary wastes.

Section 5. "Natural outlet" shall mean any outlet, including storm sewers and combined sewer overflows, into a watercourse, pond, ditch, lake or other body of surface or groundwater.

Section 6. "Person" shall mean any individual, firm, company, association, society, corporation or group.

Section 7. "Sanitary sewer" shall mean a sewer that carries liquid and water carried wastes from residences, commercial buildings, industrial plants, and institutions together with minor quantities of ground, storm and surface waters that are not admitted intentionally.

Section 8. "Storm drain" (sometimes termed "storm sewer") shall mean a drain or sewer for conveying water, groundwater, subsurface water, or unpolluted water from any source.

Section 9. "Wastewater" shall mean the spent water of a community. From the standpoint of source, it may be a combination of the liquid and water-carried wastes from residences, commercial buildings, industrial plants and institutions, together with any groundwater that may be present.

ARTICLE II

Section 1. The rules and regulations established by the Neptune Township Regional Sewerage Authority for use of its facilities and the regional wastewater treatment plant by municipalities and/or customers that supply sewerage for treatment is hereby adopted, enacted and established for the Ocean Grove Sewerage District, a public entity created by the Township of Neptune together with all amendments and supplements are attached hereto and made a part hereof as though set forth herein at length. Three copies of said rules and regulations entitled "Township of Neptune Sewerage Authority, Monmouth County, New Jersey, Sewer Use, Rules and Regulations" together with said amendments and supplements similarly entitled have been placed on file in the Office of the Clerk of this municipality upon the introduction of this ordinance and will remain on file in such office for the use and examination of the public.

ARTICLE III

Use of Public Sewers Required

Section 1. The owner(s) and/or leaseholder(s) from the Ocean Grove Camp Meeting Association of all houses, buildings or properties used for human occupancy, employment, recreation or other purposes, situated within the Ocean Grove Sewerage District and abutting on any street, alley or right-of-way in which there is now located or may in the future be located a public sanitary sewer is hereby required at the owner(s) or leaseholder(s) expense to install suitable toilet facilities therein and to connect such facilities directly with the proper public sewer in accordance with the provisions of this ordinance, within ninety(90) days after the date of official notice to do so, provided that said public sewer is within one hundred (100) feet of the property line.

Section 2. It shall be unlawful to discharge to any natural outlet within the boundary of Ocean Grove or in any area under the jurisdiction of the Neptune Township Regional Sewerage Authority, any wastewater or other polluted waters, except where suitable treatment has been provided in accordance with subsequent provisions of this ordinance.

Section 3. Except as hereinafter provided, it shall be unlawful to construct or maintain any privy, privy vault, septic tank, cesspool, or other facility intended or used for the disposal of wastewater.

Section 4. It shall be unlawful for any person to place, deposit or permit to be deposited in any unsanitary manner on public or private property within the boundary of Ocean Grove or in any area under the jurisdiction of the Neptune Township Sewerage Authority, any or animal excrement, garbage or objectionable waste.

Section 5. All connections directly or indirectly to the Ocean Grove sanitary sewer lines, for sump pumps, roof liters, area way drains, swimming pools, ornamental ponds, water cooled refrigeration and air conditioning units, fire sprinkler systems and any other similar connections, are prohibited.

Section 6. All existing connections, directly or indirectly to the Ocean Grove sanitary sewer lines as heretofore stated in Section 5 above, shall be disconnected and physically cut off no later than May 1, 1985.

Section 7. An application on an approved form and plans to disconnect and to physically cut off the connection as heretofore stated above to the Ocean Grove sewer lines shall be filed with the Health Office of the Township of Neptune. The application and plans shall be reviewed by the Plumbing Inspector and after approval thereof, a permit shall be issued. A fee of \$10.00 shall be charged by the Health Office for each permit issued. All work shall be performed in accordance with applicable state codes and municipal rules, regulations and ordinances.

