

CECIL COLLEGE

Career & Community Education

SPRING 2022

Own Your Future

Welcome to Career and Community Education

Whether you're looking to reinvent yourself or to just have fun, the continuing education programs at Cecil College will help you shape your future and change your life. At Cecil, you can learn it today, and live it tomorrow!

Workforce Training

Career and Community Education offers a full range of programs to help you start a new career, advance your career, or own your own business.

Transportation Training

Earn a commercial driver's license, obtain a Maryland state driver's license, or just improve your existing driving skills with our transportation training classes.

Adult Education

We can help you obtain your GED or gain skills to get the job you want. We also offer ESOL classes for students who are learning English as a second language.

Lifelong Learning

It's time to look into something fun and educational for you. Our classes are designed for adults of every age and interest.

Youth & Homeschool

We have something for every child, year-round.

Explore the Possibilities

We want you to find yourself at Cecil College, where you have endless possibilities for enriching your life and those of your loved ones. No matter your age or interest, explore all that we have to offer.

Course Delivery Formats

Career and Community Education is offering a variety of course delivery types allowing scheduling flexibility.

In-person - Classes that meet on campus or at locations throughout the community.

Hybrid (hyb) - Classes that meet in-person periodically with some coursework offered online.

Online/Asynchronous (Online-A) - Online classes with little or no designated meeting days/times, allowing you to study at your convenience.

Online/Synchronous (Online-S) - Online classes that meet virtually with your instructor and classmates on a regularly occurring day/time, allowing for a highly engaging, interactive experience.

Please see page 38 for a list of location codes for in-person and hybrid classes.

Please refer to the College catalog for the complete and detailed Nondiscrimination Statement.

Due to COVID-19, all information regarding Spring 2022 offerings is subject to change. Please visit cecil.edu/coronavirus for the latest College updates.

Please read the **Return to Campus Plan** at www.cecil.edu/coronavirus for safety guidelines for all in-person classes.

GEDskills+

Build the foundation for your career in the skilled trades.

Integrated Education Training Program - TUITION-FREE!

Jumpstart your career with this “three-for-free” education opportunity, available while funds last:

- **earn your GED to increase your job prospects.**
- **learn basic construction skills to expand your job opportunities and skill set.**
- **gain valuable “soft skills” that enhance your employability, including resume building and interviewing tips.**

This unique program can prepare you for an administrative support role in the construction industry or further training in the skilled trades.

Find out more today by contacting Carolyn Fletcher at 443-907-1391.

The Integrated Education Training program is supported by grant funding from Maryland Department of Labor.

**Course work includes Adult Basic Education/GED® Preparation, NCCER Basic Construction, and soft skills training.*

Veteran & Service Member Resources

Cecil College is a member of the State of Maryland’s College Collaboration for Student Veterans. Every effort is made to ensure the educational success of our returning Veterans, including their recruitment, successful transition to higher education, retention and eventual completion.

A resource center is available through the financial aid office and provides student veteran information related to college and VA resources.

For more information, call 410-287-1003.

HEALTHCARE CAREERS @CECIL COLLEGE

**Get the training you need today to
have the future you want tomorrow!**

Cecil College offers programs
to prepare you for the following
certifications:

- **Certified Medical Administrative Assistant (NHA)**
- **Certified Medical Assistant (AAMA)**
- **Certified Medicine Aide**
- **Certified Nursing Assistant (MBON)**
- **Certified Phlebotomy Technician (NHA)**
- **Certified Professional Coder (AAPC)**
- **Nationally Registered Paramedic (NREMT)**

Program Requirements

- High School Diploma/GED
- Minimum 18 years of age
- Health profile (proof of current immunizations, medical insurance, and Physician's clearance)
- Completion of a background check and drug screen through an approved vendor
- American Heart Association BLS Provider certification (CPR/AED)

*Scholarships and financial aid may be
available for those who qualify.*

For more information, visit
cecil.edu/hcc, email
healthcarecareers@cecil.edu, or call
LuAnn Williams at 443-674-1542.

