

Thank you for taking the time to complete the career history form. Please read these instructions carefully before completing the form.

1. In the Business Experience section, each letter (A, B, C, etc.) corresponds to a specific job. If, for example, your present employer is Acme and you have had three different jobs, each with a different job title with Acme:

A is Acme, present job

B is Acme, the next previous job

C is Acme, the job previous to B

Please complete a section of this form (A, B, C, etc.) **for every job** where there was a change in your job title. The only jobs to be grouped would be ones such as a two-year job rotation in a management training program—where the "job" changes every three months but the salary stays basically the same, and the job title is really "management trainee".

- 2. Begin with your present, or most recent, job and progress backward in time going from A to B to C, etc.
- 3. The form is set up for up to 10 job titles, A J. If you have had more than 10 jobs, that's okay, but please attach a separate sheet outlining those additional jobs formatted like jobs D J.
- 4. For each job you are asked to estimate how your final boss would rate your overall performance on a scale of Excellent, Very Good, Good, Fair, and Poor.

If you are applying for a job with a different company: At an appropriate time (near a job offer) we may ask you to arrange personal reference calls with bosses you've had.