ARTICLE IV

Private Wastewater Disposal

Section 1. Where a public sanitary sewer is not available under the provisions of Article III, Section 1 above, the building sewer shall be connected to a private wastewater disposal system complying with the provisions of this article.

Section 2. Before commencement of construction of a private wastewater disposal system, the owner shall first obtain a written permit from the Health Office of the Township of Neptune. The application for such permit shall be made on a form furnished by the Township of Neptune upon which form, the applicant shall supply any plans, specifications or other information as are deemed necessary by the Township Engineer. A permit and inspection fee of Ten (\$10.00) Dollars shall be paid to the Township of Neptune at the time the application is filed.

Section 3. A permit for private wastewater disposal system shall not become effective until the installation is completed to the satisfaction of the Health Office. The Health Office or its authorized agent, shall be allowed to inspect the work at any stage of construction and, in any event, the applicant for the permit shall notify the Health Office when the work is ready for final inspection, and before any underground portions are covered. The inspection shall be made within twenty-four (24) hours of the receipt of the notice by the Health Office.

Section 4. The type, capacities, location and layout of a private wastewater disposal system shall comply with all recommendations of the Department of Public Health of the State of New Jersey and/or all other rules and regulations of any Federal, State or local agency applicable at the time. No permit shall be issued for any private wastewater disposal system employing sub-surface soil absorption facilities where the area of the lot is less than 2500 square feet. No septic tank or cesspool shall be permitted to discharge to any natural outlet.

Section 5. At such time as a public sewer becomes available to a property served by a private wastewater disposal system, as provided in Article IV Section 1 above, a direct connection shall be made to the public sewer within sixty (60) days in compliance with this ordinance, and any septic tanks, cesspools, and similar private wastewater disposal facilities shall be cleaned of sludge and filled with suitable material.

Section 6. The owner shall operate and maintain the private wastewater disposal facilities in a sanitary manner at all times, at no expense to the Township.

Section 7. No statement contained in this Article shall be construed to interfere with any additional requirements that may be imposed by the Health Office.

ARTICLE V

Building Sewers and Connections

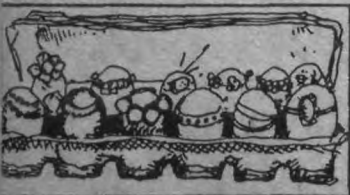

Section 1. No unauthorized person(s) shall uncover, make any connections with or opening into, use, alter or disturb any public sewer or appurtenance thereof without first obtaining a written permit from the Health Office.

Section 2. There shall be two (2) classes of building sewer permits: (a) for residential and commercial service, and (b) for service to establishments producing industrial wastes. In either case, the owner(s) or leaseholder(s) or his agent shall make application which shall be supplemented by any plans, specifications or other information considered pertinent in the judgment of the Health Office. A permit and inspection fee of ten (\$10.00) Dollars for residential or commercial building sewer permit and twenty-five (\$25.00) Dollars for an industrial building sewer permit shall be paid to the Township at the time the application is filed.

Section 3. All costs and expenses incidental to the installation and connection of the building sewer shall be borne by the owner(s) or leaseholder(s). The owner(s) or leaseholder(s) shall indemnify the Township from any loss or damage that may directly or indirectly be occasioned by the installation of the building sewer.

Section 4. A separate and independent building sewer shall be provided for every building except where one building stands at the rear of another on an interior lot and no private sewer is available or can be constructed to the rear building through an adjoining alley, court, yard, or driveway, the front building may be extended to the rear building and the whole considered as one building sewer, but the Sewerage District or the Township of Neptune does not and will not assume any obligation or responsibility for damage caused by or resulting from any such single connection aforementioned.

Section 5. Old building sewers may be used in connection with new buildings only when they are found, on examination and tests, by the Health Office, to meet all requirements of this ordinance.

Get a free jewelry box? You can get a discarded egg carton!

