Welcome to *Carniflora News*, a newsletter produced by the Australasian Carnivorous Plants Society Inc. that documents the meetings, news and events of the Society.

The current committee of the Australasian Carnivorous Plant Society Inc. comprises:

COMMITTEE

President - Wesley Fairhall
wesleyfairhall7@gmail.com

Vice President - Barry Bradshaw
barry.bradshaw1@bigpond.com

Treasurer - David Colbourn
davecolbourn@gmail.com

Secretary - Kirk 'Fuzzy' Hirsch
mijmark@ihug.com.au

General Committee Member - Sean Polivnick
spolivnick@hotmail.com

DELEGATES

Journal Editor - Dr. Robert Gibson

Sydney Coordinator - Wesley Fairhall
wesleyfairhall7@gmail.com

Newsletter Editor - David Colbourn
davecolbourn@gmail.com

Sydney Coordinator - Kirk Hirsch
mijmark@ihug.com.au

Public Officer - Kirk Hirsch
mijmark@ihug.com.au

Brisbane Coordinator - Brent Jones
brent.jones@outlook.com

Website Manager - Marina Chong

Brisbane Coordinator - Vacant

Social Media Coordinator - Glen Moss

Canberra Coordinator - Barry Bradshaw
barry.bradshaw1@bigpond.com

Merchandise Manager - David Colbourn
davecolbourn@gmail.com

Canberra Coordinator - Chris Duffy

Events Coordinator - Jeremy Aitken

Canberra Coordinator - Robert Little

Seed Bank Manager - Ian Woolf
iwoolf@gmail.com

Library Manager - Glenn Carson
glenncarson@iinet.net.au

CALENDAR

FEBRUARY

7th February 2020 - AUSCPS meeting - Canberra featuring a Venus Fly Trap workshop
9th February 2020 - Old Bus Depot Markets - Canberra
14th February 2020 - AUSCPS meeting - Sydney *Utricularia*, *Aldrovanda* & *Genlisea*

MARCH

6th March 2020 - AUSCPS meeting - Canberra featuring Carnivorous Plants 101
13th March 2020 - AUSCPS meeting - Sydney *Byblis*, *Drosophyllum* & *Roridula*
15th March 2020 - Old Bus Depot Markets - Canberra
28-29th March - Collectors' Plant Fair, Clarendon, N.S.W.

APRIL

3rd April 2020 - AUSCPS meeting - Canberra *Utricularia*, *Aldrovanda* & *Genlisea*
10th April 2020 - AUSCPS meeting - Sydney *Nepenthes* & carnivorous bromeliads
13th April 2020 - Royal Easter Show - Carnivorous Plant Competition

MAY

1st May 2020 - AUSCPS meeting - Canberra *Cephalotus*, *Heliophora* and *Pinguicula*
8th May 2020 - AUSCPS meeting - Sydney featuring *Cephalotus* and *Heliophora*

JUNE

5th June 2020 - AUSCPS meeting - Canberra Pygmy *Drosera*, perennial *Byblis* & *Roridula*
12th June 2020 - AUSCPS meeting - Sydney featuring Carnivorous bromeliads

JULY

3rd July 2020 - AUSCPS meeting - Canberra featuring a *Sarracenia* and *Darlingtonia*
10th July 2020 - AUSCPS meeting - Sydney (AGM) featuring Winter growing *Drosera*

AUGUST

7th August 2020 - AUSCPS meeting - Canberra - Pests, diseases, terrariums & lights.
14th August 2020 - AUSCPS meeting - Sydney featuring *Pinguicula*

SEPTEMBER

4th September 2020 - AUSCPS meeting - Canberra - *Drosera* workshop;
Canberra region carnivorous plants.
11th September 2020 - AUSCPS meeting - Sydney featuring *Nepenthes*

OCTOBER

2nd October 2020 - AUSCPS meeting - Canberra - The world of carnivorous plants.
9th October 2020 - AUSCPS meeting - Sydney featuring Summer growing *Drosera*

NOVEMBER

6th November 2020 - AUSCPS meeting - Canberra - *Nepenthes*; *Sarracenia* display
13th November 2020 - AUSCPS meeting - Sydney - *Sarracenia* and *Darlingtonia*
TBA - VCPS annual show, Collector's Corner, Melbourne
TBA - Triffid Park open day

DECEMBER

TBA- VCPS annual show, Collector's Corner, Melbourne
4th December 2020 - AUSCPS meeting - Canberra - Christmas Party
11th December 2020 - AUSCPS - Sydney - Annual Show

JANUARY

1st January 2021 - AUSCPS meeting - Canberra
8th January 2021 - AUSCPS meeting - Sydney featuring *Dionaea* (VFT)

NEWS

\$20 in 2020

Due to our strong financial position, we are able to reduce the cost of membership to the Society. From 2020 membership (electronic) will now be \$20. Those wishing to receive the printed journal as part of their membership are still required to pay \$35 per year due to the cost of printing and postage. Those that have already paid their 2020 memberships (and beyond) will receive a refund via cash or cheque.

