

# Calibration & Testing Services

AUSTRALIA

*Passion for Precision*

**PASSION FOR  
PRECISION**  
RELIABILITY IS OUR  
COMMITMENT

## **Floyd Instruments – The name synonymous with Industrial measurement requirements**

Floyd Instruments has focused on providing quality products & services for over 80 years, and we are now able to offer exceptional on-site and in-house quality calibration, inspection and repair services for all types of testing and measurement instruments. Located in Melbourne we offer efficient turnaround, high quality results and competitive pricing Australia wide.

### **Our services include:**

- Onsite Calibration
- In House Calibration
- Instrumentation Inspection
- Instrumentation Repairs

### **Our Calibration capabilities include:**

- Pressure
- Temperature & Humidity measurement
- Flow measurement
- Electrical
- Gas Monitoring and Detection
- Force/Torque calibration

To find out more about how we can assist with your Calibration, Inspection or Repair needs, or if you require more information about other products and services then contact us direct on **1800 811 721** or email **sales@floydinstruments.com.au** and a friendly customer support team member will be able to assist.

Inspection

## On-site Calibration - We come to you

Floyd Instruments in partnership with ASGX Technologies, now offer complete On-Site calibration solutions across a diverse range of Instruments.

Our expert calibration technicians can provide you with an on-site calibration service completed to the manufacturers' specifications and in compliance with NATA endorsed and ISO standards

### Our on-site calibration services help:

- Eliminate instrument downtime and the need for spares
- Avoid interruptions and excessive downtime to your manufacturing process
- Allows you to periodically schedule all your calibration services at once
- Eliminate shipping costs and delays due to lengthy service times

To obtain a calibration service quote, Please contact our friendly team today on **1800 811 721** or email sales [sales@floydinstruments.com.au](mailto:sales@floydinstruments.com.au) and find out how your business can benefit with an on-site visit from Floyd Instruments.

## In-House Calibration
