V-SPHERE

THE WORLDWIDE PATENTED SLIDING SPHERICAL PUZZLE HAS ARRIVED!

The V-Sphere™ is an exciting spherical sliding puzzle offering to the user Innovative Design, and Addictive Fun! It is a light but sturdy puzzle with permanent vibrant colors and the smoothest sliding play you can ever imagine!

This sophisticated concept puzzle combined with the highest European manufacturing quality, warrants the ultimate user satisfaction.

V-Sphere™ consists of eight colored spherical triangles. Seven of them are surrounded by twelve colored moveable rectangular pieces while the latter triangle is surrounded by eleven pieces always leaving a gap. This empty space enables the user to slide the moveable parts around the sphere. The goal of the puzzle is to match the colored, movable parts to the fixed triangles of the same color.

V-CUBE™ 2

BEGINNER'S CLASSIC

V-CUBE™ 2 is the smallest version of the V-CUBE™ family and is available in two variations; the classical flat shape and the new, "essential" pillow-shaped version, derived from the original V-CUBE™7! It is a multicolored, two-layered cube. The player is required to discover a strategy to achieve uniform colored sides on her/his V-CUBE™ 2.

V-CUBE™ 2 has almost 3.7 million possible permutations and weighs only 74g! It consists of 26 smaller pieces, 8 of them are the visible corners; and a solid cross that supports them, enabling them to rotate independently on based axes.
