CHEF CHIP'S WILD GAME AND SEAFOOD RECIPE

WHOLE GRILLED SEA BASS

INGREDIENTS:

- 1 Nice Size Whole Sea Bass (about 14") Scaled, Guttled, Gills Removed & Skin Scored
 - 1 - 2 Tbsp Olive Oil
 - 4 (1/4") Lemon Wheel Slices
 - 2 Scallion or Green Onion Stems (white part), Bottoms Removed
 - 3-4 Fresh Parsley Sprigs
 - 2 Fresh Thyme Sprigs
 - Old Bay Seasonings to Taste
 - Smoked Paprika to Taste
 - Seasoned Salt & Fresh Cracked Black Pepper to Taste
- Garnish:
• 1 - 2 Tbsp Fresh Chopped Chives

PREPARATION:

Preheat grill to medium high heat. Brush fish with oil. Season fish inside and out. Stuff the fish with herbs, lemon and scallions. Seal the belly with damp picks or skewers. Be sure to arrange the picks so you're able to grill the fish. Spray the grill with nonstick spray. Place fish on the grill and allow it to crisp up nice and brown. Flip the fish over and cover with lid. When the fish is cooked through, remove it from the grill to a platter and allow to rest about 3 minutes. Remove picks, top with chives and serve. Enjoy! Hint: You can also sew the belly together, rather than using picks. You will need a pair of shears for removal.

BAREFOOT COUNTRY MUSIC FEST RESCHEDULED TO JUNE 18-20, 2021

Tickets purchased for the 2020 Barefoot Country Music Fest can be rolled over for 2021 festival, donated to honor COVID-19 frontline workers, or request a refund.

Organizers of the Northeast's largest outdoor country music festival on the beach, in coordination with City of Wildwood government officials and health care professionals, announced that the 2020 Barefoot Country Music Fest (BCMF) will be rescheduled to 2021 due to the COVID-19 pandemic.

Originally slated for June 19-21, 2020, BCMF will now take place Friday, June 18 through Sunday, June 20, 2021 on the beach in Wildwood, NJ. In addition, a special Thursday Night Concert Kick-Off Party honoring healthcare and other frontline workers in the battle against COVID-19 is scheduled for Thursday, June 17, 2021. BCMF will also be donating 500 festival tickets to healthcare personnel on the frontline of the fight against COVID-19.

BCMF ticket holders can roll over their tickets to 2021, donate their tickets to honor COVID-19 frontline workers, or request a refund.

Organizers originally hoped to reschedule BCMF for later this year, but that became increasingly challenging due to the uncertainty surrounding COVID-19.

"Based on the outpouring of support from fans and the Wildwood community, we've worked tirelessly with artists' management and the city since mid-March to find an alternate weekend for BCMF this year. During this process, the COVID-19 landscape changed yet again," said Rob Pedlow of Barefoot Country Music Fest. "We're heartbroken over what's happening throughout the country and disappointed BCMF will not happen in 2020, but felt it was the best decision to protect the health and safety of fans, the Wildwood community, artists and BCMF staff. We're grateful for Mayor Pete

Byron, the incredible City of Wildwood team, and especially the fans that made this inaugural event a near-sellout before the pandemic. We're getting to work on BCMF 2021 and can't wait to celebrate with everyone next June."

Wildwood Mayor Pete Byron stated, "While we are disappointed that the Barefoot Country Music Fest had to be postponed this summer, we greatly appreciate all of the hard work and effort that went into planning the festival. We look forward to an even bigger and better festival in 2021. On behalf of myself and the Commissioners, we look forward to celebrating this one-of-a-kind experience with our community and visitors in the not-so-distant future." Carrie Underwood, Blake Shelton, Dan + Shay, and Lynyrd Skynyrd were on tap to headline Barefoot Country Music Fest, and are in discussions to perform at next year's event. Festival organizers will announce performers for BCMF 2021 in the coming months.

BCMF is brought to you by Southern Entertainment, the producers of the award-winning Carolina Country Music Fest (CCMF) in Myrtle Beach, South Carolina, the largest outdoor country music fest on the East Coast. BCMF is expected to be the Northeast's largest outdoor country music festival, occupying 27 acres of the Wildwoods beaches.

Further updates about the 2021 Barefoot Country Music Fest will be made on social media and at www.BCMFest.com. For more information about Wildwood, NJ, visit www.WildwoodsNJ.com.

