

CANON SOLUTIONS AMERICA

AWARD-WINNING SOLUTIONS AND SERVICES

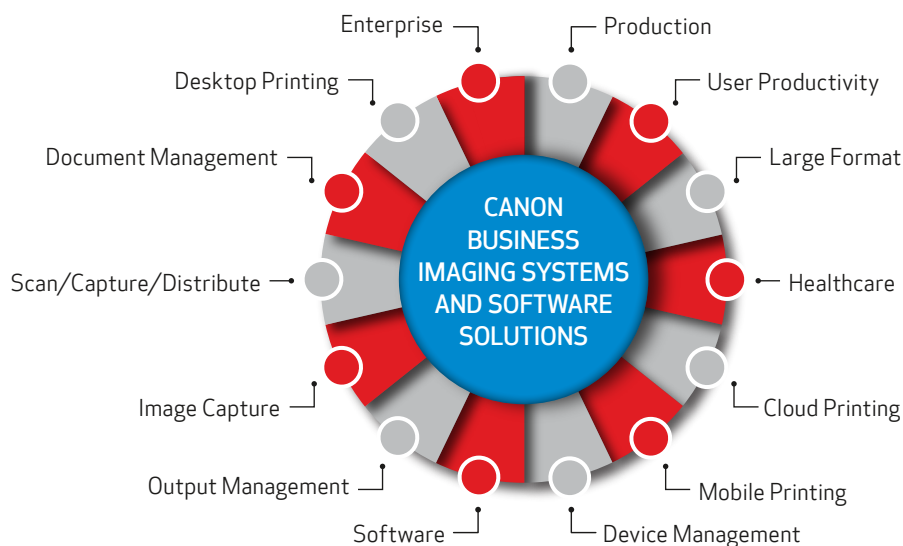

Canon's commitment to delivering outstanding imaging solutions and exceptional services to its customers is reflected in the awards and recognition received.

September 2019

CANON DELIVERS OUTSTANDING TECHNOLOGIES ACROSS MANY MARKETS

Canon U.S.A. receives numerous awards and recognition from top industry analysts and holds leadership positions in key segments of the office imaging market. When choosing Canon, you can feel confident that you're partnering with a company that delivers outstanding technologies across a range of markets.

As a leader in advanced digital imaging, Canon offers its customers a comprehensive line-up of solutions. Whether it's software to help streamline workflows or imaging devices for small offices, large enterprises, or high-volume production environments, Canon has a solution to suit virtually every need, application, and budget.

imageRUNNER ADVANCE AWARDS

Keypoint Intelligence—Buyers Lab 2018, 2017, and 2016 Copier MFP Line of the Year **Canon imageRUNNER ADVANCE Series**

For three consecutive years, Canon has earned BLI's prestigious Copier MFP Line of the Year award. This validates Canon's strong copier market reputation for offering reliable, easily adaptable systems that can enhance existing workflows.

According to George Mikolay, Associate Director, Copiers/Production, Keypoint Intelligence, "The introduction of the third generation of imageRUNNER ADVANCE MFPs was a pivotal moment for Canon, and as this generation of MFPs continues to grow, so does Canon's ability

to offer fully integrated and holistic business solutions."

The award-winning, third generation imageRUNNER ADVANCE MFPs demonstrate Canon's commitment to embrace a unified approach across hardware and software solutions to help enterprise environments optimize their digital workplace transformation. They can also help you meet today's workforce demands of flexibility, customization, and convenience in the office.

KEYPOINT INTELLIGENCE—BUYERS LAB PACESETTER AWARDS

Canon U.S.A., Inc. has been honored with the prestigious BLI PaceSetter award in the categories of Document Imaging Security, Mobile Print, Education, Financial Services, and Healthcare – Hospital Networks from the analysis at Keypoint Intelligence – Buyers Lab (BLI).