Medical Assistant Program

Medical assistants work alongside physicians, mainly in outpatient care facilities, such as medical offices and clinics. Medical assistants are cross-trained to perform administrative and clinical duties.

Employment of medical assistants is projected to grow much faster than the average for all occupations, according to the United States Bureau of Labor Statistics.*

Cecil College's program prepares you for national certification.

- Certified Medical Assistant (AAMA)

PARAMEDIC

Cecil College and the Department of Emergency Services of Cecil County Government have a partnership that supports the community's needs for EMS personnel while providing the college accredited education that the student demands.

The Paramedic program contains 720 contact hours of theoretical and clinical instruction and will train you to be the highest level of EMS professional (National Registered Paramedic). This certification will make you marketable across the nation as well as in the State of Maryland, and best of all, it is offered at nearly no cost to you.

Cecil College's program prepares you for national certification.

Nationally Registered Paramedic
(NREMT)

PROGRAM SPECIFIC REQUIREMENTS

- Maryland (or National) EMT certification
- Affiliated with a Maryland ALS Company, member in good standing
- Entry examination (Approximate cost \$20)
- Successful completion of Anatomy and Physiology I & II offered online through Cecil College.

PROGRAM INFORMATION

Classes Start August 2022

Please refer to the Cecil College website at www.cecil.edu/hcc for course description and pricing.

For more information or to apply, contact:

Robert Muller, BS, NRP, MICRB-E,
 Interim Paramedic Director at

rmuller11@cecil.edu or 443-309-0562.

PHLEBOTOMIST

Phlebotomists are primarily responsible and accountable for the collection of blood specimens from patients for the purpose of laboratory analysis. After completing the coursework, students will develop their skills in the required daytime clinical experience to accumulate 100 clinical hours and 200 sticks minimum.

Upon successful completion of the entire 220-hour program, students will receive a certificate of completion and will sit for the National Healthcareer Association's (NHA) certifying exam to become a Certified Phlebotomy Technician (CPT).

PROGRAM COURSES

- Computer Essentials - HCG 200
- Professionalism in Healthcare - HCG 211
- Phlebotomy:
 - Prep for Certification - HHL 201
 - Phlebotomy: Clinical - HHL 102

Phlebotomist is an evening program.

Clinical externships are held Monday - Friday during daytime hours.

CONSTRUCTION, HVAC/R, WELDING

Cecil College has partnered with the National Center for Construction Education & Research (NCCER) to offer standardized construction and maintenance curriculum and assessments with portable credentials in construction, HVAC/R, and welding.

HVAC/R

NCCER HVAC/R – Level I

The HVAC/R program will provide the basic knowledge and skills to become a qualified, entry-level employee in the HVAC industry. Upon successful completion of the program, students will earn Certificate of Completion for NCCER HVAC – Level 1, NCCER wallet card, and their credentials entered in the NCCER Registry. Students will also have the opportunity to take the EPA608 Certification exam at the end of the program. Students must meet with a Program Specialist to enroll in this program.

NCCER HVAC/R – Module II

Pre-requisites: NCCER Basic Construction, NCCER HVAC I.

10 sessions, 30 hours, \$499

Course #: WVR 162

Sec#	Day	Dates	Times	Location
01*	M/W	1/3-2/7	6-9p	CCST

*01 – No class 1/17

NCCER HVAC/R – Module III

Pre-requisites: NCCER Basic Construction, NCCER HVAC I, NCCER HVAC II.

10 sessions, 30 hours, \$499

Course #: WVR 162

Sec#	Day	Dates	Times	Location
01*	M/W	2/9-3/16	6-9p	CCST

*01 – No class 2/21

NCCER HVAC/R – Module IV

Pre-requisites: NCCER Basic Construction, NCCER HVAC I, NCCER HVAC II, NCCER HVAC III.

10 sessions, 30 hours, \$499

Course #: WVR 163

Sec#	Day	Dates	Times	Location
01*	M/W	3/21-4/25	6-9p	CCST

*01 – No class 4/18.