MEMBERSHIP RENEWAL

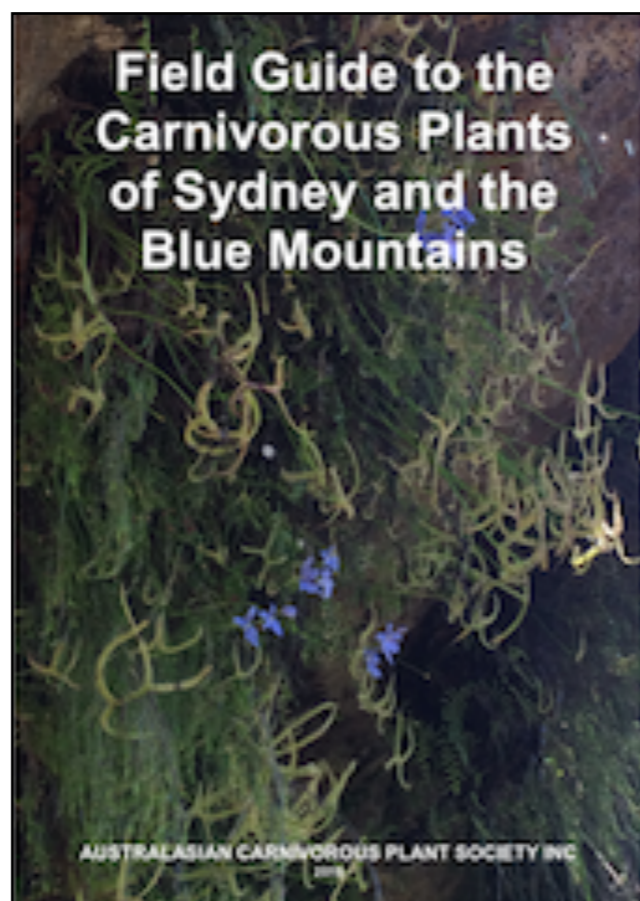

Membership of the Australasian Carnivorous Plant Society Inc. (AUSCPS) is due now. Membership to the Society is \$20 per calendar year, or \$35 if you require printed journals with your membership. The AUSCPS is a not for profit organisation that promotes the conservation and cultivation of carnivorous plants in Australia and abroad.

JOIN NOW!

Membership entitles you to two editions of our journal, *Carniflora Australis*, 12 editions of our monthly newsletter, *Carniflora News*, subsidised seed from our seed bank, discounts on books and other merchandise, access to our free library and access to sell plants at fairs and events attended by the Society. A membership form is attached to this newsletter with instructions on how to make payment.

FIELD GUIDE

The Field Guide to the Carnivorous Plants of Sydney and the Blue Mountains was released on the 13th December and is now available for sale. The RRP is \$15. Members may purchase the guide for \$10 (limit of 2 copies per member). The guide may be purchased from meetings and events, and will also be for available on eBay. Sales have been strong with orders from around the county and internationally.

VFT COMPETITION

The AUSCPS is sponsoring a competition to find the largest VFT trap this season. The competition is being hosted on Facebook and is open to residents of Australia. Entrants need to post a picture of their largest trap with a ruler in front of it. The largest trap will be measured from the base of the widest teeth on each trap. The winner will receive a \$50 Bunnings Gift Card. Competition closes on 31/5/2020. To enter, simply post a photo of your trap to the competition post on our Facebook Page, or email your photo to auscps@gmail.com where it will be uploaded.

ROYAL EASTER SHOW CARNIVOROUS PLANT COMPETITION

Entry to the 2020 Carnivorous Plant Competition at the Sydney Royal Flower & Garden Show is open now. Entries close on Wednesday the **4th March**. The show runs from 3rd April to the 14th April 2020. Judging of the carnivorous plants takes place on Monday the 13th April. The AUSCPS is sponsoring the event again this year and we have doubled the prize money with 1st place winners receiving \$40 and runner-up receiving \$20. There are eight categories again this year, detailed below:
1st \$40, 2nd \$20 each Class unless otherwise specified.

CLASS 601 - *Dionaea* (Venus Fly Trap), single plant, in pot not exceeding 200mm.

CLASS 602 - *Drosera* (Sundew), single species, in pot not exceeding 200mm.

CLASS 603 - *Nepenthes*, single species, minimum 3 pitchers, in pot not exceeding 350mm.

CLASS 604 - *Nepenthes*, single hybrid plant, minimum 3 pitchers, in pot not exceeding 350mm.

CLASS 605 - *Sarracenia*, multiple crown single species, minimum 3 pitchers, in pot not exceeding 200mm.

CLASS 606 - *Sarracenia*, multiple crown single hybrid plant, minimum 3 pitchers, in pot not exceeding 200mm.

CLASS 607 - Australian Native single carnivorous plant, single species, in pot not exceeding 200mm.

CLASS 608 - Carnivorous Plant, other, single species, in pot not exceeding 200mm.

(S6080) - **CHAMPION CARNIVOROUS PLANT**. All first prize winning Carnivorous Exhibits are eligible.

More information may be found at:

<https://www.myras.com.au/res/onlineshowentries/Login.aspx?dir=FlowerGarden.aspx>

OLD BUD DEPOT MARKETS

The AUSCPS will be holding a stall at the Old Bus Depot markets in Canberra on the 9th February 2020. There will be a good range of plants for sale from our members at the stall. More information may be found at <https://obdm.com.au>

COLLECTORS PLANT FAIR

The CPF is fast approaching and will be held at the Hawkesbury Racecourse, Clarendon on the 28-29th March 2020. This is a great venue to buy those hard to find plants. The AUSCPS will be holding a stall with a huge variety of CPs for sale from our members. Visit <http://www.collectorsplantfair.com> for more information.

