Keeping Connected In Your Community

From the desk of the Mayor

On behalf of the Mayor and Council, I would like to wish our residents a Happy and Healthy New Year. We are very excited for what is ahead in 2020!

In 2018 and 2019 we were able to pass a budget with a 0% municipal tax increase while still allocating additional funding for infrastructure, making significant improvements to our recreational facilities, increasing the amount of Police officers, providing our emergency services with the tools they need to succeed and much more. We believe that by continuing to make the right investments in Fair Lawn, our community will continue to thrive.

Improvements continue at Memorial Pool, which has seen a significant increase in membership. The 2020 season includes the addition of a new splash park and the beginning stages of a new Administration building. We will also be making improvements at Dobrow Complex and LaPoff Park. Moving forward, we will be reviewing one different playground and sports field each year to make sure Fair Lawn continues to have some of the best recreation facilities in the County.

Additional improvements in pedestrian safety are also slated for 2020, with the addition of three new rectangular rapid flashing beacons within the Borough and three new crosswalks on Morlot Avenue. Increased funding has been allocated for road resurfacing and we look forward to getting those projects started in the spring of 2020.

I want to thank our Borough employees, whose work and commitment ensures the Borough continues to run smoothly, and recognize the dedicated service and advocacy of our many resident volunteers. Fair Lawn is also blessed to have dedicated first responders – Police, Fire, Rescue and Ambulance- who give selflessly to protect and serve our residents.

Lastly, I want to thank you – our residents – for making the important decision to choose Fair Lawn as your home. Collectively you make our Borough a diverse, interesting and caring place to live. It has been a pleasure for the Council and I to work with you this past year and hear your thoughts on how we can make Fair Lawn an even greater community. Your input is sincerely appreciated.

Best regards,
Kurt Peluso, Mayor

Solutions to Stormwater Pollution

WHAT IS STORMWATER POLLUTION?

Water from rain and melting snow that flows over lawns, parking lots and streets is known as stormwater runoff. This water, which travels along gutters, into catch basins and through storm drain pipes and ditches, usually is not treated, but then flows or is discharged into local waterbodies. Along the way, the stormwater picks up trash (fast-food wrappers, cigarette butts, styrofoam cups, etc.) and toxins and other pollutants (gas, motor oil, antifreeze, fertilizers, pesticides and pet droppings). This polluted stormwater can kill fish and other wildlife, destroy wildlife habitat, contaminate drinking water sources and force the closing of beaches because of health threats to swimmers.

Human activity is largely responsible for the stormwater pollution. Everything that we put on the ground or into the storm drain can end up in our water. Each of us has a responsibility to make sure these contaminants stay out of our water. Whether we have clean water is up to you.

- Limit your use of fertilizers and pesticides
- Properly use and dispose of hazardous products
- Keep pollution out of storm drains
- Clean up after your pet
- Don't feed wildlife
- Don't litter
- Dispose of yard waste properly

For more information on stormwater related topics, visit www.cleanwater.nj.org, www.njstormwater.org or www.nonpointsource.org. Additional information is also available at U. S. Environmental Protection Agency Web sites: www.epa.gov/npdes/stormwater or www.epa.gov/nps

Important Information

SUPPORT LOCAL BUSINESSES

We have a number of businesses in town that continuously support our local organizations and borough wide events. Fair Lawn businesses support our children, senior citizens and residents. They are the backbone of our community and it is important that we return the favor by patronizing our local businesses. The next time you head out to the store or grab a bite to eat, please remember to **SHOP FAIR LAWN FIRST!**

Fair Lawn Library

Your library is more than just stacks of books. We have the newest movies, music, and video games. We have materials for you to enjoy without even stepping through our doors, with online books, audio books, magazines, music, and more. We offer a story time for children and book clubs for young kids all the way up to seniors and everything in-between. Use our museum passes for a weekend getaway, bring the kids in costume to our Haunted Library or our Library Con, buy gifts at our Holiday Arts & Crafts Boutique, or sign up for our yearly Summer reading program for kids, teens, and adults. We have ongoing clubs to share recipes, read your poetry or prose, perfect your English as a second language or play games. Come see a movie screening with a captive audience, or join us for a specialized lecture or book talk by an author. Follow us on social media or check our calendar for special events, like concerts or art gallery openings. And yes, we still have books, too, whether you prefer a gripping mystery, a cook book, graphic novels, picture books, or biographies. If you don't see what you'd like, just ask one of our friendly staff members and we will find it for you.

Yard Waste Collection

The final yard waste collection for the season will be the week of December 14, 2020 on your regular recycling collection day.