WELDING

NCCER Welding – Level I

The welding program will provide the basic knowledge and skills to become an entry-level welder. Upon successful completion of the program, students will earn Certificate of Completion for NCCER Welding – Level 1, NCCER wallet card, and their credentials entered in the NCCER Registry. Students must meet with a Program Specialist to enroll in this course.

Note: Students must provide welding helmet (shade 10), jacket, gloves, and glasses.

NCCER Welding - Module V

Pre-requisites: NCCER Basic Construction, NCCER Welding Level 1 – Modules I, II, III, IV.

10 sessions, 40 hours, \$1,069

Course #: WVW 263

Sec#	Day	Dates	Times	Location
01*	M/T/W	1/11-2/2	5-9p	CCST

*01 – No class 1/17.

**NCCER Welding Modules I-IV
begin in Fall 2022.**

**NCCER HVAC/R Module I
begins in Fall 2022.**

Contact Amanda at 443-907-1379 or skills4u@cecil.edu for more information.

Shielded Metal ARC Welding I

This course is designed to meet the needs of the beginner student in welding. Learn how to select the correct electrodes, set-up the equipment, and strike an arc on a variety of base metals. Notes: Students must provide welding helmet (shade 10), jacket, gloves, and glasses. Textbook required. Instructor: Racine
6 sessions, 24 hours, \$499

Course #: WVV 225

Sec#	Day	Dates	Times	Location
01	T/Th	2/8-2/24	5-9p	CCST

Shielded Metal ARC Welding II

This advanced course builds on the skills acquired in SMAW I. Pre-requisite: Shielded Metal ARC Welding I. Notes: Students must provide welding helmet (shade 10), jacket, gloves, and glasses. Textbook required. Instructor: Racine

6 sessions, 24 hours, \$499

Course #: WVV 226

Sec#	Day	Dates	Times	Location
01	T/Th	3/1-3/17	5-9p	CCST

MIG & TIG Welding

MIG and TIG are two of the most popular welding techniques used in the industry. MIG is used primarily in the welding of sheet metal while TIG is used for aluminum. Hands-on practice in both processes will be provided. Transcript available. Notes: Students must provide welding helmet (shade 10), jacket, gloves, and glasses. Textbook required. Instructor: Racine

7 sessions, 28 hours, \$580

Course #: WVV 215

Sec#	Day	Dates	Times	Location
01	T/Th	3/29-4/19	5-9p	CCST

Register early-seating is limited!

Contact Amanda at 443-907-1379 or skills4u@cecil.edu for more information.

HVAC/R APPRENTICESHIP

EARN while you LEARN and prepare yourself for a career in the HVAC/R trade!

Cecil College and Heating and Air Conditioning Contractors of Maryland offer a Maryland state-approved four-year HVAC/R Apprenticeship program. Upon successful completion of this four-year program, students will be able to earn their HVAC/R journey-person license from the Maryland Department of Labor, Licensing and Regulation without taking the exam.

HVAC/R Apprenticeship – Year One

The first year of the HVAC/R Apprenticeship program combines both classroom instruction and on-the-job training.

HVAC/R Apprenticeship – Year Two

Year Two topics include: fundamentals of brazing and soldering, electric motors, wiring and testing, HVAC controls, advanced refrigeration and pipe fitting, and communication skills. Note: Student must have already taken Year One of the program or tested out of Year One if they have prior experience or education in the HVAC/R field.

Classes take place at the
Cecil County School of Technology.

**Complete an application today through
the Heating and Air Conditioning
Contractors of Maryland at haccmd.org.**

Students must also provide the following:

- Copy of the applicant's Maryland State HVAC/R license
- Doctor's letter showing the applicant is physically able to work in the HVAC/R industry
- Copy of applicant's high school diploma or transcript of last grade completed
- Copy of applicant's Driver's License
- Written recommendation letters from three (3) acquaintances
- State Apprentice Agreement

**For more information about the
apprenticeship program,
please contact Amanda at
skills4u@cecil.edu or 443-907-1379.**

HEAVY EQUIPMENT OPERATIONS

In Heavy Equipment Operations, students will learn safety, identification, and basic operational techniques of heavy equipment such as dozers, loaders, scrapers and graders. Students will be taught the skills and gain the knowledge required to understand the conditions and markings of the job site, and the responsibilities of the heavy equipment operator. They will also be taught how to calculate the areas, volumes, cut, and fill requirements for a job, along with interpreting roadway and construction site drawings.