For additional information about the Wildwoods, visit www.WildwoodsNJ.com or call 800-992-9732.

Invest a Portion of Tax Refund in Auto Care

New Video Shows How a Small Investment Now Pays Long-Term Dividends

With the average tax refund expected to be nearly \$3,000, you might be thinking about splurging on something special. However, being practical with some of your refund might be a better choice. A new video from the Car Care Council explains how spending a portion of your tax refund on preventative vehicle maintenance can pay long-term dividends.

"Car owners can actually save more money in auto repairs in the long run by routinely spending small amounts on preventative maintenance, including a thorough annual vehicle inspection," said Rich White, executive director, Car Care Council. "Following the recommended maintenance schedule in your owner's manual is like insurance. By spending a small amount on auto care more regularly, you protect yourself from larger expenses later on."

With proper care, the typical vehicle should deliver at least 200,000 miles of safe, dependable performance. The most common routine maintenance procedures and repairs include checking the oil, filters and fluids, belts and hoses, brakes, tires and the HVAC system. The non-profit Car Care Council also recommends an annual tune-up and wheel alignment.

"Routine car care will also help keep your vehicle running dependably and improve its fuel economy, so you can avoid unexpected car trouble and save more money at the pump," concluded White.

Produced in conjunction with AutoNetTV Media (ANTV), the Car Care Council's new video can be viewed at <https://youtu.be/ZJUWahuxsSM> and is also available in the ANTV digital management system for use by repair shops to share with their customers.

To help you get the most out of your vehicle investment and protect its long-term value, visit the Car Care Council's website at www.carcare.org and sign up for the free custom service schedule.

A BRIEF HISTORY OF
CINCO DE MAYO

Cinco de Mayo celebrates a victory of Mexican forces in a battle over the French in 1862 in what is known as the Pastry War. The French won that war. Otherwise it would be known as the Churro War.

What is Cinco de Mayo Really About?

In 1861, Mexico was experiencing financial difficulties, resulting in its default on its debts to several European countries. France, England and Spain sent naval forces to Mexico to collect the debt. England and Spain came to terms with Mexico on the debt. France, under Napoleon's leadership, chose to force the issue. France's 6,000 troops attacked a poorly equipped 2,000 troops from Mexico, but France lost 500 men, while Mexico lost 100. The French retreated on May 5th, leading to the celebration. While the war continued until the United States brought assistance 6 years later, the defeat was a symbolic victory for Mexico.

While many people in the United States believe Cinco de Mayo is Mexico's Independence Day, that holiday actually occurs in September. In Mexico, the September date remains the more important one and has larger celebrations. One theory about the importance of Cinco de Mayo in the United States is that the people who left Mexico after the battle continued celebrating the date in their new home, according to About.com.

PPAWS - People & Puppies at Work for Sight

"MEET THE PACK!"

The Seeing Eye breeds puppies specifically to be guide dogs for the blind. Only dogs that are bred, raised and trained by The Seeing Eye have the right and privilege to be called "Seeing Eye Dogs." Until a Seeing Eye dog is ready for training, he or she lives with a puppy raising or foster family that gives the dog love, gentle guidance, and consistent care. These volunteers nurture their puppy to accomplish its special destiny. Their foster families teach basic obedience and expose them to a variety of social situations they will later encounter as working dogs. PPAWS (People & Puppies at Work for Sight) is a dedicated group of local families from Atlantic and Cape May Counties, which raise these amazing puppies for The Seeing Eye.

Many of our raisers have full houses, taking in temporary fosters from The Seeing Eye in order to help empty the facility and flatten the curve. This is the current pack at the Wood residence: baby Valda, in front; temporary foster Napa (left, 18 months and back with his old raising family for now!); and CC Fallon, right, the patriarch.

WILDWOOD EVENTS

UPDATES TO RESTRICTIONS IN THE WILDWOODS

Wildwood Mayor Peter Byron and North Wildwood Mayor Patrick Rosenello announced updates to the previously enacted restrictions that have been placed on Short Term Rentals, Beaches, Boardwalks, Bike Paths and the Seawall in the Wildwoods. In an April 6 order, the municipalities closed their respective boardwalks, beaches, bike paths and seawall as well as placed limits on short-term rentals. At this time the cities of Wildwood and North Wildwood are announcing modifications to these orders. These new orders replace and supersede the previous orders and began April 23. It is the intent of the governing bodies of Wildwood and North Wildwood to institute restrictions and orders in conjunction with COVID 19 in two-week increments moving forward. These two-week increments coincide with the regularly scheduled meetings of the respective governing bodies and provide flexible planning in a fluid and rapidly changing situation.

