Our Story

Uncle Giuseppe's Marketplace first opened our doors in 1998 in East Meadow. Since then, we now have multiple locations in New York and New Jersey. We provide a full-service supermarket to give our customers the best possible food shopping experience at the best value.

Customers have come to love our various departments including a meat department with a selection of the best steaks, poultry, roasts, and Italian sausage made daily, a deli counter with dozens of dishes made using traditional Italian recipes and a produce department with a large variety of domestic, imported, local, and organic fruits and vegetables.

Each location has a seafood department with live lobsters and freshly caught seafood. Our aisles are stocked with an assortment of prepared dinners and a cheese selection with hundreds of different cheeses from around the world.

We also have our own mozzarella machines that are imported directly from Italy. Come see our pasta rooms where you can watch fresh ravioli and pasta prepared daily. We even have an Italian bakery where customers can enjoy their favorite baked goods and a candy counter with sweets and treats all house-made.

With an uncompromising dedication to delicious food and friendly customer service, our customers are always treated like family at Uncle Giuseppe's Marketplace. We believe that we are not just a supermarket, we are an experience.

So stop by! Eat, sing, shop at Uncle Giuseppe's Marketplace. Mangia Bene!