Section 6. The size, slope, alignment, materials of construction of a building sewer, and the methods to be used in excavating, placing of the pipe, jointing, testing and backfilling the trench, shall all conform to the requirements of the building and plumbing code or other applicable rules and regulations of the Township. In the absence of code provisions or in amplification thereof, the materials and procedures set forth in appropriate specifications of the American Society for Testing and Material and the Water Pollution Control Federation Manual of Practice No. 9 shall apply.

Section 7. Whenever possible, the building sewer shall be brought to an elevation below the basement floor. In all buildings in which any building drain is too low to permit gravity flow to the public sewer, sanitary sewage carried by such building drain shall be lifted up by an approved means and discharged to the building sewer.

Section 8. No person(s) shall make connection of roof downspouts, foundation drains, areaway drains or other sources of surface runoff or groundwater to a building sewer or building drain which in turn is connected directly or indirectly to a public sanitary sewer unless such connection is approved by the Health Office for purposes of disposal of polluted surface drainage.

Section 9. The connection of the building sewer into public sewer shall conform to requirements of the building and plumbing code or other applicable rules and regulations of the Township, or the procedures set forth in appropriate specifications of the American Society for Testing and Materials and the Water Pollution Control Federation Manual of Practice No. 9. All such connections shall be made gastight and watertight and verified by proper testing. Any deviation from the prescribed procedures and materials must be approved by the Health Office before installation.

Section 10. The applicant for the building sewer permit shall notify the Health Office when the building sewer is ready for inspection and connection to the public sewer. The connection and testing shall be made under the supervision of the Health Office or its representative.

Section 11. All excavations for building sewer installation shall be adequately guarded with barricades and lights so as to protect the public from hazard. Streets, sidewalks, parkways and other public property disturbed in the course of the work shall be restored in a manner satisfactory to the Township.

ARTICLE VI
Use of The Public Sewers

Section 1. No person(s) shall discharge or cause to be discharged any unpolluted waters such as stormwater, groundwater roof runoff, subsurface drainage, or cooling water to any sewer except stormwater runoff from limited areas which stormwater may be polluted at times and may be discharged to the sanitary sewer by permission of the Neptune Township Sewerage Authority.

Section 2. Stormwater other than that exempted under Section 1, Article VI, and all other unpolluted drainage, shall be discharged to such sewers as are specifically designated as storm sewers or to a natural outlet approved by the Health Office and any other regulatory agencies. Unpolluted industrial cooling water or process waters may be discharged on approval of the Health Office, to a storm sewer or natural outlet.

Section 3. No person(s) shall discharge or cause to be discharged any of the following described waters or wastes to any public sewers.

- (a) Any gasoline, benzene, naphtha, fuel oil or other flammable or explosive liquid, solid or gas.
- (b) Any waters containing toxic or poisonous solids, liquids or gases in sufficient quantity, either singly or by interaction with other wastes, to injure or interfere with any waste treatment process, constitute a hazard to humans or animals, create a public nuisance, or create any hazard in the receiving waters of the wastewater treatment plant.
- (c) Any waters or wastes having PH lower than (5.5) or having any other corrosive property capable of causing damage or hazard to structures, equipment and personnel of the wastewater works.
- (d) Solid or viscous substances in quantities or of such size capable of causing obstruction to the flow in sewers, or other interference with the proper operation of the wastewater facilities such as, but not limited to, ashes, bones, cinders, sand, mud, straw, shavings, metal, glass, rags, feathers, tar, plastics, wood, unground garbage, whole blood, paunch manure, hair and fleshings, entrails and paper dishes, cups, milk containers, etc, either whole or ground by garbage grinders

Section 4. The following described substances, materials, waters, or waste shall be limited in discharge to the Ocean Grove Sewerage system to concentrations or quantities which will not harm either the sewers, wastewater treatment process or equipment, will not have an adverse effect on the receiving stream, or will not otherwise endanger lives, limb, public property or constitute a nuisance. The Neptune Township Sewerage Authority may set limitations lower than the limitations established in the regulations below if in its opinion such more severe limitations are necessary to meet the above objectives. In forming its opinion as to the acceptability, the Health Office will give consideration to such factors as the quantity of subject waste in relation to flows and velocities in the sewers, materials of construction of the sewers, the wastewater treatment process employed, capacity of the wastewater treatment plant, degree of treatability of the waste in the wastewater treatment plant, and other pertinent factors. The limitations or restrictions on materials or characteristics of waste or wastewaters discharged to the sanitary sewer which shall not be violated without approval of the Sewer Authority are as follows:

