Speaker Biography and Course Objectives

Whitney R. Mostafiz,
DMD MS

Learning Objective(s): Review diagnostic criteria and treatment protocols for interceptive and multidisciplinary orthodontic treatment

Biography: Whitney R. Mostafiz, D.M.D., M.S. is a Board-Certified Orthodontist in NYC on the Upper East Side.

She is also an Adjunct Clinical Assistant Professor in the Department of Orthodontics at NYU.

A Long Island native, Dr. Whitney completed dental school at Harvard School of Dental Medicine with honors.

She studied Human Biology and Visual Arts at Brown University, also graduating with honors. During her residency training at University of Illinois at Chicago, Dr. Whitney was fortunate to travel to Sydney, Australia twice to perform and publish award-winning research on obstructive sleep apnea and oral appliance therapy. Her passion to educate has led to presentations at conferences, study clubs, as well as on the radio. Dr. Whitney's research additionally contributed to a Masters degree. She has treated both children and adults with traditional braces and aligner therapy. In addition, Dr. Whitney has experience with combined surgical treatment and seeing patients with craniofacial abnormalities.

Dr. Whitney is also an active leader in the dental community. She was chosen to participate in the 2015 American Association of Orthodontists Emerging Leaders Conference. She was also selected for the Charley Schulz Competition and presented her research in May 2015. Dr. Whitney is currently president of the New York chapter of the Alpha Omega International Dental Fraternity. She is also on the 2017 and 2018 steering committee for NYC Give Kids a Smile. She is an active member of the American Association of Orthodontists, Northeastern Society of Orthodontists, New York County Dental Society, and the American Academy of Dental Sleep Medicine.

Dr. Whitney keeps an active and healthy lifestyle that she encourages with her patients. She loves to practice yoga and run, and even finished the Chicago Marathon in 2013. She enjoys drawing, painting, photography, and graphic design.

President's Message - Jennifer B Tipograph, DDS

Jennifer B Tipograph,
DDS
President

Hello fraters. I hope everyone had a nice time with your friends and family for the most recent Jewish holidays.

With this year's reflection, I wanted to say how much I appreciate Alpha Omega. We are more than a continuing education organization. We are a community of like-minded individuals. We treat each other like family and make the dental world just a little bit smaller.

Our new members help to reinforce this and I look forward to our continued growth over the next year. See everyone at the opening meeting!

Best,
Jennifer B. Tipograph

ABOUT ALPHA OMEGA INTERNATIONAL DENTAL FRATERNITY

MISSION

To offer dentists, oral health professionals and students a welcoming fraternal community that honors the organization's Judaic heritage, provides opportunities to attain professional excellence and promotes access to oral health care for all.

VISION

Alpha Omega envisions communities where everyone has access to oral health care and whose members can contribute to the well-being of others.

VALUES

Integrity: Acknowledging and demonstrating that our core values guide our commitments and actions

Compassion & Inclusion: Engaging all who share our core values to participate in our efforts to realize our vision

Generosity: Sharing our knowledge, skills and resources to promote oral health as well as personal and professional growth

PRINCIPLES

- Access to oral health and wellness
- Promoting social justice
- Tikun Olam (Repair an ailing world)

COMMUNITY OUTCOMES

Establishing and nurturing high-trust networks and relationships to realize our full potential for personal growth and professional achievement. Providing avenues for oral health professionals to contribute to improve the health and wellbeing of their local and global communities.

EXECUTION STRATEGIES

- Provide high-quality and diverse continuing education opportunities
- Nurture oral health care students by inclusion in alumni activities as well as mentorship by individual alumni
- Engage alumni families through locally hosted social gatherings
- Engage and welcome all dental professionals to share our vision and principles

PHILANTHROPIC ENGAGEMENT

- Raise awareness of the integral nature of the Alpha Omega Foundations, funds and trusts to the realization of our mission and vision, especially its support for dental education in Israel
- Increase awareness and advocate for improved access to oral health care throughout the world
- Partner with like-minded organizations to promote social justice and improve oral health, such as donating our time and talent for the care of Holocaust Survivors in need

Member of the Month **Brandon** **Berman**

(voted by Board not me)

Dental School: Howard Dental 2013 Einstein Medical Center Philadelphia GPR 2014

Years in Practice: 4

Type of dentist: General

In AO since: 2011

What AO means to me: I joined in Dental school to meet great group of people who share a common set of values and interests. As my life has changed personally and professionally, the bonds of friendship and comradery have only deepend. Despite moving to the Eastern Shore, AO is important for me to continue to be a part of.

Areas of special interest in dentistry: I like it all, although dental surgery including wisdom teeth and implants are lots of fun. In my new practice I try to provide top quality comprehensive care to everyone on the shore.

Favorite vacation: Warm weather Bora Bora (hard to top) and cold weather hands down Vail CO.

Area of interest outside of dentistry or something people would like to know about me: Recently bought a practice in Easton and moved my family over there. My 19 mo old twin girls and my wife are my everything. But when I'm not in scrubs or changing diapers, I'm usually dressed in camo. I'm an avid outdoorsman, dentist by day but a Jewish redneck at heart.