REQUEST FOR JUDGES AT THE ROYAL EASTER SHOW

The AUSCPS has sponsored the carnivorous plant competition at the Sydney Royal Easter Show for the past few years and has also provided judges for the event. Judges are circulated every two years to maintain fair and unbiased judging. We are in need of more judges. The Royal Agricultural Society will offer training and pay for entry, parking and lunch on the day of judging. If you are interested in being a judge at the Sydney Royal Easter Show please contact David at auscps@gmail.com

PLANT OF THE MONTH

2020 will see \$10 Bunnings gift cards offered to winners of the Plant of the Month segment at both the Sydney and Canberra meetings. Each meeting has a theme Genera or topic, so bring your best plants along to the meetings to be in the chance to win.

FUND RAISING RAFFLE

The AUSCPS is holding a fund-raising raffle. The prize is a copy of Redfern Natural History's limited edition *Cephalotus* - the Albany Pitcher Plant. Tickets are \$2 each or three for \$5. Sales will be available at our meetings or online via PayPal. Just use the payment instructions on our membership form and indicate the purchase is for raffle tickets. The raffle will be drawn at the Sydney meeting on the 14th February 2020.

RECOMMENCEMENT OF THE LIBRARY

The Society has a vast collection of journals from around the world along with a selection of books about carnivorous plants. As such we are bringing back our library available to members on a trial basis. It is expected the library will visit our branches on a rotation basis. If you have any books that you would like to donate, please contact your branch co-ordinators or David at auscps@gmail.com

MEETINGS IN BRISBANE

The AUSCPS is looking to resume meetings in the Brisbane area. If you are willing to co-ordinate the meetings, please contact David at auscps@gmail.com

MEETINGS IN PERTH

The AUSCPS has been informally seeking interest from members and friends in Western Australia to participate in the establishment of meetings in the Perth area. We have received significant interest from people wanting to attend such meetings on a regular basis. The Committee has given approval to formally seek a team of members to find a suitable venue and commence monthly meetings under the banner of the AUSCPS. To date, no one has made themselves available. If you would like to be involved in the commencement and establishment of meetings in Perth, please contact David at auscps@gmail.com.

NEWSLETTER PHOTOS

We are looking to expand our file of quality photographs used in the newsletter. If you have any photos that you think may be suitable for publication in the newsletter, please forward them to auscps@gmail.com

