2016

IT **MENABO**

ACCESSORI AUTO
MADE IN ITALY
PER IL TEMPO LIBERO.

Menabo è il marchio italiano conosciuto e apprezzato per il suo design caratteristico e alti standard qualitativi.

Da oltre 30 anni la nostra azienda produce una vasta gamma di barre da tetto, portabici, bauli da tetto e da retro, portasci, porta kayak, tutti certificati secondo le più rigide norme di sicurezza.

I nostri obiettivi:
innovazione, sicurezza e qualità.

EN **MENABO**

CAR ACCESSORIES
FOR FUN AND LEISURE
ALL MADE IN ITALY.

Menabo is the Italian brand known and appreciated for its distinctive design and high quality standards.

For over 30 years we have been manufacturing a wide range of car racks, such as roof bars, roof boxes, bike carriers, rear cargo boxes as well as ski and kayak racks, all certified in accordance with the strictest safety requirements.

Our mission:
innovation, safety and quality.

DALL'IDEA AL PRODOTTO

FROM THE CONCEPT TO THE PRODUCT

IT Come Menabo curiamo ogni piccolo dettaglio dei nostri prodotti, dalla fase progettuale fino alla vendita.

Ogni articolo viene assemblato nei nostri stabilimenti in Italia. Niente è lasciato al caso: i materiali vengono selezionati con cura, passando attraverso severi test di sicurezza.

Il marchio Menabo è sinonimo di sicurezza e qualità, con l'eleganza inconfondibile del made in Italy

EN At Menabo we believe that the success of our products lies with the attention to every detail, even the smallest one.

This is why we take care of each aspect, from the initial design and project to the final sale. Every product we manufacture is assembled in our facilities in Italy. The materials we choose go through strict safety and quality tests.

This is Menabo: safety, quality and the unique Made in Italy style.

Portabici

Bike carriers

PRO TOUR

000086100000

IT Portabici da tetto professionale realizzato in alluminio, pensato per chi preferisce caricare la propria bici direttamente sulle barre. È dotato di un sistema di aggancio della forcella sia tradizionale che ammortizzato. Consigliato per le bici con telaio in carbonio e indicato anche per quelle con freno a disco anteriore. Installazione direttamente in cava con sistema standard a "T" 20mm.

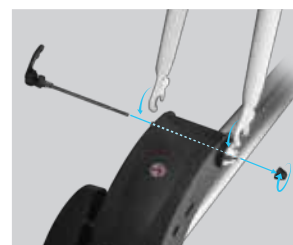

EN Professional roof bike carrier made of aluminium. Conceived for those who prefer carrying their bikes directly on the roof bars. The fixing system fits both the traditional and the cushioned fork. Recommended for bikes with carbon frame and for bikes with front disc brake. To be fixed directly in the slot in the roof bars with a standard 20mm T-System.
