**Exercise 1. OPEN CLOZE:** Read the following passage about the ancient Egyptian pharaoh Tutankhamun. Eight words (1-8) have been removed from the text. Replace each of the missing eight words by writing **ONE WORD ONLY** in each of the spaces available on your **ANSWER SHEET**. The first (0) has been given as an example.

## Tutankhamun

Tutankhamun, the 11th pharaoh of the 18th dynasty of Ancient Egypt is famous due to the discovery of his completely intact tomb by the British archaeologist Howard Carter in 1922.

The discovery of Tutankhamun's mummy revealed that he was about 17 when he died and was likely to have **(0) ascended** the throne at the age of eight or nine. He is thought to have been the son of Akhenaten, who was commonly known as the 'heretic king'. Akhenaten replaced the traditional cult of 'Amun' with his solar deity 'Aten', thus asserting his **(1) \_\_\_\_\_** as pharaoh in a new way.

**(2) \_\_\_\_\_** to the most important document of Tutankhamun's reign, the Restoration Stela, his father's supposed reforms left the country in a bad state. **(3) \_\_\_\_\_**, the traditional gods, seeing their temples in ruins and their cults abolished, had abandoned Egypt to chaos. When Tutankhamun came to the throne, his administration restored the old religion and moved the capital from Akhetaten **(4) \_\_\_\_\_** to its traditional home at Memphis. He changed his name from Tutankhaten - 'living image of Aten [the sun god]' - to Tutankhamun, in honour of Amun. His queen, Ankhesenpaaten, the third daughter of Akhenaten and Nefertiti, also changed the name on her throne to read Ankhesenamun.

Although the reign of Tutankhamun is often thought to have little historical importance, his monuments tell a different story. He began repairing the damage inflicted upon the temples of Amun **(5) \_\_\_\_\_** Akhenaten's iconoclastic reign. He constructed his tomb in the Valley of the Kings, near **(6) \_\_\_\_\_** of Amenophis III, and one colossal statue still survives of the mortuary temple he began to build at Medinet Habu. He also continued construction at the temple of Karnak and finished the second of a **(7) \_\_\_\_\_** of red granite lions at Soleb.

**(8) \_\_\_\_\_** still surrounds his death. He may have been assassinated, or died as the result of an injury received while hunting.

**Exercise 2. MULTIPLE-CHOICE CLOZE:** Read the following passage about weddings. Eight words (9-16) have been removed from the text. Replace each of the missing eight words by putting one of the three multiple choice options (a, b, or c) in each of the spaces available on your **ANSWER SHEET**. The first (0) has been given as an example.

### Off-season Weddings

It is very likely that you've seen this invitation before: the nuptials in Florida in August or the bridal procession in Maine in January. And though there was always a Crazy Pete in your life who wanted to bomb down the ski **(0)**   **C**   after saying "I do" atop an icy Vermont peak in February, Crazy Pete seems to have become far more the norm than the outlier.

Quirky destinations have come into **(9)** \_\_\_\_\_ in recent years, said Diane Gottsman, etiquette expert and founder of the Protocol School of Texas. **(10)** \_\_\_\_\_ your budget is as endlessly elastic as those of the teenagers seen on MTV's "My Super Sweet 16," why compete for space and vendors in the popular month of May if you're more **(11)** \_\_\_\_\_ to score a coveted location at a discount in the off-season?

There are reasons why certain **(12)** \_\_\_\_\_ — particularly popular destinations in the Caribbean, Central America or north of the border — are cheaper to book off-season. Poor weather ranks chief **(13)** \_\_\_\_\_ the downsides. And not everyone is pleased to get that invitation to travel to an out-of-the-way spot on a less-than-ideal date.

Although it's prudent to consider costs," Ms. Gottsman said, she also advises that you be **(14)** \_\_\_\_\_ of your guests and not choose a supremely inconvenient location or season. "You have to be **(15)** \_\_\_\_\_ if even your close friends or family decline," she said. Off-season weddings also require more planning, she advised. You'll need "a Plan A, Plan B and Plan C," she said. "If it is **(16)** \_\_\_\_\_ horrific weather, you have to be prepared — and not just for the ceremony. What about activities that guests can do? Get in touch with a local planner. A lot of times during off-season, there are less things open."

**Moby Dick**

While the gigantic, murderous white whale in Herman Melville’s classic novel was a fictional creation, the author did draw inspiration from **(31)** \_\_\_\_\_ whaling horror stories—and an actual albino sperm whale named “Mocha Dick”—to paint his indelible portrait. In addition to **(32)** \_\_\_\_\_ whaling experience (he sailed on a voyage to the Pacific in 1841), Melville also read widely, including many contemporary accounts of whaling voyages. In writing “Moby Dick,” he skillfully wove his own experiences in with these accounts, creating one of the most complex and compelling narratives in American literature.