MEETINGS

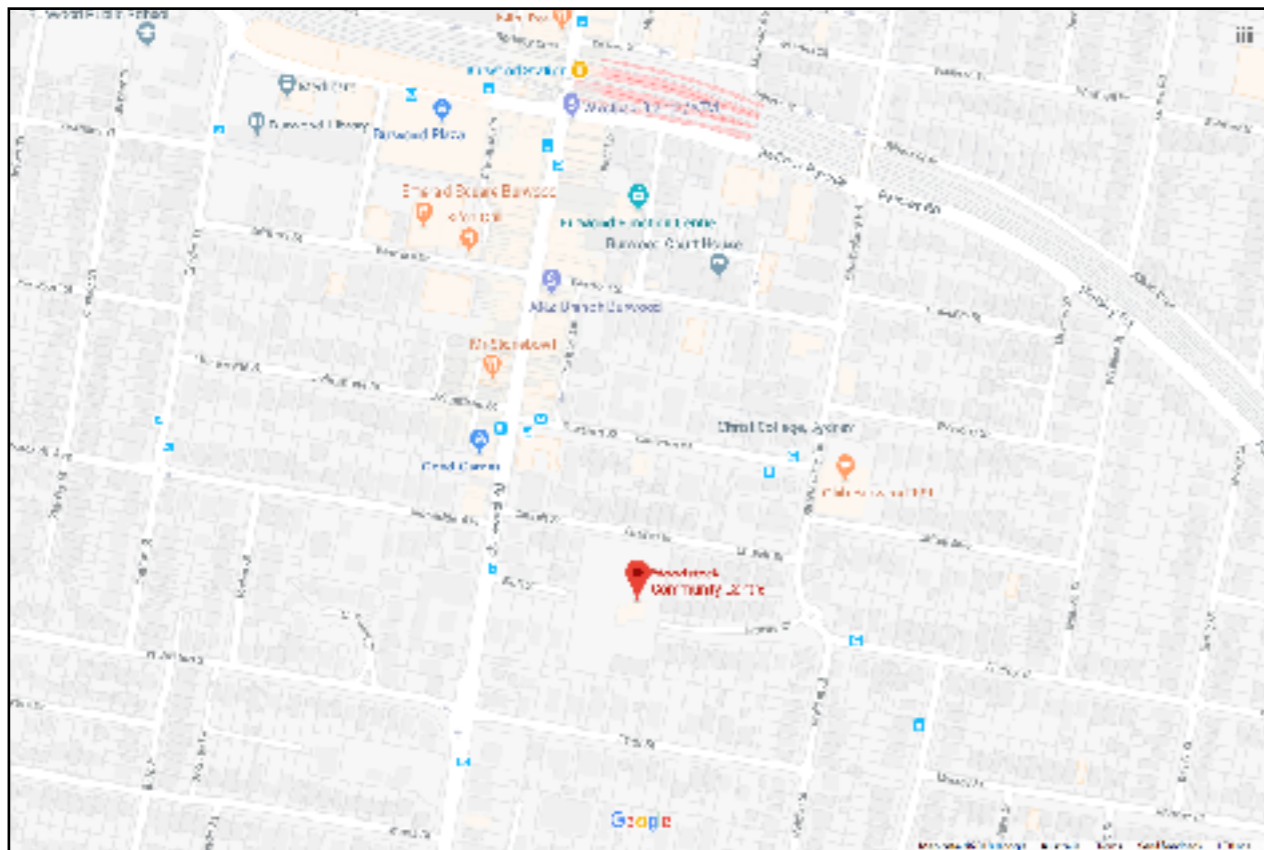

The Australasian Carnivorous Plant Society holds meetings in Queensland, New South Wales and the Australian Capital Territory. Meetings are a great place for members and friends to socialise, share experiences, and buy, swap and sell Carnivorous plants.

Meetings are friendly and informative and cater for the experienced grower or new collector to the hobby. Occasionally, we have guest presenters who will give a talk on their adventures discovering Carnivorous Plants in the wild, or how best to cultivate them in your environment.

We hope you are able to attend one of our meetings and enjoy the fellowship of other enthusiasts for these wonderful plants.

SYDNEY

The Sydney chapter of the AUSCPS meets at 7:30pm on the second Friday of each month at the Woodstock Community Centre, Church Street, Burwood. Free parking is available off Fitzroy Street. Public transport is available with Burwood train station about 1 kilometre to the north. Call Kirk on 0421271888 or David on 0410643531 if you have any questions about attending this meeting.

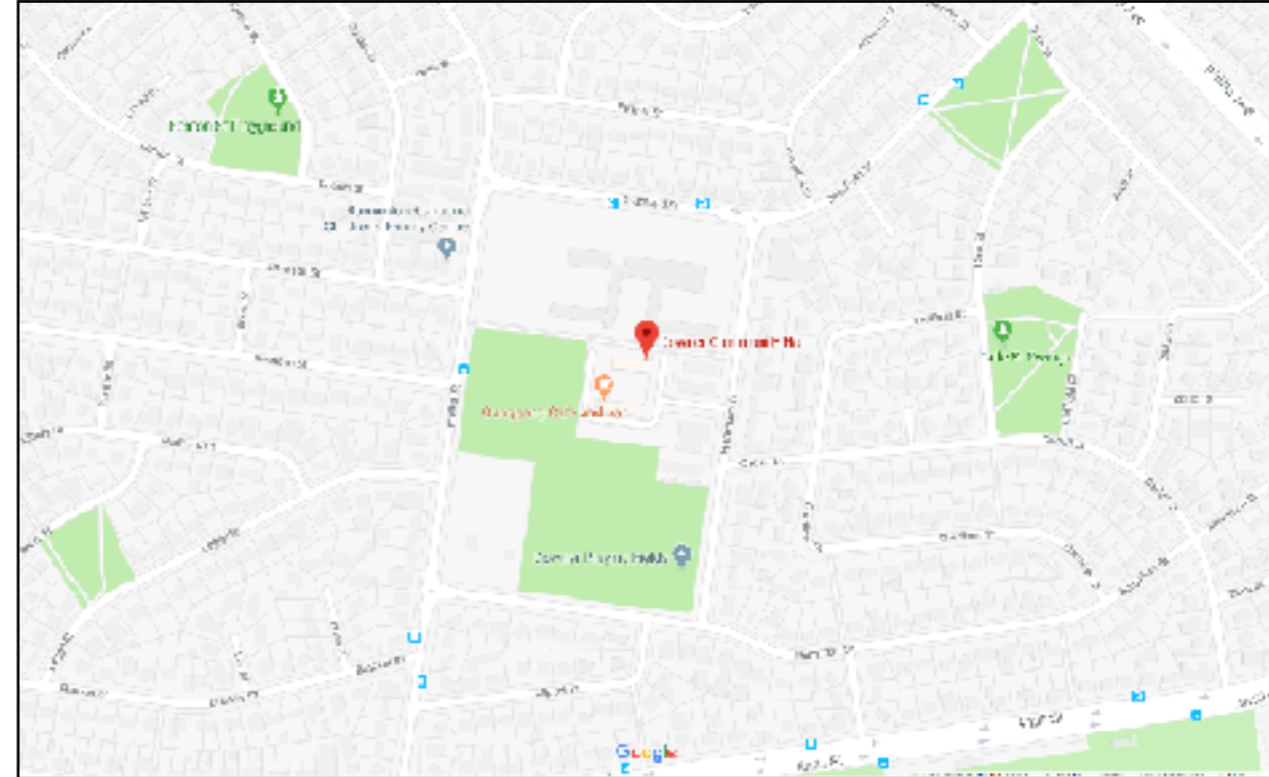

BRISBANE

The Brisbane chapter of the AUSCPS is currently on hold with Alan Haase stepping down due to work commitments. Brent Jones is looking at finding an alternative venue. If you would like to assist in hosting the meetings, please contact Brent at brent.jones@outlook.com

CANBERRA

The Canberra chapter of the AUSCPS meets at 7:30pm on the first Friday of each month at the Downer Community Hall, Frencham Place, Downer, A.C.T. Call Barry if you have any questions about attending this meeting (0417 219477).

