2C Ms. Alena

Today we are going to speak to you briefly about what will be happening in this academic school year.

Cambridge International Curriculum

Cambridge International curriculum is a creative curriculum starting learners on an exciting educational journey, setting out what they should be able to do at each stage of their primary education.

Typically for learners aged 5 to 11 years, it develops learner skills and understanding through the primary years in English as a first or second language, mathematics, science, Cambridge Global Perspectives and ICT.

Why Cambridge International Curriculum?

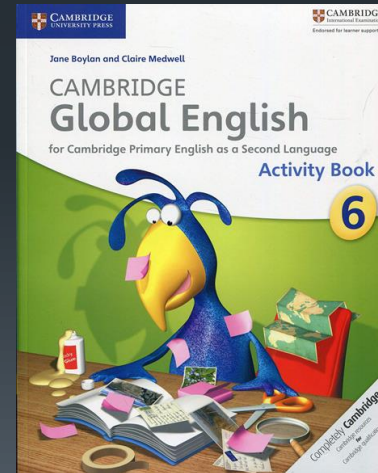

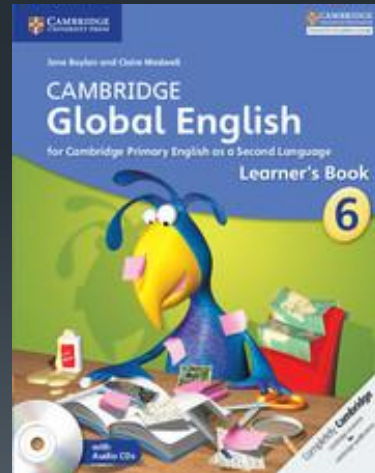

Success students admission to the world's best universities - in the US, the UK, Australia, Canada, Germany and beyond.

The programme is flexible and creative which allows us to adapt it for the children to best meet their educational needs

At each stage, students build on their previous learning – and our syllabus promotes natural progression.

Text books

Cambridge textbooks will be used across the school, along with other invaluable resources, to ensure learning is best catered to the children and is meeting their educational needs.

Daily Procedures

School begins with the National Anthem in the playground at 7.20am

If a child is late they must collect a late pass from reception and then proceed directly to class

The children will have two breaks in the day, one at 8-45-9-15 am the other at 10-45-11:15am

The children will eat their lunch during these two breaks (15mins of each break is to consume their lunch)

School will end at 1.30pm (1.25pm for bus children)

Home time Procedures

At home time the children on the bus assemble in the gym at 1.25

Year 2 waits for the parents in their classroom.

At 2.00pm any children who have not been collected will go to the Late room which will be 1A (Ms. Huma's classroom).

Please note that if your child has not been collected by 2.00 there will be a late charge.

School Rules

Children are expected to arrive punctually to school dressed in their full uniform.

On PE days students wear their PE uniform.

Children are expected to treat all members of our school community with respect and look after all equipment and supplies carefully.

Homework

One piece of English and Math homework will be provided to your child each week.

One piece of Science and Topic project work to be given out once per month and completed at home.

Reading is essential for the children. We encourage children to spend 15 minutes everyday reading. Children will be allowed to borrow a book each week from the library to read in school and at home.

Please encourage your child when completing homework to use their best handwriting.

Nurse

If a child hurts themselves or is feeling unwell they will be given a nurse pass and sent to Nurse Diane.

She will treat the child with whatever they need.

If your child needs to take medicine please contact the school.

If your child is seriously unwell she will contact you.

Please give your contact details and two other emergency contact numbers that we can use if we cannot contact you in the case of an emergency.

House Points

Class Dojo – for parents

I will use Class Dojo in order to pass on any information you may need about your child.

Information about trips, assemblies, events etc. will be sent on Class Dojo.

The weekly newsletter containing learning objectives, weekly spellings and homework will be shared on Class Dojo.

Parents may also use Class Dojo in order to contact the school.

Photos

We would like to add photos of the children to our website and Facebook etc.

Please inform Ms. Laoise if you have any concerns about this.

Canteen

Students may bring money to school in order to purchase food from the school canteen.

The canteen sells hot and cold sandwiches and a range of healthy drinks and snacks such as fruits, yoghurt, water, juices and milk.

However, students are only allowed to access the canteen during their break time.

Allergies

We have some children with nut allergies. Please do not send any nuts or nut products to school with your child so that we can keep all our children safe.