- (a) Wastewater having a temperature higher than 150° Fahrenheit (65° Celsius).
- (b) Wastewater containing more than 25 milligrams per liter of petroleum oil, nonbiodegradable cutting oils, or product of mineral oil origin.
- (c) Wastewater from industrial plants containing floatable oils, fat or grease.
- (d) Any garbage that has not been properly shredded, that is, where the particles cannot be carried freely under the flow of conditions normally prevailing and where the particles are greater than one and one-half (1 1/2) inch in any dimension. Garbage grinders may be connected to sanitary sewers from homes, hotels, institutions, restaurants, hospitals, catering establishments, or similar places where garbage originates from the preparation of food in kitchens for the purpose of consumption on the premises or when served by caterers.
- (e) Any water or waste containing iron, chromium, copper, zinc, and similar objectionable or toxic substances to such degree that any such material received in the composite wastewater at the wastewater treatment works exceeds the limits established by the Sewer Authority for such materials.
- (f) Any waters or wastes containing odor-producing substances exceeding limits which may be established by the Neptune Sewerage Authority.
- (g) Any radioactive wastes or isotopes of such half-life or concentration as may exceed limits established by the Sewerage Authority in compliance with applicable state or federal regulations.
- (h) Quantities of flow, concentrations or both which constitute a "slug" that is any discharge of water or wastewater which in concentration of any given constituent or a quantity of flow exceeds for any period of duration longer than fifteen (15) minutes more than 5 times the average twenty-four hour concentration or flows during normal operation and shall adversely effect the collection system and/or performance of the wastewater treatment works.
- (i) Waters or wastes containing substances which are not amenable to treatment or reduction by the wastewater treatment processes employed, or are amenable to treatment only to such degree that the wastewater treatment plant effluent cannot meet the requirements of other agencies having jurisdiction over discharge to the receiving waters.
- (j) Any water or wastes which, by interaction with other water or wastes in the public sewer system, release obnoxious gases, form suspended solids which interfere with the collection system or create a condition deleterious to structures and treatment processes.

Section 5. If any waters or wastes are discharged or are proposed to be discharged to the public sewers which waters contain the substances or possess the characteristics enumerated in Section 4 of

this Article, and which in the judgment of the Health Office and/or the Neptune Sewerage Authority, may have a deleterious effect upon the wastewater facilities, processes, equipment or receiving waters or which otherwise create a hazard to life or constitute a public nuisance, the Health Office may:

- (a) Reject the wastes,
- (b) Require pretreatment to an acceptable condition for discharge to the public sewers,
- (c) Require control over the quantities and rates of discharge, and/or
- (d) Require payment to cover added cost of handling and treating the wastes not covered by existing taxes or sewer charges.

When considering the above alternatives, the Health Office, shall give consideration to the economic impact of each alternative on the discharger. If the Health Office permits the pretreatment or equalization of waste flows, the design and installation of the plants and equipment shall be subject to the review and approval of the Sewer Authority.

Section 6. Grease, oil, and sand interceptors shall be provided when, in the opinion of the Health Office and/or the Neptune Sewerage Authority, they are necessary for the proper handling of liquid wastes containing floatable grease in excessive amounts, as specified in Section 4 (c), or any flammable wastes, sand or other harmful ingredients; except that such interceptors shall not be required for private living quarters or dwelling units. All interceptors shall be of a type and capacity approved by the Health Office and the Neptune Sewerage Authority and shall be located as to be readily and easily accessible for cleaning and inspection. In the maintaining of these interceptors, and owner(s) or leaseholder(s) shall be responsible for the proper removal and disposal by appropriate means of the captured material and shall maintain records of the dates and means of disposal which are subject to review by the Health Office and/or the Neptune Sewerage Authority. Any removal and hauling of the collected materials not performed by owner(s) or leaseholder(s) personnel must be performed by currently licensed waste disposal firms.