MINUTES

MINUTES OF THE AUSTRALASIAN CARNIVOROUS PLANT SOCIETY INC. HELD ON FRIDAY, JANUARY 3rd 2020 DOWNER COMMUNITY CENTRE (DCC), CANBERRA, ACT

The meeting opened at 7.30 pm

PRESENT

There were 6 members and 3 guests in attendance.

APOLOGIES

Robert Little, Anthony Field, Owen O'Neill.

GENERAL BUSINESS

Money collected at the meeting included \$12.50 in gold coin donations.

An update on the finances held by the Canberra Branch will be provided at the February meeting.

BUSINESS ARISING

The meeting began with a welcome to new guests.

A three volume signed set of Alan Lowrie's 2013 Magnum Opus publication was donated to the Society at the meeting by Elan Chesher. The set will be forwarded to the Society for either inclusion in the library or as a raffle prize. Barry will send a thank you note to Elan on behalf of the Society.

A proposal from the AUSCPS committee to compile a field guide on carnivorous plants from Canberra and the surrounding region was discussed. There is interest in undertaking a field trip in September to document and photograph plants in Canberra during their main growth period. It won't be possible to observe plants from alpine regions this summer due to the current fire situation.

A suggestion was made to print out name badges for members to wear at meetings.

Damian Porombka volunteered at the meeting to organise and run the meeting themes in 2020. Running the Plant of the Month segment will be rotated amongst members during the year. The themes discussed and agreed for 2020 include:

February 7th: Venus Fly Trap workshop and display; Preparing your plants for sale & display.

March 6th: Carnivorous plants 101 (cultivation basics).

April 3rd: *Utricularia*, *Aldrovanda* & *Genlisea*.

May 1st: *Cephalotus* workshop, *Heliophora*, *Pinguicula*.

June 5th: Pygmy *Drosera* workshop, perennial *Byblis*, *Roridula*, *Drosophyllum*.

June 3rd: *Sarracenia* & *Darlingtonia* workshop.

August 7th: Pests, diseases, terrariums and lights.

September 4th: *Drosera* workshop; Canberra region carnivorous plants.

October 2nd: Introduction to the world of carnivorous plants.

November 6th: *Nepenthes* workshop; *Sarracenia* display.

December 4th: Christmas meeting and display.

The meeting ended with a discussion on developing an on-line presence strategy for AUSCPS in 2020. The Canberra Branch has several members with experience in graphic designing and developing web sites and social media platforms who are keen to help modernise the societies public visibility. Barry will send a formal proposal to the AUSCPS Committee.

The meeting closed at 10.00 pm. The next meeting will be held at the Downer Community Centre on Friday February 7th 2020 at 7.30pm – the meeting will include a Venus Fly Trap workshop and display; and a discussion on preparing plants for sale & display.

**MINUTES OF THE AUSTRALASIAN CARNIVOROUS PLANT SOCIETY INC.
HELD ON FRIDAY, 10TH January, 2020
WOODSTOCK COMMUNITY CENTRE, CHURCH STREET, BURWOOD**

The meeting opened at 7.59 p.m.

PRESENT

There were 16 members and friends in attendance.

APOLOGIES

Robert Gibson, Joan Fairhill and Glenn Carson.

MINUTES OF PREVIOUS MEETING

The minutes of the November 2019 meeting were tabled. Those present were asked to confirm the accuracy of the minutes and to suggest changes, omissions or corrections. In the absence of any corrections, omissions or corrections a motion was raised that the minutes be accepted.

Moved by: Glen Moss

Seconded by: Marina Chong

Motion: Carried

BUSINESS ARISING

- 1) A membership drive has started to encourage membership renewal and new memberships. This is being run by Fuzzy. The annual membership fee for those receiving journal and newsletters in electronic format has been dropped to \$Au20.00.
- 2) The Field Guide to Carnivorous Plants in the Sydney Region has been printed and was launched at the Society's Annual Show and Christmas Party on 13 December 2019. It has generated much interest and many sales. So far 70+ and holding in sales.
- 3) The fund-raising raffle for a copy of the Redfern Natural History Productions book 'Cephalotus – the Albany Pitcher Plant' continues. Tickets are \$2 each or three for \$5. They may be purchased at meetings or on-line using PayPal. The raffle will be drawn at the 14 February 2020 meeting
- 4) Easter show Monday the 13th of April. Fuzzy has volunteered to judge.

CORRESPONDENCE

In-coming: Garden clubs annual report, Japanese CP journal, International CP journal.

Out-going: None

TREASURER'S REPORT

Current account balance: \$5586. Room paid for one year, Field guide paid for. CPF cheque to be cashed. WA sponsorship for student studies into CP plants to be paid.

GENERAL BUSINESS

1. The Collectors' Plant Fair will be held on the weekend of 28th & 29th March at Clarendon: <http://www.collectorsplantfair.com/>. This is earlier than previous years. Members are encouraged to prepare plants to sell at this event at the Society's stand, for which the Society will take a commission. Please also

consider volunteering time to help run the stall. A roster will be discussed in the February meeting.

2. One Barry Rice book remaining and one Savage Garden book remaining to be sold. A new box will be ordered. David to action.
3. Entries have opened for the carnivorous plant competition at the Royal Easter Show, and close on Wednesday, 4th March. There are eight categories. More information on this event are found in the January 2020 Carniflora News and on-line at <https://www.myras.com.au/res/onlineshowentries/Login.aspx?dir=FlowerGarden.aspx>
4. Plant of the month winners receive a \$10 gift voucher from Bunnings.