Short Term Rentals - Continuing through May 7th, 2020, no short-term rentals are permitted. A short-term rental for the purpose of this order is any rental of less than 30 days.

- Exceptions: Any exception listed in the NJOEM Administrative Order 2020-8; Rentals to employees of any Municipal, County, State or Federal Agency seeking housing in conjunction with their official duties; Rentals to employee of essential businesses seeking housing in conjunction with their official duties.

Public Beaches - Continuing through May 7, 2020, sunbathing, sitting in chairs, lying on blankets, organized sports and any groups of people are hereby prohibited.

-Exceptions: Walking, jogging, biking, fishing and surfing are permitted as long as social distancing is maintained.

Boardwalk - Continuing through May 7, 2020, walking, biking, sitting and any groups of people are prohibited.

- New Exceptions:

Owners, tenants and employees of boardwalk properties and businesses may enter the boardwalk at the closest boardwalk ramp for the purpose of accessing their property or business. Customers of essential businesses may enter the boardwalk at the closest boardwalk ramp for the purpose of accessing an essential business for take-out service only. This includes food service businesses.

North Wildwood Bike Path/Seawall - All restrictions are lifted.

Parks/Playgrounds - Continuing through May 7, 2020, parks and playgrounds will remain closed.

Social Distancing - Persons engaging in any of the activities described above are reminded that all such activities are still subject to any additional restrictions put in place by the State of New Jersey. In addition, all activities described above are expressly permitted while individuals are practicing proper social distancing.

STRESS AND YOUR DOG'S HEALTH

Submitted By
Patsy Nelson
from The Wagging Tail

Operating a small business like The Wagging Tail is a continual stressful adventure. The challenges are many faceted; competition from big box stores and the internet, employees' personalities and needs, federal, state and local requirements, tending to the cats in our mini-shelter, ordering the right products and paying the bills, to name a few. My chiropractor once asked me if I suffer from discomfort with my bones and muscles while I'm on vacation. The answer is, "Hardly at all." But vacations only happen twice a year and are never long enough. The rest of the year I try to do the things that will help me day to day.

This can be your scenario or that of your dog. The Family Dog Magazine has an informative article (March/April) on how stress affects your pet. Many of the symptoms are the same for people under stress. In some situations, the "fight or flight" syndrome can be beneficial as it "allows living organisms to respond to the unforeseen challenges of an uncertain existence." But only on a short-term basis.

"When stressed, the body produces a chain of chemicals, such as cortisol, epinephrine and norepinephrine. These substances then result in a more rapid heart rate and respiratory rate, increased muscle sensitivity and heightened alertness in an attempt to improve an animals' response to stressful stimuli." This is normally okay for short-term, but long-term effects can produce serious medical conditions. If the stress is not relieved, "it can lead to heart disease and persistent high blood pressure, strokes, gastrointestinal upset and ulcers, loss of appetite and eating disorders, reproductive problems, weight loss and lowered immunity to disease." Chronically stressed dogs can also exhibit "intermittent fever, vomiting, diarrhea, inappetence, loss of house-breaking and arthritic pain. Chronic stress can also lead to behavioral problems, such as withdrawal, aggression, interruption of normal sleep patterns, fatigue, anxiety, depression, nuisance barking, self-mutilating behaviors and loss of concentration." I can relate to a number of these symptoms myself.

Just as with humans, there are significant proven aides to deal with stress. Exercise is a big help to both people and animals. Horses for example, manifest really severe overt behavioral issues if they are not given proper exercise and stimulation, like pacing, cribbing and aggression. "Regular exercise is a good way to not only spend quality time with your dog, but also maintains a healthy weight, keeps your dog mentally stimulated and counters stress through the release of serotonin and endorphins." There are many products at The Wagging Tail to help with anxieties, like CBD oil, thunder shirts and homeopathic remedies formulated to help ease a dog's stress specifically to noises, separation and travel. The lack of a suitable diet can also contribute to stress. Many commercial "supermarket foods" have added sugar and artificial colors which can increase a dog's hypersensitivity and just exacerbate the problems. There are also many interactive toys for use with dogs. We have many homeopathic aides and interactive toys for cats who can suffer from stress like dogs.