Section 7. Where pretreatment or flow equalizing facilities are provided or required by the Health Office or the Neptune Sewerage Authority for any water or waste, they shall be maintained continuously in satisfactory and effective operation by the owner(s) or leaseholder(s) at his expense.

Section 8. When required by the Neptune Sewerage Authority, the owner(s) or leaseholder(s) of any property serviced by a building sewer carrying industrial wastes, shall install a suitable structure together with such necessary meters and other appurtenances in the building sewer to facilitate observation, sampling and measurement of the wastes. Such structure, when required, shall be accessible and safely located and shall be constructed in accordance with plans approved by the Health Office and the Neptune Sewerage Authority. The structure shall be installed by the owner(s) or leaseholder(s) at his expense and shall be maintained by him so as to be safe and accessible at all times.

Section 9. The Health Office and/or the Neptune Sewerage Authority may require a user of sewer services to provide information needed to determine compliance with this ordinance. These requirements may include:

- (1) Wastewaters discharge peak rate and volume over a specified time period.
- (2) Chemical analyses of wastewaters.
- (3) Information on raw materials, processes, and products affecting wastewater volume and quality.
- (4) Quantity and disposition of specific liquid, sludge, oil, solvent or other materials important to sewer use control.
- (5) A plot plan of sewers of the user's property showing sewer and pretreatment facility location.
- (6) Details of wastewater pretreatment facilities.
- (7) Details of systems to prevent and control the losses of materials through spills to the Ocean Grove sewer.

Section 10. All measurements, tests and analyses of the characteristics of waters and wastes to which reference is made in this ordinance, shall be determined in accordance with the latest edition of "Standard Methods for Examination of Water and Wastewater", published by the American Public Health Association. Sampling methods, location, times, durations and frequencies are to be determined on an individual basis subject to approval.

Section 11. No statement contained in this Article shall be construed as preventing any special agreement or arrangement between the Neptune Sewerage Authority and any industrial concern whereby any industrial waste of unusual strength or character may be accepted by the Neptune Sewerage Authority.

ARTICLE VII

Section 1. No person(s) shall maliciously, willfully or negligently break, damage, destroy, uncover, deface or tamper with any structure, appurtenance or equipment which is a part of the wastewater facilities. Any person(s) violating this provision shall be subject to immediate arrest under charge of disorderly conduct.

ARTICLE VIII
Power and Authority of Inspectors

Section 1. The Health Office and other duly authorized employees of the Township, the Ocean Grove Sewerage Authority or the Neptune Sewerage Authority bearing proper credentials and identification shall be permitted to enter all properties for the purposes of inspection, observation, measurement, sampling and testing pertinent to discharge to the community system in accordance with the provisions with this ordinance.

Section 2. The Health Office, the Ocean Grove Sewerage District and/or the Neptune Sewerage Authority or any duly authorized personnel thereof, are authorized to obtain information concerning industrial processes which have a direct bearing on the kind and source of discharge to the wastewater collection system. The industry may withhold information considered confidential. The industry must establish that the revelation to the public of the information in question might result in an advantage to competitors.

Section 3. While performing the necessary work on private properties referred to in Section 1 above, authorized personnel of the Health Office shall be permitted to enter all private properties through which the Township holds a duly negotiated easement for the purpose of, but not limited to, inspections, observations, measurements, sampling, repair and maintenance of any portion of the wastewater facilities lying within said easement. All entry and subsequent work, if any, on said easement, shall be done in full accordance with the terms of the duly negotiated easement pertaining to the private property involved.