Classes include:

- Introduction to Heavy Equipment Operations
- Heavy Equipment Operator – Site Work and Grading
- Heavy Equipment Operator – Enhanced Site Work & Soils
- Excavation Math & Interpreting Civil Drawings

CLASSES BEGINNING IN JANUARY

Intro to Heavy Equipment Operations

12 sessions, 48 hours, \$860

AUTO & DIESEL REPAIR

AUTOMOTIVE REPAIR

Learn how to fix the cars you love to drive – and get on the path to a successful career!

Automotive training at Cecil College lets you learn from ASE-Certified instructors with years of professional experience.

The Automotive program includes 5 classes taken in any order, take one or all five!

- Engine Repair ASE A1
- Engine Performance ASE A8
- Brake Systems ASE A5
- Electrical Systems ASE A6
- Suspension and Steering ASE A4

Hours & Costs

This 150 hour program will cost approximately \$2,800 if all 5 classes are taken (excluding textbooks). Textbook required for each class.

CLASSES BEGINNING IN JANUARY

Automotive Brake Systems

10 sessions, 30 hours, \$560

Course #: WVA 136

Sec#	Day	Dates	Times	Location
01	M/W	1/10-2/14	6-9p	CCST

Automotive Electrical Systems

10 sessions, 30 hours, \$560

Course #: WVA 130

Sec#	Day	Dates	Times	Location
01	M/W	2/23-3/28	6-9p	CCST

Automotive Suspension and Steering

10 sessions, 30 hours, \$560

Course #: WVA 133

Sec#	Day	Dates	Times	Location
01	M/W	4/4-5/9	6-9p	CCST

DIESEL TECHNOLOGY

Cecil College's Diesel Technology program prepares students to inspect, repair and service diesel engines. This is a 9 month, 150 hour program consisting of 5 modules. Students will be introduced to diesel engine maintenance and troubleshooting, tools, diesel systems, pumps, engine reassembly and installation, and more. Upon completion, students will be prepared to take the following ASE Medium-Heavy Truck Certification Tests: T2—Diesel Engines, T6—Electrical/Electronic Systems, and T8—Preventive Maintenance Inspection.

CLASSES BEGINNING IN JANUARY

Diesel Technology - Module III

10 sessions, 30 hours, \$599

Course #: WVA 152

Sec#	Day	Dates	Times	Location
01	T/Th	1/4-2/3	6-9p	CCST

Diesel Technology - Module IV

10 sessions, 30 hours, \$599

Course #: WVA 153

Sec#	Day	Dates	Times	Location
01	T/Th	2/8-3/10	6-9p	CCST

Diesel Technology - Module V

10 sessions, 30 hours, \$599

Course #: WVA 154

Sec#	Day	Dates	Times	Location
01	T/Th	3/15-4/14	6-9p	CCST

**Diesel Technology Modules I and II
begin in September 2022.**

Please read the **Return to Campus Plan** at www.cecil.edu/coronavirus for safety guidelines for all in-person classes.

Register early-seating is limited!

Contact Amanda at 443-907-1379 or skills4u@cecil.edu for more information.

WORKFORCE TRAINING

The business world is an innovative, dynamic arena where the most current and relevant skills are highly valued. GED® & ACADEMIC PREPARATION

Academic Prep helps you:

- Prepare for the GED® and take the GED Ready® Examination
- Improve your reading skills
- Brush up on basic math
- Strengthen writing skills for education or employment
- Enhance your job skills
- Prepare a resume
- Gain computer skills
- Prepare for credit courses

Programs Offered

- ABE – Adult Basic Education
- GED® – General Education Development
- ESOL – English for Speakers of Other Languages
- Transition to Credit
- Project Literacy

Class & Program Information

- Books and materials are provided to use in the classroom
- Classes are self-paced and convenient
- Instructors work closely with students
- Online instruction available

Class Times and Locations

You will have options based on your assessment level and classroom space availability.

