Searching for academic eBooks

In addition to our print book collection, CCBC Library users now also have access to an additional 50,000 academic books in electronic format. These can be accessed through **eBook Community College Collection**, an EbscoHost database that can be searched using the same friendly search methods used to locate periodical and journal articles.

- Go to http://www.ccbc.edu. Under Campus Life, choose Library. Choose Research tools.

- Click the Connect to EBSCO link, enter your CCBC logon, and at the next page, click the top link *EbscoHost Web.*

- At the *Choose Databases* page, scroll all the way down and select the eBook offerings.

- Click Continue.

- At the Basic Search screen, enter your topic and click the **Search** button.

If your administrator has enabled eBook downloads for your institution, you will see a **Download icon** (⬇ Download) that allows you to check-out and download the eBook and read it on your computer when you are not connected to the Internet, or transfer it to your Adobe Digital Editions-compatible eBook Reader device.

Note: In order to download eBooks, you must have Adobe Digital Editions 1.7.1 or higher installed on your computer. This is a free download available at http://www.adobe.com/products/digital-editions/download.html.

This page demonstrates how to download *EBSCO eBooks* as well as how to place a hold on an eBook that is in use by another user when using a desktop computer or the full EBSCO interface experience on a tablet.