ARTICLE IX
Violations and Penalties

Section 1. Any persons, firm or corporation who shall violate the provisions of this ordinance, shall be subject to a penalty not exceeding the sum of \$500.00 or by imprisonment in the Monmouth County Jail for a period not exceeding 90 days or both in the discretion of the Judge of the Neptune Municipal Court who shall hear and determine the matter. Further each day that a violation exists shall constitute a separate violation under the terms of this ordinance.

ARTICLE X

All ordinances or parts of ordinances inconsistent herewith, are hereby repealed.

ARTICLE XI

This ordinance shall take effect when passed and published according to law.

Smith, Philadelphia, and two sisters, Mary S. Wilkins and Emma B. Know, both Philadelphia.

ELIZABETH HENDRINA COLLINSON

NEPTUNE — Services were Tuesday for Elizabeth Hendrina Collinson, 79 years of age, who died Saturday at Jersey Shore Medical Center. Mrs. Collinson was a private duty nurse prior to retiring in 1967.

In 1928 she competed in the World Olympics in Holland, in both diving and swimming events. She was born in Rotterdam, Holland, and was a resident of the Shore area for most of her life. She was a communicant of the Ascension Roman Catholic Church of Bradley Beach. Her husband, Earl, died in 1981.

Surviving are a son, Earl Jr., Edison Township; a daughter, Hendrina Garland, Bradley Beach, four grandchildren and two great-grandchildren. The Francioni, Taylor & Lopez Funeral Home, 1200 11th & Atkins Ave., here, was in charge of arrangements.

HAROLD H. SLOCUM

WALL TWP. — Funeral services were Monday morning for Harold H. Slocum, age 73, who died Friday at Jersey Shore Medical Center, Neptune. He was born in Neptune, and lived here for the past 20 years.

Mr. Slocum was an employee of the Asbury Park Press for 55 years in the circulation department. After retirement in 1981, he worked part-time until his death. In 1936 he began marking bundles of newspapers routes and computing overruns when news demanded. He also distributed newspapers to the 30 or 40 newsboys who sold The Press on the street. Throughout his years with the paper, Mr. Slocum worked as a driver, assistant foreman, foreman, and printing circulation manager.

Most recently as a full-time employee he was a district manager, handling circulation for the city zone. Mr. Slocum was a former trustee on the official board of the Full Gospel Church, Wall Township, where he was also a member.

Surviving are his wife of 53 years, Gertrude F. Brown; two daughters, Norma Jackson, Neptune, and Shirley Nadal, Brick Township; a sister, Mildred White, South Belmar; a brother, Raymond Slocum, Neptune; six grandchildren, and one great-grandchild. Johnson Funeral Home, Wall Township, is in charge of arrangements.

Following services Monday, interment was in Hamilton Cemetery.

PUBLIC NOTICES

ORDINANCE NO. 1235

TOWNSHIP OF NEPTUNE
NOTICE is hereby given that at a regular meeting of the Township Committee of the Township of Neptune on the nineteenth day of Nov. 1984 at 7 P.M. the following Ordinance was introduced and passed on first reading.

Said Township Committee will meet Monday, the third day of December, 1984, at the Neptune Municipal Complex, 25 Neptune Boulevard, Neptune, New Jersey, at 7 PM to further consider the said ordinance for final passage and to give all interested persons an opportunity to be heard concerning this ordinance. Copies of the ordinance published herewith are available for inspection by members of the general public who shall request the same, at the office of the Township Clerk located at the above address.

AN ORDINANCE AUTHORIZING THE PRIVATE SALE OF LAND HELD BY THE TOWNSHIP OF NEPTUNE AND NOT NEEDED FOR PUBLIC USE TO A CONTIGUOUS OWNER PURSUANT TO N.J.S.A. 40A:12-12.2.