You must be 18 years of age or older and officially withdrawn from school to enroll.

- Morning and evening ABE and GED® classes at Elkton Station
- Morning and evening ABE/GED® classes at Family Education Center
- Evening ABE/GED® classes in the community at North East Middle School, Perryville Middle School and Rising Sun Middle School.

Winter: January 18 - March 24 • Spring: April 5 - June 9

Online Courses

If you are a self-motivated, independent learner with access to the internet, you may be eligible for an online class.

If you have questions or you want to enroll in one of our classes, please contact Carolyn Fletcher at 443-907-1391.

The Adult Education Program is supported by grant funding from Maryland Department of Labor, Division of Workforce Development and Adult Learning and the U.S. Department of Education.

GED Ready® Examination

The GED Ready® test is given by appointment. You must pre-register by calling Carolyn Fletcher at 443-907-1391. The cost is \$5.00 per subject or \$20.00 for the entire test. Results are immediate and you will get feedback on what you need to study to prepare for the actual GED®.

GED® State Examination

The GED® State examination will be given on computer at Cecil College's Pearson-Vue testing center at North East Campus for a fee of \$11.25 per test. To find out how to schedule testing, please contact Carolyn Fletcher at 443-907-1391 or Debra Stevens at 443-907-1397. Information is also available online at www.dllr.maryland.gov/gedmd or www.GED.com.

GEDskills+ Training Program - TUITION-FREE!

Jumpstart your career with a unique "three-for-free" education opportunity available while funds last. See page 3.

Transition: Become a Credit Student

This course is designed for GED and high school graduates who wish to smoothly transition to college. It is an intensive course consisting of three modules, including preparing for college writing, preparing for college mathematics, and navigating college – campus, student, and technological resources.

20 sessions, 40 hours, \$100

Course #: AAB 300

Sec#	Day	Dates	Times	Location

ENGLISH FOR SPEAKERS OF OTHER LANGUAGES (ESOL)

ESOL classes focus on improving the speaking, reading, and writing skills of students who are learning English as a second language. Basic classes are grant funded, multi-level classes covering all aspects of English skills. Advanced courses address specific skills and are designed for foreign students who assess at high intermediate or advanced level.

BASIC

Morning classes meet on Mondays and Wednesdays from 9:00 – 11:30 a.m.; evening classes meet on Mondays and Wednesdays from 7:00 – 9:00 p.m. at Elkton station, Room 329.

Morning

- Winter Morning: January 24 - March 30
- Spring Morning: April 11 - June 20

Evening

- Fall Evening: January 10 - March 30
- Spring Evening: April 11 - June 29

Cost: \$20.00 course fee for beginning and intermediate students; \$30.00 tuition and \$20.00 course fee for advanced level students. Level is determined by interview and/or placement.

ADVANCED

English for Better Communication

This course is designed for students who can speak and understand English but who want to improve their skills. This course is also recommended for ESOL students who plan to take credit or non-credit courses. Textbook required.

Fantasy Quest

Come join your team on an exciting exploration of far off lands in this Dungeons and Dragons inspired game (with a YPTP twist)! Create your own character and then work together to explore the land, take on challenges, and level up. New sessions start every 3 weeks -- join as many adventures as you like! While no prior experience is needed, students will need to prepare their character before the first day of the session and have it approved by the instructor. Important Notes: Be sure to enroll at least one week before the start of your session to allow time for character creation and prep work. Characters must be submitted by the Thursday before your first session or you will not be admitted to the first session. Ages 9-17.

