WEEK 4 GAME 1

MILE HIGH BUILT 20 COLORADO MENACE 13

The leader in the Clubhouse for the Atlas award, Artie Barcelo added two more passing touchdowns to help get the win against Colorado Menace. Artie didn't have as gaudy of numbers that we are used to but he still raked up 156 yards rushing. With the 20 to 13 win, Mile High Built is sitting pretty with a 3 and 1 record. There game this week is extremely important and could determine a tie breaker between The Bros and MHB. We did see some moves in the right direction for Menace as Trevor Okamoto threw for 221 yards and 2 touchdowns. He still had an interception that Artie Barcelo took back for a touchdown. Menace will need to continue to make strides as they will face the Rockers Sunday. Donovan Haynes still has the sack lead at 7 even though he couldn't quite get any in week 4. Menace will need to stack up the wins and get some help in order to make the playoffs this season. The key matchup to watch for in the Menace vs Rockers game will be Menace's defense against the Rockers offense as that is the strengths for both teams.

WEEK 4 GAME 2

CTS 26 DENVER GOATS 07

COLORADO FLAG
FOOTBALL CORNER

CTS continue their dominance in a 26 to 7 win against the Goats. A win this Sunday will lock up a playoff spot for CTS. Deuce Richardson tossed two touchdowns, one to Mitch Colin and one to Teddy Colbert. With those two TDs, Deuce's total becomes 11 passing TDs to only 2 interceptions. On defense, multiple guys were balling out for CTS. Getting interceptions were Jason Davis and Mitch Colin with Mitch taking his back for a TD. Piling up the sacks were Anthony Clayton, Andrew Gibson and Scott O'Hara. Just ridiculous defense from CTS, who is leading the league in sacks (12), interceptions (13), and pix six's (4). The Goats once again had Anthony Rankin at QB with Matt Keeling being out of town. Honestly the Goats have a more fluid offense with Rankin in at QB. Rankin did throw one touchdown to Eric Foxworth but the Goats couldn't get much else going. The Goats are more than likely going to miss out on the playoffs and a loss this Sunday to the Bros would solidify that. A win would keep their hopes alive but very slightly.

WEEK 4 GAME 3

COLORADO HUSKERS 32 NOCO BULLS 06

COLORADO FLAG
FOOTBALL CORNER

In the most shocking game of the week, the Huskers came out and beat the NoCo Bulls like a red headed step child, putting up 32 points on a Mike Timms-less Bulls defense. Julian Banks was efficient while throwing for 4 touchdowns and brings his league lead to 13 passing touchdowns. Paul Bailey was on the receiving end of two of those TDS. The Huskers defense was at full strength on the day and it was fully apparent with two interceptions and two sacks. For NoCo, David Knighton was not as stellar as he has been throughout the season. He did connect on a deep pass for a touchdown to CJ Lovett. The absence of Mike Timms was huge but the Bulls will need to find other ways to replace him since he won't be able to play till the playoffs. Even with Timms out, the Bulls are still talent laden. They'll look to get their fourth win of the season this Sunday against the Goats. I still predict a win for the Bulls but it might be closer than some think. For the Huskers they have a big match up against CTS. That game won't knock the Huskers out of the playoffs, should they lose, but it will hurt their chances. A win though, will get a lot of people talking.

WEEK 4 GAME 4

THE BROS 48 DENVER ROCKERS 07

COLORADO FLAG
FOOTBALL CORNER

The Bros are the latest team to whoop up on the Rockers handing them a 48 to 7 loss. The score is little more than how most of the game was. At half the Bros had a 18 to 7 lead but then the flood gates opened in the second. Donell Wells torched the Rockers defense for 5 passing touchdowns and 2 rushing touchdowns. Greg Jackson tallied 3 sacks on the day to help earn him the defensive MVP of the week. DaVaughn Thornton was credited with 5 receptions for 110 yards and 2 touchdowns. The Bros will take that athletic ability up against Mile High Built. That will definitely be an interesting game to watch except it starts at 8am. The Rockers made some strides in improvement like scoring in the first half for the first time this season. Pat Yanda continues to distribute the ball fairly evenly to his WR as three guys had 5 receptions. This Rockers team is playing timid at times and teams are taking full advantage. The Rockers playoff hopes are all but eliminated but they look to beat a Menace team that has had their own major struggles.

OILERS 14 SWAT 13

COLORADO FLAG
FOOTBALL CORNER

The Oilers came into week 4 undefeated and looked to remain that way. Swat held a 13 to 7 lead up until late in the second half. That score did not hold up as the Oilers tied it by scoring on a fourth down jump ball from inside the 10 yard line. The Oilers took the lead after getting the extra point. Swat would get the ball back with around 30 seconds left in the game. They ended up completing a 50 yard pass at the 18 second mark getting them in prime position to possibly score. The plays that followed left everyone watching baffled. Swat called a double pass that turned into a throwback to the QB that only gained (maybe) a couple of yards. Then with the last play of the game a short quick pass that the WR tried to pitch but it ended up being an illegal forward pass to end the game. With this win the Oilers have almost secured a playoff spot. They'll have another tough test against a fellow unbeaten in the Lightning this weekend. That is the game of the week as it could be the game that decides the #1 seed. Swat gets a break as they should mercy rule Old School and get them back to a winning record.

