Roll-a-Rhyme

Spring Version

Prep Work:

Print off pictures onto [cardstock](#), cut out, and insert into photo stacking cubes. If you do not have cubes, you can purchase them from www.amazon.com or make your own with dice with a cardboard box (such as a Priority Mail box). You can also adapt this activity without cubes.

How to Play:

Players take turns rolling the two dice. Players say the name of the objects on the dice and tell if they rhyme or not. If you'd like, you could keep score with each correct answer given; with players getting an extra turn when they roll a rhyme!

Picture Key:

1st Die- bee, nest, kite, pot, sun, frog

2nd Die- tree, rest, right, not, run, log