Places Everyone: Happily Ever Before

The fairytale villains have had enough! For too long the Evil Queen, Wicked Stepmother, and Dark Fairy have been pushed into the shadows while princesses like Snow White, Cinderella, and Briar Rose get their happily-ever-afters. So, the scoundrels set out to change things. With the help of the sinister Rumpelstiltskin, the mischief-makers use their magic to travel back in time, planning to change the destinies of each of their princesses and send them down a new path that doesn't end so happily. But as the villains set their plan in motion, a classic cast of fairytale extras -- including the Big Bad Wolf, Hansel and Gretel, Goldilocks, and Robin Hood -- unwittingly change the princesses' stories and the course of the villains' plans. Notes: Ages 7-17. Performance dates are TBD. Please sign up by start date -- character roles are determined on the first night of class. Email Kelsy Bostic kbostic@cecil.edu for more information. PLEASE NOTE:

All tuition and fees are paid at the time of registration.

Questions?

Please contact us at 410-287-1078.

Every effort is made to honor the schedule herein; however, circumstances may require the alteration or cancellation of courses, seminars, or programs. Cecil College reserves the right to modify the schedule as is deemed necessary with regard to courses offered, instructor assignments, location, tuition, course and materials fees.

Forms of Payment

Payments for registration may be made by cash, check, or money order (payable to Cecil College), VISA, MasterCard, or Discover (account number and expiration date). Post-dated checks are not accepted. If your check is returned from the bank, the College will not re-deposit your check and a \$36 fee will be added to your account. A \$36 fee will be added to your account if your credit card is denied or invalid. Payments for returned checks and fees must be submitted only in the form of cash, money order, or cashier's check. Stop payment on a check does not officially withdraw you from a class.

Registration Confirmation

We do not process registration confirmations. Please attend class on the date and time indicated in this course schedule unless you are otherwise notified.

Refund/Drop Policy

To receive a full refund for dropping a course, you must contact the Registration Office at least 24 hours prior to the first class meeting. If you do not officially drop from a class or if you fail to attend, you are responsible for all tuition and fees associated with the registration.

Cancellation Policy

Cecil College reserves the right to cancel classes when there is insufficient enrollment. When classes are canceled, every effort will be made to contact you and 100% of your tuition and fees will be refunded by mail. The refund will take at least two (2) weeks to be processed. Decisions regarding class cancellations will be based on the number of registrations, so please register early!

Textbooks

Textbooks for courses are available at the Cecil College Bookstore located in the Technology Center on the North East campus. You may purchase textbooks at the Cecil College Bookstore or another bookstore of your choice. If the course description notes "Textbook required," check with the Bookstore (410-287-4740) for the name of the textbook. Textbooks will not be available from the instructor on the first night of class nor can they be purchased at Elkton Station. It will be your responsibility to purchase your textbook prior to the course to be ready for a successful learning experience.

Cecil College Bookstore Textbook Return Policy

1. No refunds will be given without a receipt.
2. Books must be absolutely free of all markings, either pencil or ink and in original packaging. Do not mark in or open your book until you are sure that it is the correct book for your course and you know that the class will be running.
3. Defective books will be replaced at no charge.
4. Textbooks for non-credit courses may be returned up to one week from the start date of the individual course.

Senior Network

Ages 60+ can enjoy \$5 course fees for all Senior Network classes at Cecil College by joining the network. Membership fees* are based on your place of residence:

Cecil County	\$70/Semester
Out-of-county	\$80/Semester
Out-of-state	\$90/Semester

*prices subject to change

For more information, call 443-907-1378.

Course Delivery Formats

Career and Community Education is offering a variety of course delivery types allowing scheduling flexibility.

In-person - Classes that meet on campus or at locations throughout the community.

Hybrid (hyb) - Classes that meet in-person periodically with some coursework offered online.

Online/Asynchronous (Online-A)

Online classes with little or no designated meeting days/times, allowing you to study at your convenience.

Online/Synchronous (Online-S) - Online classes that meet virtually with your instructor and classmates on a regularly occurring day/time, allowing for a highly engaging, interactive experience.