WHEREAS, Neptune Professional Plaza, Inc., owns the premises located in Block 3000 Lot 8, and,

WHEREAS, the premises aforesaid are adjacent to the Municipal Complex, and,

WHEREAS, the Neptune Professional Plaza, Inc., has need for additional parking space, and,

WHEREAS, the Township of Neptune owns a piece of land of approximately .34 acres and a piece of land of approximately 0.13 acres which lands are not needed for public use; are less than the minimum lot size required for development under the municipal Zoning Ordinance and are without any capital improvement thereon, and,

WHEREAS, N.J.S.A. 40A:12-13(b) (5) authorizes this land to be sold at private sale, and,

WHEREAS, pursuant to N.J.S.A. 40A:121-3.2 said public lands were offered first to the Neptune Professional Plaza, Inc., as contiguous owners and said offer was accepted subject to the terms and conditions as hereinafter set forth.

NOW THEREFORE, BE IT ORDAINED BY THE TOWNSHIP COMMITTEE OF THE TOWNSHIP OF NEPTUNE, IN THE COUNTY OF MONMOUTH, as follows:

Section 1. That the Township Committee of the Township of Neptune pursuant to the provisions of N.J.S.A. 40A:12-13(b)(5) sell to Professional Plaza, Inc., as the contiguous owner thereof, the following described tracts of land:

Tract 1: BEGINNING at a point at the southeast corner of Lot 8 Block 3000 on the north right of way line at Davis Avenue, thence (1) easterly South 88 degrees 55' 05" East a distance of 7:30 feet to a point which is the intersection of the north right of way line of Davis Avenue with the east right of way line of Davis Avenue, thence (2) southerly along the easterly right of way line of Davis Avenue bearing South 1 degree 04' 55" West eighty six (86') feet to a point, thence (3) South 88 degree 55' 05" East thirty four (34') feet to a point; thence (4) North 17 degrees 47' 30"

East two hundred forty six and ninety seven hundredths 246.97' to a point; thence (5) North 81 degrees 17' 25" West sixty five and nine hundredths (65.09') feet to a point at the northeasterly corner of Lot 8, Block 3000; thence (6) South 17 degrees 47' 30" West one hundred sixty six and twenty hundredths (166.20') feet to the point or place of Beginning. Containing 0.34 acres.

Tract II. Containing 0.13 acres.

Section 2. The sale of said property by the Township Committee of the Township of Neptune is subject to the condition that said property shall be used as a private parking lot for the use and benefit of the professional building located in Block 3000 Lot 8 as shown and designated on the Tax Assessment Map of the Township of Neptune and owned by such Township of Neptune. Should said property not be used as a private parking lot aforesaid, the property shall revert to the Township of Neptune.

Section 3. The consideration for the sale of said property by the Township of Neptune to the Neptune Professional Plaza, Inc. is as follows:

1. Pave and otherwise improve said property aforesaid in accordance with an approved site plan entitled "Proposed Additional Park Lot 8 Block 3000 made for Neptune Professional Plaza, Inc." prepared by William D. Ayers, Jr., P.E. & L.S., dated March 9, 1948 which plan is on file with the Municipal Clerk of the Township of Neptune.

2. File with the Municipal Clerk, a Performance Bond in the sum of \$2,199.29 to cover inspection fees.

3. Widen the south side of Davis Avenue and repave and, otherwise improve Davis Avenue easterly from property line of the Jersey Shore Medical Center to the point where Davis Avenue makes a ninety degree southerly turn in accordance with specifications drawn by James A. Dolan, P.E. and Engineer for the Township of Neptune dated November 12, 1984 and at an estimated cost of \$26,500.00.

4. The Purchaser shall within thirty (30) days after passage of this ordinance close title to said property and commence improvement of the property in accordance with the approved plans and complete the same within six (6) months. The deed of conveyance to said land shall be held in escrow nevertheless by the Municipal Clerk until the construction is completed and approved in writing by the Township Engineer in accordance with the plans and specifications aforesaid.

Section 4. Neptune Professional Plaza, Inc., shall also pay to the Township of Neptune, a sum equal to the amount of the tax based on the last assessed valuation from the first of the month next after the date of the sale until the end of the current year.

Section 5. This ordinance shall become effective upon final passage and publication as provided by law.

(Signed)