PLANT OF THE MONTH: Venus Fly Trap

The following plants were brought in for the 'Plant of the Month Competition:

1. Red cultivar grow by Hasan Fahridin (0)
2. B52 grown by Hasan Fahridin (0)
3. B52 grown by Hasan Fahridin (0)
4. B52 grown by Hasan Fahridin (4)
5. VFT bowl grown by Hasan Fahridin (9)
6. B52 grown by Marina Chong (0)
7. Unknown (EDO1) cultivar grown by Marina Chong (0)
8. Two B52 types by Hasan
9. Shark's Teeth grown by Sean Polivnik (1)
10. Red cultivar 1 grown by Sean Polivnik (4)
11. Red cultivar 2 grown by Sean Polivnik (1)
12. Coquillage grown by David Colbourn (0)
13. Wacky Traps grown by David Colbourn (0)
14. Big Mouth grown by David Colbourn (0)

The winner was: Hassan's large pot of flytraps of no pedigree. He donated many seed stalks to the society,

The meeting closed at 9 p.m. and members adjourned for supper provided by Sean Polivnik, Marina Chong and Wesley Fairhall.

The next meeting to be held at Burwood Community Centre on Friday 14th February, 2020 starting at 7.30 p.m. The next 'plant of the month' are *Byblis*, *Drosophyllum* and *Roridula*.

IN THE GREENHOUSE

ALDROVANDA

Plants are now in active growth with flowering over the summer months. Plants will divide rapidly. Keep algae under control.

BROCCHINIA / CATOPSIS

Maintain high light levels and humidity. Fertilise with a diluted foliar application of urea free fertiliser.

BYBLIS

Byblis gigantea and *lamellata* are naturally dormant over summer but may be kept in growth with constant soil moisture. Keep the soil moist to wet. Flowering continues. Harvest seed.

The northern annual species of *Byblis* will now be in active growth. Growth rates will be higher in hot and humid conditions. Cross pollinate the flowers to ensure seed set.

Growth rates for all species of *Byblis* may be accelerated with increased prey capture or fertilisation. Place some rotting fruit around the plants or sprinkle granulated fish food onto the leaves. Pollinate the flowers using the “buzz” technique.

CEPHALOTUS

Keep the soil moist but well drained. Avoid fungal problems by keeping good air movement around the plants.

DARLINGTONIA

Darlingtonia will be in active growth. Stolons will begin growing under the substrate. Watch out for hot days. Place your plants in more shade or consider bringing them indoors during hot weather. Night temperatures are high so it is imperative that the roots are kept cool.

DIONAEA

All VFTs should be in active growth. Many varieties will begin to produce upright petioles and traps, a strategy to compete with surrounding vegetation. Keep well watered.

DROSERA

Tuberous *Drosera* are dormant and will soon break dormancy. Ensure your repotting is done this month. Keep the pots barely moist.

Pygmy *Drosera* are dormant over summer and survive with the production of white stipule buds to reflect the sun and absorb the morning dew. Plants may be kept moister to keep in active growth.

Other Winter growing species such as *D. cistiflora* and *pauciflora* are still dormant. Reduce watering and keep the pots barely moist.

Tropical and sub-tropical species will be in full growth and flower. Keep the soil very moist. Collect seed and sow onto a peat based media.

Temperate *Drosera* such as *D. filiformis*, *D. intermedia* and *D. rotundifolia* will be in active growth and flower. Seed pods will be maturing, harvest seed.

DROSOPHYLLUM

Drosophyllum will be in active growth. Flowering commences in spring and continues into summer. Flowers are self fertile. Harvest seed. Avoid hot and humid conditions. Growth rates increase with increased prey capture.

GENLISEA

Genlisea should be in flower and active growth. Keep the water levels high with these species.

HELIAMPHORA

Keep plants in a bright and very humid location. Avoid temperatures over 30°C. Fertilise with a diluted foliar application of urea free fertiliser every 2-4 weeks.

NEPENTHES

Some *Nepenthes* struggle over the Australian summer. Aim to keep the lowland plants warm to hot and in high humidity.

Highland species require cooler nights. Mist in the afternoon to reduce air temperatures and increase humidity.

PINGUICULA

Mexican species/hybrids are in active growth. Keep the soil moist and humidity high.

Warm-temperate species such as *P. primuliflora* and *lusitanica* will continue growth. Keep the water up to *P. primuliflora* and take leaf cuttings.

RORIDULA

Roridula is in active growth. Flowering ends. Harvest any seed. Keep the soil moist and place in a very bright and airy situation with low humidity.

SARRACENIA

All *Sarracenia* species/hybrids are in active growth. Keep well watered and in full sun. *S. flava* and *S. oreophila* will produce non-carnivorous phyllodia. *S. leucophlla* and *S. rubra* will produce larger and more upright pitchers. They look their best in autumn.

UTRICULARIA

Most terrestrial *Utricularia* will be in active growth and flower. Keep moist to wet.

Aquatic *Utricularia* are in active growth. Keep algae under control.

