ABOUT PRATHAM BOOKS

Pratham Books publishes storybooks in **multiple Indian languages** to ensure that children have a choice of books in their mother tongues to read and enjoy.

Children need early and sustained exposure to engaging, joyful books to build a reading habit and become autonomous learners. We have created a rich range of books with engaging narratives and colourful illustrations that reflect the diversity of our culture to form a meaningful bridge for children as they grow and expand their boundaries.

Be it bilingual books that make learning a second language easier and more fun or STEM books where children can explore concepts related to science, maths and technology in a way that sparks their curiosity and interest, our storybooks are designed to engage, inform and open the minds of children to worlds beyond their own.

Dive in.

- Laminated to ensure durability for at least 3 years
- Books, languages, and reading levels customized to classrooms
- Help teachers in multigrade classrooms