		MFP Accessibility 2019–2020 <ul style="list-style-type: none"> Recognized for the imageRUNNER ADVANCE Series' expansive set of features and functions for enhancing accessibility. Easy-to-access Voluntary Product Accessibility Template (VPAT) for its 	imaging product line, including hardware and software solutions. <ul style="list-style-type: none"> Universal Design Guide that outlines product accessibility features of the imageRUNNER ADVANCE product line as an education resource.
		Healthcare – Hospital Networks 2019–2020 <ul style="list-style-type: none"> Outstanding solutions and services for healthcare providers Strong mix of offerings beyond document imaging 	<ul style="list-style-type: none"> Feature-rich Canon products to suit any document input/output need in a healthcare environment
		Outstanding Serviceability 2018–2019 <ul style="list-style-type: none"> Key areas of evaluation included company vision, in-field support, environmental considerations, tools and training provided to service technicians, and device design. Components supporting Canon's overall excellent service reputation are its Technical Support Center (TSC) and Customer Solutions Center (CSC). 	<ul style="list-style-type: none"> Canon's outstanding predictive service model and smART service system train customers on device usage, enable certain error codes that allow direct dealer contact so the customer is unaware of any issues, and plan service calls with greater efficiency.
		Ease of Use: Enterprise Devices 2018–2019 <ul style="list-style-type: none"> Control panel was ranked extremely easy-to-use and offers several customizations through presets, screen design, and favorites. This same control panel is available across the line, meaning employees moving around the organization will 	lose no time recognizing processes at the MFP. <ul style="list-style-type: none"> Job management was one area where Canon stood out from the industry, allowing urgent jobs to be easily prioritized and modified.
		Document Imaging Security 2017–2018 <ul style="list-style-type: none"> Unsurpassed, built-in user-authentication Leadership in industry security initiatives 	<ul style="list-style-type: none"> uniFLOW platform handles authentication, user tracking, and document-centric data loss prevention for all-size businesses
		Mobile Print 2017–2018 <ul style="list-style-type: none"> Wide-reaching portfolio Security features like secure pull-printing, authentication, and tight integration with output management software 	<ul style="list-style-type: none"> Strong support for mobile-friendly industry standards Excellent hardware compatibility and adaptability including brand-agnostic solutions
		Education – Higher Education 2019–2020 <ul style="list-style-type: none"> Outstanding portfolio of print devices Hardware offerings that can satisfy campus and educational needs that go beyond traditional document imaging 	<ul style="list-style-type: none"> Higher Education Advisory Team research Library of marketing and educational content Wide-ranging facilities management services educational content
		Financial Services 2017–2018 <ul style="list-style-type: none"> Automated mortgage loan processing Wide-ranging hardware for offices Excellent security-software portfolio 	<ul style="list-style-type: none"> World-class services and support Outstanding production-print portfolio

OTHER AWARDS AND RECOGNITIONS

Homeland Security Awards “ASTORS” Platinum Award and Gold Awards

Canon U.S.A., Inc. was recently named by American Security Today (AST) as a winner of two of its 2018 “ASTORS” Homeland Security Awards. The awards recognize Therefore™—a premier information management, workflow, and business analytics platform offered by

Canon—as a Platinum Award Winner for “Best Data Storage Security Solution” and Canon’s imageRUNNER ADVANCE, uniFLOW, and imageWARE Secure Audit Manager as a Gold Award Winner for “Best Access Control & Authentication System.”

BenchmarkPortal Awards 2018 Center of Excellence

The Canon U.S.A., Inc. Technical Support Center has earned the “Center of Excellence” certification from BenchmarkPortal for the tenth consecutive year. Contact centers achieved the Center of Excellence distinction based on best-practice metrics drawn from the world’s largest database of objective and quantitative data that’s audited and validated by researchers from BenchmarkPortal.

To achieve certification as a Center of Excellence, a company must undergo a rigorous benchmarking process, which compares the organization’s operational metrics to those of its peers using the world’s largest database of contact center metrics. During this process, BenchmarkPortal experts audit and verify key data from the contact center applying for certification.

Canon Named a LEADER in IDC MarketScape: Worldwide Contractual Print and Document Services Hardcopy 2018-2019 Vendor Assessment

This positioning recognizes Canon’s comprehensive portfolio of Managed Document Services (MDS) as well global expertise in process optimization and information management

Based on a five-stage process:

- Discover
- Design
- Implementation/Transition
- Support/Manage
- Review

Canon’s approach to MDS is used throughout all the services and has been acknowledged as a successful methodology through this recognition.

From the printed page to the electronic document, Canon MDS provides a portfolio of custom services to help achieve your business goals for cost reduction, improved serviceability, support, and information accessibility.