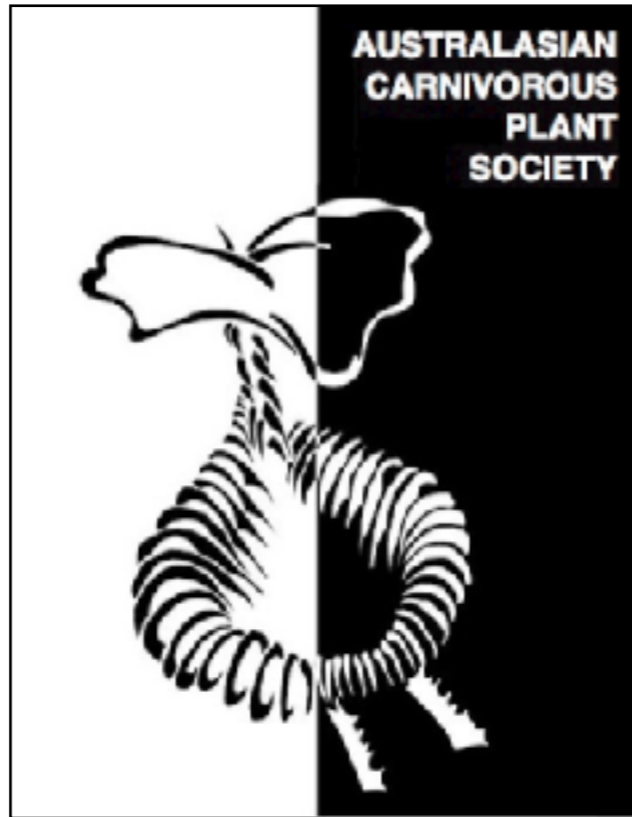

Winter growing species, such as *U. multifida* and *U. menziesii* are still dormant. Keep the soil barely moist.

Tropical *Utricularia* - Maintain higher temperatures, humidity and air movement. Keep soils moist.

MERCHANDISE

CONTACT CARDS

The Society now produces a business sized card with all of our contact details. The cards are free and available for collection from our meetings. Members and visitors are welcome to take a handful of cards to distribute to other Carnivorous Plant enthusiasts.

T-SHIRTS

T-shirts printed with our logo on the front are available for \$35 each. These T-Shirts are a great way to promote and support the Society at functions and shows. To order the T-Shirts, contact David at auscps@gmail.com.

BASEBALL CAPS

Baseball caps printed with our logo on the front and name on the back are now available on order for \$35 each. To order, contact David at auscps@gmail.com

SMOKE DISCS

Smoke discs aid in the germination of difficult species of *Drosera*, *Byblis* etc, that often germinate after a bushfire. The discs are available for \$5.00 each at meetings or contact Ian Woolf on iwoolf@gmail.com

SEED BANK

Seed packets are \$1 each for members. Donations of seed are welcome. Please supply location data if available. Your Seed Bank Officer is Ian Woolf. Email: iwoolf@gmail.com. The seed bank list is contained at the end of this newsletter.

POTTING MIXES

The Society is now selling assorted bags of Carnivorous Plant potting mix to members and friends. We have quality *Sphagnum* Peat Moss, Mexican *Pinguicula*, *Nepenthes* and *Sarracenia* mixes. Each bag is \$5 and may be purchased at meetings or events.

LIVE SPHAGNUM MOSS

The Society has sourced some live Sphagnum moss for sale at meetings and events for \$10 per bag.

FIELD GUIDE TO THE CARNIVOROUS PLANTS OF SYDNEY AND THE BLUE MOUNTAINS

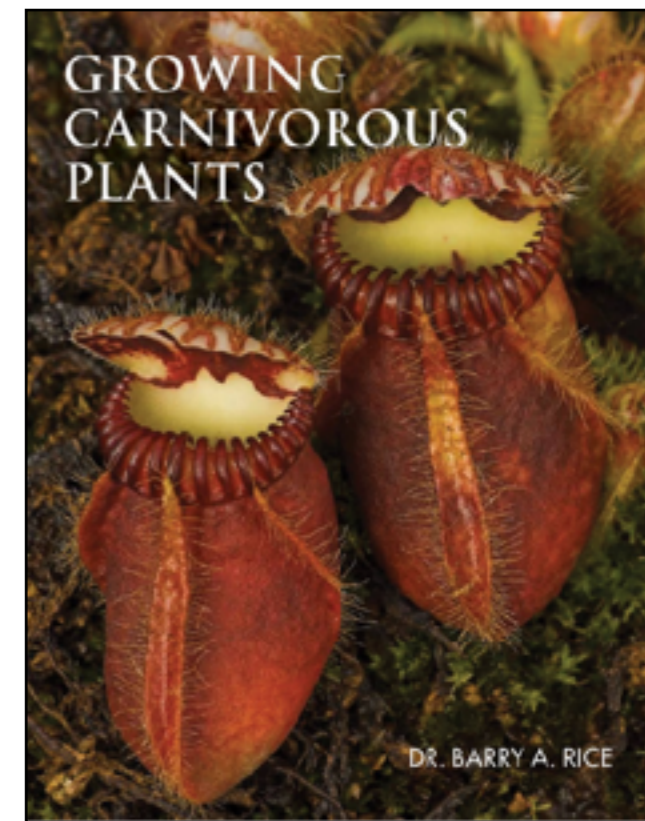

The Field Guide to the Carnivorous Plants of Sydney and Blue Mountains is out now. The booklet details all 19 species in the area and contains 44 full colour pages. The guide features a detailed map with specific information on where to find the best population of each species. The price of the guide is \$15 or \$10 for members (limit of 2) and is available at meetings, events and on ebay.

