TOOL MOUNTING SOLUTIONS FOR WORLDWIDE INDUSTRIES

Company Overview

Performance Advantage Company (PAC), established in 1992, is a privately owned company which manufactures and markets high quality tool mounting brackets. PAC's primary market is the Fire Industry providing specialty tool mounting solutions for fire apparatus. Other markets include the Military, Law Enforcement, EMS, Utilities and Homeland Security.

Performance Advantage Company is located in Lancaster, New York, a suburb of Buffalo and sells its products direct or through a worldwide network of dealers.

Products

The products PAC offers are designed to mount life-saving tools safely and securely. Versatile and flexible mounting options provide the most efficient and accessible solutions for tools and equipment. Whether new or in-service vehicles, PAC products can be customized for individual needs and requirements.

PAC utilizes the best possible materials and manufacturing methods which result in long lasting service. PAC products are tested to the highest standards and are compliant with **National Fire Protection Association (NFPA) 1901** standards and **MIL-S901D** military shock specifications.

If any PAC product fails under normal use it is replaced, free of charge.

Service

Performance Advantage Company is proud to provide the best possible customer service. PAC maintains a large inventory to ensure that most orders are fulfilled quickly. Knowledgeable sales, engineering and technical support, installation and training representatives are available to assist customers with their needs.