WEEK 4 GAME 6

MUSTANGS 27 EAGLES 14

The Mustangs stay in the playoff conversation with a 27 to 14 win against the Eagles. The game started out with the Eagles getting on the board first but they didn't do anything else till the very end of the game. The Mustangs went on to score 27 unanswered points. The QB protection for the Mustangs still looks like a glaring weakness but the defense is the strength for this team. The Eagles dearth of athletes is a huge reason why they are 0 and 4. They have put up a fight in every game and might just get win #1 this Sunday when they face the Sharks. The lack of players doesn't help as these guys are gassed even when they are in the game. With the lack of flag knowledge and a little bit of disorganization from the Sharks, the Eagles stand a good chance especially with Robbie's ability to mask some disadvantages. As for the Mustangs they sit in a tie with four others teams at 2 and 2 which makes their game against FOE huge. They need to figure out a way to stop FOE's spread offense because last time they faced a spread offense, they allowed 40 points.

WEEK 4 GAME 7

DENVER LIGHTNING 49 OLD SCHOOL 13

COLORADO FLAG
FOOTBALL CORNER

The Lightning have added another blowout to their resume this season after beating Old School by a score of 49 to 13. The Lightning began the game with 30 unanswered points and I was thinking the game could be mercy ruled by the half but Old School got on the board just before half. Problem is the Lightning got the ball and scored on one play to make the half time score 36 to 7. Out of half Old School put up another score but that ended up being the last score they'd get in. Lightning eventually got the mercy rule win when they put up their 49th point. Lightning are firing on all cylinders right now and they are the best squad in B league this season. They are playing lights out defense and their offense is unstoppable. They'll look to lock up a guaranteed playoff spot this Sunday against the Oilers. As for Old School they are looking for their first win when they go against Swat but I don't see them getting it. This Old School team is a solid team but age is quickly catching up and making it very difficult to keep up with these other younger teams.

KRYPTONITE 26 DENVER SHARKS 06

COLORADO FLAG
FOOTBALL CORNER

Even with an unbeaten record, Kryptonite has shown vulnerability. They got the 26 to 6 win against the Sharks but it probably shouldn't have been that close. The Sharks started the game with only six players but eventually had a few more guys show up. Kryptonite would eventually get the scoring going but it took just before half to get there. Kryptonite is not looking horrendous on offense, it's more they are narrowly missing on the opportunities they do have. They had a deep ball placed perfect for a walk in touchdown but could not connect with the WR. They'll need to get these chemistry issues ironed out soon because it won't fly against the tougher teams. They ended up scoring 20 points in the second half which helped give them the 2 minute mercy rule win. Well I'm not going too far out on a limb by saying the Sharks will not make the playoffs. This Sharks team is a little too unorganized and lack the flag knowledge to really make any noise this season. They did score their first offensive touchdown of the season so they are making a little progress. Honestly, every player on this team could be picked up by other teams and do really good. The talent that is on this team is undeniable which could be the determining factor in a win against the Eagles, but not if they are as unorganized as they have been.

WEEK 4 GAME 9

SUDDEN IMPACT 20 FOE 19

COLORADO FLAG
FOOTBALL CORNER

In what could be argued for being the game of the week, Sudden Impact took FOE to the wire. FOE got the ball to start but was stopped on downs and Sudden Impact took advantage to go up 6 to 0. FOE would go on to score 19 unanswered points and looked to be running away with the win. Sudden Impact had other thoughts as they got in the end zone with 2:55 left in the game and only down by 6. All FOE had to do was run the clock down as far as possible but Sudden Impact stepped up to stop FOE on downs. FOE lined up for a punt but what's this, a bad snap gives Sudden Impact the ball at the ten. FOE's defense was holding strong and made it 4th down from the 3 yard line but Sudden Impact got it in the end zone to tie the game up. Sudden Impact would take the lead with an out route to pick up the extra point. FOE would only have ten seconds to make some magic happen but the deep ball wound up being intercepted and Sudden Impact comes away with the 20 to 19 win to get their record to 2 and 2. Sudden Impact will take on Kryptonite and I wouldn't be shocked if they came away with a win. FOE will look to get back to a winning record against the Mustangs.

Free agents must register and pay a \$25 fee (plus transaction fee) to be placed on a league's free agent list. Premier Flag Football Federation will make an effort to place each and every free agent! If a free agent is unable to be placed on a team, then all fees will be refunded. Addition team fees may be required by the team that makes the decision to add free agent to their roster.