GROWING CARNIVOROUS PLANTS

The Society has a few hardback copies of Barry Rice's book for members and friends to purchase.

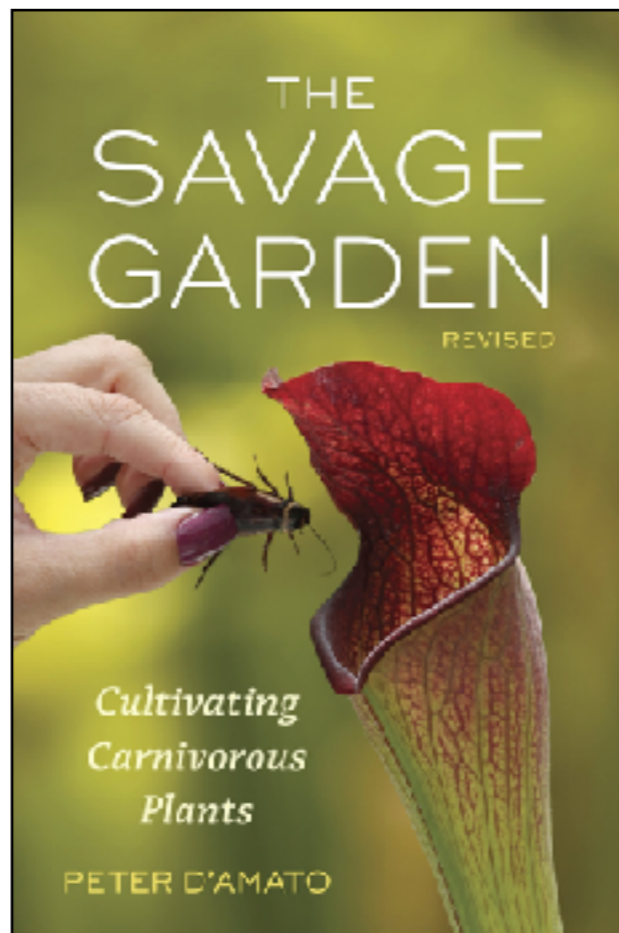

We are offering this book to members for \$30 and to non-members for \$35. The books may be purchased from the Society at meetings and events.

THE SAVAGE GARDEN

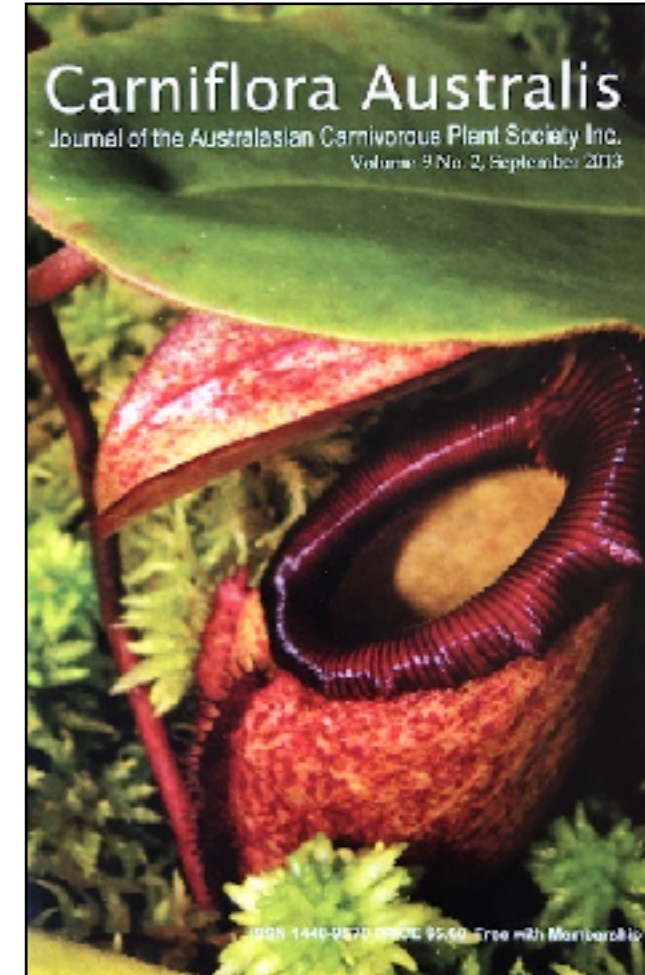

The Society is also selling copies of the second edition of "The Savage Garden" for members and friends to purchase. The Savage Garden, by Peter D'Amato, is one of the best books dedicated to the cultivation of Carnivorous Plants, covering more than 300 species, gloriously illustrated with more than 200 colour photographs over 374 pages.

We are offering this book to members for \$30 and to non-members for \$35. The books may be purchased from Society meetings and events, or via PayPal and posted to anywhere in Australia for \$12. Contact David at auscps@gmail.com to order.

CARNIFLORA AUSTRALIS

Various back editions of *Carniflora Australis* will be available for sale at the meetings for \$5. Some editions are very limited. Please contact your branch coordinators for edition availability or deals on multiple copies.
